(402) 438-3000**

**CITY OF LINCOLN/LANCASTER COUNTY, NEBRASKA  
CONTRACT TERMS**

THIS CONTRACT, made and entered into by and between **Cross-Dillon Tire, PO Box 81208, Lincoln, NE 68528**, hereinafter called "Contractor", and the City of Lincoln, Nebraska, a municipal corporation, and the County of Lancaster, Nebraska, a political subdivision of the State of Nebraska, hereinafter called the "Owners".

WHEREAS, the Owner has caused to be prepared, in accordance with law, Specifications, Plans, and other Contract Documents for the Work herein described, and has approved and adopted said documents and has caused to be published an advertisement for and in connection with said Work, to-wit:

**Tires, Tubes and Tire Repair Services, Bid No. 18-003**

and,

WHEREAS, the Contractor, in response to such advertisement, has submitted to the Owners, in the manner and at the time specified, a sealed Proposal/Supplier Response in accordance with the terms of said advertisement; and,

WHEREAS, the Owners, in the manner prescribed by law has publicly opened, read aloud, examined, and canvassed the Proposals/Supplier Responses submitted in response to such advertisement, and as a result of such canvass has determined and declared the Contractor to be the lowest responsible bidder for the said Work for the sum or sums named in the Contractor's Proposal/Supplier Responses, a copy thereof being attached to and made a part of this Contract;

NOW, THEREFORE, in consideration of the sums to be paid to the Contractor and the mutual covenants herein contained, the Contractor and the Owners have agreed and hereby agree as follows:

1. The Contractor agrees to (a) furnish all tools, equipment, supplies, superintendence, transportation, and other accessories, services, and facilities; (b) furnish all materials, supplies, and equipment specified to be incorporated into and form a permanent part of the complete work; (c) provide and perform all necessary labor in a substantial and workmanlike manner and in accordance with the provisions of the Contract Documents; and (d) execute and complete all Work included in and covered by the Owners' award of this Contract to the Contractor, such award being based on the acceptance by the Owner of the Contractor's Proposal, or part thereof, as follows:

**Agreement to full proposal**

2. The Owners agree to pay to the Contractor for the performance of the Work embraced in this Contract, the Contractor agrees to accept as full compensation therefore, the following sums and prices for all Work covered by and included in the Contract award and designated above, payment thereof to be made in the manner provided by the Owners:

"Contracted Vendors" shall mean all vendors who contract or who have contracted with the Owners pursuant to Bid No. 18-003 for Annual Service - Tires, Tubes, and Tire Repair Services. "Contracts" shall mean the collective contracts entered into between the Owners and the Contracted Vendors pursuant to Bid No. 18-003 for Annual Service - Tires, Tubes, and Tire Repair Services.

**The Owners will pay for products/service, according to the Master Price List and Repair Price Sheets as listed in Contractors Proposal/Supplier Response, a copy thereof being attached to and made a part of this Contract. The Owners shall order on an as- needed basis for the duration of the contract. The cost of products or services for County agencies shall not exceed**

**\$150,000.00 for Contracts during the contract term without approval by the Board of Commissioners. The cost of products or services for City Departments shall not exceed \$342,000.00 for Contracts during the contract term without approval.**

3. Equal Employment Opportunity. In connection with the carrying out of this project, the contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, disability, age or marital status. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, ancestry, disability, age or marital status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other compensation; and selection for training, including apprenticeship.
4. E-Verify. In accordance with Neb. Rev. Stat. 4-108 through 4-114, the contractor agrees to register with and use a federal immigration verification system, to determine the work eligibility status of new employees performing services within the state of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324 a, otherwise known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of a newly hired employee pursuant to the Immigration Reform and Control Act of 1986. The Contractor shall not discriminate against any employee or applicant for employment to be employed in the performance of this section pursuant to the requirements of state law and 8 U.S.C.A 1324b. The contractor shall require any subcontractor to comply with the provisions of this section.
5. Termination. This Contract may be terminated by the following:
  - 5.1) Termination for Convenience. Either party may terminate this Contract upon thirty (30) days written notice to the other party for any reason without penalty.
  - 5.2) Termination for Cause. The Owners may terminate the Contract for cause if the Contractor:
    - 5.2.1) Refuses or fails to supply the proper labor, materials and equipment necessary to provide services and/or commodities.
    - 5.2.2) Disregards Federal, State or local laws, ordinances, regulations, resolutions or orders.
    - 5.2.3) Otherwise commits a substantial breach or default of any provision of the Contract Document. In the event of a substantial breach or default the Owners will provide the Contractor written notice of said breach or default and allow the Contractor ten (10) days from the date of the written notice to cure such breach or default. If said breach or default is not cured within ten (10) days from the date of notice, then the contract shall terminate.
6. Independent Contractor. It is the express intent of the parties that this contract shall not create an employer-employee relationship. Employees of the Contractor shall not be deemed to be employees of the Owners and employees of the Owners shall not be deemed to be employees of the Contractor. The Contractor and the Owners shall be responsible to their respective employees for all salary and benefits. Neither the Contractor's employees nor the Owners' employees shall be entitled to any salary, wages, or benefits from the other party, including but not limited to overtime, vacation, retirement benefits, workers' compensation, sick leave or injury leave. Contractor shall also be responsible for maintaining workers' compensation insurance, unemployment insurance for its employees, and for payment of all federal, state, local and any other payroll taxes with respect to its employees' compensation.
7. Owner Inclusion. It is understood and agreed by all parties that "Owner/s" shall include the City of Lincoln and Lancaster County, Nebraska. Whenever in the Contract documents, including the instructions to bidders, specifications, insurance requirements, bonds, and terms and conditions or any other documents which are a part of the Contract, a singular entity is referenced (i.e., "the City" or "the County") it shall mean the "Owners" encompassing the City of Lincoln, and Lancaster

County. Notwithstanding the foregoing, the duties and obligations of the City, and the County pursuant to the Contract shall be treated as divisible and severable duties and obligations, and default by any one of the City, or the County shall not be attributed to any other of the Owners, but shall remain the sole obligation of the defaulting entity.

8. Period of Performance. This Contract shall be effective March 3, 2018 through March 2, 2019 upon execution by all parties. The term of the Contract shall be a one (1) year term with the option to renew for three (3) additional one (1) year terms.

# **BRIDGESTONE** **Firestone**

Associated Brands

## **WARRANTY** **DETAILS**

**REPLACEMENT**  
**MARKET**  
**PASSENGER and**  
**LIGHT TRUCK TIRES**

Including

**Tires with Run-Flat Technology**

## LIMITED WARRANTY

### REPLACEMENT MARKET PASSENGER and LIGHT TRUCK TIRES

Including

Tires with Run-Flat Technology

### ELIGIBILITY

Congratulations! You have just purchased quality tires from a BRIDGESTONE, FIRESTONE, or ASSOCIATED BRANDS dealer (referred to in this section of the manual as DEALER). This Limited Warranty covers new BRIDGESTONE, FIRESTONE, FUZION, and PRIMEWELL brand passenger and light truck tires.

This Limited Warranty only applies to the original purchaser, and is valid if all of the following apply:

- The tire was purchased after December 1, 2016.
- The tire is a size and speed rating equivalent to or greater than that specified by the vehicle manufacturer.
- The tire has been used only on the vehicle on which it was originally installed.
- The tire has not been used in commercial service (exception: certain coverage applies to Bridgestone Duravis and Firestone Transforce tires if used in commercial service).

### WHAT IS WARRANTED and FOR HOW LONG

An eligible tire that becomes unusable for any reason within the manufacturer's control will be replaced with an equivalent new tire on the basis set forth in this Limited Warranty. Each tire brand has specific warranty coverage and certain conditions that apply; for details, see "Each Brand's Warranty Coverage."

## WHAT THIS LIMITED WARRANTY DOES NOT COVER

This Limited Warranty does not cover the following:

1. Tire damage or irregular wear due to:
  - A. **Road hazards**, including, without limitation: Puncture, cut, impact break, stone drill, bruise, bulge, snag, etc.
  - B. **Improper use or operation**, including, without limitation: Improper inflation pressure, overloading, tire/wheel spinning, use of an improper wheel, tire chain damage, misuse, misapplication, negligence, tire alteration, or for racing or competition purposes.
  - C. **Insufficient or improper maintenance**, including, without limitation: failure to rotate tires as recommended in this manual, wheel misalignment, worn suspension components, improper tire mounting or demounting, tire/wheel assembly imbalance, or other vehicle conditions, defects, or characteristics.
  - D. **Contamination or degradation** by petroleum products or other chemicals, fire or other externally generated heat, or water or other material trapped inside the tire during mounting or inflation.
  - E. **Improper repair**. Improper repair voids this Limited Warranty.
  - F. **For RFT tires only, improper run-flat or low tire pressure operation**, including, without limitation: exceeding speed, distance, or other run-flat/low-pressure operation limitations.
2. Rapid tread wear or wear-out is not covered under the Bridgestone Platinum Pact, Firestone Gold Pledge, or Basic Limited Warranty. See the Supplemental Mileage Limited Warranty section of this manual.
3. Weather/ozone cracking after 4 years from date of tire manufacture.
4. Ride disturbance or vibration after 1/32 inch (0.8 mm) of tread wear use.
5. Tires with sealant, balance, or other filler material that was not originally applied or inserted by the tire manufacturer.
6. Tires used in commercial service, except Bridgestone Duravis and Firestone Transforce tires.
7. Tires purchased as used.
8. Tires inflated with anything other than air or nitrogen.
9. Tires purchased and normally used outside the United States.
10. The cost of applicable federal, state, and local taxes.
11. Original equipment tires on new vehicles. (See separate warranty, if applicable, in your vehicle's glove box.)
12. Failure to follow any of the safety and maintenance recommendations or warnings contained in this manual.

This Limited Warranty is in addition to and/or may be limited by any other applicable written warranty you may have received concerning special tires or situations.

## EACH BRAND'S WARRANTY COVERAGE

### BRIDGESTONE

#### Platinum Pact Limited Warranty

The Platinum Pact Limited Warranty covers all Bridgestone brand passenger and light truck tires—except winter, and “temporary use” spare tires. A tire covered by the Platinum Pact Limited Warranty will be replaced with an equivalent new tire either free of charge or for a pro-rated amount if the tire becomes unusable for any reason within the manufacturer’s control under the following conditions:

- **The free tire replacement period** extends up to (a) 3 years from the date of purchase—proof of purchase date required, or (b) 4 years from the date of tire manufacture without proof of purchase date. During this period, the tire will be replaced free of charge (including mounting and balancing). You may be charged applicable taxes, the cost of valve stems, and disposal fees.
- **After the free tire replacement period**, coverage extends up to (a) 5 years from the date of purchase—proof of purchase date required, or (b) 6 years from the date of tire manufacture without proof of purchase date. During this period, the tire will be replaced but there will be a pro-rated charge. To determine the replacement price, the percent of tread wear is multiplied by DEALER’S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **The tire must not be worn to 2/32 inch (1.6 mm) or less** remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves).
- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”

#### Winter, and “Temporary Use” Spare Tires

A Bridgestone brand, winter, or “temporary use” spare tire will be replaced with an equivalent new tire for a pro-rated purchase price if the tire becomes unusable for any reason within the manufacturer’s control under the following conditions:

- **There is no free replacement period.**
- **Coverage** extends up to 5 years from the date of purchase—proof of purchase date required. Without proof of purchase date, then 6 years from the date of tire manufacture. During this period, the tire will be replaced for a pro-rated amount. To determine the replacement price, the percent of used treadwear is multiplied by DEALER’S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.

- **The tire must not be worn to 2/32 inch (1.6 mm) or less** remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves).
- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”

### **Buy & Try 30 Day Guarantee**

All Bridgestone brand passenger and light truck tires—except RFT/Run-Flat, Potenza RE-11, Potenza RE-11A, Potenza RE-11A, Potenza RE71R, original equipment tires on new vehicles, winter, and “temporary use” spare tires—sold in sets of 4 or more tires through an authorized retailer are covered by the Buy & Try 30 Day Guarantee. The DriveGuard, Potenza RE960AS RFT and Turanza EL400 RFT patterns are covered by Buy & Try 30 Day Guarantee. If a retail customer is not completely satisfied with their eligible Bridgestone-brand tires, the tires can be returned to the location where they were originally purchased within 30 days of purchase for a full refund or exchange. Original proof of purchase is required. The Buy & Try 30 Day Guarantee applies only to full sets of tires (4 or more tires purchased together); return of less than a full set of tires will not be accepted. Bridgestone brand tires applied as original equipment on new vehicles are not covered by the Buy & Try 30 Day Guarantee. Additional exclusions apply, as identified in the section “What This Limited Warranty Does Not Cover.”

