Advance public notice of the Board of Commissioners Staff Meeting was posted on the County-City Building bulletin board and the Lancaster County, Nebraska web site and provided to the media on April 19, 2017.

The Vice Chair noted the location of the Open Meetings Act and opened the meeting at 8:32 a.m.

AGENDA ITEM

LEGISLATIVE UPDATE - Joe Kohout and Jonathan Bradford, Kissel/E&S Associates (Legislative Consultants)

Joe Kohout, Kissel/E&S Associates, presented a legislative update (Exhibit A).

Brinkman exited the meeting at 8:34 a.m.

Kohout said the Health and Human Service Committee advanced Legislative Bill (LB) 333 (Eliminate an independent review of denial of aid to the disabled) on April 13th on a 6-2 vote following pressure from the Appropriations Committee.

Brinkman returned to the meeting at 8:37 a.m.

Brinkman said Senator Merv Riepe held a meeting earlier this week to discuss County concerns regarding LB 333. Following that meeting, Senator Riepe requested a legal opinion from the Nebraska Attorney General as to whether: 1) Nebraska Revised Statute § 68-104 negates proposed language to prohibit counties from providing medical services or maintenance based on temporary disability ranging from six to twelve months, as counties are the "payer of last resort;" and 2) An amendment prohibiting the counties from

providing individual medical services or maintenance support based on disability, if adopted, would treat individuals with temporary disabilities inequitably under state statute (see Exhibit B). Kohout also provided language that will be drafted into an amendment to LB 333, noting it will also incorporate language proposed by the Policy Research Office (PRO) (Exhibit C). Brinkman said it appears they are relying on savings from eliminating this program to balance the budget. Kohout said that is correct, adding there are several other bills of importance to the Health and Human Service Committee that have also been attached to LB 333.

Kohout said debate on LB 461 (Correct references to a federal act in a revenue statute) (see Exhibit A) will commence on Friday at 9:00 a.m. He noted a list of organizations who have taken a position of opposition was included in Exhibit A and said the Nebraska Association of County Officials (NACO) should have been included. It was noted the Chambers of Commerce, Platte Institute of Economic Research and Americans for Prosperity support the bill.

Kohout said LB 259 (Adopt and change competency and financial ability provisions relating to court proceedings as prescribed) has become the "vehicle" for the amended version of LB 145 (Provide for a hearing to determine financial ability to pay fines and costs and traffic citations and provide for community service) and was advanced by the Judiciary Committee on Tuesday. He said Senator Matt Hansen offered an amendment on Wednesday that addressed concerns expressed by Douglas and Lancaster Counties and NACO (Exhibits D & E). The amendment was adopted and the bill moved off General File to Select File. Sheli Schindler, Youth Services Center (YSC) Director, appeared and noted the bill referenced pre-trial treatment on the adult side and questioned who would pay for that treatment. Kim Etherton, Community Corrections Director, appeared and said she shares that concern, estimating a 10% increase in the numbers of participants Community Corrections would see in both Community Service and Pretrial Release. Kohout said Senator Hansen plans to bring forward an amendment on Select File to change the operative date from July 1, 2018 to July 1, 2019, however portions of the bill that deal with the increase in the threshold for sitting out fines from \$90 to \$150 a day will go in effect 90 days after adjournment sine die.

NOTE: Legislative bill reports were also provided to the Board (Exhibits F & G).

1. APPROVAL OF APRIL 13, 2017 MINUTES

MOTION: Schorr moved and Amundson seconded approval of the April 13, 2017 Staff Meeting minutes.

Brinkman noted a correction to the third sentence in Paragraph 3 on Page 5: The word "is" should be "are."

ROLL CALL: Amundson, Schorr, Brinkman and Avery voted yes. Wiltgen was absent. Motion carried 4-0.

2. **LEGISLATIVE UPDATE** - Gordon Kissel, Joe Kohout and Jonathan Bradford, Kissel/E&S Associates (Legislative Consultants)

Item was moved forward on the agenda.

3. **DEPARTMENT BUDGET HEARINGS** – Dennis Meyer, Budget and Fiscal Officer

A. Budget & Fiscal (611)

Dennis Meyer, Budget and Fiscal Officer, gave an overview of the budget. He said the Budget & Fiscal Office's Fiscal Year (FY) 2017-2018 budget request is 97% of the previous year's, primarily because a capital outlay (chair purchase) will occur before the end of this fiscal year. Meyer said the 2.1% overall increase in the budget is driven by salaries and benefits. Revenues are limited to Liz Thanel's time that is billed to the Railroad Transportation & Safety District (RTSD) and Public Building Commission (PBC) for accounting functions she performs for those departments. **NOTE:** Thanel is an accountant in the Budget and Fiscal Office.

Schorr noted the County receives reimbursement from certain grants for administrative fees and asked why that is not reflected in the budget document. **NOTE:** The Grant Coordinator's position is part of the Budget and Fiscal Office. Meyer said those revenues are brought into the Grants Fund rather than this business unit. He said although the Grants Coordinator and Accountant perform services for other departments they are paid entirely out of this business unit.

Schorr asked Meyer whether he prioritized services by tiers. **NOTE:** The City identified three tiers in its outcome-based budget process: Tier 0 services are those which are mandated; Tier 1 services are government functions which would be difficult to transfer to community providers; and Tier 2 services are those which could be transferred to other providers. Meyer said he didn't because the majority of the services the Budget and Fiscal Office provides are mandated.

B. County Board (601)

Meyer gave an overview of the budget which is comprised entirely of salaries and benefits for the Commissioners. He noted there is a cost-of-living adjustment (COLA) this year for all of the elected officials. The Commissioners also received a market adjustment of 1.85%.

C. Veterans Service (803, 26)

803

Rick Ringlein, County Veterans Service Officer, gave an overview of the budget. He said he was unable to submit a 97% budget because the department will have higher costs associated with its move to the 605 Building (the rent is much higher and reflects costs for parking and security). Ringlein stated he reduced costs wherever possible.

