AGENDA ITEM

1 APPROVAL OF MINUTES OF THE MARCH 2, 2017 STAFF MEETING

MOTION: Avery moved and Amundson seconded approval of the March 2, 2017 Staff Meeting minutes.

Brinkman noted a typographical error in the second paragraph from the bottom on Page Two. She said "intendt" should be "intent."

ROLL CALL: Amundson, Avery, Brinkman and Wiltgen voted yes. Schorr was absent. Motion carried 4-0.

2 LEGISLATIVE UPDATE – Gordon Kissel, Joe Kohout and Jonathan Bradford, Kissel/E&S Associates (Legislative Consultants)

Joe Kohout, Kissel/E&S Associates, presented a legislative update (Exhibit A).

Kerry Eagan, Chief Administrative Officer, disseminated copies of correspondence he received from Rick DeBoer, President of American Federation of State, County & Municipal Employees (AFSCME) Local 2468, regarding a proposed amendment to Legislative Bill (LB)

508 (Change the population threshold for the county civil service system) (Exhibit B). He said AFSCME has agreed to proposed changes to the makeup of the Personnel Policy Board (see March 2, 2017 Staff Meeting minutes) with the exception of language that would require members be residents of the County. Wiltgen pointed out that individuals who are not County residents are making policy decisions that affect the County and said it is difficult to justify the makeup of the Personnel Policy Board to taxpayers. Avery said he hasn't had any concerns relayed to him. Eagan said the Human Resources Department has voiced concerns. He said the Board could agree to remove the language and pursue it again next year as a stand-alone piece of legislation. Kohout expressed concern regarding the "last minute" addition of language and felt it could hinder the chances of the legislation being successful this year. There was consensus to remove the language (Paragraph 1) from the proposed amendment.

Kohout said efforts continue to try to reach agreement with the Governor's Office on language in LB 333 (Eliminate and independent review of denial of aid to the disabled). He said the Governor's Office proposed language last week and the Nebraska Association of County Officials (NACO) countered with different language. Kohout said he, Wiltgen and Eagan participated in a conference call yesterday with Mary Ann Borgeson, Chair of the Douglas County Board; Karen Buche, Douglas County Human Services Director; Sean Kelley, Douglas County Lobbyist; and Larry Dix, NACO Executive Director, to discuss their concerns regarding the General Assistance (GA) provision. The Governor's Office did not participate in the conference call. Kohout said the Health and Human Services Committee plans to hold an Executive Session at 9:30 a.m. on the bill and Dix, Kelly, and Tim Gay, Sarpy County Lobbyist, are working to try to hold the bill in Committee.

Jonathan Bradford, Kissel/E&S Associates, gave an overview of the Government, Military and Veterans Affairs Committee's hearing on LB 510 (Provide a restriction on installment contracts for the purchase of real or personal property by political subdivisions). He said Coby Mach, President and Chief Executive Officer (CEO), Lincoln Independent Business Association (LIBA), was the only proponent. Several opponents testified including a representative of Southeast Community College (SCC) and Lincoln Mayor Chris Beutler. Bradford felt it unlikely that the bill would advance out of Committee.

Dave Shively, Election Commissioner, appeared and discussed LB 163 (Require additional polling places prior to elections in certain counties). He estimated the fiscal impact to Lancaster County at \$300,000 (lease of space, staffing, internet access, etc.), adding he has not received any requests for additional voting sites in Lancaster County. Shively said early in person voting is available at the Election Commissioner's Office (601 North 46th Street) prior to elections and said 25% of the County's voters voted by mail (early vote/absentee ballot) in the Presidential election. He said he recommended several changes to Senator Tony Vargas, introducer of the bill, prior to the bill's introduction but has not had contact with the Senator since then. Kohout agreed to relay the concerns about the fiscal impact to Senator Vargas and will see if he is working on any amendments. Wiltgen asked if the Board would like to take a position on the bill. Brinkman said she

would prefer not to take a position at this time, adding she does not want to be perceived as being opposed to trying to find new ways to provide voting access.

It was noted Brad Johnson, Corrections Director, submitted a letter to Senators Adam Morfeld and Matt Hansen providing the data they had requested regarding Lancaster County's inmate population as it pertains to LB 145 (Provide for a hearing to determine financial ability to pay fines and costs and traffic citations and provide for community service) and LB 395 (Change provisions relating to conditions of and ability to post bail) (see Exhibit C).