## **FIRESTONE**

### **Gold Pledge Limited Warranty**

The Gold Pledge Limited Warranty covers all Firestone brand passenger and light truck tires—except winter, and “temporary use” spare tires. A tire covered by the Gold Pledge Limited Warranty will be replaced with an equivalent new tire either free of charge or for a pro-rated amount if the tire becomes unusable for any reason within the manufacturer’s control under the following conditions:

- **The free tire replacement period** extends up to (a) 3 years from the date of purchase—proof of purchase date required, or (b) 4 years from the date of tire manufacture without proof of purchase date. During this period, the tire will be replaced free of charge (including mounting and balancing). You may be charged applicable taxes, the cost of valve stems, and disposal fees.
- **After the free tire replacement period**, coverage extends up to (a) 5 years from the date of purchase—proof of purchase date required, or (b) 6 years from the date of tire manufacture without proof of purchase date. During this period, the tire will be replaced but there will be a pro-rated charge. To determine the replacement price, the percent of tread wear is multiplied by DEALER’S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.

- **The tire must not be worn to 2/32 inch (1.6 mm) or less** remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves).
- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”

**Winter, and “Temporary Use” Spare Tires**

A Firestone brand, winter, or “temporary use” spare tire will be replaced with an equivalent new tire for a pro-rated purchase price if the tire becomes unusable for any reason within the manufacturer’s control under the following conditions:

- **There is no free replacement period.**
- **Coverage** extends up to 5 years from the date of purchase—proof of purchase date required. Without proof of purchase date, then 6 years from the date of tire manufacture. During this period, the tire will be replaced for a pro-rated amount. To determine the replacement price, the percent of used treadwear is multiplied by DEALER’S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **The tire must not be worn to 2/32 inch (1.6 mm) or less** remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves).
- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”

**Buy & Try 30 Day Guarantee**

All Firestone brand passenger and light truck tires—except RFT/Run-Flat, original equipment tires on new vehicles, winter and “temporary use” spare tires— sold in sets of 4 or more tires through an authorized retailer are covered by the Buy & Try 30 Day Guarantee. If a retail customer is not completely satisfied with their eligible Firestone brand tires, the tires can be returned to the location where they were originally purchased within 30 days of purchase for a full refund or exchange. Original proof of purchase is required. The Buy & Try 30 Day Guarantee applies only to full sets of tires (4 or more tires purchased together); return of less than a full set of tires will not be accepted. Firestone brand tires applied as original equipment on new vehicles are not covered by the Buy & Try 30 Day Guarantee. Additional exclusions apply, as identified in the section “What This Limited Warranty Does Not Cover.”

**FUZION BRAND LIMITED WARRANTY**

The Fuzion Brand Limited Warranty will apply if (i) all the “ELIGIBILITY” requirements listed in the Limited Warranty are met and (ii) an eligible Fuzion Brand pattern, size and load range tire becomes unusable for any reason within the manufacturer’s control within 5 years from the date of tire purchase (proof of purchase date required) or

6 years from the date of manufacture (without proof of purchase date), subject to certain exclusions set forth in the "What This Limited Warranty Does Not Cover" section of the Limited Warranty.

The Fuzion Brand Limited Warranty will be as follows:

- **Free replacement during the first 50% of the tread life of the tire** if it becomes unusable for any reason within the manufacturer's control up to 3 years from date of purchase (proof of purchase date required). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may still apply.
- After the free replacement period noted above (or if the tire is past the first 50% of tread life), if the tire becomes unusable for any reason within the manufacturer's control within 5 years from the date of tire purchase (proof of purchase date required) or 6 years from the date of manufacture (without proof of purchase date), the tire will be replaced with an equivalent new tire for a pro-rated purchase price. To determine the replacement price, the percent of used treadwear is multiplied by DEALER'S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price. Note that the tire must not be worn to 2/32 inch (1.6mm) or less of the remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves) for this Fuzion Brand Limited Warranty to apply.
- **Exclusions apply**—as identified in the section "What This Limited Warranty Does Not Cover."

## **PRIMEWELL BRAND LIMITED WARRANTY**

A tire covered by the Primewell Brand Limited Warranty will be replaced with an equivalent new tire for a pro-rated purchase price if it becomes unusable for any reason within the manufacturer's control under the following conditions:

- **There is no free replacement period.**
- **Coverage** extends up to 4 years from the date of purchase (proof of purchase date required). Without proof of purchase date, then 5 years from the date of tire manufacture. During this period, the tire will be replaced charging a pro-rated amount. To determine the replacement price, the percent of used treadwear is multiplied by DEALER'S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.

- **The tire must not be worn to 2/32 inch (1.6 mm) or less remaining original tread depth (i.e. worn down to the top of the built-in indicators in the treadgrooves).**
- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”

## **SUPPLEMENTAL MILEAGE LIMITED WARRANTY**

If a tire covered by the Supplemental Mileage Limited Warranty wears evenly across the tread down to the treadwear indicators—2/32 inch (1.6 mm)—during its stated warranted mileage (as evidenced by the vehicle’s odometer), the tire will be replaced with an equivalent new tire under the following conditions for a pro-rated purchase price:

- **There is no free replacement period.**
- Only the passenger and light truck tires listed in this section are covered by the Supplemental Mileage Limited Warranty for the mileage shown.
- Coverage applies only to the original purchaser, and only as long as the tires remain mounted on the vehicle described in the Customer Identification Section of this manual.
- Coverage extends up to 5 years from the date of purchase—proof of purchase date required. During this period, the tire will be replaced for a pro-rated amount.
- To determine the replacement price, the percent of warranted mileage obtained is multiplied by DEALER’S then current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- Tires used in commercial service and original equipment tires on new vehicles have no mileage warranty.
- Exclusions apply—as identified in the section “What This Limited Warranty Does Not Cover.”

**BRIDGESTONE**  
**DRIVEGUARD™**

**NEXT GENERATION RUN-FLAT TIRE**  
**SUPPLEMENTAL ROADHAZARD**  
**LIMITED WARRANTY**

**Not applicable to tires purchased  
in the state of New York.**

Bridgestone DriveGuard tires provide innovative tire performance benefits, including run-flat capability in the event of inflation pressure loss due to road hazard damage.

For additional peace of mind, the DriveGuard Supplemental RoadHazard Limited Warranty covers eligible tires that become damaged or unusable for any reason resulting from a road hazard (e.g. cut, snag, bruise, impact, or puncture). This warranty, given to promote goodwill, is a supplement to the Limited Warranty applicable to your tires.

**ELIGIBILITY**

The DriveGuard Supplemental RoadHazard Limited Warranty covers only the original purchaser. Proof of purchase is required in the form of an original invoice or receipt that must indicate the name of the purchaser, the purchase date, the vehicle mileage (odometer reading) at installation, and the retailer's name and address. Only Bridgestone DriveGuard tires are covered, and each must meet all of the following criteria:

- It was purchased new through an authorized retailer.
- It was used only on the vehicle on which it was originally installed.
- It meets or exceeds the vehicle manufacturer recommendations for size, load capacity, and speed rating.
- It was mounted to a properly-sized wheel and used with a functioning tire pressure monitoring system (TPMS).
- It was not used in commercial service.

The coverage period starts the date the tires are purchased and extends for a duration up to one of the following, whichever occurs first:

- (a) the first 2/32-inch (1.6 mm) of tread wear,
- (b) 12,000 miles of use,
- or
- (c) 12 months from the date of purchase.

If you receive a replacement tire under this DriveGuard Supplemental RoadHazard Limited Warranty, it will be covered by the tire manufacturer's warranty or warranties, if any, given on that tire at that time.

### WHAT IS WARRANTED

An eligible DriveGuard tire that becomes damaged or unusable for any reason resulting from a road hazard (e.g. cut, snag, bruise, impact, or puncture) will be repaired or replaced in the following manner:

- Tires that can be repaired within Bridgestone and Rubber Manufacturers Association guidelines will be accordingly repaired free of charge.
- Tires that cannot be repaired within Bridgestone and Rubber Manufacturers Association guidelines will be replaced with an equivalent new tire free of charge. This includes tires damaged from operation below 15 psi (100 kPa) due to a road hazard.

Whether an eligible tire is repaired or replaced, there is no charge for tire mounting, tire balancing, or performing an electronic reset of the TPMS. However, you are responsible for payment of applicable taxes and disposal fees, if any. Also excluded is coverage for any other parts or services, including but not limited to charges for road service, towing, alignment, rotation, and valve stem/TPMS components.

### WHERE TO GO

Tire service under the DriveGuard Supplemental RoadHazard Limited Warranty will only be performed at an authorized retailer, including where DriveGuard and other Bridgestone brand tires are sold. To find the retailer nearest you, please call 1-844-GoFifty or visit [www.DriveGuard.com](http://www.DriveGuard.com) or [www.BridgestoneTire.com](http://www.BridgestoneTire.com).

### CONSUMER RIGHTS

The DriveGuard Supplemental RoadHazard Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## CONDITIONS AND EXCLUSIONS

To the extent permitted by law, Bridgestone Americas Tire Operations, LLC disclaims liability for any incidental or consequential damages, loss of time, loss of vehicle use, or inconvenience, and any implied warranty, including implied warranties of merchantability and fitness for a particular purpose. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The DriveGuard Supplemental RoadHazard Limited Warranty applies only to tires purchased, used, and presented for coverage (under the terms of this warranty) in the United States. Bridgestone Americas Tire Operations, LLC's obligations under this warranty may not be enlarged or altered by anyone.

In accordance with Federal Law, this warranty has been designated as a "Limited Warranty." Nothing in the DriveGuard Supplemental RoadHazard Limited Warranty is intended to be a representation by Bridgestone Americas Tire Operations, LLC that tire failures cannot occur.

## OWNER'S OBLIGATIONS

Tire inflation pressures must be set to the specifications established by the vehicle manufacturer. Check tire pressure with a gauge every month and before long trips or when carrying extra load. Determine the cause and extent of an inflation pressure loss as soon as possible, especially after an alert from the tire pressure monitoring system (TPMS).

## **REPLACEMENT WARRANTY FOR ALL BRANDS**

If you receive a replacement tire under this Limited Warranty, it will be covered by the manufacturer's warranty or warranties, if any, given on that tire at that time.

## **WHERE TO GO**

Tire adjustments under this Limited Warranty will only be made at an authorized retailer. Bridgestone and Firestone RFT tire adjustments will only be made at a Certified Bridgestone or Firestone Run-Flat Retailer. Consult a phone directory (often listed in the Yellow Pages under "Tire Dealers") or the internet at [www.bridgestonetire.com](http://www.bridgestonetire.com) for the location nearest you.

## **CONSUMER RIGHTS**

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## **CONDITIONS and EXCLUSIONS**

To the extent permitted by law, Bridgestone Americas Tire Operations, LLC disclaims all other warranties, including but not limited to the implied warranties of merchantability and fitness for a particular purpose and any liability for incidental and consequential damages, loss of time, loss of vehicle use, or inconvenience. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This Limited Warranty applies only to consumers using the tire in the United States. For warranty conditions outside the United States, see your local Bridgestone or Firestone distributor.

Obligations under this policy may not be enlarged or altered by anyone.

In accordance with Federal Law, this Limited Warranty has been designated as a "Limited Warranty." Nothing in this Limited Warranty is intended to be a representation that tire failures cannot occur. This Limited Warranty is given by Bridgestone Americas Tire Operations, LLC, 535 Marriott Dr., Nashville, TN 37214.

## OWNER'S OBLIGATIONS

In order to keep this Limited Warranty valid, we require you to have your tires regularly inspected and rotated per the recommendations outlined in the sections of this manual entitled "Tire Damage, Inspection and Service Life" and "Radial Tire Rotation" and to furnish proof of same in order to receive an adjustment. Such proof should show the date, mileage, and servicing location. A sales receipt containing this information will suffice. In addition, a "Maintenance Record" is included in this manual.

