Others Present: Kerry Eagan, Chief Administrative Officer; Dan Nolte, County Clerk; Cori Beattie, Deputy County Clerk; Ann Taylor, County Clerk's Office

Advance public notice of the Board of Commissioners Staff Meeting was posted on the County-City Building bulletin board and the Lancaster County, Nebraska web site and provided to the media on March 28, 2017.

The Chair noted the location of the Open Meetings Act and opened the meeting at 8:32 a.m.

AGENDA ITEM

1 APPROVAL OF MARCH 23, 2017 MINUTES

MOTION: Avery moved and Brinkman seconded approval of the March 23, 2017 Staff Meeting minutes. Avery, Brinkman and Wiltgen voted yes. Amundson abstained from voting. Schorr was absent. Motion carried 3-0, with one abstention.

2 LEGISLATIVE UPDATE – Gordon Kissel, Joe Kohout and Jonathan Bradford, Kissel/E&S Associates (Legislative Consultants)

Joe Kohout, Kissel/E&S Associates, presented a legislative update (Exhibit A).

Schorr arrived at the meeting at 8:34 a.m.

Kohout said Legislative Bill (LB) 127 (Change notice requirements under Open Meetings Act) advanced from the Government, Military and Veterans Affairs Committee but is not prioritized. He said there are no indications of an intent to attach it to another bill but they will continue to monitor it.

Kohout noted the Chair sent letters to Senators Matt Hansen and Adam Morfeld regarding LB 145 (Provide for a hearing to determine financial ability to pay fines and costs and

traffic citations and provide for community service) and LB 395 (Change provisions relating to conditions of and ability to post bail). He said Kissel/E&S Associates subsequently received a request from Senator Hansen's Office asking what changes the County would like to see to the bills to make them more amenable. A list of suggestions was developed during a meeting Kohout had with Commissioners Wiltgen and Brinkman, Kerry Eagan, Chief Administrative Officer, Brad Johnson, Corrections Director, and Kim Etherton, Community Corrections Director (see Exhibit B). Kohout noted one suggestion was to eliminate the ability to sit out fines in jail and said Senators Hansen and Morfeld want to increase the sit out rate from \$90 to \$150 per day. Their theory is that it will save additional dollars in the coming year. Brinkman remarked that judges are likely to increase fine amounts. There was consensus to submit the suggested changes as shown. Kohout said he asked the Judiciary Committee's legal counsel to notify him if there is an attempt to move the bills out of the Committee or attach them to another bill.

Kohout said Terry Wagner, County Sheriff, informed him last week that the Nebraska Sheriff's Association has withdrawn its support of LB 68 (Prohibit certain regulation of firearms, ammunition, and firearm accessories by counties, cities, and villages as prescribed).

Kohout said Senator Sue Crawford inquired about counties' discussions with the Governor's Office regarding LB 333 (Eliminate an independent review of denial of aid to the disabled). He conveyed that Lauren Kintner, the Governor's Chief Policy Adviser, still has not contacted Wiltgen to discuss Lancaster County's concerns regarding the bill (see March 16, 2017 Staff Meeting minutes). It was also his understanding that Kintner has not contacted Mary Ann Borgeson, Douglas County Board Chair, to discuss Douglas County's concerns.

NOTE: Legislative bill reports were also provided to the Board (Exhibits C & D).

ADMINISTRATIVE OFFICER REPORT

There was consensus to schedule the item on a regular County Board of Commissioners Meeting for action.

There was consensus to forward the request to the Visitors Promotion Committee (VPC) for review and recommendation.

3 EMERGENCY OPERATIONS CENTER (EOC) UPDATE – Jim Davidsaver, Emergency Management Director; Don Killeen, County Property Manager; John Kay, Sinclair Hille & Associates Inc.

John Kay, Sinclair Hille & Associates, Inc., presented a proposal for architectural and engineering services to renovate space in the Youth Services Center (YSC) as the new location for Emergency Management (Exhibit E). He said the construction cost is estimated at \$1,100,000 and compensation for basic services (architectural, mechanical/electrical/plumbing engineering, structural engineering, civil engineering, and acoustical consulting) is estimated at \$94,450, which is 8.1% of construction costs (inclusion of computer network cabling and low voltage systems will take it to 8.5%). Construction is estimated to take seven to eight months. Kay said they would like to bid the project in July and begin construction in September.