Meyer noted a retirement was included in the budget. Ringlein said it is a possible retirement. Meyer said not all employees provide advance notice that they are planning to retire. He said the Board could pull the item from the budget with the understanding the cost might need to be made up with an additional appropriation if an employee decides to retire. Avery felt employees should be asked to inform their department head if they are planning to retire. Meyer said departments have gotten better at projecting retirements so funds can be built into the budget to help offset those costs. Brinkman said there is a greater likelihood that employees over a certain age might retire and a percentage of the potential payout could be considered as part of the budget. She then asked if funds are allocated to a department for a potential retirement through the budget process and the retirement does not occur, would the department be able to utilize those funds for something other than a retirement. Meyer said they could. Kerry Eagan, Chief Administrative Officer, added the Board has more control over directors' budgets than the elected officials' budgets.

Amundson inquired about travel for training. Ringlein said those costs are reflected in Line Item 64715. He added they try to carpool if more than one member of the staff is attending training.

Ringlein referenced the services shown on Page 5 of the budget document and said he could break it down further by County, State and Federal benefits. Meyer asked if there are any services that Veterans Service provides that aren't required. Ringlein cited providing assistance to veterans in applying for Homestead Exemption and the surviving spouses of military retirees in applying for the United States Office of Personnel Management (OPM) benefits as examples. Schorr said she would like to see the services broken out by the percentage of time spent in the five biggest categories.

Brinkman requested information on the number of veterans served annually. Ringlein provided a report to the Board following the meeting that showed the number of contacts made (Exhibit H).

26

Ringlein gave an overview of the budget. Meyer noted there was \$15,668 in the Veterans Aid Fund at the end of March, 2017 and said Veterans Service allocated slightly less than \$3,000 the first nine months of the year for benefits. Ringlein said Veterans Service tries

to utilize the Nebraska Veterans Aid Fund (NVA) before the County Veterans Aid Fund.

NOTE: The NVA is administered by the State but applications come through County Veterans Service Offices and Veterans Service Organizations. Meyer said the practice has been to transfer \$5,000 to the Veterans Aid Fund from the General Fund annually and said he does not plan to transfer funds this year unless they are actually needed.

Brinkman asked whether there will be dedicated parking spaces for veterans who will be accessing their office in the 605 Building. Ringlein said he requested five spaces and was told they may receive three. Brinkman said she will bring the matter up at a Public Building Commission (PBC) Meeting.

Brinkman exited the meeting at 9:58 a.m.

4. **PENDING AND POTENTIAL LITIGATION** – Doug Cyr, Chief Deputy County Attorney; Kayla Hathcote, Deputy County Attorney; Michael C. Florance, Law Clerk, County Attorney’s Office, Sue Eckley, County Risk Manager

MOTION: Schorr moved and Amundson seconded to enter Executive Session at 9:59 a.m. for the purpose of protecting the public interest with regards to pending and potential litigation.

The Chair said it has been moved and seconded that the Board enter into Executive Session.

ROLL CALL: Schorr, Amundson and Avery voted yes. Brinkman and Wiltgen were absent. Motion carried 3-0.

The Chair restated the purpose for the Board entering into Executive Session.

Brinkman returned to the meeting.

MOTION: Amundson moved and Brinkman seconded to exit Executive Session at 10:15 a.m. Brinkman, Amundson, Schorr, and Avery voted yes. Wiltgen was absent. Motion carried 4-0.

ACTION ITEMS

- A. Request from Corrections Department to File a Mini Grant Application through the Lincoln-Lancaster County Health Department (LLCHD) for a \$5,000.00 Grant to Assist with Litter Removal Along County Roads

MOTION: Schorr moved and Amundson seconded to authorize signature by the Acting Chair. Amundson, Schorr, Brinkman and Avery voted yes. Wiltgen was absent. Motion carried 4-0.

DISCUSSION OF BOARD MEMBER MEETINGS

C. Lincoln Independent Business Association (LIBA) Budget Monitoring Committee – Amundson

Amundson said concerns were expressed regarding the City's financing of the defined benefit plan for the Lincoln Police Department (LPD) and Lincoln Fire and Rescue (LFR). She said she presented information on the Board's stance on Legislative Bill (LB) 461 (Correct references to a federal act in a revenue statute).

DISCUSSION OF OTHER MEETINGS ATTENDED

Schorr said she attended the Nebraska Association of County Officials (NACO) Benefit Services Committee Meeting. She said NACO is increasing its prescription co-pay amounts and is moving to a step therapy which requires physicians to prescribe the least costly drugs first as a way to control costs. Schorr said she was impressed with some of the wellness programs other counties are doing across the State. She said several counties are reducing premiums for those individuals who are following a healthy lifestyle and felt Lancaster County should look at doing so as well. Some counties are working with the First Concord Benefits Group of Lincoln to provide cash in lieu of insurance arrangements for employees that qualify for veterans insurance benefits or have benefits available through their spouse to help pay for medical costs. NACO is also utilizing \$283,000 from their reserve to help pay down an insurance premium increase and is instituting a new Health Savings Plan with a \$3,250 deductible.

ADMINISTRATIVE OFFICER REPORT

A. Work Priorities for Deputy Chief Administrative Officer

The Board discussed work priorities for the new Deputy Chief Administrative Officer:

- Strategic plan for the County
- County's website
- Communications plan
- Meeting and developing relationships with elected officials and department directors

- Review reports and prepare a report indicating whether recommendations were pursued and whether recommendations that were not pursued should be reassessed
- Research best practices in other communities

Eagan said he would like the new Deputy Chief Administrative Officer to begin serving as the Title IV Compliance Officer for grants and the Health Insurance Portability & Accountability Act (HIPAA) Privacy and Security Officer.

5. INFORMATION SECURITY POLICY AND ADOPTION PROCESS -
Steve Henderson, Chief Information Officer, Information Services (IS)

Steve Henderson, Chief Information Officer, Information Services (IS), said the Information Services Policy Committee (ISPC) has been much more active and attuned to dealing with policies, standards and guidelines pertaining to information technology and establishing a process to distribute information about those kinds of documents to the individuals they will effect, primarily City and County employees. He said they have established a comment period to gain input and feedback about the draft policies, standards and guidelines to see if further refinements are necessary. The first document to go through that process is an Information Security Policy and the comment period will run from later today through May 8th. Henderson said he will use two contact areas on the County side (Management Team participants and primary technical contacts).