Tires must be operated at the proper tire inflation pressures as specified by the vehicle manufacturer and within tire/vehicle load capacity and speed limitations. It is also your obligation to maintain proper wheel alignment and tire/wheel assembly balance.

To request an adjustment, you must present the tire to an authorized retailer. Complete and sign the customer section of the Bridgestone Americas Tire Operations, LLC Limited Warranty adjustment form and pay appropriate replacement price, taxes, disposal fee, and service charges, if any.

## ARBITRATION

For purposes of this arbitration section: (a) the terms "we," "us" and "our" refer to Bridgestone Americas Tire Operations, LLC, its parents, subsidiaries, affiliates, predecessors, successors, assigns, employees, officers, agents and directors; and (b) a "Claim" is any pre-existing, present, or future claim, dispute, or controversy between you and us arising out of or in connection with this Limited Warranty, or any other warranties, express or implied, including a failure of warranty and the validity of this arbitration clause, but excluding claims for personal injury or damage to property other than the warranted tire(s). You and we acknowledge that either you or we can choose to have any Claim resolved by binding arbitration. **If either you or we choose arbitration with respect to any Claim, neither you nor we will have, and each of us waives, the right to litigate that claim in court or to have a jury trial on that claim,** or to engage in pre-arbitration discovery, except as provided for in the arbitration rules of the American Arbitration Association ("AAA"). In addition, you will not have the right to participate as a representative or member of any class of claimants related to any claim subject to arbitration. An arbitration can only decide our or your Claim and may not consolidate or join the claims of other persons who may have similar claims. **There shall be no authority for any Claims to be arbitrated on a class action basis.** The arbitrator's decision will be final and binding.

Any arbitration will be conducted in accordance with the AAA's rules applicable to consumer disputes. For additional information go to: <http://www.adr.org/>. Any arbitration hearing that you attend will take place in the federal judicial district where you reside. At your request, we will advance the first \$250 of the filing and hearing fees for any Claim you may file against us; the arbitrator will decide whether we or you will ultimately pay those fees. This arbitration agreement is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16. The arbitrator shall apply applicable substantive law consistent with the Federal Arbitration Act and applicable statutes of limitations, and shall honor claims of privilege recognized at law. Judgment upon the award may be entered in any court of law of competent jurisdiction.

If this arbitration section (or any part of it) is determined invalid or illegal under any applicable statute or rule of law, it will be deemed omitted without affecting any other provisions of this Agreement, which shall remain in full force and effect.

## **BRIDGESTONE TRUCK TIRES**

Congratulations on your purchase of quality BRIDGESTONE brand truck tires!

To ensure optimum tire performance and reduce the risk of a tire failure, Bridgestone Americas Tire Operations, LLC (“Bridgestone”) strongly recommends you read and follow all maintenance and safety information contained in this manual. In addition, we recommend periodic inspection and maintenance, if necessary, by a qualified tire service professional.

---

---

### **LIMITED WARRANTY BRIDGESTONE BRAND TRUCK TIRES**

#### **ELIGIBILITY**

You are covered under the terms of this Limited Warranty if all of the following apply:

- You are the original owner, or original owner’s authorized agent, of any new Bridgestone brand truck tire bearing a Department of Transportation (DOT) tire identification number indicating manufacture after January 1, 2011 (DOT serial 0111 or later). For tires covered prior to this time, please refer to the limited warranty that would have been in effect at the time of original sale.
- The tire was purchased after January 1, 2012.
- The tire size, load range, and speed rating are equivalent to or greater than, that specified or recommended for use by the vehicle manufacturer or Bridgestone.
- The new tire was approved for sale in the United States, listed in a U.S. price or data book, and purchased from an authorized Bridgestone brand truck tire retailer.
- For coverage under the Enhanced Casing Limited Warranty, the eligible tire must have been used only in long haul, regional, P&D highway service for the entire life of the casing and subsequent retread(s) must be inspected and retreaded by an authorized Bandag dealer only.
- For coverage under the “Premium Casing Enhanced Limited Warranty” that was in effect for certain patterns and certain sizes purchased between 11/1/2007 and 1/1/2012, refer to the Bridgestone Truck Tire Limited Warranty that would have been in effect at the time of the original sale.

## WHAT IS WARRANTED and FOR HOW LONG

Upon examination by Bridgestone, before wearing down to 2/32 inch (1.6 mm) remaining original tread depth (i.e. worn down to the top of the built-in indicators in the original tread grooves) and within six years (seven years for certain tires, see the section entitled "Enhanced Casing Limited Warranty") from the date of tire manufacture, any eligible tire that becomes unusable for any reason (see exclusions in the section entitled "What This Limited Warranty Does Not Cover") within the manufacturer's control will either be repaired or replaced with an equivalent new Bridgestone brand truck tire on the basis set forth in this Limited Warranty.

## WHAT THIS LIMITED WARRANTY DOES NOT COVER

This Limited Warranty does not cover the following:

1. Tire damage due to:
  - A. **Road hazards**, including, without limitation: Puncture, cut, impact break, stone drill, bruise, bulge, snag, etc.
  - B. **Improper use or operation**, including, without limitation: Improper inflation pressure, overloading, tire/wheel spinning, curbing, use of an improper rim/wheel, tire chain damage, misuse, misapplication, negligence, tire alteration, or for racing or competition purposes.
  - C. **Insufficient or improper maintenance**, including, without limitation: Wheel misalignment, worn suspension components, improper tire mounting or demounting, tire/wheel assembly imbalance, improper brake adjustment, or other vehicle conditions, defects, or characteristics.
  - D. **Contamination or degradation** by petroleum products or other chemicals, fire or other externally generated heat, or water or other material trapped inside the tire during mounting or inflation.
2. Irregular wear, rapid wear, or wear-out; no mileage warranty is expressed or implied.
3. Weather/ozone cracking after four years from date of tire manufacture.
4. Tires subjected to severe under-inflation or run-flat conditions.
5. Tires that have been improperly repaired.
6. Tires rendered unretreadable due to excessive tread wear or improper buffing.
7. Tires improperly retreaded, including, without limitation: Improper or inadequate inspection, preparation, equipment, material, repair, etc.
8. Ride disturbance or vibration after tread wear use beyond 10% of original usable tread depth.
9. Tires with internally applied additives for balance, sealing, cooling, or any other alleged tire performance enhancement will not void the Limited Warranty unless an inspection of the tire reveals damage related to the use of the additive.
10. Tires inflated with anything other than air or nitrogen.
11. Tires purchased or used outside of the United States.
12. The cost of applicable federal, state, and local taxes.

13. Failure to follow any of the safety and maintenance recommendations or warnings contained in this manual.

This Limited Warranty is in addition to and/or may be limited by any other applicable written warranty you may have received concerning special tires or situations.

### **NO-CHARGE REPLACEMENT – NEW TIRE**

Bridgestone brand truck tires adjusted under this Limited Warranty will be replaced free of charge (Federal Excise Tax included) up to the first 10% of original usable tread depth or within 12 months from date of purchase (without proof of purchase date, then within 12 months from the date of tire manufacture), whichever occurs first. The cost of mounting and balancing and other service charges, disposal fees, or applicable taxes are payable by you.

### **PRO-RATED REPLACEMENT – WORN ORIGINAL TREAD TIRE**

Bridgestone brand truck tires adjusted under this Limited Warranty that are worn beyond the first 10% of original usable tread depth, or 12 months from the date of purchase (without proof of purchase date, then 12 months from the date of tire manufacture) has passed, the tire will, at Bridgestone's option, be repaired or replaced with an equivalent new Bridgestone brand truck tire on a pro rata basis. To determine the replacement price, the percent of used tread wear is multiplied by the dealer's current selling price for the replacement tire(s). The cost of mounting, balancing, full Federal Excise Tax, and other service charges, disposal fees, or applicable taxes are payable by you.

### **ENHANCED CASING LIMITED WARRANTY**

The Enhanced Casing Limited Warranty will apply if all the "ELIGIBILITY" requirements listed above are met and an eligible pattern, size and load range tire becomes unusable for any reason (see exclusions in the section entitled "What This Limited Warranty Does Not Cover") within the manufacturer's control within seven years from the date of tire manufacture and an unlimited number of retreads, the casing credit will be as follows:

- Eligible Patterns: R287A, R283 Ecopia, R280, R260, R250, M726EL, M720, M710 Ecopia, M770, R195, R197, R197 Ecopia
- Eligible Sizes & Load Ranges: 295/75R22.5, 11R22.5, 255/70R22.5, 285/75R24.5, 11R24.5 (Load Ranges G & H)

Original Tread or Retread Count	Dollar Values
Original Tread	\$130
1st Retread	\$100
2nd Retread	\$75
3rd Retread	\$50
4th & Subsequent Retreads	\$25

- Eligible Pattern: R250
- Eligible Sizes and Load Ranges: 225/70R19.5, 245/70R19.5, 265/70R19.5 (Load Ranges G & H)

Original Tread or Retread Count	Dollar Values
Original Tread	\$100
1st Retread	\$75
2nd Retread	\$50
3rd Retread	\$25
4th & Subsequent Retreads	\$25

## REPLACEMENT WARRANTY

If you receive a replacement tire under this Limited Warranty, it will be covered by the manufacturer's warranty, if any, given on that tire at that time.

## WHERE TO GO

Tire adjustments under this Limited Warranty will only be made at an authorized Bridgestone brand truck tire retailer in the United States. Consult a phone directory (often listed in the Yellow Pages under "Tire Dealers"), the Internet at [www.trucktires.com](http://www.trucktires.com), or call 1-800-815-9793 for the location nearest you.

## CONSUMER RIGHTS

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## CONDITIONS and EXCLUSIONS

To the extent permitted by law, Bridgestone Americas Tire Operations, LLC disclaims all other warranties, including but not limited to the implied warranties of merchantability and fitness for a particular purpose and any liability for incidental and consequential damages, loss of time, loss of vehicle use, or inconvenience. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This Limited Warranty applies only to consumers actually purchasing and using the tire in the United States.

Obligations under this policy may not be enlarged or altered by anyone.

In accordance with Federal Law, this Limited Warranty has been designated as a "Limited Warranty." Nothing in this Limited Warranty is intended to be a representation that tire failures cannot occur. This Limited Warranty is given in the United States by Bridgestone Americas Tire Operations, LLC, 535 Marriott Dr., Nashville, TN 37214.

## **OWNER'S OBLIGATIONS**

It is your obligation to maintain proper tire inflation pressures as specified by the vehicle manufacturer and to operate the vehicle within tire/vehicle load capacity and speed limitations. It is also your obligation to maintain proper wheel alignment and tire/wheel assembly balance.

To request an adjustment, you must present the tire to an authorized Bridgestone brand truck tire retailer. Your vehicle on which the tire was equipped must also be available for inspection. Complete and sign the customer section of the Bridgestone Americas Tire Operations, LLC Limited Warranty Form or an electronic version of the Bridgestone Limited Warranty Form and pay appropriate replacement price, taxes, disposal fees, and service charges, if any. Tires accepted for warranty compensation become the property of Bridgestone Americas Tire Operations, LLC.

## **ARBITRATION**

You and Bridgestone Americas Tire Operations, LLC agree that all claims, disputes, and controversies between you and it, including any of its agents, employees, successors, or assigns, arising out of or in connection with this Limited Warranty, or any other warranties, express or implied, including a failure of warranty and the validity of this arbitration clause, but excluding claims for personal injury or property damage, shall be resolved by binding arbitration between you and it, according to the formal dispute resolution procedures of the National Arbitration Forum, under the Code of Procedure then in effect. This arbitration will be conducted as a document hearing. If you request any procedures beyond a document hearing, you will be responsible for all fees, including filing and administrative fees, above and beyond the fees required for document hearings. The arbitration between you and Bridgestone Americas Tire Operations, LLC shall not include any other customers, be combined or consolidated in any fashion with arbitrations involving other customers, or proceed in any form of class action in which the claims of numerous customers are considered together. Any award of the arbitrator(s) may be entered as a judgment in any court of competent jurisdiction. The arbitrators will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute. Information may be obtained and claims may be filed at any office of the National Arbitration Forum or at P.O. Box 50191, Minneapolis, MN 55405.

