

Brenda Reining
Commissioners' Award of Excellence
October 2017

Brenda Reining has been selected as the Commissioners' Award of Excellence winner for October 2017. Brenda works as a Clerk Typist III and began working for the County on October 26, 1998. She was nominated by Holly Newton, Community Corrections Coordinator, in the category of Productivity.

In her nomination, Ms. Newton stated, "Ms. Reining facilitated the move of our department from Courthouse Plaza to 605 S. 10th Street. As a Clerk Typist III this is not part of her job description, but she performed this task with enthusiasm and a positive attitude. Ms. Reining demonstrated admirable organizational skills and was able to effectively trouble shoot when problems or challenges arose, which occurred on numerous occasions. She fielded seemingly non-ending questions from staff members with patience, and if she didn't initially have the answers she would do the legwork necessary to get people the information they needed. Ms. Reining volunteered to alter her usual schedule as needed to see that the move went smoothly and maintained her calm and sense of humor throughout this very hectic time period. Because of her, the relocation of our department was

seamless for the rest of us and we were able to continue provide services with little disruption.”

For these reasons, we are pleased to award Brenda Reining with the Commissioners’ Award of Excellence for the month of October 2017.