Brinkman inquired about other “soft costs” related to the project. Kay said furniture, fixtures and equipment (FF&E) was not included. Jim Davidsaver, Emergency Management Director, indicated plans to move existing furniture and equipment.

In response to a question from Schorr, Kay said Emergency Management will have an independent heating, ventilating and air conditioning (HVAC) system with a backup emergency generator. He also outlined how the facility will also be “hardened” to meet requirements.

There was consensus to proceed as outlined and direct the County Attorney’s Office to draft a contract.

RETURNING TO ITEM 2

Terry Wagner, County Sheriff, appeared and provided an update on LB 68.

4 YOUTH SERVICES CENTER (YSC) CONTRACT WITH STATE PROBATION – David Derbin, Deputy County Attorney; Sheli Schindler, Youth Services Center (YSC) Director

David Derbin, Deputy County Attorney, said contract negotiations with State Probation for the housing of juveniles in the Youth Services Center (YSC) are substantially completed. He said it will be a four-year contract with a 60-day termination clause. The daily per diem will be \$276 and there will be a 45-day turnaround on the billing.

Wiltgen asked whether the contract provides a remedy for non-payment. Derbin said the contract has a breach of contract provision. There is also a provision that addresses funding availability and Derbin explained the County would be entitled to payment for any services provided up to the point of termination.

Sheli Schindler, YSC Director, said reimbursement will be closely monitored, adding Probation has been reimbursing YSC in a timely manner. She said YSC will also be tracking the number of transports and video conferences.

Brinkman exited the meeting at 9:23 a.m. and returned at 9:25 a.m.

Schindler said YSC has been asked when it can resume transport. She said the facility currently has two vehicles it can use for transport and plans to purchase two of the vehicles the Lancaster Sheriff's Office (LSO) will be retiring. Amundson suggested Schindler check whether Corrections has any transport vans the YSC could utilize. Schorr felt there should be a transition period of 60-90 days to allow for transport issues to be worked out. Derbin said the County will be responsible for transport once the contract is signed and suggested changing the effective date of the contract.

NOTE: Also present for the discussion were Juvenile Court Judge Roger Heideman; Theresa Emmert, Juvenile Court Administrator; Lori Griggs, Chief Probation Officer, Juvenile Probation; and Sara Hoyle, Human Services Director.

She also mentioned a Lincoln Unites! event on April 29th, which includes a citizenship ceremony, and suggested the Board consider a resolution of support.

Brinkman said Dr. Jason Kruger, Medical Director, presented a Cardiac Arrest Registry to Enhance Survival (CARES) Dispatcher Assisted Cardio-Pulmonary Resuscitation (CPR) Report. Schorr suggested Dr. Kruger be asked to provide an update to the Board at a future Staff Meeting.

Brinkman said Roger Bonin, Chief of Training Division, Lincoln Fire and Rescue (LFR), reported that LFR is looking to replace its electronic medical records system and change how they will communicate with the hospital. She said doctors and the hospitals have expressed concern with how that will work with their systems and feel there should be more discussion before proceeding.

B. Meeting with Planning Department – Wiltgen, Avery

Wiltgen noted the Lincoln-Lancaster County Planning Commission will hold a public hearing on proposed text amendments on April 12th and said the Planning Department did provide outreach to interested parties. He said they were also informed that Hillside Events, a reception facility which is located west of Denton, Nebraska, has not obtained an occupancy permit so they are unable to hold events. Adjacent landowners have expressed concerns regarding the venue's lighting and the Planning Department and Building and Safety Department are investigating. Wiltgen said Pam Dingman, County Engineer, joined them and discussed the Rural to Urban Transition Street (RUTS) Program agreement. They also discussed revising the frontage requirements for acreages.

C. District Energy Corporation (DEC) – Schorr, Avery

Schorr said they approved expansion into the West Haymarket area, a feasibility study of providing thermal energy services to the State Penitentiary, and a site lease agreement to locate a District Energy Corporation (DEC) facility that will provide thermal energy service to the new Lincoln Electric System (LES) Operations Center on South 98th Street and Rokeby Road.

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners
FROM: Joseph D. Kohout, Jonathan G. Bradford, Gordon E. Kissel
DATE: March 30, 2017
RE: Weekly Update

Today is day 56 of the 2017 Legislature. This week is a short week with a recess day last Monday. Tuesday of this week started full day debate, with Revenue Committee holding a special hearing for AM 707 to Sen. Smith's LB 233, change revenue and taxation provisions. Tuesday and Wednesday debate centered on Sen. Pansing-Brooks' LB 289, Change provisions related to human trafficking and possible clean-up amendments to the bill. Wednesday afternoon, Sen. Schumacher's LB 72 was taken up - governmental unit bond priority under Nebraska Governmental Unit Security Interest Act and rename it.