Kohout also reported there is a lot of opposition to LB 576 (Limit increases in property tax bills) and felt it unlikely that it would be advanced out of the Revenue Committee.

Avery exited the meeting at 8:58 a.m.

NOTE: Legislative bill reports were also provided to the Board (Exhibits D-F).

**3 NEBRASKA DEPARTMENT OF ENVIRONMENTAL QUALITY (NDEQ)
STORM WATER DISCHARGE REGULATIONS – Pam Dingman, County
Engineer**

Pam Dingman, County Engineer, said she learned last October that the Nebraska Department of Environmental Quality (NDEQ) had held a stakeholders meeting for their Clean Water Act permit. **NOTE:** The City of Lincoln is required to have a municipal separate storm sewer system (MS4) Program which is one part of the permit. She said Lancaster County was not invited to the meeting and said she was disturbed to learn there was discussion of including Lancaster County in the MS4 Permit. Dingman characterized it as an unfunded mandate but said the County could apply for grant funds to pay part of the staffing costs. She said she contacted NDEQ and was told plans to move forward with new permittees were on hold. Dingman subsequently received a letter in February informing her that Lancaster County is being included in the MS4 Permit Program, noting the County has 180 days from issuance of the permit to file its plan for implementation and five years for full implementation. She said she was informed the County was being brought into the plan because it met one, or all, of four criteria, one of which is having urbanized census tracts that were not contained within the City (see map in Exhibit G). Hall County has also been included in the MS4 Permit and she and Steve Riehle, Hall County Engineer, met with NDEQ last week and learned NDEQ had assumed Hall and Lancaster Counties were like Douglas and Sarpy Counties, which operate under a Sanitary Improvement District (SID) System and have a lot of highly urbanized areas. Dingman said they informed NDEQ staff that they do not have SID's as a form of development and those areas are annexed into cities as they are developed. In addition, anything developing within their major cities' extra territorial jurisdictions already have oversight (see map of the City of Lincoln's extra-territorial three-mile limit and current city limits in Exhibit H). She said she plans to respond to NDEQ during its comment period and inform

them that the areas where they would like Lancaster County to implement a MS4 Permit Program are now all contained within the City of Lincoln.

Avery returned to the meeting at 9:05 a.m.

Dingman said she does not believe Lancaster County meets the criteria to become a MS4 Program at this time but will likely become one at some point, noting the MS4 Permit is reissued every five years.

In response to a question from Wiltgen, Dingman said the Cities of Hickman and Waverly are smaller in size and have not qualified as urbanized areas to date. She also expressed concern that the consultants and contractors that work in these areas sometimes believe they are not required to do erosion control because they are not under a MS4 Permit in a certain area and said she intends to contact the Home Builders Association of Lincoln (HBAL) about the importance of following the standards.

Brinkman asked whether there was value in having the City of Lincoln or Lincoln-Lancaster County Planning Department acknowledge the statements Dingman plans to make in the comment period. Dingman said she could ask if they would be willing to do so.

**RURAL TO URBAN TRANSITION STREET PROGRAM (RUTS)
UPDATE AND SOUTH 98TH STREET – Pam Dingman, County Engineer**

Dingman discussed the interlocal agreement between Lancaster County and the City of Lincoln for the adoption of right-of-way and construction standards for unimproved county roads located within the three-mile zoning jurisdiction of the City of Lincoln (County Contract No. C-06-0060) which is known as the Rural to Urban Transition Street Program (RUTS). She said the theory in 2006, when the agreement was approved, was roads could be graded to their ultimate design section and right-of-way and said the agreement defined who was responsible for the purchase of the right-of-way, grading and placement of storm sewer structures. The agreement also provided that the County Engineer could say no if he/she determined it was economically unfeasible. Dingman noted the intent was to finance RUTS with a wheel tax but the Board did not approve a second agreement that would have created a County wheel tax. Eagan explained a joint public agency (JPA) would have to be created in order for a City tax to be extended into the County. He said the City increased its sales tax and planned to use those funds to fund its portion. Eagan added it would have taken about a third of the wheel tax raised in the County to fund RUTS, noting there was also an intent to enter into cooperative agreements with the rural villages to improve village roads and to use a portion for acquisition of right-of-way for the East Bypass Project.