---

---

## **IMPORTANT SAFETY INFORMATION**

Any tire, no matter how well constructed, may fail in use as a result of punctures, impact damage, improper inflation pressure, overloading, or other conditions resulting from use or misuse. Tire failure may create a risk of property damage, serious personal injury or death.

### ***SAFETY WARNING***

Serious personal injury or death may result from a tire failure. Many tire failures are preceded by vibration, bumps, bulges or irregular wear. If a vibration occurs while driving your vehicle or you notice a bump, bulge or irregular wear, have your tires and vehicle evaluated by a qualified tire service professional.

**To reduce the risk of tire failure, Bridgestone Americas Tire Operations, LLC strongly recommends you read and follow all safety information contained in this manual, tire industry publications such as those published by the Rubber Manufacturer's Association (RMA), and tire mounting procedures published by the Occupational Safety and Health Administration (OSHA) of the U. S. Department of Labor. In addition, we recommend periodic inspection and maintenance, if necessary, by a qualified tire service professional.**

## **TIRE INFLATION PRESSURE**

Tires need proper inflation pressure to operate effectively and perform as intended. Tires carry the vehicle, passenger, and cargo loads and transmit the braking, acceleration, and turning forces. The vehicle manufacturer recommends the inflation pressures for the tires mounted on your vehicle.

### ***SAFETY WARNING***

Driving on tires with improper inflation pressure is dangerous.

- Under-inflation causes excessive tire heat build-up and internal structural damage.
- Over-inflation makes it more likely for tires to be cut, punctured, or broken by sudden impact.

These situations can cause a tire failure, even at a later date, which could lead to serious personal injury or death. Consult the vehicle tire information placard and/or owner's manual for the recommended inflation pressures.

In addition to tire damage, improper inflation pressure may also:

- Adversely affect vehicle ride and handling.
- Reduce tire tread wear.
- Affect fuel economy.

Therefore, follow these important recommendations for tire and vehicle safety, mileage, and economy:

- Always keep the vehicle manufacturer's recommended inflation pressure in all your tires, including inside duals.
- Check their pressure at preventative maintenance intervals and during pre-trip vehicle inspections.

Your vehicle's tire information placard and/or owner's manual will tell you the recommended cold inflation pressure for all your tires. For tractor/trailers, a placard is applied to each. For questions about locating or understanding the tire information placard(s), consult your vehicle owner's manual or ask a qualified tire service professional.

**Maximum Pressure Indicated on the Tire Sidewall:** This is the maximum permissible inflation pressure for the tire only. The vehicle manufacturer's recommended tire pressures may be lower than, or the same as, the maximum pressure indicated on the tire sidewall. The vehicle manufacturer's specification of tire pressure is limited to your particular vehicle and takes into account your vehicle's load, ride, and handling characteristics, among other criteria. Since there may be several possible vehicle applications for a given tire size, a vehicle manufacturer may choose a different inflation pressure specification for that same size tire on a different vehicle. Therefore, always refer to the inflation pressure specifications on the vehicle tire information placard and/or in your vehicle owner's manual.

**Pressure Loss:** Truck tires can lose 2 psi (14 kPa) per month under normal conditions and can lose 2 psi (14 kPa) for every 10°F (5.6°C) temperature drop. A puncture, leaking valve, or other damage could also cause inflation pressure loss. If a truck tire loses more than 4 psi (28 kPa) per month, have it checked by a qualified tire service professional.

## **TIPS FOR SAFE TIRE INFLATION**

### ***SAFETY WARNING***

Inflating an unsecured tire is dangerous. If it bursts, it could be hurled into the air with explosive force resulting in serious personal injury or death. Never adjust the inflation pressure of a truck tire unless it is placed in a safety cage or is secured to the vehicle or a tire mounting machine. Never stand or lean over the tire or in front of the valve when inflating.

### ***SAFETY WARNING***

Never re-inflate a truck tire that has been run at very low inflation pressure (i.e. 80% or less of normal operating pressure) without a complete inspection of the entire tire. Immediately have the tire demounted and inspected by a qualified tire service professional.

- The U.S. Department of Transportation requires a pre-trip vehicle inspection. Pre-trip vehicle inspections and preventative maintenance should include cold-tire inflation pressure checks. Don't forget to check the inflation pressure of inside duals.
- The only correct method for checking inflation pressure is to use an accurate tire inflation pressure gauge. Kicking or thumping a tire will only tell you when a tire is totally flat.
- Check inflation pressure when the tires are "cold." Tires are considered "cold" when the vehicle has been parked for three hours or more, or if the vehicle has been driven less than a mile at moderate speed.
- Never release pressure from a hot tire in order to reach the recommended cold tire inflation pressure. Normal driving causes tires to run hotter and inflation pressure to increase. If you reduce inflation pressure when your tires are hot, you may dangerously under inflate your tires.
- If it is necessary to adjust inflation pressure when your tires are "hot," set their inflation pressure to 10 psi (69 kPa) above the recommended cold inflation pressure. Recheck the inflation pressure when the tires are cold.
- If your tires lose more than 4 psi (28 kPa) per month, the tire, tube (if applicable), valve, or rim/wheel may be damaged. Consult a qualified tire service professional for an inspection.
- A difference of 5 psi (35 kPa) or more between duals is not recommended.
- Use valve caps to keep the valves clear of debris and to help guard against inflation pressure loss.

## **TIPS FOR SAFE LOADING**

### ***SAFETY WARNING***

Driving your vehicle in an overloaded condition is dangerous. Overloading causes excessive tire heat build-up and internal structural damage. This can cause a tire failure, even at a later date, which could lead to serious personal injury or death. Consult the vehicle tire information placard, certification label, and owner's manual for the recommended vehicle load limits and loading recommendations.

- Always keep the vehicle manufacturer's recommended inflation pressure in all your tires, including inside duals. Check their pressure at preventative maintenance intervals and during pre-trip vehicle inspections.
- Never exceed the maximum load rating stamped on the sidewall of your tire.
- Never exceed the gross vehicle weight rating (GVWR) or gross axle weight ratings (GAWR) of your vehicle.
- Never exceed the maximum load or inflation pressure capacity of the rim/wheel.
- Consult your vehicle owner's manual for load recommendations and special instructions (such as for carrying unusually heavy loads).

## **TIRE DAMAGE AND INSPECTION**

Evaluation and maintenance of your tires is important to their performance and the service they provide to you. Over time and/or through use, the condition of a tire can change from exposure to everyday road conditions, the environment, damaging events such as punctures, and other external factors.

### ***SAFETY WARNING***

Driving on damaged tires is dangerous. A damaged tire can suddenly fail causing serious personal injury or death. Have your tires regularly inspected by a qualified tire service professional.

You should visually inspect your tires during pre-trip vehicle inspections and inflation pressure checks. In addition, have your tires periodically evaluated by a qualified tire service professional when your vehicle is serviced such as routine maintenance intervals, oil changes, and tire rotations. In particular, note the following tips for spotting tire damage:

- After striking anything unusual in the roadway, have a qualified tire service professional demount the tire and inspect it for damage. A tire may not have visible signs of damage on the tire surface. Yet, the tire may suddenly fail without warning, a day, a week, or even months later.
- Inspect your tires for cuts, cracks, splits or bruises in the tread and sidewall areas. Bumps or bulges may indicate a separation within the tire body. Have your tire inspected by a qualified tire service professional. It may be necessary to have it removed from the rim/wheel for a complete inspection. Do not delay performing any necessary repair(s).
- Inspect your tires for adequate tread depth. When the tire is worn to the built-in indicators at 2/32 inch (1.6 mm) or less tread groove depth, or the tire cord or fabric is exposed, the tire is dangerously worn and must be replaced immediately.
- Federal regulations require steer axle tires to have 4/32 inch (3.2 mm) or greater tread depth on vehicles over 10,000 lbs (4536 kg) GVWR.
- Inspect your tires for uneven wear. Wear on one side of the tread or flat spots in the tread may indicate a problem with the tire or vehicle. Consult a qualified tire service professional.
- Inspect your rims/wheels also. If you have a bent, chipped, or cracked rim/wheel, it must be replaced.

## **TIRE MANUFACTURE DATE**

The tire manufacture date is determined by examining the DOT tire identification number, also known as the DOT serial number or code, which can be found on at least one sidewall

near the rim/wheel. It may be necessary to look on both sides of the tire to find the entire serial code.

**Tires Produced Since 2000:** The last four (4) digits of the serial code identify the week and year of production. For example, a tire with a serial code ending in "2406" would have been produced in the 24th week of 2006.

**Tires Produced Prior to 2000:** The last three (3) digits of the serial code identify the week and year of production. For example, a tire with a code ending in "329" would likely have been produced in the 32nd week of 1999, but possibly produced in 1989. If in doubt, consult a qualified tire service professional.

## **TIRE REPAIRS**

### ***SAFETY WARNING***

Driving on an improperly repaired tire is dangerous. An improper repair can be unreliable or permit further damage to the tire. The tire may suddenly fail, causing serious personal injury or death. A complete inspection and repair of your tire in accordance with Rubber Manufacturers Association (RMA) procedures should be conducted by a qualified tire service professional.

The comprehensive procedures and recommendations for truck tire repair are beyond the scope of this manual; however, note the following:

- **The tire must be demounted from the rim/wheel for a complete inspection, inside and out.** Some damage to the tire may only be evident on the interior of the tire. Any tire repair done without removing the tire from the rim/wheel is improper.
- **A patch must be applied to the interior of the tire and the puncture hole filled with suitable plug/stem filler.** This helps ensure that the interior of the tire is adequately sealed to prevent inflation pressure loss and prevents contamination of the steel belts and other plies from the elements (such as water) in the outside world. Using only a plug/stem, or using only a patch, is not a safe or proper repair.
- **The truck/bus tire puncture repair injury limit to the tread area is 3/8 inch (10 mm).** Larger injuries, or damage in areas outside the tread, should be evaluated and repaired, if possible, by qualified tire service professionals at a full-service repair facility using RMA-approved procedures.
- **Never substitute a tube for a proper repair or to remedy an improper repair.**
- **Not all punctured or damaged tires can be properly repaired;** consequently, they must be replaced.

- **Repair and retread, if possible, tires having a tread depth of 2/32 inch (1.6 mm) or less remaining in any tread groove.**
- **Tubes, like tires, should only be repaired by a qualified tire service professional.**
- **Any Improper repair voids the tire Limited Warranty.**  
See "Limited Warranty" in this manual.

## **REMOVING TIRE/WHEEL ASSEMBLY FROM VEHICLE**

### ***SAFETY WARNING***

Always follow the manufacturer's recommend procedure for securing and raising your vehicle prior to attempting to remove a tire.

### ***SAFETY WARNING***

If the tire has internal damage, it may burst with explosive force, causing serious personal injury or death. Always deflate a tire and wheel assembly completely before loosening any lug nut when removing a tire from a vehicle for service or demounting. On dual wheel assemblies, both tires should be deflated and removed before any work is started.

## **TIRE MOUNTING AND OTHER SERVICING**

### ***SAFETY WARNING***

Removing and replacing tires on wheels can be dangerous. Attempting to mount tires with improper tools or procedures may result in a tire explosion causing serious personal injury or death. This is only a job for a qualified tire service professional. Never perform tire service procedures without proper training, tools, and equipment.

**This manual is not intended to provide proper training or service procedures for tire mounting, demounting, balancing, rotation, or repair. Please leave these tasks to qualified tire service professionals.**

Only specially trained persons should mount tires. For proper mounting procedures, consult the requirements of the Occupational Safety and Health Administration (OSHA) of the U S Department of Labor and procedures published by the Rubber Manufacturers Association, 1400 K Street, NW Washington, D. C. 20005 ([www.rma.org](http://www.rma.org)).

### ***SAFETY WARNING***

Inflating an unsecured tire is dangerous. If it bursts, it could be hurled into the air with explosive force resulting in serious personal injury or death.

- Always stand well clear of any tire mounting operation. This is especially important when the service operator inflates the tire.

- When inflating a tire after mounting on a rim/wheel, always use a safety cage and an extension hose with pressure gauge and clip-on chuck.
- Never adjust the inflation pressure of a truck tire unless it is placed in a safety cage or is secured to the vehicle or a tire mounting machine.
- Never stand or lean over the tire or in front of the valve when inflating.

### **SAFETY WARNING**

Never pour or spray any flammable substance into or onto a tire or rim/wheel for any purpose whatsoever. The residue left by the substance could result in a fire or explosion which may cause severe injury or death.