ADMINISTRATIVE OFFICER REPORT

B. Reappointment of Matthew Warner to the County Board of Zoning Appeals

There was consensus to schedule the item on the April 25, 2017 County Board of Commissioners Meeting agenda.

Brinkman asked staff to provide her with a copy of Matthew Warner's biological sketch.

C. Tri-County Meeting (Thursday, October 5, 2017 at Innovation Campus)

Minette Genuchi, Administrative Assistant to the County Board, appeared and said one of Sarpy County's Commissioners has indicated he may not be able to attend on that date.

D. Legislative Retreat (Thursday, September 14, 2017 at Cornhusker Bank at 8301 "O" Street)

Genuchi said the County Attorney's Office has liability concerns regarding the proposed contract with Cornhusker Bank and Cornhusker Bank has indicated it is not willing to make

changes. She said County Extension could serve as an alternate location. There was general consensus to hold the event at Cornhusker Bank.

6. CHILDREN'S JUSTICE CLINIC - Michelle Paxton, Director of Legal Training, Center on Children, Families and the Law (CCFL), University of Nebraska-Lincoln (UNL)

Michelle Paxton, Director of Legal Training, Center on Children, Families and the Law (CCFL), University of Nebraska-Lincoln (UNL), discussed a proposal for CCFL to partner with the UNL College of Law in a Children's Justice Clinic to train third year law students to be Guardians ad Litem (GAL's) in Lancaster County Juvenile Court. She said they are proposing a contract in which the participating students would track their hours, per state statute requirements, for the children they represent in Juvenile Court. Paxton said the contract would not fully cover the cost of the clinic so they are seeking outside funding including the Sherwood Foundation and the Casey Family Programs. She said this is a unique approach nationally to child representation which offers a multi-disciplinary consultation approach, explaining CCFL's staff consists of attorneys, therapists, psychologists, previous case workers, and specialists in domestic violence and substance abuse.

Schorr said one concern had been the short term nature of the course with regards to the long term nature of these types of cases. Paxton agreed some cases will continue past the time the students will be in the clinic but said she will be intimately involved in each of the cases in her role as the director, along with the staff of CCFL. She said they plan to limit the number of cases they take so that the children receive excellent representation and student attorneys receive excellent legal training. Paxton said the program would start this fall with the students entering the clinic but said she would like to secure a contract earlier. She recommended students take two types of cases: 1) An immediate removal of a child from his/her parents' care; and 2) An on-going case. Paxton said if they receive a contract early she will begin to take cases and work as the GAL from the clinic so that when students start in the fall they would have a case that is post-adjudication and they could work on the rehabilitation plan with the family.

Theresa Emmert, Juvenile Court Administrator, appeared and said the Juvenile Court Judges are very much in favor of the proposal.

Paxton said the UNL College of Law will want to publicize the program because it is a very novel approach.

There was consensus to have the County Attorney's Office work on development of a contract.

7. NATIONAL ASSOCIATION OF COUNTY COLLECTORS, TREASURERS AND FINANCIAL OFFICER CONVENTION – Candace Meredith, Chief Deputy County Treasurer

Candace Meredith, Chief Deputy County Treasurer, requested authorization to attend the National Association of County Collectors, Treasurers and Finance Officers (NACCTFO) Conference in Columbus, Ohio, July 18-20, 2017. She estimated the total cost of travel, expenses and registration at \$1,000 and said it was included in the County Treasurer's budget.

MOTION: Schorr moved and Brinkman seconded approval of the request. Brinkman, Amundson, Schorr and Avery voted yes. Wiltgen was absent. Motion carried 4-0.

8. ACTION ITEMS

- A. Request from Corrections Department to File a Mini Grant Application through the Lincoln-Lancaster County Health Department (LLCHD) for a \$5,000.00 Grant to Assist with Litter Removal Along County Roads

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners

FROM: Joseph D. Kohout
Jonathan G. Bradford

DATE: April 20, 2017

RE: Weekly Update

Today is day 66 of the 2017 Nebraska Legislature. On Tuesday, LB 640 – a bill to reduce levy limits on school districts and utilize the Property Tax Credit fund - was debated with no vote at the end of the morning portion. Senator Groene has acknowledged he isn't sure he has 33 votes for cloture. Afternoon debate centered around LB 512 – the Department of Education clean-up bill - with tempers flaring up at times, but calming down to reach a compromise and the bill moved. The Government Affairs committee also advanced LB 25 by Senator Murante – the winner-take-all bill - to General File. Senator Murante has stated that he will search for a bill to attach LB 25 to in hopes of debate this session.

On Wednesday, while long debate was anticipated on LB 409 – the adjustment to TEOSSA - the swift passage from General File to Select File in a matter of minutes, it altered the agenda for the day and led to the cancellation of the session's first "late night". The remainder of the day saw the first hours of debate on LB 661 by Senator Kuehn – which would provide for confidentiality of lethal injection drugs - and LB 622 by Senator Wishart – the Medical Cannabis Act.

This morning, the body is prepared to start debate on Consent Calendar. Please note that LB 508 by Senator Hilgers (change population threshold for the county civil service system) and LB 86 by Senator Blood (eliminate requirement regarding open bridge bids) are among those bills on Consent Calendar.

The remainder of this week and next week, the Speaker has indicated that they will follow the following schedule:

Friday: Debate on LB461 – The Revenue package

Monday: Final Reading in the morning and by mid-afternoon LB 595 by Senator Groene, School Discipline.

Tuesday thru
Thursday: All day debate scheduled for budget bills

Friday: Recess Day

LANCASTER COUNTY LEGISLATIVE PRIORITIES

LB508 (Hilgers) Change the population threshold for the county civil service system. The bill was introduced on January 18th, and was referred to the Government, Military and Veterans Affairs Committee. This bill was heard on February 22, 2017 and on Monday, April 3, 2017, the Committee conducted an executive session on the bill and advanced it with the proposed amendment attached.

The bill is on the Consent Calendar for today.

POSITION: SUPPORT

LB567 (Bolz) Change funding for county public assistance offices. The bill was introduced on January 18th, and was referred to the Government, Military and Veterans Affairs Committee. The bill was heard on February 22, 2017 and still remains in committee.