The Legislature has designated 107 priority bills, placed 4 bills on Final Reading, 18 bills have passed the Legislature and 15 of those have been signed by Governor Ricketts. This week saw the continuous conversation or conversations concerning a tax package and the continued use of the property tax credit fund to address budgetary needs. It should be mentioned that, as addressed on the floor, that lengthy debate will be needed on all budget bills and time is short after "going round and round for 30 days" on rules.

Please note on Friday, March 31st, there will be a presentation of the Nebraska Public Employees Retirement Systems Annual Report to the Retirement Committee at 8:00am in room 1525 of the Capital.

Last Thursday, I received email and two calls from three Commissioners regarding an issue surrounding the sale of trailers at the Lancaster County Agricultural Society's Event Center. We worked proactively with Alan Wood, Counsel to the Society, to develop a working relationship with the Nebraska New and Used Car Dealers Association and Loy Todd their Vice President and General Counsel. As of this report, I believe that the Ag Society has received assurances from the Dealers Association so as to address their concerns.

LANCASTER COUNTY LEGISLATIVE PRIORITIES

LB508 (Hilgers) Change the population threshold for the county civil service system. The bill was introduced on January 18th, and was referred to the Government, Military and Veterans Affairs Committee. This bill was heard on February 22, 2017, and still remains in committee.

Mr. Eagan did reach out to Rick DeBoer last week after the staff meeting after a conversation we had with Senator Hilgers. Rick did confirm on Friday morning that they are okay with the language presented in the amendment. We did advise Senator Hilgers office of the same and they are going to ask Chairman Murante for an executive session on the bill.

POSITION: SUPPORT

LB567 (Bolz) Change funding for county public assistance offices. The bill was introduced on January 18th, and was referred to the Government, Military and Veterans Affairs Committee. The bill was heard on February 22, 2017 and still remains in committee.

POSITION: SUPPORT

LB441 (Morfeld) Change eligibility provisions under the Medical Assistance Act. This years' Medicaid Expansion Bill. LB441 makes those persons described under section 1902 (a)(10)(A)(i)(VIII) of the federal Social Security Act eligible under the Medical Assistance Act. The department must submit a state plan amendment to cover newly eligible individuals, and such amendment must request as the alternative benefit plan a benchmark benefit package as defined in section 1937(b)(1) 18 (D) of the federal Social Security Act, as amended, 42 U.S.C. 1396u-7(b)(1)(D), as such act and section existed on January 1, 2017, for Secretary-approved coverage that shall include full Medicaid benefit coverage, including mandatory and optional coverage, under section 68-911 22 in the amount, duration, and scope in effect on January 1, 2017, and any additional wraparound benefits required under federal law. The hearing was held on March 8, 2017 and remains held in Committee.

POSITION: SUPPORT

LB357 (Bolz) Increase original certificate of title fees for vehicles transferred to Nebraska from another state and provide for voluntary contributions to brain injury programs. LB357 places a fee of twenty-five dollars for each original certificate of title issued to a person by a county for a vehicle or trailer being titled in Nebraska from another state after the first original title is issued. LB357 also allows for voluntary contributions of \$2 to be made as a donation to programs for persons suffering from brain injury. This bill was heard on February 28, 2017 and is still in committee. At the hearing, the only opposition to the bill was raised by the Department of Motor Vehicles.

Last week, Kate Kuelescher-Jareske – lobbyist for the Brain Injury Association – inquired about Lancaster County's position and asked for our assistance in getting the bill out of committee (with two Lancaster County senators on the Transportation and Telecommunications Committee). I advised that we were willing to help get the bill moving. I have not heard anything more from her.

POSITION: SUPPORT

LB47 (Watermeier) Change provisions relating to the payment of fees and costs associated with grand juries and the deaths of incarcerated persons. The hearing on this bill was held before the Judiciary Committee. Mr. Eagan testified on behalf of Lancaster County. The bill remains held in Committee.