Dingman said RUTS has placed the burden of acquiring 120 feet of right-of-way on the County if it needs to pave a road, noting that right-of-way might have been donated to the County if development had come forward in the future. She cited the section of South

98th Street between Old Cheney Road and "A" Street and said she has been involved in negotiations with City Public Works & Utilities, City Engineering Services and the Planning Department about how much right-of-way and road top should be required. She said the negotiations have been prolonged in part because some of the parties want to meet without including others. Dingman stressed the need for them all to meet to work out the details.

Dingman presented a map of gravel roads with average daily traffic (ADT) counts over 350 (Exhibit I) and explained there is a four-year rotation for traffic counts. She indicated plans to conduct a special traffic count on South 98th Street from "A" Street to Pioneers Boulevard, noting the latest count for the section between Pioneers Boulevard and Old Cheney Road was slightly over 700 vehicles. Dingman said it is difficult to maintain gravel roads once the ADT is over 300 and said there are a number of areas around the County that need to be addressed. She noted she has shared her philosophy about roads with the Board, i.e., not doing more grading projects until the department was caught up with roads that need to be paved, but said there is a section of North 98th Street between Holdrege and Adams Streets that needs to be graded. The road has an ADT of 449 on the south half mile and 376 on the north half mile. Dingman referenced another section (South 98th Street from "O" Street to "A" Street) that doesn't have a current ADT because it is closed. The County has acquired the right-of-way but doesn't have the design completed. She noted she requested a sinking fund last year for South 98th Street from "O" Street to Old Cheney Road with the intent of paving the entire road but said she now intends to include paving of the section from "A" Street to Old Cheney Road in the budget. Dingman felt some of the pressure would be taken off 84th and 140th Streets, which have become busy corridors, if 98th Street were paved contiguously from Adams Street to Old Cheney Road.

In response to a question from Amundson, Dingman said the section of South 98th Street from "A" Street to "O" Street must be completed by 2030 or will revert back to the owners. She said the County also agreed to: 1) Grade the road and pave it within one year of opening the section; and 2) Drop the section from "O" Street to "A" Street down which will require surplus material to be removed. Dingman said there is a need for the road to be opened but felt the design and development of plans, environmental permitting, and meeting the water quality standards would take 18 to 24 months. Completion is estimated at three to four years out. She said she still has questions regarding conveyance of the deed and will seek a legal opinion from the County Attorney's Office.

The Chair agreed to talk to the Mayor about the need for better communication between City Public Works & Utilities, City Engineering Services and the Planning Department, and the County Engineer on these issues.

ADMINISTRATIVE OFFICER REPORT

A. Joint Meeting with Villages (Thursday, March 16, 2017)

Minette Genuchi, Administrative Assistant to the County Board, appeared and said Pam Pickard, Clerk/Treasurer, Village of Panama, contacted her and asked whether there are any concerns about the new regulations for wastewater treatment. She said topics currently scheduled are: 1) Feedback on "My Town, Lancaster County" (a three-day rural design that brought many of the small communities in Lancaster County together to share information and ideas, plan for future projects and activities, and analyze strengths, opportunities, aspirations and results), 2) Recycling and the new landfill ban; 3) Electronic records management; and 4) South Beltway update.

There was consensus to: 1) Delay the "My Town, Lancaster County", electronic records management, and South Beltway items; and 2) Schedule discussion of paving in the villages and townships, recycling and the new landfill ban, information about the Civic and Community Center Financing Fund (CCCFF) Program, and roundtable discussion on the agenda.

B. Quote from Great Plains Appraisal, Inc. for Appraisal of Trabert Hall

Eagan said the quote was in the amount of \$4,000.

Wiltgen asked whether it went out for request for proposal (RFP). Eagan said no, it was considered to be professional services which do not have to be bid.

MOTION: Amundson moved and Brinkman seconded to ask the County Attorney's Office to draft a contract with Great Plains Appraisal, Inc. for the appraisal of Trabert Hall. Avery, Brinkman, Amundson and Wiltgen voted yes. Schorr was absent. Motion carried 4-0.

C. Update on Breastfeeding Policy

Brinkman said she learned the policy was updated by the City and County in 2013. She said she asked the Lincoln-Lancaster County Health Department (LLCHD) Director, to review the policy and to see if they had suggested revisions, but they did not. Brinkman said the Public Building Commission (PBC) will address any issues related to the Nursing Mothers Rooms.