POSITION: SUPPORT

LB441 (Morfeld) Change eligibility provisions under the Medical Assistance Act. This years' Medicaid Expansion Bill. LB441 makes those persons described under section 1902 (a)(10)(A)(i)(VIII) of the federal Social Security Act eligible under the Medical Assistance Act. The department must submit a state plan amendment to cover newly eligible individuals, and such amendment must request as the alternative benefit plan a benchmark benefit package as defined in section 1937(b)(1) 18 (D) of the federal Social Security Act, as amended, 42 U.S.C. 1396u-7(b)(1)(D), as such act and section existed on January 1, 2017, for Secretary-approved coverage that shall include full Medicaid benefit coverage, including mandatory and optional coverage, under section 68-911 22 in the amount, duration, and scope in effect on January 1, 2017, and any additional wraparound benefits required under federal law. The hearing was held on March 8, 2017 and remains held in Committee.

POSITION: SUPPORT

LB357 (Bolz) Increase original certificate of title fees for vehicles transferred to Nebraska from another state and provide for voluntary contributions to brain injury programs. LB357 places a fee of twenty-five dollars for each original certificate of title issued to a person by a county for a vehicle or trailer being titled in Nebraska from another state after the first original title is issued. LB357 also allows for voluntary contributions of \$2 to be made as a donation to programs for persons suffering from brain injury. This bill was heard on February 28, 2017 and is still in committee. At the hearing, the only opposition to the bill was raised by the Department of Motor Vehicles.

POSITION: SUPPORT

LB47 (Watermeier) Change provisions relating to the payment of fees and costs associated with grand juries and the deaths of incarcerated persons. The hearing on this bill was held before the Judiciary Committee. Mr. Eagan testified on behalf of Lancaster County. The bill remains held in Committee.

POSITION: SUPPORT

LB327 (Speaker Scheer at the Request of the Governor) Appropriate funds for the expenses of Nebraska State Government for the biennium ending June 30, 2019. This is the Governor's Appropriation bill. We have become aware, as per a communication from Brent Meyer that there is a provision to reduce the amount of funding provided by LB1038 in last session from \$975,000 to \$487,500 for the Nebraska Department of Agriculture to get to their 8% reduction. The bill has been referred to the Appropriations committee. This bill was heard on February 21, 2017 and remains in committee.

On Monday, March 13, 2017 and Tuesday, March 14, 2017, hearings were held on Health and Human Services. Judy Halstead testified in support of the Appropriations Committee's recommended budget adjustments by restoring several cuts to Health and Human Services agencies – cuts that could Lancaster County as much as \$100,000 in total funds (through minor cuts in multiple budget lines). The committee received her comments

well.

LB327 was advanced as part of the mainline budget process on Tuesday, April 11, 2017. We have not yet received the documentation on the budget and once we do, we will forward for your review.

POSITION: CONCERNS EXPRESSED BY JUDY HALSTEAD AND BRENT MEYER ABOUT REDUCTIONS IN SPECIFIC AREAS

LB81 (Blood) Change the application fee for handgun certificates. LB81 changes the fee charged for each application for a handgun certification from five dollars to twenty-five dollars. The bill was advanced to General File in its Green Form.

POSITION: SUPPORT

LB127 (Groene) Change notice requirements under Open Meetings Act. LB 127 provides for a change in the open meetings law, in Sec. 84-1411 of the statute. It strikes language for political subdivisions to publicize meeting designated by each political body and requires them to publish such notice in a newspaper of general circulation in each county within the public entities jurisdiction as well as any other method designated by the public body. The newspaper notice does not have to be published in every county but must have a general circulation within the county. This proposal is also not intended to apply to state agencies but just political subdivisions. A significant amendment was offered at the time of the hearing that would re-write the bill. The bill has been advanced to General File with committee amendment AM646.

We discussed the bill with Committee Counsel Andrew LaGroene. The intent of Senator Groene was apparently to adopt an amendment that would alleviate concerns. It does not do so. The amended bill did not have the support of Chairman Murante nor of Senator Carol Blood. Senator Craighead was present, not voting. Those voting in support included Senators Brewer, Briese, Hilgers, Lowe and Wayne. The bill is not prioritized.

POSITION: OPPOSE

LB152 (Craighead) Change and eliminate provisions relating to the fees for recording and filing certain documents. LB152 eliminates sunset dates of January 1, 2018 for provisions relating to the fees for recording and filing certain documents. LB152 also eliminates the six-dollar uniform fee, payable to the Secretary of State, for presenting and filing and indexing and filing and indexing each notice of lien or certification of notice affecting lien on a property. The bill was advanced to General File and granted Speaker Priority status.

On Wednesday, April 5, 2017, the bill was discussed for approximately 15 minutes and advanced to Select File. No opposition was raised on the bill. On Wednesday, April 19, 2017, the bill was advanced to Final Reading.

POSITION: SUPPORT

LB333 (Riepe at the Request of the Governor) Eliminate an independent review of denial of aid to the disabled. LB333 requires that a disability persist for more than a year before a person can be considered disabled. LB333 also eliminates the requirement that the Department of Health and Human Services conduct an independent medical review when Social Security denies benefits to an individual on the basis of the duration of the individual's disability. The hearing on this measure was on January 25, 2017. A letter was sent to Senator Riepe and members of the Health and Human Services Committee under Chairman Wiltgen's signature.

Since the hearing, there has been an enormous amount of conversation on this issue including a conference call last week with representatives of NACO, Douglas and Lancaster County. We were advised that Lauren Kintner would be reaching out directly to Chairman Wiltgen and Chairwoman Borgeson in Douglas County. To date, we are not aware that those conversations have occurred.

Too, during his testimony before the Appropriations Committee, Director Weinberg of the Department of Health and Human Services – Division of Children and Family Services encouraged the Appropriations Committee to support LB333. In response, Chairman Stinner indicated his reluctance to do so due to the fact that it appeared that to adopt LB333 would shift the burden to counties to care for that population. Too, Senator Kate Bolz

expressed skepticism about his testimony indicating that she had a tough time seeing how this population would not fall back on General Assistance of the County. The director had a tough time explaining how it would not. This bill is a committee priority.