### **SAFETY WARNING**

Never put flammable substances such as gasoline or ethyl ether into a tire and light with a match/flame so that the resulting explosion seats the beads of a tubeless tire. This practice is extremely dangerous and may result in a severe explosion or undetected damage to the tire or rim/wheel which may cause a failure resulting in severe injury or death.

- **Tires must match the width and diameter requirements of the wheels.** For example, 22.5 inch diameter tires must only be mounted to 22.5 inch diameter rims/wheels. Radial tires must only be mounted to wheels approved for radial tires.
- **Inspect the tire and rim/wheel.** Rims/wheels must be free of cracks, dents, chips, and rust. Tires must be free of bead damage, cuts, punctures, foreign material, and moisture.
- **For a tubeless truck tire, always install a new valve, or new valve core and cap,** each time a new or retreaded tire is installed.
- **For a tube-type truck tire, always use a new, proper size tube and flap** each time a new or re-treaded tire is installed.
- **Use only vegetable oil-based lubricants in mounting or demounting.**
- **Always ensure rim components fit properly before inflating.**
  - Never tap component parts with a tool/hammer/mallet while tire is inflated.
  - Never attempt to disassemble multi-piece rims while inflated.
- **Never inflate a tire beyond 40 psi (275 kPa) to seat the beads.** Be absolutely certain beads are fully seated before adjusting inflation pressure to the level recommended for vehicle operation.
- **Use valve caps** to keep the valves clear of debris and to help guard against inflation pressure loss.
- **Always stand well away from the work area** when tires are being spin-balanced either on or off the vehicle.

## **TIRE MIXING**

### ***SAFETY WARNING***

Driving your vehicle with an improper mix of tires is dangerous. Your vehicle's handling characteristics can be seriously affected. You could have an accident resulting in serious personal injury or death. Consult your vehicle owner's manual and a qualified tire service professional for proper tire replacement.

## **DUAL MATCHING**

Tires paired in a dual assembly should be matched in tire construction and dimension. Improperly matched tires may result in irregular wear, rapid wear, and premature tire failure. Failure to match tires in a dual assembly may result in sudden tire destruction.

For radial tires, properly paired dimension tolerances are as follows:

- Diameter: within 1/4 inch (6.4 mm) of each other
- Circumference: within 3/4 inch (19 mm) of each other

## **HIGH SPEED DRIVING**

### ***SAFETY WARNING***

Driving at high speed is dangerous and can cause a vehicle accident, including serious personal injury or death.

- Regardless of the speed and handling capabilities of your vehicle and its tires, a loss of vehicle control can result from exceeding the maximum speed allowed by law or warranted by traffic, weather, vehicle, or road conditions.
- High-speed driving should be left to trained professionals operating under controlled conditions.
- No tire, regardless of its design or speed rating, has unlimited capacity for speed, and a sudden tire failure can occur if its limits are exceeded. See "Tire Speed Restrictions," the next section in this manual.

**Refer to your vehicle owner's manual for any tire pressure recommendations for high speed driving.**

## **TIRE SPEED RESTRICTIONS**

Bridgestone brand truck tires have maximum recommended speeds. When replacing your tires, check your vehicle owner's manual and tire information placard and consult with a Bridgestone brand truck tire retailer for recommendations and information about tire speed capability.

The speed capabilities of truck tires are based on standardized laboratory tests under specific, controlled conditions. While these tests may relate to performance on the road, real-world

driving is rarely identical to any test conditions. Your tire's actual speed capability may be less since it is affected by factors such as inflation pressure, load, tire condition (including damage), wear, vehicle condition (including alignment), driving conditions, and duration at which the speed is sustained.

## **TIRE SPINNING**

### ***SAFETY WARNING***

Spinning a tire to remove a vehicle stuck in mud, ice, snow, or wet grass can be dangerous. A tire spinning at a speedometer reading above 35 mph (55 km/h) can in a matter of seconds reach a speed capable of disintegrating a tire with explosive force. Under some conditions, a tire may be spinning at a speed twice that shown on the speedometer. This could cause serious personal injury or death to a bystander or passenger. Never spin a tire above a speedometer reading of 35 mph (55 km/h).

## **TIRE STORAGE**

Tires should be stored indoors in a cool, dry place where water cannot collect inside them. Tires should be placed away from electric generators/motors and sources of heat such as hot pipes. Storage surfaces should be clean and free of grease, gasoline, diesel fuel, or other substances which can deteriorate the rubber.

### ***SAFETY WARNING***

Improper storage can damage your tires in ways that may not be visible and can lead to a failure resulting in serious personal injury or death.

The spare tire in your vehicle is intended to be used as a spare when needed. The spare tire carrier is not intended to be used for long term storage.

## **TIRE SERVICE CUSTOMER SATISFACTION**

Normal tire maintenance and Limited Warranty services are available at locations across the U.S.A. Visit us at [www.trucktires.com](http://www.trucktires.com), or call 1-800-815-9793 to find an authorized Bridgestone brand truck tire retailer nearest you.

Additional information on the care and service of truck tires is available from the following organizations:

Rubber Manufacturers Association  
1400 K Street, N.W.  
Washington, DC 20005-2403  
[www.rma.org](http://www.rma.org)

Rubber Association of Canada  
2000 Argentia Road, Plaza 4, Suite 250  
Mississauga, Ontario L5N 1W1  
[www.rubberassociation.ca](http://www.rubberassociation.ca)

## **TIRE REGISTRATION**

Registration of your tires is an important safety precaution since it enables the manufacturer to notify you in the event of a recall. When you purchase replacement tires, the retailer will provide a registration card on which the tire identification numbers have been recorded; fill in your name and address on the card and mail it promptly. Some retailers may submit the registration for you. You do not need to register original equipment tires on new vehicles as the vehicle manufacturer handles that for you.

### **For Assistance or Information**

1. First contact the nearest Bridgestone truck tire Dealer by consulting the yellow pages of your local telephone book.
2. If additional assistance is required, call or write the nearest Bridgestone Technical Service Center listed below.

### **BRIDGESTONE TOLL FREE NUMBER 1-800-847-3272**

**Bridgestone Americas Tire Operations, LLC

***WWW.TRUCKTIRES.COM***

In addition to the valuable warranty information you will find herein we encourage you to visit the Continental Tire the Americas, LLC (“CTA”) website at [www. continentaltire.com](http://www.continentaltire.com) (US) and [www.continentaltire.ca](http://www.continentaltire.ca) (Canada) for safety and maintenance information and up-to-date changes, including a Customer Care FAQ tab with downloadable brochures. Please also visit the Rubber Manufacturer Association (RMA) website at [www.rma.org](http://www.rma.org) for additional safety and maintenance information.

**THE TOTAL CONFIDENCE PLAN IS NOT A WARRANTY THAT THE TIRE WILL NOT FAIL OR BECOME UNSERVICABLE IF NEGLECTED OR MISTREATED.**

The purchase of Continental brand tires provides an extra measure of confidence with the support of the Total Confidence Plan. The Total Confidence Plan is a comprehensive package of all available warranties and services including: Limited Warranty, Flat Tire Roadside Assistance, Customer Satisfaction Trial, Mileage Warranty (if applicable) and Road Hazard Coverage.

## 1. ELIGIBILITY

The Total Confidence Plan applies to the original owner of new Continental brand passenger and light truck (LT) tires that are (a) new replacement market tires bearing the Continental brand name and D.O.T. Tire Identification Number, (b) operated in normal service, (c) used on the same vehicle on which they were originally installed according to the vehicle manufacturer's recommendations and (d) purchased from an authorized Continental brand tire dealer. Tires used in competition are not eligible for any coverage under this Total Confidence Plan. Additionally, tires used in commercial service including, but not limited to, taxicabs, police cars, emergency vehicles, non-passenger service vehicles are not eligible for the Mileage Warranty set forth in Section 5 of this Total Confidence Plan. Tire(s) on any vehicle registered and normally operated outside the United States and Canada are excluded from eligibility under this Total Confidence Plan.

## 2. WHAT IS THE LIMITED WARRANTY & HOW LONG IS IT APPLICABLE?

### **Basic Coverage:**

Eligible tires are covered by the Limited Warranty for a maximum of 72 months from the date of purchase.\*

### **Where To Go for Warranty Replacement:**

Please return tires to the authorized Continental brand tire dealer where purchased. The original sales receipt and proof-of-purchase must be presented at the time of the claim.

### **Free Replacement Period:**

If an eligible Continental brand passenger or light truck tire becomes unserviceable due to a warrantable condition, other than those listed under Section 6, during the first 12 months or first 2/32nds (1.6mm) of treadwear, whichever comes first, it will be replaced with a comparable\*\* new Continental brand tire FREE OF CHARGE. Mounting and balancing are included (excluding online orders). Owner pays all applicable taxes.

### **Temporary Spare Tires:**

The Limited Warranty also extends to the original owner of the Continental Brand Temporary Spare Tire bearing a Continental D.O.T. serial number. An eligible Temporary Spare Tire under this Limited Warranty must have been operated in normal service, used on the same vehicle on which they were originally equipped and/or installed according to the vehicle manufacturer's recommendations, and display warrantable conditions as described in this Limited Warranty. This Limited Warranty is for a maximum period of 72 months from date of purchase\*, determined by the original sales receipt and proof-of-purchase showing date purchased.

*\*At the time of making the claim, the owner is required to present the tires and original tire proof-of-purchase showing date of purchase. If satisfactory proof-of-purchase date is not provided, the D.O.T. (Tire Identification Number) date of manufacture will be used.*

*\*\*A "comparable" new Continental brand tire may be of either the same tire line or the same basic construction but with a different sidewall or tread configuration. The Limited Warranty covers tires of equal or lesser value. If Customer accepts a higher priced tire, Customer is responsible for covering any difference in price. Any tire replaced under this Limited Warranty will be covered by the current Limited Warranty.*

If a Temporary Spare Tire becomes unserviceable from a condition other than those listed in Section 6 during the first 1/32nd (0.8mm) of treadwear, then it will be replaced with a comparable new Continental brand\*\* Temporary Spare Tire. Mounting and balancing are included free of charge (excluding online orders). Owner pays all applicable taxes. After this Free Replacement Period for your Temporary Spare Tire expires, no warranty claims will be accepted.

**After the Free Replacement Period:**

The tire may still be eligible for a pro-rata replacement for 72 months from date of original purchase\* until the tread is worn down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining). If an eligible tire becomes unserviceable from a warrantable condition, other than those listed in Section 6, it will be replaced charging the owner a pro-rated amount. Owner pays all applicable taxes (including Federal Excise Tax (F.E.T.), shipping, mounting and balancing charges. The replacement tire price will be determined by multiplying the percentage of the usable tread worn by the Dealers Price (excluding all applicable taxes) at the time of the adjustment. The usable tread worn is the original tread down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.) Tires replaced under this Limited Warranty become the property of CTA. You will be required to sign the CTA Limited Warranty Complaint Form and/or dealer replacement sales receipt.

**3. FLAT TIRE ROADSIDE ASSISTANCE**

This three (3) year complimentary service is only valid on tire purchases completed on or after February 1, 2015 and is designed to help in the event of a flat tire. Limit of 3 covered events for the coverage term. To qualify for Flat Tire Roadside Assistance tires must be registered online within 45 days from the date of purchase. To register, complete the steps outlined below:

**Step 1:** After you have made your tire purchase have available your purchase receipt, Vehicle Information Number (VIN), along with the year/make/model of the vehicle to be registered to complete the online registration form. These items will be required to register and registration cannot be completed without them. A valid email address is also required to complete your registration and receive your Flat Tire Roadside Assistance Card, as well as other important terms and conditions.

**Step 2:** To register your tires go to [www.totalconfidence-plan.com](http://www.totalconfidence-plan.com) and complete the online registration form. If you do not have internet access or a valid email address, registration may be completed by calling: 888-990-6125.

**Step 3:** If registration was completed online your Flat Tire Roadside Assistance Card along with program terms and conditions will be emailed to you. If registration was completed by phone your documentation will be mailed.

Once you receive the Flat Tire Roadside Assistance Card via e-mail, please print the card, along with the program terms and conditions, and keep this information in your glove box. The card will contain a toll-free number to call when assistance is needed.

