Subject: New HP Elite x2 1012 for County Clerk
Date: Tuesday, April 4, 2017 10:49:40 AM

Rod – Could you please prepare a formal quote for the following tablet/hybrid for the County Clerk’s Office:

1 HP Elite x2 1012 G1 M5-6Y54 256GB M2 SSD, 8GB RAM, W10P64, 12"
1920x1080, 3/3/0 With WIGI Part # W0S21UT#ABA
1 Office 365 E3 Government Cloud (O365 G3) Part # AAA-10842
1 Microsoft Windows Server 2012 User License CAL - Select Level D Part # R18-04302
1 Converter (will need network and USB/USBC connectivity)

I am requesting that funding be from the current year’s (FY 16-17) **Microcomputer Fund** as the machine is needed to assist staff in covering County Board meetings, including BOE and budget hearings, in the coming months.

I have cc’d Kerry Eagan and Dennis Meyer so they are in the loop.

Please let me know if you have any questions.

Thanks, Cori

Have a great day!