On Wednesday, April 5, 2017, Sean Kelley advised Joe Kohout that the Governor's office told him that Lauren Kintner would be reaching out to Mary Ann Borgeson in the very near future. Lauren Kintner did reach out to Commissioner Borgeson early this week but has not reached out to Chairman Wiltgen. Furthermore, on Wednesday, April 12, 2017 we became aware that the Health and Human Services Committee was going to conduct an executive session of the committee to advance LB333. Between Joe, Larry and Sean Kelley, we made it clear that there was no agreement on the language and as such, the bill should not be advanced. The Executive Session was cancelled. However, the committee did conduct an Executive Session on Thursday, April 13, 2017 and advanced it on a 6-2 vote.

On Wednesday, April 19, 2017, a meeting was held in Senator Merv Riepe's office to discuss the underlying opposition to LB 333 in an effort to address those concerns. Those in attendance included Kerry Eagan, Commissioner Wiltgen (via telephone), Joe Kohout, Commissioner Borgeson, Sean Kelley, Senator Riepe, Kristin Stiffler (Counsel to the HHS Committee), Melissa Hilty (Governor's PRO), Gerry Oligmueller (Budget Office) and Larry Dix (NACO). Senator Riepe's office is preparing an amendment that incorporates changes to try to address county concerns. Those materials from that meeting are attached with this report.

POSITION: OPPOSE

LB468 (Krist) Change revenue and taxation provisions. LB468 eliminates the Personal Property Tax Relief Act exemption and compensating exemption factor for tax years 2018 and 2019. LB468 also eliminates an exemption from taxation for the first ten thousand dollars of valuation on tangible property for tax years 2018 and 2019. LB468 also eliminates the reduction in the value of tangible personal property owned by each railroad, care line company, public service entity, and air carrier for tax years 2018 and 2019. LB468 ends reimbursement to taxing subdivisions for tax revenue that will be lost because of personal property tax exemptions for tax years 2018 and 2019.

LB468 allows resident individuals from electing to subtract from federal gross adjusted income the extraordinary dividends paid on and the capital gain from sale or exchange of capital stock for taxable years beginning before January 1, 2018 and taxable years beginning on or after January 1, 2020. LB468 ends the credit to the Game and Parks Commission Capital Maintenance Fund on July 1, 2017, and ends the credit to the Highway Trust Fund on or after July 1, 2017 and before July 1, 2019. Since an emergency exists, this act takes effect when passed and approved into law.

The hearing on this measure was February 22, 2017. The bill remains held in committee.

POSITION: OPPOSE

LB367 (Krist) Change provisions relating to payment of costs in juvenile matters. LB367 requires the county to pay the costs associated with transportation when a peace officer takes a juvenile into temporary custody and a probation officer determines the need for detention or an alternative placement. LB367 requires the Office of Probation Administration to pay for costs that are related to treatment or service provisions. The bill remains held in committee.

POSITION: OPPOSE

LB510 (Ebke) Provide a restriction on installment contracts for the purchase of real or personal property by political subdivision. LB510 prohibits political subdivisions from entering into installment contracts for the purchase of real or personal property that require a total outstanding obligation exceeding twenty-five million dollars. The hearing on this bill occurred on March 9, 2017 and the bill saw a tremendous amount of opposition. The bill was not prioritized and will not likely move.

POSITION: OPPOSE

LB434 (Ebke) Change videoconferencing provisions relating to certain juvenile hearings. LB434 requires any telephone or videoconference juvenile evidentiary hearings to ensure the preservation of due process or rights of all parties. The bill has been referred to the Judiciary committee and had its public hearing on March 9, 2017.

Of note, during the hearing, Public Defender Joe Nigro appeared in the opposition position and during his testimony expressed concern that this would be viewed as a way for the county to cut costs and specifically referenced the contract negotiations between Lancaster County and the State on the housing of Juveniles. No committee members expressed any concern.

POSITION: NEUTRAL

LB658 (Wayne) Provide for expert witness appointment as prescribed in certain juvenile proceedings. LB658 grants the right to one appointed expert witness during any adjudication or disposition proceeding to the parent, guardian, or custodian of the juvenile who is the subject of the proceeding. If the parent, guardian, or custodian is indigent, the reasonable fees and expenses of such expert witness will be paid by the county. The bill has been referred to the Judiciary committee and had its hearing on March 9, 2017.

Of note, during the opposition on this bill, Senator Chambers expressed concern to NACO about their opposition to the bill. Furthermore, Senator Chambers and Senator Krist have asked Senator Ebke to send a letter to NACO asking for them to begin disclosing how certain counties vote on opposition or support of bills. When the letters for Lancaster County and the County Attorneys Association were read into the record, Senator Chambers asked for clarification on who opposed the bill. We have not heard anything since.

POSITION: OPPOSE

LB373 (Schumacher) Change and eliminate revenue and taxation provisions. In a previous report, we provided a separate document that included highlights of those portions important to Lancaster County. Bill remains in committee. It has been mentioned that the bill as written has a long shot of coming out of committee. The county's letter of opposition to the repeal of Build Nebraska Act was read into the record.

POSITION: OPPOSE

LB461 (Smith) Correct references to a federal act in a revenue statute. This bill has been amended to include the joint efforts of the Revenue Committee and the Governor to develop both income and property tax relief. We previously attached a chart from NACO that demonstrates the effect that the bill may have – the portions dealing with property taxes – on counties. The debate on LB 461 will commence on Friday at 9am.

We were asked by Commissioner Brinkman at a previous meeting to prepare a list of who is fighting LB 461. Here is the most up-to-date list that we can provide:

LANCASTER COUNTY ELECTED OFFICIALS/DEPARTMENT HEADS PRIORITIES

LB310 (Friesen) Change provisions relating to bridge carrying capacities and weight limits. This bill has been referred to the Transportation and Telecommunications Committee for public hearing. Engineer Dingman asked a question of us regarding the bills origin. In checking with Senator Friesen's office, the bill was brought to them by NACO through the Roads Superintendents subgroup.

There was some correspondence between Larry Dix, Joe Kohout, Pam Dingman and others to get her in touch with the folks who had prepared LB310. The hearing on this measure was held on Monday, February 6, 2017. This bill was placed on General File on March 1, 2017.