**Flat Tire Roadside Assistance coverage includes:**

- 24/7 live agent service;
- Tire Change with the owner's properly inflated spare only. There is a \$200 limit per tire change. Should the service

amount exceed the \$200 limit, you would be required to pay the overage to the service provider at the time of service.

- You will be informed before service is dispatched if there is an overage amount. If you do not have a workable spare or if the vehicle has two or more flat tires and requires a tow, there is a towing limit of 150 miles. The dollar limit would not apply to this. The vehicle will be towed to their destination of choice; if the destination exceeds 150 miles they would be charged for the excess mileage. You will be informed of any costs prior to service being dispatched.
- Towing - 150 mile tow limit for two or more flat tires or no workable spare (no mechanical breakdown).
- You are responsible for any amounts over the \$200 for tire change or 150 miles for tow; and such charges are payable to the service provider at the time of service.

Whenever you are in need of the Flat Tire Roadside Assistance service simply call the toll free number provided on your Flat Tire Roadside Assistance Card. You will be prompted to provide your program membership number and a live agent will assist you, asking the necessary questions, including vehicle VIN number, make, model, location, etc., to process your request and dispatch a service provider. Service will not be provided on an unattended vehicle, except as set forth below.

Flat Tire Roadside Assistance provides service for most emergency situations but does not include service if: the operator is not with the disabled vehicle (unless you cannot or should not remain with the vehicle for safety reasons); the vehicle was involved in an accident, theft or vandalism; for RV's, fleet vehicles, vehicles off road, trailers; vehicles over 1 ton capacity, or commercial vehicles; the vehicle is at a repair facility or on roads where state/county/provincial service providers have exclusive agreements; vehicle is on roads not regularly maintained including private property; installation or removal of snow chains, repairing, or rotating tires is required. Also excluded: vehicle storage charges, cost of parts and installation, products, materials, impounding and additional labor related to towing; service to vehicles with expired safety inspection, license plate, and/or emission sticker where required by law; service to vehicles that are not in a safe condition to be towed; and service in areas not regularly traveled, such as vacant lots, beaches, open fields or other places that would be hazardous for service.

**Important:** All Authorized Service Providers are independent contractors and not agents or employees of CTA. CTA assumes no liability for any damage to your vehicle resulting from the rendering of service or for personal items left in the vehicle. Any claims for personal injury or damage to the property must be submitted to the servicing provider directly. Flat Tire Roadside Assistance is provided by Roadside Protect, Inc. through Signature's Nationwide Auto Club, Inc.

#### 4. CUSTOMER SATISFACTION TRIAL

All Continental brand passenger and LT tires bearing the Continental name and D.O.T. numbers are covered by the 30/60 Day\*\*\* Customer Satisfaction Trial. If for any reason, other than an excluded condition listed under Section 6, you are not satisfied with your new set of four tires within 30 or 60\*\*\* days from date of purchase - or the first 2/32nds of an inch (whichever comes first) - you may exchange all or any one of them for a corresponding number of the same tires or for another set of a different type of Continental brand tires. Mounting and balancing

are included free of charge (excluding online orders). Owner pays all applicable taxes. If you wish to exchange for another set of Continental brand tires which is a higher cost, you must pay the upgrade from the original purchase price, including shipping and all applicable taxes. If you wish to exchange for another set of tires which is at a lower cost, you will receive a refund of the difference in cost.

*\*\*\*60 Day Trial Period only available for the ControlContact™ Sport A/S, ControlContact™ Tour A/S, CrossContact™ LX20, ExtremeContact™ DW, ExtremeContact™ DWS, ExtremeContact™ DWS06, ProContact™ with EcoPlus Technology, ProContact™ GX/RX/TX, PureContact™, SureContact™ LX/RX, TerrainContact™ A/T and TrueContact™.*

This satisfaction guarantee only applies to the original new set of four (4) Continental brand passenger tires purchased and not to the tires provided under this guarantee. Tires received as original equipment on a new vehicle are not covered by the Customer Satisfaction Trial.

### **HOW DO YOU RETURN YOUR TIRES DURING THE TRIAL PERIOD?**

Within 30 days from the date of purchase or the first 2/32nds of an inch (60 days for the ControlContact™ Sport A/S, Control Contact™ Tour A/S, CrossContact™ LX20, ExtremeContact™ DW, ExtremeContact™ DWS, ExtremeContact™ DWS06, ProContact™ with EcoPlus Technology, ProContact™ GX/RX/TX, PureContact™, SureContact™ LX/RX, TerrainContact™ A/T and TrueContact™. You must return your tires to the authorized Continental brand tire dealer where you purchased your tires or an alternate authorized Continental brand tire dealer. You must present the original sales receipt and proof-of-purchase. Reason for dissatisfaction must be explained to the dealer (i.e., appearance, ride, handling, etc.) and noted on the dealer-supplied copy of the CTA Limited Warranty Complaint Form.

**Attention authorized dealers:** the form must be validated by the consumer. The replacement proof-of -purchase showing the purchase of another Continental tire(s) must accompany the form and tire return.

### **5. EXTRA COVERAGE**

Many Continental brand tires are also eligible for the following additional protection under the Total Confidence Plan:

#### **Mileage Warranty:**

The Continental brand tires listed below in this Section 5 are warranted against wearout up to the mileage/kilometer coverage indicated, even though the actual mileage/kilometers you may get from your tires may vary because of driving habits and road conditions. Subject to the provisions of Section 6 below, if one of the tires listed in this section wears out before the stated mileage/kilometer coverage, CTA will warrant the tire on a pro-rata basis as indicated herein. "Wearout" means that the tire's tread has worn evenly down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.) "Pro-rata" for this Mileage Warranty is measured by the odometer readings at the time of the tire's purchase\*, as shown by the original tire receipt and proof-of-purchase, and the odometer reading at the time of replacement. In addition, you must present a fully completed, legible Rotation Schedule, which is found in the original owner's copy of the Total Confidence Plan.

- Tire(s) that have not been rotated at least every 6,000 to 8,000 miles (10-13,000 Kilometers), as evidenced by a completed Rotation Schedule, are excluded from this coverage.
- On vehicles with staggered / split fitments (different size tires on front and rear axle), tires cannot be rotated between the front and rear axle. Without rotation of tires between the front and rear axle, the expected mileage / kilometers before wearout is significantly lower, especially on the rear axle. Therefore, the Mileage Warranty for tires on the rear axle of these vehicles will be 50% of the standard Mileage Warranty for the product line.
- Tire(s) in service for more than 72 months, regardless of mileage, are not covered.

The owner pays shipping, mounting, balancing and all applicable taxes (including F.E.T.) under the Mileage Warranty.

V Rated	80,000	128,000

You will receive a comparable\*\* new Continental Brand tire with payment of the replacement price based on the percentage of actual mileage/ kilometers received to the mileage covered. Your replacement cost will be determined by dividing the actual mileage delivered by the miles/ kilometers warranted and multiplying the result times the current price of an equivalent or comparable replacement. See page 8 for sample calculation.

### **Sample Calculation:**

The tire you present for warranty has a Mileage Warranty of 60,000 miles. At the time of the tire purchase, the vehicle's odometer reading was 20,000 miles. At the time the tire was presented for warranty, the vehicle's odometer reading was 65,000 miles. You also present a completed and up to date Mileage Warranty Rotation Schedule and the tire(s) are worn evenly down to 2/32nds of an inch (1.6mm) of tread remaining, according to the Tread Wear Indicators.

Determine the mileage received on adjusted tires:

$$65,000 \text{ miles} - 20,000 \text{ miles} = 45,000 \text{ miles}$$

Determine Your pro-rata replacement tire cost percentage:

$$45,000/60,000 \times 100 = 75\% \text{ (round to the nearest whole percentage)}$$

Your pro rata cost for the replacement tire is determined by multiplying the percentage of mileage received (75%) by the current purchase price for the replacement tire (ex. \$130.02)

$$\text{Example calculation is: } 75\% \times \$130.02 = \$97.52$$

The credit allowance for the mileage not received equals: \$130.02 - \$97.52 = \$32.50 towards the next purchase of any Continental tire.

You will pay the equivalent pro-rata cost for the tire plus all applicable taxes (including applicable F.E.T.) shipping, mounting and balancing, local tire disposal fees and any other parts or other services.

### **Road Hazard Coverage:**

This Road Hazard Coverage is offered to promote goodwill and is not a warranty that your tire will not fail or become unserviceable due to a Road Hazard. This Road Hazard Coverage applies to all Continental branded tires that are purchased as new replacement tires and is a promise of replacement under the conditions specified below.

When an eligible tire has a road hazard condition during the first 2/32nds of an inch (1.6 mm) of treadwear or first 12 months from date of purchase, whichever comes first, the tire will be replaced with a comparable\*\* Continental brand tire free of charge. A road hazard condition is defined as a cut, snag, puncture, bruise, or impact break.

To be eligible, you need to present the tire(s), your original sales receipt and proof-of-purchase showing the date of purchase\*, along with this Total Confidence Plan. You are responsible for payment of all applicable taxes, demounting, shipping, mounting and balancing charges set forth under this Coverage. You are also responsible for payment of local tire disposal fees and any parts or service regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service and valve stems.

### **6. WHAT IS NOT COVERED BY THE TOTAL CONFIDENCE PLAN:**

- CTA does not warrant any repaired tire.
- Road hazard: Any road hazard condition after the first 2/32nds (1.6mm) of an inch of treadwear or 12 months of service, whichever comes first.
- Ride Vibration: Any ride/vibration condition after the first 2/32nds (1.6 mm) of an inch of treadwear or 12 months of service, whichever comes first.

- Improper operation or maintenance: This includes, but is not limited to, effects caused by:
  - I Improper tire inflation and/or improper load/speed practices. These practices can cause excessive operational temperatures and stresses that exceed the tire's capabilities.
  - II Improper or insufficient tire rotation: Any tire with premature or irregular wear caused by failing to follow the recommended tire rotation pattern and/or mileage intervals as delineated by this Total Confidence Plan.
  - III Wear due to Improper vehicle alignment: includes but not limited to uneven, irregular, or spotty wear, cupping or feathering.
  - IV Damage due to:
    - Rim irregularities or rim damage
    - Snow chains
    - Vehicle mechanical problems, including brake problems, and vehicle wheel alignment
    - Extreme temperature exposure
    - Negligent and abusive driving such as tire spinning, or racing
    - Improper tire storage
    - Automotive accident
    - Chemical corrosion or Fire
    - Use contrary to the vehicles manufacturer's tire recommendations
    - Improper stud size and/or installation
- Improper Mounting or Demounting
- Alteration: such as, but not limited to, adding a white inlay on blackwall, tread regrooving, tire truing or siping, or adding sealant materials to the tire.
- Weather checking/cracking: Not covered after 48 months from the date of purchase.
- Failure to observe safety and maintenance precautions set forth on CTA's website [www.continentaltire.com](http://www.continentaltire.com).

**ATTENTION AUTHORIZED DEALERS:**

**CTA RESERVES THE RIGHT TO THE FINAL INSPECTION DECISION ON CONDITIONS FOR ALL RETURNED TIRES UNDER SECTION 6. THE TOTAL CONFIDENCE PLAN HEREIN IS MADE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND CTA EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SOME U.S. STATES AND/OR CANADIAN PROVINCES DO NOT ALLOW LIMITATIONS ON THE DURATION OF AN IMPLIED WARRANTY, SO THE ABOVE MAY NOT APPLY TO YOU. TO THE EXTENT PERMITTED BY LAW, CTA DISCLAIMS LIABILITY FOR ALL CONSEQUENTIAL AND INCIDENTAL DAMAGES. THE REMEDIES SET FORTH IN THIS LIMITED WARRANTY ARE THE SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY. SOME U.S. STATES AND/OR CANADIAN PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM U.S. STATE TO STATE OR CANADIAN PROVINCE TO PROVINCE.**

**THIS IS THE ONLY EXPRESS WARRANTY MADE BY CTA. NO CTA EMPLOYEE, RETAILER, OR DEALER HAS THE AUTHORITY TO MAKE ANY WARRANTY, REPRESENTATION, PROMISE OR AGREEMENT ON BEHALF OF CTA EXCEPT AS EXPRESSLY WRITTEN IN THIS TOTAL CONFIDENCE PLAN. IN OBSERVANCE OF U.S. FEDERAL LAW, THIS TOTAL CONFIDENCE PLAN HAS BEEN DESIGNATED A "LIMITED WARRANTY". CTA DOES NOT INTEND TO REPRESENT THROUGH THIS TOTAL CONFIDENCE PLAN THAT TIRE FAILURES CAN OR CANNOT HAPPEN.**

## **7. CTA'S OBLIGATIONS**

Replacement of eligible tires will be made by the authorized Continental brand tire dealer where you purchased your tires or by an alternate authorized tire dealer or vehicle dealer. CTA will replace the tire pursuant to the terms of this Total Confidence Plan.