POSITION: SUPPORT

LB327 (Speaker Scheer at the Request of the Governor) Appropriate funds for the expenses of Nebraska State Government for the biennium ending June 30, 2019. This is the Governor's Appropriation bill. We have become aware, as per a communication from Brent Meyer that there is a provision to reduce the amount of funding provided by LB1038 in last session from \$975,000 to \$487,500 for the Nebraska Department of Agriculture to get to their 8% reduction. The bill has been referred to the Appropriations committee. This bill was heard on February 21, 2017 and remains in committee.

On Monday, March 13, 2017 and Tuesday, March 14, 2017, hearings were held on Health and Human Services. Judy Halstead testified in support of the Appropriations Committee's recommended budget adjustments by restoring several cuts to Health and Human Services agencies – cuts that could Lancaster County as much as \$100,000 in total funds (through minor cuts in multiple budget lines). The committee received her comments well.

POSITION: CONCERNS EXPRESSED BY JUDY HALSTEAD AND BRENT MEYER ABOUT REDUCTIONS IN SPECIFIC AREAS

LB81 (Blood) Change the application fee for handgun certificates. LB81 changes the fee charged for each application for a handgun certification from five dollars to twenty-five dollars. The bill was advanced to General File in its Green Form.

POSITION: SUPPORT

LB127 (Groene) Change notice requirements under Open Meetings Act. LB 127 provides for a change in the open meetings law, in Sec. 84-1411 of the statute. It strikes language for political subdivisions to publicize meeting designated by each political body and requires them to publish such notice in a newspaper of general circulation in each county within the public entities jurisdiction as well as any other method designated by the public body. The newspaper notice does not have to be published in every county but must have a general circulation within the county. This proposal is also not intended to apply to state agencies but just political subdivisions. A significant amendment was offered at the time of the hearing that would re-write the bill. The bill has been advanced to General File with committee amendment AM646. Said amendment was attached for your review in last week's report.

After last week's meeting, we discussed the bill with Committee Counsel Andrew LaGroene. The intent of Senator Groene was apparently to adopt an amendment that would alleviate concerns. It does not do so. The amended bill did not have the support of Chairman Murante nor of Senator Carol Blood. Senator Craighead was present, not voting. Those voting in support included Senators Brewer, Briese, Hilgers, Lowe and Wayne. The bill is not prioritized.

POSITION: OPPOSE

LB152 (Craighead) Change and eliminate provisions relating to the fees for recording and filing certain documents. LB152 eliminates sunset dates of January 1, 2018 for provisions relating to the fees for recording and filing certain documents. LB152 also eliminates the six-dollar uniform fee, payable to the Secretary of State, for presenting and filing and indexing and filing and indexing each notice of lien or certification of notice affecting lien on a property. The bill was advanced to General File and granted Speaker Priority status.

POSITION: SUPPORT

LB333 (Riepe at the Request of the Governor) Eliminate an independent review of denial of aid to the disabled. LB333 requires that a disability persist for more than a year before a person can be considered disabled. LB333 also eliminates the requirement that the Department of Health and Human Services conduct an independent medical review when Social Security denies benefits to an individual on the basis

of the duration of the individual's disability. The hearing on this measure was on January 25, 2017. A letter was sent to Senator Riepe and members of the Health and Human Services Committee under Chairman Wiltgen's signature.

Since the hearing, there has been an enormous amount of conversation on this issue including a conference call last week with representatives of NACO, Douglas and Lancaster County. Last week, we were advised that Lauren Kintner would be reaching out directly to Chairman Wiltgen and Chairwoman Borgeson in Douglas County. To date, we are not aware that those conversations have occurred.

Too, during his testimony before the Appropriations Committee, Director Weinberg of the Department of Health and Human Services – Division of Children and Family Services encouraged the Appropriations Committee to support LB333. In response, Chairman Stinner indicated his reluctance to do so due to the fact that it appeared that to adopt LB333 would shift the burden to counties to care for that population. Too, Senator Kate Bolz expressed skepticism about his testimony indicating that she had a tough time seeing how this population would not fall back on General Assistance of the County. The director had a tough time explaining how it would not. This bill is a committee priority.

POSITION: OPPOSE

LB468 (Krist) Change revenue and taxation provisions. LB468 eliminates the Personal Property Tax Relief Act exemption and compensating exemption factor for tax years 2018 and 2019. LB468 also eliminates an exemption from taxation for the first ten thousand dollars of valuation on tangible property for tax years 2018 and 2019. LB468 also eliminates the reduction in the value of tangible personal property owned by each railroad, care line company, public service entity, and air carrier for tax years 2018 and 2019. LB468 ends reimbursement to taxing subdivisions for tax revenue that will be lost because of personal property tax exemptions for tax years 2018 and 2019.