LB51 (Schumacher) Change provisions relating to sales of real property for nonpayment of taxes. This bill was heard by the Revenue Committee. The Lancaster County Treasurers Office testified in a neutral capacity after a meeting the morning of the hearing between representatives of NACO, Larry Dix and Senator Schumacher. Senator Schumacher offered an amendment at the hearing that would alleviate the concerns raised by the Treasurer's Office. The bill was placed on General File with committee amendment AM267.

LB68 (Hilgers) Prohibit certain regulation of firearms, ammunition, and firearm accessories by counties, cities, and villages as prescribed. We were asked to work with Eric Gerard, Lincoln City Lobbyist, on this. During deliberations on this measure on Thursday, February 9, 2017 by the Board, they agreed to follow Sheriff Wagner's lead. During testimony on February 10, 2017, Sheriff Wagner, offered testimony in support with concerns. Senator Hilgers designated this as his priority bill on February 28th. Bill has been placed on General File with committee amendment AM630. We attached the amendment for your review in a previous report.

On Tuesday, April 4, 2017, the bill came up for debate. The bill was subject to a filibuster by several members of the Legislature including several members of the Lancaster County delegation. Sheriff Wagner was available in the rotunda and via cell phone to members of the delegation. He did register concerns with members of the delegation on the potential that it could affect his ability to stop individuals from carrying firearms into county buildings.

Furthermore, on Wednesday, April 12, 2017, the bill came up for further debate. After approximately 2 hours, cloture was invoked on the bill and it has advanced to Select File. Senator Chambers has vowed that he will not let any amendments be adopted to the bill. We did communicate with Sheriff Wagner prior to the bill coming up.

POSITION: OPPOSE

LB544 (Watermeier) Provide for elimination of the office of clerk of the district court as prescribed.

LB544 allows, in any county that does not have an elected clerk of the district court, for the duties of the clerk of the district court to be performed pursuant to an agreement between the State Court Administrator

and the county board. LB544 also allows for a county to vote to eliminate the office of the clerk of the district court when a vacancy occurs. The bill was referred to the Judiciary Committee. This bill was heard on February 15, 2017 and remains in committee.

LB163 (Vargas) Require additional polling places prior to elections in certain counties LB163 requires election commissioners in counties with populations of more than one hundred thousand to establish at least three voting locations. The hearing was on March 16, 2017. The bill remains held in committee.

LB625 (Larson) Change the Property Assessed Clean Energy Act. LB625 allows a municipality to create a clean energy assessment district anywhere within the municipality, except a district may not be created that includes any area within the corporate boundaries of any city or village located in whole or in part within such county. The hearing on this measure was on Tuesday, February 14, 2017 and Candace Meredith testified in a neutral capacity on an amendment suggested by NACO. We expect the bill to move with that amendment attached. Bill was placed on General File with committee amendment (AM 224). LB 625 has been designated a committee priority. The bill currently sits on Final Reading.

LB145 (Hansen) Provide for a hearing to determine financial ability to pay fines and costs and traffic citations and provide for community service. LB145 allows for a sentencing judge or magistrate to conduct a post-hearing sentence to determine if the offender has the financial ability to pay the fines or costs associated with their infraction. If the magistrate or judge determines that the offender is able to pay the fine, but the offender refuses, the magistrate or judge may sentence the offender to imprisonment or community service. If the offender is found unable to pay the fine, the magistrate or judge may impose the sentence without costs and fines, discharge the costs and fines from the offender, or order community service as part of the sentence. If the offender is found able to pay the costs or fines in installments, the magistrate or judge may enter an order specifying the terms of a payment arrangement.

LB145 also allows for individuals who are arrested for failure to pay costs and fines to be provided a hearing in which their financial ability to pay those fines and costs can be assessed. A person who believes themselves to be financially unable to pay court costs and fines may request a hearing after an order has been issued against them. Bill was heard Thursday, March 16, 2017 before the Judiciary Committee and remains in Committee.

On Tuesday, April 19, 2017, the Judiciary Committee met and advanced LB259 with an amendment that contained the amended version of LB145. We forwarded a copy of that amendment as part of last week's report. Mr. Egan did review that language and provide the same to David Derbin who indicated that there may be some additional costs tied to the original version of LB 259. We discussed those concerns with Senator Hansen following this meeting last week and we are happy to report that those parts which raised concerns for Lancaster, Douglas Counties and for NACO were removed via an amendment offered by Senator Hansen yesterday. AM 1082 to LB 259, attached.

LB395 (Morfeld) Change provisions relating to conditions of and ability to post bail. LB395 requires a court to consider all methods of bond and conditions of release to avoid pretrial incarceration. If an appearance bond is required, the court shall appoint counsel to indigent defendants. To determine if a defendant is indigent, the judge must consider the defendant's financial ability to pay a bond. The court may also order a defendant to be supervised by an approved person or organization or a pretrial services program. Bill was heard Thursday, March 16, 2017 before the Judiciary Committee and remains in Committee. Commissioner Wiltgen was present to observe the committee's questions. It is being considered that concepts of this bill, as well as LB 145, will be amended into other legislation.

Following receipt of Commissioner Wiltgen's letter, there was a request made by Senator Hansen's office to see what changes we would like to see in LB145 and LB395 to make them more amenable to the

county. They appear set on increasing the “sit out rate” from \$90 to \$150 per day. Additionally, they are willing to delay implementation of the remaining provisions of LB145 by one year. In so far as LB395 is concerned, they are willing to consider striking everything from the bill and leaving only section 4 in place. In addition, they are willing to consider changing the evidentiary hearing to telephone conference similar to process for appointment of a public defender.

LB385 (Lindstrom) Change provisions relating to the burden of proof and who may appeal under the Tax Equalization and Review Commission Act. LB385 allows those with a relationship to the taxpayer to execute an appeal on behalf of the taxpayer. The specific relationships are: A person or entity with a contract executed by the taxpayer, a person with the power of attorney, a person with a durable power of attorney, and a person who is a trustee of an estate. LB385 requires the county board of equalization, in appeals regarding the assessed value of the property that has been increased by more than 5%, to prove by a preponderance of the evidence that the assessed value reflects the property’s actual value. The hearing on this measure was on Wednesday, March 1, 2017.