D. National Association of County Officials (NACo) Legislative Conference

Amundson reported on her attendance at the 2017 National Association of County Officials (NACo) Legislative Conference in Washington, D.C. and mentioned some of the sessions she attended. She noted she was appointed to the Veterans and Military Service Committee.

E. Sheriff's Spring Citizen's Academy

Wiltgen said he is interested in attending a Citizen's Academy but may have scheduling conflicts for this session. He indicated he will follow-up with the Sheriff's Department.

5 LEGAL SERVICES COSTS FOR COUNTY AND DISTRICT COURT –
Becky Bruckner, County Court Judicial Administrator; Jared Gavin, District Court Administrator; Troy Hawk, Clerk of the District Court

Becky Bruckner, County Court Judicial Administrator; Jared Gavin, District Court Administrator; and Troy Hawk, Clerk of the District Court, discussed court-appointed

attorneys' fees in criminal cases in response to a request at the Mid-Year Budget Retreat. Bruckner explained that although the courts have indicated these aren't controllable costs, the judges ask a number of questions on the record, such as whether the prosecutor is requesting jail time, before making an appointment and carefully review the bills that are presented. Hawk added if an individual is facing more than a year in jail, the courts are constitutionally required to appoint them an attorney if they can't afford one. He said that appointment typically takes place at the County Court level.

Wiltgen said the discussion with the Public Defender at the Midyear Budget Retreat was whether or not hiring an additional attorney would reduce the number of times they are conflicting out and the caseload issues in that office. Bruckner stated it wouldn't change the conflicting out numbers. Hawk said he hasn't analyzed the Public Defender's numbers but said it makes sense that it would help with their caseload, i.e., they would be able to take on more cases. Gavin said a study was conducted in 2012 and the concept of a "Conflict Office" was explored. He said it was found not to be cost effective. Gavin presented the following graphs (Exhibit K):

- Lancaster County District Court Cases Resolved and Paid
- Lancaster County District Court Legal Fees vs. Resources
- Lancaster County Legal Fees Plus 1 Year Shift
- Lancaster County District Court Fees by Midyear

It was noted the courts don't allow the attorneys to bill until they are resolved. Hawk added they don't have software in place that allows them to capture the number of court appointments. Gavin felt the Public Defender might be able to generate a report from their defenderData case management system.

In response to a question from Wiltgen, Gavin said District Court's average case cost in 2016 was \$946 and compared it to \$864 in 2015 and \$964 in 2014. He said the current average is \$845. Hawk noted the County Attorney recently indicated the number of criminal case filings has increased and felt there will likely be an increase in legal fees as well. Bruckner said County Court's case costs are significantly lower than District Court's but said they have seen an increase every year.

Reimbursement rates were also discussed. It was noted District Court's rate is \$75 an hour compared to \$80 in Douglas County. County Court's reimbursement rate is \$50 an hour.

In response to a question from Eagan, Hawk said parents in child support cases before the Child Support Referee are appointed an attorney if they are indigent and possibly facing jail time for not paying child support. Gavin added much of the cost is reimbursed through federal Title IV-D funding.

DISCUSSION OF BOARD MEMBER MEETINGS

- A. Railroad Transportation Safety District (RTSD) – Schorr, Wiltgen, Brinkman

Brinkman said they received updates on the 33rd and Cornhusker Highway and Hastings Sub Relocation (Hobson Yard) projects. Wiltgen said they also reviewed financial activity and said the RTSD has \$18,000,000 available between securities and cash. He also referenced the West Wittstruck/ Burlington Northern/Santa Fe (BNSF) Railway Crossing Study and felt the County Engineer and RTSD Executive Director are not in agreement on the project.

Brinkman questioned action at the March 2, 2017 Staff Meeting to submit a letter in opposition to Legislative Bill (LB) 658. Two commissioners voted yes, two commissioners abstained and one commissioner was absent. The motion passed 2-0, with two abstentions. Brinkman noted it was indicated that abstention in this instance meant yes and said she was not familiar with that process. Eagan explained under Robert’s Rules of Order, which is a widely-used manual of parliamentary procedure, the abstentions counted towards a quorum but didn’t count towards the vote.