## **8. OWNER'S OBLIGATIONS**

To make an eligible claim under this Total Confidence Plan, the owner must present a claim, as instructed herein, with the tire to an authorized Continental brand tire dealer. For the nearest authorized Continental brand tire dealer, consult the Continental brand internet address(es), or the 800 telephone number(s) shown on the back of this Total Confidence Plan. Owner must present an original tire sales receipt and proof-of-purchase indicating the date of purchase. Owner will be required to sign the CTA Limited Warranty Complaint Form or dealer replacement sales receipt. Owner is responsible for paying all applicable taxes charged by the authorized servicing Dealer and is also responsible for paying shipping, local tire disposal fees, and any parts or service regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service, valve stems and tire repair.

Owner is responsible for maintaining proper tire air pressure and for proper maintenance of the tire. Under the Mileage Warranty portion of this Total Confidence Plan (See Section 5), owner must present a claim which includes the original, up-to-date Mileage Warranty Rotation Schedule. Owner must rotate tires at least every 6,000 to 8,000 miles (10-13,000 kilometers) or sooner if uneven treadwear begins to appear.

## **9. TIRE REGISTRATION**

The registration of Continental brand tires is an important safety precaution. Registration will allow CTA to notify the owner in the event of a product return program. Owner's authorized Continental brand tire dealer will provide a Continental brand registration card with the D.O.T. tire identification number recorded, along with the authorized Continental brand tire dealer's name and address. Owner is required to fill in his or her name and address, affix a stamp to the pre-addressed card, and mail the Continental brand registration card. Tire registration may also be completed online at [www.continentaltire.com](http://www.continentaltire.com) (US) and [www.continentaltire.ca](http://www.continentaltire.ca) (Canada).

### **SSR TIRE OWNERS:**

Even a trained Specialist may be unable to recognize internal structural damage to a Self Supporting Runflat (SSR) tire resulting from having been driven in an under inflated or zero inflation pressure condition. Such damage may not be visible on the surface of the inner liner or sidewall making it impossible to determine the tire suitability for repair or reuse. CTA does not recommend any repair to or reuse of Continental SSR tires. You may visit [www.continentaltire.com](http://www.continentaltire.com) and select Customer Care FAQ's to obtain additional SSR information.

## **CONTISEAL™ TIRE OWNERS:**

A ContiSeal™ tire differs from a non-ContiSeal™ tire in that it has a sticky, viscous layer from shoulder to shoulder along the inner liner. This layer is an integral part of ContiSeal™ tires. It is not designed or intended to act as a permanent puncture repair.

If an object up to 3/16" (5 mm) diameter penetrates the tread of a ContiSeal™ tire, this sticky, viscous layer is designed to surround and adhere to the puncturing object and prevent air loss from the tire by providing a near instantaneous seal. If the puncturing object becomes dislodged from the tire, the material is designed to seal most holes made by objects up to 3/16" (5 mm) diameter. While ContiSeal™ tires significantly reduce the incidence of flats, they are not designed to be driven under inflated or in a flat condition. In all other aspects, ContiSeal™ tires perform exactly like non-ContiSeal™ tires.

As with any tire, regularly inspect ContiSeal™ tires for evidence of cuts, punctures, and loss of inflation pressure. At a minimum, ContiSeal™ tires should be inspected once or twice a month and always before a long trip. Punctures or damage not attended to promptly can result in loss of inflation pressure and/or damage to the tire. ContiSeal™ tires with cuts and punctures must be inspected by a trained tire specialist as soon as possible. The trained tire specialist must inspect the tire carefully and, according to industry standards, to determine whether a permanent repair can be made or whether the tire must be removed from service and scrapped. A permanent repair will require removal of the tire from the rim and application of a repair method specifically approved for the ContiSeal™ tires.

## **CONTISILENT™ TIRE OWNERS:**

ContiSilent™ tires are designed to reduce noise generated while driving. A ContiSilent™ tire is lined with a noise reducing foam insert. It is not designed or intended to act as a puncture repair.

### **Using ContiSilent™ Tires**

In aspects such as mounting, demounting, inflating, and balancing, ContiSilent™ tires do not differ from non-ContiSilent™ tires. As with any tire, regularly inspect ContiSilent™ tires for evidence of cuts, punctures, and loss of inflation pressure. At a minimum, ContiSilent™ tires should be inspected once or twice a month and always before a long trip. Punctures or damage not attended to promptly can result in loss of inflation pressure and/or damage to the tire. ContiSilent™ tires with cuts or punctures must be inspected by a trained tire specialist as soon as possible. The trained tire specialist must inspect the tire carefully and, according to industry standards, determine whether a permanent repair can be made or whether the tire must be removed from service and scrapped. A permanent repair will require removal of the tire from the rim and application of a repair method specifically approved for ContiSilent™ Tires.

ContiSilent™ tires are identified by a symbol on the tire sidewall.

ContiSilent™ tires and non-ContiSilent™ tires may be mixed on the same vehicle.

To read about Safety Warnings and Maintenance Information please refer to [www.continentaltire.com](http://www.continentaltire.com), or in Canada, [www.continentaltire.ca](http://www.continentaltire.ca), under the customer care FAQ section.

**PASSENGER AND LIGHT TRUCK TIRE  
LIMITED WARRANTY  
AND ADJUSTMENT POLICY**

Includes all Applicable Information on  
Mileage Warranty, and  
Customer Satisfaction Trial

Effective 1/1/18

In addition to the valuable Warranty information you will find in this Limited Warranty and Adjustment Policy we encourage you to visit the General Tire websites at [www.generaltire.com](http://www.generaltire.com) (USA) and [www. generaltire.ca](http://www.generaltire.ca) (Canada) for safety and maintenance information and up-to-date changes including a customer care FAQ tab with downloadable brochures. Please also visit the Rubber Manufacturer Association (RMA) website at [www.rma.org](http://www.rma.org) for additional safety and maintenance information.

**THIS LIMITED WARRANTY AND ADJUSTMENT POLICY IS NOT A WARRANTY THAT YOUR TIRE WILL NOT FAIL OR BECOME UNSERVICABLE IF NEGLECTED OR MISTREATED.**

---

## **1. ELIGIBILITY**

This Limited Warranty and Adjustment Policy (“Limited Warranty”) applies to the original owner of new General Tire brand passenger and light truck (LT) tires that are (a) new replacement market tires bearing the General Tire brand name and D.O.T. Tire Identification Number, (b) operated in normal service, (c) used on the same vehicle on which they were originally installed according to the vehicle manufacturer’s recommendations, and (d) purchased from an authorized General Tire brand tire dealer. Tires used in competition are not eligible for any coverage under this Limited Warranty and Adjustment Policy. Additionally, tires used in commercial service including, but not limited to, taxicabs, police cars, emergency vehicles, and non-passenger service vehicles are not eligible for the extra coverage set forth in Section 3 of this Limited Warranty and Adjustment Policy. (With the exception of the 45 day customer satisfaction trial period for the Grabber HD when used in commercial service.)

Tire(s) on any vehicle registered and normally operated outside the United States and Canada are excluded from eligibility under this Limited Warranty and Adjustment Policy.

---

## **2. WHAT IS THE LIMITED WARRANTY AND ADJUSTMENT POLICY AND HOW LONG IS IT APPLICABLE?**

### **BASIC COVERAGE**

Eligible tires are covered by this Limited Warranty for a maximum of 72 months from the date of purchase.\*

### **WHERE TO GO FOR WARRANTY REPLACEMENT**

Please return your tires to the authorized General Tire brand tire dealer where purchased. The original sales receipt and proof-of-purchase must be presented at the time of the claim.

### **FREE REPLACEMENT PERIOD**

If an eligible General Tire brand passenger or light truck tire becomes unserviceable due to a warrantable condition, other than those listed under Section 4 during the first 12 months or first 2/32nds (1.6mm) of treadwear, whichever comes first, it will be replaced with a comparable\*\* new General Tire brand tire FREE OF CHARGE. Mounting and balancing are included (excluding online orders). Owner pays all applicable taxes.

\* At the time of making a claim, owner is required to present the tires and original tire proof of purchase showing date of purchase. If satisfactory proof-of-purchase date is not provided, the D.O.T. (Tire Identification Number) date of manufacture will be used.

## **TEMPORARY SPARE TIRES:**

This Limited Warranty also extends to the original owner of the General Tire Brand Temporary Spare Tire bearing the General Tire D.O.T. serial number. An eligible Temporary Spare Tire under this Limited Warranty must have been operated in normal service, used on the same vehicle on which they were originally equipped and/or installed according to the vehicle manufacturer's recommendations, and display warrantable conditions as described in this Limited Warranty. This Limited Warranty is for a maximum period of 72 months from date of purchase\*, determined by the original sales receipt and proof of purchase showing date purchased.

If a Temporary Spare Tire becomes unserviceable from a condition other than those listed in Section 4 during the first 1/32nd (0.8mm) of treadwear, then it will be replaced with a comparable new General Tire brand \*\*Temporary Spare Tire. Mounting and balancing are included free of charge (excluding online orders). Owner pays all applicable taxes. After this Free Replacement Period for your Temporary Spare Tire expires, no warranty claims will be accepted.

## **AFTER THE FREE REPLACEMENT PERIOD**

The tire may still be eligible for a pro rata replacement for 72 months from date of original purchase\* until the tread is worn down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.) If an eligible tire becomes unserviceable from a warrantable condition, other than those listed under Section 4 it will be replaced charging the owner a pro-rated amount. Owner pays all applicable taxes (including F.E.T.), shipping, mounting and balancing charges.

The replacement tire price will be determined by multiplying the percentage of the usable tread worn by the Dealers Price (excluding all applicable taxes) at the time of the adjustment. The useable tread worn is the original tread down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.)

Tires replaced under this Limited Warranty become the property of General Tire. You will be required to sign the General Tire Limited Warranty Complaint Form and/or dealer replacement sales receipt.

---

## **3. EXTRA COVERAGE**

### **CUSTOMER SATISFACTION TRIAL**

All General Tire brand passenger and LT tires bearing the General Tire name and D.O.T numbers are covered by the 45 -Day \*\*\* Customer Satisfaction Trial.

\*\* A "comparable" new General Tire brand tire may be of either the same tire line or the same basic construction but with a different sidewall or tread configuration. If you accept a higher-priced tire, you will pay the difference in price. Any tire replaced under this Limited Warranty will be covered by the current General Tire brand Limited Warranty and Adjustment Policy.

\*\* A “comparable” new General Tire brand tire may be of either the same tire line or the same basic construction but with a different sidewall or tread configuration. If you accept a higher-priced tire, you will pay the difference in price. Any tire replaced under this Limited Warranty will be covered by the current General Tire brand Limited Warranty and Adjustment Policy.

If for any reason, other than an excluded condition listed under Section 4, you are not satisfied with your new set of four tires within 45 days\*\*\* from date of purchase or the first 2/32nds of an inch (whichever comes first), you may exchange all or any one of them for a corresponding number of the same tires or for another set of a different type of General Tire brand tires. Winter tires must be replaced with another set of winter tires.

Mounting and balancing are included free of charge (excluding online orders). Owner pays all applicable taxes. If you wish to exchange for another set of General brand tires which is at a higher cost, you must pay the upgrade from the original purchase price, including shipping and all applicable taxes. If you wish to exchange for another set of General brand tires which is at a lower cost, you will receive a refund of the difference in cost.

This satisfaction guarantee only applies to the original new set of four (4) General Tire brand passenger tires purchased and not to the tires provided under this guarantee.

