Retirement:

I am planning to retire.

My plan, as I had verbally discussed with you, is to work through November 2, 2017, utilize vacation/holiday leave from November 3-29, and return to work on November 30, 2017 as my last day.

November 2<sup>nd</sup> is three weeks from tomorrow. I am willing to assist with the transition in any way possible during the following weeks.

Working for the county has been a highlight in my working career. I have thoroughly enjoyed this experience. The Youth Services Center provides a valuable service to our community. Thank you.