13 ADJOURNMENT

MOTION: Avery moved and Amundson seconded to adjourn the meeting at 10:35 a.m. Brinkman, Avery, Amundson and Wiltgen voted yes. Schorr was absent. Motion carried 4-0.

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners

FROM: Gordon E. Kissel
Joseph D. Kohout
Jonathan G. Bradford

DATE: March 9, 2017

RE: Weekly Update

Good morning. Today is day 44 of the 2017 Legislature. The Legislature continues its process of engaging in morning debate and conducting committee hearings in the afternoons.

Since our last meeting on Thursday, the Legislature has moved a total of 14 bills off of General File. On Friday the Legislature picked up its debate on LB46A, the appropriations bill for Sen. Watermeier's much contested LB46, "Choose Life" license plate bill. Debate on this bill, however, centered almost solely on the upheaval that took place at Tecumseh State Prison the day prior.

Coincidentally, much of this weeks' morning debate has centered on LB447, Sen. Chambers bill to eliminate certain minimum mandatory penalties. As the body closed in on the six hour time limit for debate, Senator Lou Ann Linehan introduced AM546, which limited the scope of LB447 to eliminate only minimum mandatory penalties for drug-related offenses. The body adopted the amendment and proceeded to move LB447 as amended on to Select File by a vote of 25-22-1. If LB447 makes its way to the Governor's desk it will likely be vetoed, and as it stands there are not enough votes in the body to override such a veto.

Yesterday, Wednesday, March 8th was the last day for Senator's to request Speaker Priority status for their priority bills. Today is the final day for Senators to select personal and committee priority bills. Here is a link to see which Senator's prioritized which bills:
http://www.legislature.ne.gov/session/priority.php?order_by=intro&sort=desc.

Lastly, the Legislature will not be meeting tomorrow, March 10th, as it is a recess day.

LANCASTER COUNTY LEGISLATIVE PRIORITIES

LB508 (Hilgers) *Change the population threshold for the county civil service system.* The bill was introduced on January 18th, and has now officially been referred to the Government, Military and Veterans Affairs Committee. This bill was heard on February 22, 2017, and still remains in committee.

We did provide the amendment language to Senator Hilgers' office on last Friday.

POSITION: SUPPORT

LB567 (Bolz) *Change funding for county public assistance offices.* The bill was introduced on January 18th, and has now officially been referred to the Government, Military and Veterans Affairs Committee. The bill was heard on February 22, 2017 and still remains in committee.

POSITION: SUPPORT

LB441 makes those persons described under section 1902 (a)(10)(A)(i)(VIII) of the federal Social Security Act eligible under the Medical Assistance Act. Jono will provide an update on this hearing in person.

POSITION: SUPPORT

LB357 (Bolz) *Increase original certificate of title fees for vehicles transferred to Nebraska from another state and provide for voluntary contributions to brain injury programs.* LB357 places a fee of twenty-five dollars for each original certificate of title issued to a person by a county for a vehicle or trailer being titled in Nebraska from another state after the first original title is issued. LB357 also allows for voluntary contributions of \$2 to be made as a donation to programs for persons suffering from brain injury. This bill was heard on February 28, 2017 and is still in committee. At the hearing, the only opposition to the bill was raised by the Department of Motor Vehicles.

POSITION: SUPPORT

LB47 (Watermeier) *Change provisions relating to the payment of fees and costs associated with grand juries and the deaths of incarcerated persons.* The hearing on this bill was held before the Judiciary Committee. Mr. Eagan testified on behalf of Lancaster County. The bill remains held in Committee.

POSITION: SUPPORT

LB327 (Speaker Scheer at the Request of the Governor) *Appropriate funds for the expenses of Nebraska State Government for the biennium ending June 30, 2019.* This is the Governor's Appropriation bill. We have become aware, as per a communication from Brent Meyer that there is a provision to reduce the amount of funding provided by LB1038 in last session from \$975,000 to \$487,500 for the Nebraska Department of Agriculture to get to their 8% reduction. The bill has been referred to the Appropriations committee, but a hearing date has not yet been scheduled. This bill was heard on February 21, 2017 and remains in committee.

POSITION: CONCERNS EXPRESSED BY JUDY HALSTEAD AND BRENT MEYER ABOUT REDUCTIONS IN SPECIFIC AREAS

LB81 (Blood) Change the application fee for handgun certificates. LB81 changes the fee charged for each application for a handgun certification from five dollars to twenty-five dollars. The bill was advanced to General File in its Green Form.