Re: LB 333

Dear Attorney General Peterson:

The Legislature will soon be called upon to vote on the adoption of LB 333 and amendments thereto, including AM 1022. It has been brought to my attention there are concerns regarding a potential conflict in state statute if LB 333 is passed into law with language that prohibits the counties from providing individual medical services or maintenance support based on disability (e.g., AM 831).

Neb. Rev. Stat. § 68-1005 provides assistance for temporarily disabled Nebraskans, qualifications for the State Disability Program and powers and duties of the Department of Health and Human Services. To qualify for the program, an individual must have a qualifying disability for a continuous period of not less than one hundred and eighty days. LB 333 seeks to eliminate the State Disability Program.

I am requesting an opinion as to whether Neb. Rev. Stat. § 68-104 negates proposed language to prohibit counties from providing medical services or maintenance based on temporary disability ranging from six to twelve months, as counties are the "payer of last resort."

I am also requesting an opinion as to whether an amendment prohibiting the counties from providing individual medical services or maintenance support based on disability, if adopted, would treat individuals with temporary disabilities inequitably under state statute.

I have attached Director Weinberg's testimony from the hearing on LB 333, and the Department's fact sheet regarding the bill to aid you with additional information about the State Disability Program. I have also attached LB 333, the Committee Amendment - AM 1022 and proposed amendment language - AM 831

It is my understanding, LB 333 will be heard mid-week of April 23, 2017. Therefore, I respectfully request an expedited review and opinion as to the interpretation of Neb. Rev. Stat. § 68-104 and LB 333 if amended by language similar to AM 831.

Sincerely,

Senator Merv Riepe

LB 333

January 25, 2017

Doug J. Weinberg
Director, Division of Child and Family Services
Department of Health and Human Services

Good afternoon, Senator Riepe, and members of the Health and Human Services Committee. My name is Doug Weinberg (D-O-U-G W-E-I-N-B-E-R-G) and I am the Director of the Division of Children and Family Services in the Department of Health and Human Services (DHHS). I am here to testify in support of LB 333, which was offered by my division as a budget modification to the biennial budget. The Governor has included this modification and has accounted for it in his budget recommendation to the Legislature.

LB 333 eliminates Nebraska's State Disability Program. The State Disability Program provides financial aid and medical assistance to persons who have received a disability determination denial by the Social Security Administration for the failure to meet the duration requirement of more than 12 months. Eligibility for the State Disability Program includes a disability determination made by the Division of Children and Family Services because of the Social Security Administration's disability denial.

Individuals who are determined eligible for the State Disability Program receive medical coverage and a cash assistance payment for no more than 12 months. After a 12-month duration of a disability has passed, an individual may be determined eligible for Medicaid through either a Social Security Administration or Division of Medicaid and Long-Term Care disability determination.

The State Disability Program currently serves an average of 50 individuals a month and served a total of 147 individuals in 2016. There are currently 16 active participants as of January 15, 2017. Of these participants, 13 individuals will exit the program by June 30, 2017 and the remaining 3 individuals have eligibility beyond July 1st. The department will continue to provide coverage to these 3 individuals until their eligibility ends.

Medical assistance per recipient averages about \$5,833 per month and cash assistance per client averages approximately \$740 per month. This program has an annual budget of \$4.2 million. Nebraska is one of a handful of states that offer this type of program.

Alternative sources of support include private insurance, community resources such as County General Assistance and non-profit provider sliding fee scales, and other DHHS Economic Assistance programs if the client is eligible.

Thank you for the opportunity to testify before you today, and I urge your advancement of LB 333. I'm happy to answer any questions you may have.

ELIMINATE AN INDEPENDENT REVIEW OF DENIAL OF AID TO THE DISABLED

What does this bill do?

The program provides assistance to persons who are disabled but do not meet the duration requirements for a disability as defined by the Social Security Administration (SSA). The program is short-term assistance to individuals for up to 12 months. This bill proposes to eliminate the State Disability Program (SDP). The SDP has two components: (1) medical assistance and (2) cash assistance. Medical assistance per recipient averages about \$5,833 per month and cash assistance per client averages approximately \$740 per month.

Why is this legislation needed?

The legislation is needed to reduce State expenditures due to the current State budget deficit. Eliminating the SDP program will reduce the State funds currently spent for individuals receiving SDP medical and grant assistance. This is not a federally mandated program and there are not federal funds associated with the program, therefore the state would not lose any funds from the federal government or funding that affects other programs by eliminating SDP.

How many SDP participants will be affected?

There are currently 16 active participants as of January 15, 2017. Of these participants, 13 individuals will exit the program by June 30, 2017 and the remaining 3 individuals have eligibility beyond July 1st. The department will continue to provide coverage to these 3 individuals until their eligibility ends. The program has averaged 50 participants eligible per month. In 2016, 147 individuals were served. The program can authorize benefits for up to a 12 month period. The current applicants if approved may be approved up to June 30, 2017. The Department will assist participants in finding alternative funding after July 1.

What other options will individuals have if the State Disability Program is eliminated?

Several options include coverage under the Affordable Care Act, County General Assistance and hospital financial assistance programs. Some individuals will become eligible for Social Security Income (SSI) once their disability exceeds 12 months and no longer meet the requirements for the program. If the client becomes eligible for SSI, Social Security Disability will provide retroactive payments to the state along with federal funds from the Center of Medicaid / Medicare Services for the medical claims paid by the state. There is no data on how many clients would qualify for other assistance because each program across the state has their own income and resource guidelines. Generally, all individuals would qualify for Affordable Care Act by buying insurance through the federal market place in Nebraska.

Is there a fiscal impact?

Yes, there will be a reduction in expenditures of State funds by eliminating the State Disability Program. Annually, State Disability maintenance is budgeted for \$466,684, and State Disability medical is budgeted for

\$3,766,035, both in Program 347, for a total savings of \$4,232,719 in SFY18 and 19, if the program is eliminated.

