CHAPTER 1

PURPOSE STATEMENT AND SCOPE OF SERVICES

Lincoln/Lancaster County Human Services serves as the eyes and ears of the public sector, facilitating and advising elected officials, funding sources, and the community at-large in the areas of human services and its delivery system. Its purpose is to guide this community to respond to human needs in a collaborative, cost efficient, and expedient manner with available resources; and to assist in generating new resources when necessary.

- 1.1 **Purpose Statement of Guidelines:** To establish procedures governing the distribution and management of grants funded and administered through the Lincoln/Lancaster County Human Services Department.
- 1.2 **Scope of Grant Funding:** Applicable to non-profit agencies providing community-based services in Lincoln/Lancaster County.

“It was once said that the moral test of government is how that government treats those who are in the dawn of life, the children; those who are in the twilight of life, the elderly; and those who are in the shadows of life, the sick, the needy and the handicapped”.

- Hubert H. Humphrey

CHAPTER 2

JOINT BUDGET COMMITTEE FUNDING

Government is one of the key players in the important provision of human services for Lincoln and Lancaster County. Often times the nonprofit sector can provide those services at less cost and with greater expertise. The City and County formed the Joint Budget Committee (JBC) which oversees the distribution of city and county tax dollars for this purpose. These funds augment city/county services and assist with securing the safety net our citizens have come to appreciate.

- 2.1 **Funding Amount:** \$1,270,180 (\$770,180 County and \$500,000 City). Minimum amount awarded is \$5,000 per program. There is no set maximum amount.
- 2.2 **Statutory Reference:** Nebraska Revised State Statutes §23-104.03 and §13-801 et seq.
- 2.3 **Funding Focus:** JBC funding is available for programs that specifically augment city/county human services with emphasis on basic and emergency needs and behavioral health. JBC funds programs in the following five strategies:

- Food
- Victim Safety
- Shelter
- Adult Behavioral Health
- Youth Behavioral Health

- 2.4 **Application Process:** JBC partners with United Way to distribute JBC funds. Agencies may apply for United Way funding, JBC funding or funds from both United Way and JBC through the joint application process managed by United Way. The Request for Proposal is released through United Way in January. Applications are due to United Way in February. Funding is July 1 through June 30 for county grants and September 1 through August 31 for city grants. Funding is awarded for 2 consecutive years.
*For grant year 17-18 it will be awarded for 1 year due to a change in the United Way process.

United Way and JBC use a web-based grant management system. In order to apply, agencies must register an account which, upon approval, provides access to the online application process. Features include the ability to manage and share agency information, submit required eligibility and financial documentation, manage grant awards and complete required reporting. The grant management software tracks agency and program data from funding cycle to funding cycle and can share data between open processes.

- 2.5 **Fund Matching:** Cash (non-federal) and/or In-Kind (existing contributions from the organization) match is required for this fund.

2.6 Review Process:

1. Preliminary review of applications is conducted by citizen review cabinets, which are composed of volunteers from the community and facilitated by United Way and/or JBC staff. Each cabinet is assigned a strategy and reviews the applications and previous program reports. The cabinets also participate in informational trainings and question and answer sessions with program representatives. A citizen review team and the financial review team made up of certified public accountants (CPA), conduct a review of the supplemental financial documents and program budgets to assure agency compliance with fiscal policies.
2. Information from the citizen review cabinets is forwarded to JBC. The JBC is composed of two members of the Lincoln City Council, two members of the Lancaster County Board of Commissioners, a representative appointed by the Lancaster County Board, and a representative appointed by the Mayor's office. The Lincoln/Lancaster County Human Services Director serves as support staff to the Joint Budget Committee. After review of the information supplied by the cabinets, the JBC determines funding amounts. The decision to move recommendations forward is made by a majority vote of the JBC.
3. The Human Services Director presents the recommended funding amounts determined by JBC to the City Council and County Board for their final approval.
4. Agencies will be notified via the Human Services Department of the final decision. For applicants who receive funding, the notification will inform the applicant of the final status of the application and the requirement to meet any contingencies. For applicants who receive funding with no contingencies, the notification will include the contract. For applicants who were denied funding, the notification will inform the applicant of the final status of the application and the reason(s) for the denial.
5. If at any time a reviewer has a conflict of interest, he/she shall recuse themselves from participating in any discussion or vote regarding the grant application or appeal hearings. A conflict of interest shall be determined in situations where the reviewer would be required to take any action or make any decision that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business or organization with which he or/she is affiliated.

2.7 Acceptance of Funds & Conditions:

Applicants who are required to meet contingencies will have fifteen (15) days from the notification to satisfy the requirements. After contingencies have been approved by the Human Services Director, the applicant will be required to return the signed contract and insurance requirements within thirty (30) days. Once the contract is received, the grantee will be eligible to receive funds as outlined in the contract.

In the event that the contract is not received by the deadline, the Human Services Department will make three attempts via phone and e-mail to contact project personnel

listed on the application. If contact is unsuccessful within ten (10) business days, the applicant will be considered to have withdrawn their application for funding. The Human Services Director will notify the applicant of said withdrawal.