POSITION: SUPPORT

LB127 (Groene) Change notice requirements under Open Meetings Act. LB 127 provides for a change in the open meetings law, in Sec. 84-1411 of the statute. It strikes language for political subdivisions to publicize meeting designated by each political body and requires them to publish such notice in a newspaper of general circulation in each county within the public entities jurisdiction as well as any other method designated by the public body. The newspaper notice does not have to be published in every county but must have a general circulation within the county. This proposal is also not intended to apply to state agencies but just political subdivisions. A significant amendment was offered at the time of the hearing that would re-write the bill. The bill remains held in Committee

POSITION: OPPOSE

LB152 (Craighead) Change and eliminate provisions relating to the fees for recording and filing certain documents. LB152 eliminates sunset dates of January 1, 2018 for provisions relating to the fees for recording and filing certain documents. LB152 also eliminates the six-dollar uniform fee, payable to the Secretary of State, for presenting and filing and indexing and filing and indexing each notice of lien or certification of notice affecting lien on a property. The bill remains held in Committee

POSITION: SUPPORT

LB333 (Riepe at the Request of the Governor) Eliminate an independent review of denial of aid to the disabled. LB333 requires that a disability persist for more than a year before a person can be considered disabled. LB333 also eliminates the requirement that the Department of Health and Human Services conduct an independent medical review when Social Security denies benefits to an individual on the basis of the duration of the individual's disability. The hearing on this measure was on January 25, 2017. A letter was sent to Senator Riepe and members of the Health and Human Services Committee under Chairman Wiltgen's signature.

During the past few days, there has been an enormous amount of conversation on this issue – most recently resulting in a conference call yesterday afternoon with representatives of NACO, Douglas and Lancaster County.

POSITION: OPPOSE

LB468 (Krist) Change revenue and taxation provisions. LB468 eliminates the Personal Property Tax Relief Act exemption and compensating exemption factor for tax years 2018 and 2019. LB468 also eliminates an exemption from taxation for the first ten thousand dollars of valuation on tangible property for tax years 2018 and 2019. LB468 also eliminates the reduction in the value of tangible personal property owned by each railroad, care line company, public service entity, and air carrier for tax years 2018 and 2019. LB468 ends reimbursement to taxing subdivisions for tax revenue that will be lost because of personal property tax exemptions for tax years 2018 and 2019.

LB468 allows resident individuals from electing to subtract from federal gross adjusted income the extraordinary dividends paid on and the capital gain from sale or exchange of capital stock for taxable years beginning before January 1, 2018 and taxable years beginning on or after January 1, 2020. LB468 ends the credit to the Game and Parks Commission Capital Maintenance Fund on July 1, 2017, and ends the credit to the Highway Trust Fund on or after July 1, 2017 and before July 1, 2019. Since an emergency exists, this act takes effect when passed and approved into law.

The hearing on this measure was February 22, 2017. The bill remains held in committee.

POSITION: OPPOSE

LB367 (Krist) Change provisions relating to payment of costs in juvenile matters. LB367 requires the county to pay the costs associated with transportation when a peace officer takes a juvenile into temporary custody and a probation officer determines the need for detention or an alternative placement. LB367 requires the Office of Probation Administration to pay for costs that are related to treatment or service provisions. The bill remains held in committee.

POSITION: OPPOSE

LB510 (Ebke) Provide a restriction on installment contracts for the purchase of real or personal property by political subdivision. LB510 prohibits political subdivisions from entering into installment contracts for the purchase of real or personal property that require a total outstanding obligation exceeding twenty-five million dollars.

POSITION: OPPOSE

LB434 (Ebke) Change videoconferencing provisions relating to certain juvenile hearings. Subject: lb 508

Kerry,

We had our Union meeting tonight and discussed the proposed amendment. One question that came up, is this proposed amendment part of lb 508, or is this not part of 508, and just new language to the Personnel Policy Board?

There are a few things that we would like to see in the final draft amendment before it goes to vote. First change would be in paragraph one. We would like the new language (live in county) removed. So instead of a comma after the word county just put a period, and start the next sentence with No member shall

We would also like to make sure that four current board members, two employee appointees, and two management appointees are eligible to continue on the board, and that when their term is up that they will be allowed to run again, so language might be needed for that.

