Good Morning,

May I have a quote for **14** HP ProDesk G2 Tower Desktop i5-6500, 16 GB, Win 10P Wireless keyboard/mouse and **28** 21.5 inch widescreens for the 46th and R St location.

Thank you

Have a Good Day!

Since the majority of our employees at our 46th and R St do not have assigned computers we need the Office 2016 so anyone can sign on to any of the frontline PC's.   In our last order it says Microsoft Office 2016 STD (License Only) if that helps at all.

Thank you

Candace

Good morning!

Created as work order 160589. Do you need office licenses? If so do you want perpetual Office 2016 or 365 licenses?

Thanks-

Judy