LB468 allows resident individuals from electing to subtract from federal gross adjusted income the extraordinary dividends paid on and the capital gain from sale or exchange of capital stock for taxable years beginning before January 1, 2018 and taxable years beginning on or after January 1, 2020. LB468 ends the credit to the Game and Parks Commission Capital Maintenance Fund on July 1, 2017, and ends the credit to the Highway Trust Fund on or after July 1, 2017 and before July 1, 2019. Since an emergency exists, this act takes effect when passed and approved into law.

The hearing on this measure was February 22, 2017. The bill remains held in committee.

POSITION: OPPOSE

LB367 (Krist) Change provisions relating to payment of costs in juvenile matters. LB367 requires the county to pay the costs associated with transportation when a peace officer takes a juvenile into temporary custody and a probation officer determines the need for detention or an alternative placement. LB367 requires the Office of Probation Administration to pay for costs that are related to treatment or service provisions. The bill remains held in committee.

POSITION: OPPOSE

LB510 (Ebke) Provide a restriction on installment contracts for the purchase of real or personal property by political subdivision. LB510 prohibits political subdivisions from entering into installment contracts for the purchase of real or personal property that require a total outstanding obligation exceeding twenty-five million dollars. The hearing on this bill occurred on March 9, 2017 and the bill saw a tremendous amount of opposition. The bill was not prioritized and will not likely move.

POSITION: OPPOSE

LB434 (Ebke) Change videoconferencing provisions relating to certain juvenile hearings. LB434 requires any telephone or videoconference juvenile evidentiary hearings to ensure the preservation of due process or rights of all parties. The bill has been referred to the Judiciary committee and had its public hearing on March 9, 2017.

Of note, during the hearing, Public Defender Joe Nigro appeared in the opposition position and during his testimony expressed concern that this would be viewed as a way for the county to cut costs and specifically referenced the contract negotiations between Lancaster County and the State on the housing of Juveniles. No committee members expressed any concern.

POSITION: NEUTRAL

LB658 (Wayne) Provide for expert witness appointment as prescribed in certain juvenile proceedings. LB658 grants the right to one appointed expert witness during any adjudication or disposition proceeding to the parent, guardian, or custodian of the juvenile who is the subject of the proceeding. If the parent, guardian, or custodian is indigent, the reasonable fees and expenses of such expert witness will be paid by the county. The bill has been referred to the Judiciary committee and had its hearing on March 9, 2017.

Of note, during the opposition on this bill, Senator Chambers expressed concern to NACO about their opposition to the bill. Furthermore, Senator Chambers and Senator Krist have asked Senator Ebke to send a letter to NACO asking for them to begin disclosing how certain counties vote on opposition or support of bills. When the letters for Lancaster County and the County Attorneys Association were read into the record, Senator Chambers asked for clarification on who opposed the bill. We have not heard anything since.

POSITION: OPPOSE

LB373 (Schumacher) Change and eliminate revenue and taxation provisions. In a previous report, we provided a separate document that included highlights of those portions important to Lancaster County. Bill remains in committee. It has been mentioned that the bill as written has a long shot of coming out of committee. The county's letter of opposition to the repeal of Build Nebraska Act was read into the record.

POSITION: OPPOSE

LANCASTER COUNTY ELECTED OFFICIALS/DEPARTMENT HEADS PRIORITIES

LB310 (Friesen) Change provisions relating to bridge carrying capacities and weight limits. This bill has been referred to the Transportation and Telecommunications Committee for public hearing. Engineer Dingman asked a question of us regarding the bills origin. In checking with Senator Friesen's office, the bill was brought to them by NACO through the Roads Superintendents subgroup.

There was some correspondence between Larry Dix, Joe Kohout, Pam Dingman and others to get her in touch with the folks who had prepared LB310. The hearing on this measure was held on Monday, February 6, 2017. This bill was placed on General File on March 1, 2017.

LB51 (Schumacher) Change provisions relating to sales of real property for nonpayment of taxes. This bill was heard by the Revenue Committee. The Lancaster County Treasurers Office testified in a neutral capacity after a meeting the morning of the hearing between representatives of NACO, Larry Dix and Senator Schumacher. Senator Schumacher offered an amendment at the hearing that would alleviate the concerns raised by the Treasurer's Office. The bill was placed on General File with committee

amendment AM267. We have attached the amendment for your review.