We believe that if these changes are made, and after our attorney looks over the final draft, then we would be okay with the proposed amendment.

I will follow up with a phone call tomorrow morning to make sure we are on the same page and that there is no confusion.

Thanks,
Rick

RECEIVED

LANCASTER COUNTY
BOARD

Dear Senators Morfeld and Hansen,

I appreciate the opportunity to provide you with information regarding our inmate population as it pertains to your legislative bills, (LB 145 and LB 395). As I'm sure you are aware, the issue of fines and bonds is deeply rooted into our criminal justice system and very complex. The following bond statistics are representative of Fiscal Year 2015 (July 01, 2014 – June 30, 2015) and have been compiled from our Inmate Management System.

Average Bond amounts for inmates who do not or cannot post the bond amount:

Our records indicate that during Fiscal Year 2015, 4,907 inmates were afforded bonds by the courts. Of these, 352 were granted a Personal Recognizance (PR) Bond. This type of bond does not require any type of monetary deposit. In all, 796 inmates remained in custody until the disposition of their case and did not, or could not, deposit money.

Please note that of the 796 inmates who did not post their bond, some may have had other charges that would have kept them from being released had the bond been posted. As an example, an individual may have been serving a 180 day sentence on one case, and had a \$5,000 percentage bond on a second case. In circumstances such as this, there is no advantage to posting the \$500 for their bond as they would not be released from custody due to the sentence they were serving. Unfortunately, there is no way for me to filter those types of circumstances out of the numbers below.

The average bonds for felonies and misdemeanors are as follows:

FELONIES	Number of Inmates	Minimum Bond Amount	Max Bond Amount	Average Bond
F1A	3	\$500,000	\$1,000,000	\$666,666.66
F1B	25	\$20,000	\$2,000,000	\$535,800.00
F-1C	35	\$10,000.00	\$500,000.00	\$123,571.42
F-1D	75	\$1,500.00	\$340,000.00	\$58,026.66
F-2	130	\$2,500.00	\$1,000,000.00	\$70,569.23
F-2A	194	\$2,500.00	\$1,000,000.00	\$34,118.55
F-3	217	\$1,000.00	\$300,000.00	\$20,435.48
F-3 A	268	\$500.00	\$500,000.00	\$16,759.32
F-4	1,148	\$75.00	\$100,000.00	\$6,307.48
F*	14	\$500.00	\$1,000,000.00	\$131,178.57

Misdemeanors	Number of Inmates	Minimum Bond Amount	Max bond Amount	Average Bond
M1	699	\$50.00	\$100,000.00	\$5,437.26
M2	281	\$100.00	\$50,000.00	\$2,608.00
M3	231	\$500.00	\$20,000.00	\$2,415.58
M3A	2	\$1,000.00	\$3,000.00	\$2,000.00
M*	1,555	\$25.00	\$100,000.00	\$2,670.98
MW*	30	\$2,500.00	\$15,000.00	\$5,316.66

* "F" is a felony with "Habitual Criminal" attached to the charge.

* "MW" Traffic, i.e. "DUI"

* "M" Flat Misdemeanor-"Contempt of Court."

Any correlation between the bond amount and seriousness of the charge:

As detailed in the chart above, the average bond amounts increase with the severity of the felony, except at the F-1D level.

The average length of stay:

The average length of stay for those in custody on Felony Pretrial cases is 64 days.

The average length of stay for those in custody on Misdemeanor Pretrial cases is 5 days.

The number of inmates who are released on supervision by community corrections:

There were 109 individuals on Pretrial Release during calendar year 2016. That represents a total of 14,223 bed days awaiting trial.

Additionally, there were 30 bond reviews where applicants were denied participation in the program.

During 2016 there were 15 individuals who were allowed to convert their sentence to House Arrest. That represents a total of 1172 days in jail at an average of 78 days per individual.

The number of inmates who sit out fines:

During fiscal year 2015, 2,823 fines were processed through our department. Of those, 2,293 paid no money towards their fine, opting instead to "serve" the fine by receiving a \$90 per day credit toward the fine. Many of these fines were served concurrently with other sentences or while awaiting disposition of other cases. Unfortunately, I am not able to quantify how many times circumstances such as this occurred.

The cost to the county to house pretrial detainees per day:

The average cost to house an individual in our department is approximately \$100 per day.

Sincerely,

Brad Johnson
Corrections Director
