

Kelly Lundgren
Commissioners' Award of Excellence
November 2017

Kelly Lundgren has been selected as the Commissioners' Award of Excellence winner for November 2017. Kelly works as a County Records Specialist III and began working for the County on January 22, 2015. She was nominated by Cari Forbes, Account Clerk, in the category of Productivity.

In her nomination, Ms. Forbes stated, "We had a fellow co-worker that experienced an unexpected emergency injury that took her out of the office for an extended period of time. Kelly Lundgren has stepped up and gone above and beyond to do the work of that co-worker in addition to all of her regular job duties. She has attended extra meetings, done extra agendas, done extra minutes and without missing deadlines. She has been diligently working hard at her desk to make sure that the county is operating business as usual doing the work of two people. I know that sometimes, when you sit at your desk, do all that is required of you and then some, that can go unnoticed. Kelly makes what she does look easy. She is that good. But being that good doesn't come without a lot of patience, accuracy and minute attention to detail. Kelly is at the top of her game. She is

always at work, giving it everything she has from start to finish. I know she is under a lot of pressure, but she just keeps going to make sure all the work is done no matter how impossible the deadline might seem. In addition to this, she is answering phones and doing back-up general clerical work for other employees. She truly is a dedicated worker and I want Kelly Lundgren to know that she is noticed for all she does for Lancaster County and she is beyond appreciated. She is a valuable employee and we are so lucky to have her."

For these reasons, we are pleased to award Kelly Lundgren with the Commissioners' Award of Excellence for the month of November 2017.