LB68 (Hilgers) Prohibit certain regulation of firearms, ammunition, and firearm accessories by counties, cities, and villages as prescribed. We were asked to work with Eric Gerard, Lincoln City Lobbyist, on this. During deliberations on this measure on Thursday, February 9, 2017 by the Board, they agreed to follow Sheriff Wagner's lead. During testimony on February 10, 2017, Sheriff Wagner, offered testimony in support with concerns. Senator Hilgers designated this as his priority bill on February 28th. Bill has been placed on General File with committee amendment AM630. We attached the amendment for your review on last weeks' report.

LB544 (Watermeier) Provide for elimination of the office of clerk of the district court as prescribed. LB544 allows, in any county that does not have an elected clerk of the district court, for the duties of the clerk of the district court to be performed pursuant to an agreement between the State Court Administrator and the county board. LB544 also allows for a county to vote to eliminate the office of the clerk of the district court when a vacancy occurs. The bill was referred to the Judiciary Committee. This bill was heard on February 15, 2017 and remains in committee.

LB163 (Vargas) Require additional polling places prior to elections in certain counties LB163 requires election commissioners in counties with populations of more than one hundred thousand to establish at least three voting locations. The hearing was on March 16, 2017. The bill remains held in committee.

LB625 (Larson) Change the Property Assessed Clean Energy Act. LB625 allows a municipality to create a clean energy assessment district anywhere within the municipality, except a district may not be created that includes any area within the corporate boundaries of any city or village located in whole or in part within such county. The hearing on this measure was on Tuesday, February 14, 2017 and Candace Meredith testified in a neutral capacity on an amendment suggested by NACO. We expect the bill to move with that amendment attached. Bill was placed on General File with committee amendment (AM 224) which is attached. LB 625 has been designated a committee priority.

LB145 (Hansen) Provide for a hearing to determine financial ability to pay fines and costs and traffic citations and provide for community service. LB145 allows for a sentencing judge or magistrate to conduct a post-hearing sentence to determine if the offender has the financial ability to pay the fines or costs associated with their infraction. If the magistrate or judge determines that the offender is able to pay the fine, but the offender refuses, the magistrate or judge may sentence the offender to imprisonment or community service. If the offender is found unable to pay the fine, the magistrate or judge may impose the sentence without costs and fines, discharge the costs and fines from the offender, or order community service as part of the sentence. If the offender is found able to pay the costs or fines in installments, the magistrate or judge may enter an order specifying the terms of a payment arrangement.

LB145 also allows for individuals who are arrested for failure to pay costs and fines to be provided a hearing in which their financial ability to pay those fines and costs can be assessed. A person who believes themselves to be financially unable to pay court costs and fines may request a hearing after an order has been issued against them. Bill was heard Thursday, March 16, 2017 before the Judiciary Committee and remains in Committee.

LB395 (Morfeld) Change provisions relating to conditions of and ability to post bail. LB395 requires a court to consider all methods of bond and conditions of release to avoid pretrial incarceration. If an appearance bond is required, the court shall appoint counsel to indigent defendants. To determine if a defendant is indigent, the judge must consider the defendant's financial ability to pay a bond. The court

may also order a defendant to be supervised by an approved person or organization or a pretrial services program. Bill was heard Thursday, March 16, 2017 before the Judiciary Committee and remains in Committee. Commissioner Wiltgen was present to observe the committee's questions. It is being considered that concepts of this bill, as well as LB 145, will be amended into other legislation.

Following receipt of Commissioner Wiltgen's letter, there has been a request made by Senator Hansen's office to see what changes we would like to see in LB145 and LB395 to make them more amenable to the county. They appear set on increasing the "sit out rate" from \$90 to \$150 per day. Additionally, they are willing to delay implementation of the remaining provisions of LB145 by one year. In so far as LB395 is concerned, they are willing to consider striking everything from the bill and leaving only section 3 in place. In addition, they are willing to consider changing the evidentiary hearing to telephone conference similar to process for appointment of a public defender.

LB385 (Lindstrom) Change provisions relating to the burden of proof and who may appeal under the Tax Equalization and Review Commission Act. LB385 allows those with a relationship to the taxpayer to execute an appeal on behalf of the taxpayer.