23 court may impose the following conditions:

24 (a) Periodic telephone contact by the defendant with the
25 organization or pretrial services program;

17 amended to read:

18 29-901.01 In determining which condition or conditions of release
19 shall reasonably assure appearance and deter possible threats to the
20 safety and maintenance of evidence or the safety of victims, witnesses,
21 or other persons in the community, the judge shall, on the basis of
22 available information, consider the defendant's financial ability to pay
23 in setting the amount of bond. The judge may also take into account the
24 nature and circumstances of the offense charged, including any
25 information to indicate that the defendant might engage in additional
26 criminal activity or pose a threat to himself or herself, yet to be
27 collected evidence, alleged victims, potential witnesses, or members of
28 the general public, the defendant's family ties, employment, ~~financial~~
29 ~~resources, character and mental condition,~~ the length of the defendant's
30 residence in the community, the defendant's record of criminal

4 amended to read:

5 29-1823 (1) If at any time prior to trial it appears that the
6 accused has become mentally incompetent to stand trial, such disability
7 may be called to the attention of the district or county court by the
8 county attorney or city attorney, by the accused, or by any person for
9 the accused. The judge of the district or county court of the county
10 where the accused is to be tried shall have the authority to determine
11 whether or not the accused is competent to stand trial. The ~~district~~
12 judge may also cause such medical, psychiatric, or psychological
13 examination of the accused to be made as he or she deems warranted and
14 hold such hearing as he or she deems necessary. The cost of the
15 examination, when ordered by the court, shall be the expense of the
16 county in which the crime is charged. The ~~district~~ judge may allow any
17 physician, psychiatrist, or psychologist a reasonable fee for his or her
18 services, which amount, when determined by the ~~district~~ judge, shall be
19 certified to the county board which shall cause payment to be made.
20 Should the ~~district~~ judge determine after a hearing that the accused is
21 mentally incompetent to stand trial and that there is a substantial
22 probability that the accused will become competent within the foreseeable
23 future, the ~~district~~ judge shall order the accused to be committed to a
24 state hospital for the mentally ill or some other appropriate state-owned
25 or state-operated facility for appropriate treatment until such time as
26 the disability may be removed.

27 (2) Within six months after the commencement of the treatment
28 ordered by the district or county court, and every six months thereafter
29 until either the disability is removed or other disposition of the
30 accused has been made, the court shall hold a hearing to determine (a)
31 whether the accused is competent to stand trial or (b) whether or not

1 there is a substantial probability that the accused will become competent
2 within the foreseeable future.

3 (3) If it is determined that there is not a substantial probability
4 that the accused will become competent within the foreseeable future,
5 then the state shall either (a) commence the applicable civil commitment
6 proceeding that would be required to commit any other person for an
7 indefinite period of time or (b) release the accused. If during the
8 period of time between the six-month review hearings set forth in
9 subsection (2) of this section it is the opinion of the Department of
10 Health and Human Services that the accused is competent to stand trial,
11 the department shall file a report outlining its opinion with the court,
12 and within twenty-one days after such report being filed, the court shall
13 hold a hearing to determine whether or not the accused is competent to
14 stand trial. The state shall pay the cost of maintenance and care of the
15 accused during the period of time ordered by the court for treatment to
16 remove the disability.

17 Sec. 5. Section 29-2206, Reissue Revised Statutes of Nebraska, is
18 amended to read:

19 29-2206 (1)(a) ~~(1)~~ In all cases in which courts or magistrates have
20 now or may hereafter have the power to punish offenses, either in whole
21 or in part, by requiring the offender to pay fines or costs, or both,
22 such courts or magistrates may make it a part of the sentence that the
23 party stand committed and be imprisoned in the jail of the proper county
24 until the fines or costs are paid or secured to be paid or the offender
25 is otherwise discharged according to law if the court or magistrate
26 determines that the offender has the financial ability to pay such fines
27 or costs. The court or magistrate may make such determination at the
28 sentencing hearing or at a separate hearing prior to sentencing. A
29 separate hearing shall not be required. In making such determination, the
30 court or magistrate may consider the information or evidence adduced in
31 an earlier proceeding pursuant to section 29-3902, 29-3903, 29-3906, or

1 29-3916. At any such hearing, the offender shall have the opportunity to
2 present information as to his or her income, assets, debts, or other
3 matters affecting his or her financial ability to pay. Following such
4 hearing and prior to imposing sentence, the court or magistrate shall
5 determine the offender's financial ability to pay the fines or costs,
6 including his or her financial ability to pay in installments under
7 subsection (2) of this section.

8 (b) If the court or magistrate determines that the offender is
9 financially able to pay the fines or costs and the offender refuses to
10 pay, the court or magistrate may:

11 (i) Make it a part of the sentence that the offender stand committed
12 and be imprisoned in the jail of the proper county until the fines or
13 costs are paid or secured to be paid or the offender is otherwise
14 discharged according to law; or

15 (ii) Order the offender, in lieu of paying such fines or costs, to
16 complete community service for a specified number of hours pursuant to
17 sections 29-2277 to 29-2279.

18 (c) If the court or magistrate determines that the offender is
19 financially unable to pay the fines or costs, the court or magistrate:

20 (i) Shall either:

21 (A) Impose a sentence without such fines or costs; or

22 (B) Enter an order pursuant to subdivision (1)(d) of this section
23 discharging the offender of such fines or costs; and

24 (ii) May order, as a term of the offender's sentence or as a
25 condition of probation, that he or she complete community service for a
26 specified number of hours pursuant to sections 29-2277 to 29-2279.

27 (d) An order discharging the offender of any fines or costs shall be
28 set forth in or accompanied by a judgment entry. Such order shall operate
29 as a complete release of such fines or costs.

30 (2) If Notwithstanding subsection (1) of this section, when any
31 offender demonstrates to the court or magistrate determines, pursuant to

1 subsection (1) of this section, that an offender he or she is financially
2 unable to pay such fines or costs in one lump sum but is financially
3 capable of paying in installments, the court or magistrate shall make
4 arrangements suitable to the court or magistrate and to the offender by
5 which the offender may pay in installments. The court or magistrate shall
6 enter an order specifying the terms of such arrangements and the dates on
7 which payments are to be made. When the judgment of conviction provides
8 for the suspension or revocation of a motor vehicle operator's license
9 and the court authorizes the payment of fines or costs by installments,
10 the revocation or suspension shall be effective as of the date of
11 judgment.
