:

On Friday morning (the 28th) when we convene, we'll have the presentation of flags, the pledge, then the welcome and I would love to have him do the welcome. We will begin at 8:00 am so it would be great to have him there at that time

The group is the Nebraska Agricultural Stabilization County Office Employees (NEBRASCOE). The Northwest Area Rally will take place April 27-29 at the Embassy. Let me know if you have any further questions.

Thanks!

April 28 at approximately 8:00 and they can be on the agenda for 30-60 minutes. This is a convention of Farm Service Agency employees from 9 northwestern states with guests from Washington DC and the rest of the US. Attendees would be interested in the current political climate and the implications for agriculture under the new administration. Otherwise, they can keep it ag related...I attended a Rally in WY once where Miss Wyoming spoke and it was very entertaining!

Let me see if I can get one of the County Commissioners. Can you send me the details?