### **HOW DO YOU RETURN YOUR TIRES DURING THE TRIAL PERIOD?**

Within the authorized time frame (please visit [www.generaltire.com](http://www.generaltire.com) to learn more about the Customer Satisfaction Trial Period that General Tire offers) from the date of purchase or the first 2/32nds of an inch of tread (you must return your tires to the authorized General Tire brand tire dealer where you purchased your tires or an alternate authorized General brand tire dealer. You must present the original sales receipt and proof-of-purchase.

Reason for dissatisfaction must be explained to the dealer (i.e. appearance, ride, handling, etc.) and noted on the dealer-supplied copy of the General Tire Limited Warranty Complaint Form.

**Attention authorized dealers:** The form must be validated by the consumer. The replacement proof-of purchase showing the purchase of the replacement of another General tires(s) must accompany the form and tire return.

### **MILEAGE WARRANTY:**

The General Tire brand tires listed on [www.generaltire.com](http://www.generaltire.com) website are warranted against wearout up to the mileage/kilometers coverage indicated, even though the actual mileage/kilometers you may get from your tires may vary because of driving habits and road conditions. Subject to the provisions of Section 3 and Section 6 below, if one of the tires listed in this section wears out before the stated mileage/

kilometers coverage listed on [www.generaltire.com](http://www.generaltire.com) website, General Tire will warrant the tire on a pro-rata basis as indicated herein. "Wearout" means that the tire's tread has worn evenly down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining). "Pro-rata" for this Mileage Warranty is measured by the odometer readings at the time of the tire's purchase\*, as shown by the original tire receipt and proof-of-purchase, and the odometer reading at the time of replacement. In addition, you must present a fully completed, legible Rotation Schedule, which is found in the original owner's copy of the tire's Limited Warranty.

- **Tire(s) that have not been rotated at least every 6,000 to 8,000 miles (10-13,000 kilometers), as evidenced by a completed Rotation Schedule, are excluded from this coverage.**
- **On vehicles with staggered / split fitments (different size tires on front and rear axle), tires cannot be rotated between the front and rear axle. Without rotation of tires between the front and rear axle, the expected mileage / kilometers before wearout is significantly lower, especially on the rear axle. Therefore, the Mileage Warranty for tires on the rear axle of these vehicles will be 50% of the standard Mileage Limited Warranty for the product line.**
- **Tire(s) in service for more than 72 months, regardless of mileage, are not covered.**

The owner pays shipping, mounting, balancing and all applicable taxes (including F.E.T) under the Mileage Warranty.

Please visit your authorized General Tire dealer or visit [www.generaltire.com](http://www.generaltire.com) to learn more about the mileage coverage that General Tire offers. Mileage warranties vary by tire line.

You will receive a comparable\*\* new General Brand tire with payment of the replacement price based on the percentage of actual mileage/kilometers received to the mileage/kilometers covered. Your replacement cost will be determined by dividing the actual mileage/kilometers delivered by the miles/kilometers warranted and multiplying the result times the current price of an equivalent or comparable replacement.

#### **SAMPLE CALCULATION:**

The tire you present for Limited Warranty has a Mileage Warranty of 60,000 miles. At the time of the tire purchase, the vehicle's odometer reading was 20,000 miles. At the time the tire was presented for warranty, the vehicle's odometer reading was 65,000 miles. You also present a completed and up to date Mileage Warranty Rotation Schedule and the tire(s) are worn evenly down to 2/32nds of an inch (1.6 mm) of tread remaining, according to the Tread Wear Indicators.

#### **Determine the mileage received on adjusted tires:**

65,000 miles - 20,000 miles = 45,000 miles

### **Determine Your pro rata replacement tire cost percentage:**

45,000/60,000 X 100 = 75% (round to the nearest whole percentage).

**Your pro rata cost for the replacement tire is determined by multiplying the percentage of mileage received (75%) by the current purchase price for the replacement tire (ex. \$130.02)**

Example calculation is: 75% x \$130.02 = \$97.52

The credit allowance for the mileage not received equals: \$130.02 - \$97.52 = \$32.50 towards the next purchase of any General Tire product line.

You will pay the equivalent pro rata cost for tire plus all applicable taxes (including applicable F.E.T.) shipping, mounting and balancing, local tire disposal fees and any other parts or other services.

---

## **4. WHAT IS NOT COVERED BY THIS LIMITED WARRANTY AND ADJUSTMENT POLICY**

### **THE FOLLOWING ARE NOT COVERED:**

- **General Tire does not warrant any repaired tire.**
- **Road Hazard:** Any General Tire with road hazard damage. This includes, but is not limited to: cuts, snags, punctures, bruises, and impact breaks.
- **Ride/Vibration:** Any ride/vibration condition after the first 2/32nds (1.6 mm) of an inch of treadwear or 12 months of service, whichever comes first.
- **Improper operation or maintenance:** This includes, but is not limited to, effects caused by:

**I Improper tire inflation and/or improper load/speed practices:** These practices can cause excessive operational temperatures and stresses that exceed the tire's capabilities.

**II Improper or insufficient tire rotation:** Any tire with premature or irregular wear caused by failing to follow the recommended tire rotation pattern and/or mileage intervals as delineated by this Limited Warranty.

**III Wear due to Improper vehicle alignment:** includes but not limited to uneven, irregular, or spotty wear, cupping or feathering.

#### **IV Damage due to:**

- Rim irregularities or rim damage
- Snow chains
- Vehicle mechanical problems, including brake problems, and vehicle wheel alignment.
- Extreme temperature exposure
- Negligent and abusive driving such as tire spinning, or racing;
- Improper tire storage

- Automotive accident
- Chemical corrosion or fire
- Use contrary to the vehicle manufacturer's tire recommendations.
- Misuse or misapplication
- Improper Stud Size and / or Installation

- **Improper Mounting or Demounting**

- **Alteration**, such as, but not limited to, adding a white inlay on blackwall, tread regrooving, tire truing or siping, or adding sealant materials to the tire.
- **Weather checking/cracking:** Not covered after 48 months from the date of purchase.
- **Tires used in commercial service**, competition or tires received as original equipment are not eligible for extra coverage. (With the exception of the 45 day customer satisfaction trial period for the Grabber HD when used in commercial service.)
- **Failure to observe safety and maintenance precautions set forth on General's website, [www.generaltire.com](http://www.generaltire.com) (US) or [www.generaltire.ca](http://www.generaltire.ca) (Canada), under the customer care section.**

*Attention Authorized Dealers:*

**GENERAL TIRE RESERVES THE RIGHT TO THE FINAL INSPECTION DECISION ON CONDITIONS FOR ALL RETURNED TIRES UNDER SECTION 4. GENERAL TIRE RESERVES THE RIGHT TO TEST ALL TIRES RETURNED FOR VIBRATION.**

**THIS LIMITED WARRANTY AND POLICY HEREIN IS MADE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND GENERAL TIRE EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SOME U.S. STATES AND/OR CANADIAN PROVINCES DO NOT ALLOW LIMITATIONS ON THE DURATION OF AN IMPLIED WARRANTY, SO THE ABOVE MAY NOT APPLY TO YOU.**

**TO THE EXTENT PERMITTED BY LAW, GENERAL TIRE DISCLAIMS LIABILITY FOR ALL CONSEQUENTIAL AND INCIDENTAL DAMAGES. THE REMEDIES SET FORTH IN THIS LIMITED WARRANTY ARE THE SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY. SOME U.S. STATES AND/OR CANADIAN PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM U.S. STATE TO STATE OR CANADIAN PROVINCE TO PROVINCE.**

**THIS IS THE ONLY EXPRESS WARRANTY MADE BY GENERAL TIRE. NO GENERAL TIRE EMPLOYEE, RETAILER, OR DEALER HAS THE AUTHORITY TO MAKE ANY WARRANTY, REPRESENTATION, PROMISE OR AGREEMENT ON BEHALF OF GENERAL TIRE EXCEPT AS EXPRESSLY WRITTEN IN THIS LIMITED WARRANTY AND ADJUSTMENT POLICY.**

**IN OBSERVANCE OF U.S. FEDERAL LAW, THIS LIMITED WARRANTY AND ADJUSTMENT POLICY HAS BEEN DESIGNATED A "LIMITED WARRANTY". GENERAL TIRE DOES NOT INTEND TO REPRESENT THROUGH THIS LIMITED WARRANTY AND ADJUSTMENT POLICY THAT TIRE FAILURES CAN OR CANNOT HAPPEN.**

---

## **5. GENERAL TIRE'S OBLIGATIONS**

Replacement of Eligible Tires will be made by the authorized General Tire brand tire dealer where you purchased your tires or by any alternate authorized tire dealer or vehicle dealer. General Tire will replace the tire pursuant to the terms of this Limited Warranty.

---

## **6. OWNER'S OBLIGATIONS**

To make an eligible claim under this Limited Warranty, the owner must present a claim as instructed herein, with the tire to an authorized General Tire brand tire dealer. For the nearest authorized General Tire brand tire dealer, consult the General Tire brand internet address(es), or the 800 telephone number(s) shown on the back of this Limited Warranty and Adjustment Policy. Owner must present an original tire sales receipt and proof-of-purchase indicating the date of purchase. Owner will be required to sign the General Tire Limited Warranty Complaint Form or dealer replacement sales receipt.

Owner is responsible for paying all applicable taxes charged by the authorized servicing Dealer and is also responsible for paying shipping, local tire-disposal fees and any parts or service regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service, valve stems and tire repairs. Owner is responsible for maintaining proper tire air pressure and for proper maintenance of the tire.

Under the Mileage Warranty portion of this Limited Warranty and Adjustment Policy (see Section 3 and [www.generaltire.com](http://www.generaltire.com) website), owner must present a claim which includes the original, up-to-date Mileage Warranty Rotation Schedule. Owner must rotate tires at least every 6,000 to 8,000 miles (10,000 - 13,000 kilometers) or sooner if uneven treadwear begins to appear.

---

## **7. TIRE REGISTRATION**

The registration of General Tire brand tires is an important safety precaution. Registration will allow General Tire to notify the owner in the event of a product return program. Owner's authorized General Tire brand tire dealer will provide a General Tire brand registration card with the D.O.T. tire identification number recorded, along with the authorized General Tire brand tire dealer's name and address. Owner is required to fill in his or her name and address, affix a stamp to the pre-addressed card, and mail the General Tire brand registration card. Tire registration may also be completed online at [www.generaltire.com](http://www.generaltire.com) (US) and [www.generaltire.ca](http://www.generaltire.ca) (Canada).

To read about Safety Warnings and Maintenance Information please refer to [www.generaltire.com](http://www.generaltire.com) customer care FAQ section or in Canada, [www.generaltire.ca](http://www.generaltire.ca), under the customer care FAQ section.

# Firestone

Truck Tire  
Limited Warranty  
& Safety Manual

# **TRUCK TIRE LIMITED WARRANTY & SAFETY MANUAL**

## **FIRESTONE TRUCK TIRES**

Congratulations on your purchase of quality FIRESTONE brand truck tires!

To ensure optimum tire performance and reduce the risk of a tire failure, Bridgestone Americas Tire Operations, LLC ("BATO") strongly recommends you read and follow all maintenance and safety information contained in this manual. In addition, we recommend periodic inspection and maintenance, if necessary, by a qualified tire service professional.

---

---

### **LIMITED WARRANTY FIRESTONE BRAND TRUCK TIRES**

#### **ELIGIBILITY**

Firestone Brand Truck Tires purchased after January 1, 2015 and bearing a Department of Transportation (DOT) tire identification serial number 0114 or later, are "Eligible Tires" covered under the terms of this Limited Warranty provided that all of the following apply:

- You are the original owner, or original owner's authorized agent.
- The tire size is specified or recommended for use by the vehicle and rim manufacturers.
- The tire load range and speed rating are equivalent to or greater than that specified or recommended for use by the vehicle manufacturer for the loads anticipated.
- The new tire was approved for sale in the United States, listed in a U.S. price or data book, and purchased from an authorized Firestone brand truck tire retailer.

#### **WHAT IS WARRANTED and FOR HOW LONG**

Subject to the terms and conditions stated herein, BATO will repair or replace Eligible Tires that becomes unserviceable within six years from the date of manufacture or before the tread has worn down to 2/32 inch (1.6 mm), being to the top of the built-in indicators in the original tread grooves, whichever first occurs.

## WHAT THIS LIMITED WARRANTY DOES NOT COVER

This Limited Warranty does not cover the following:

1. Tire damage due to:
  - A. **Road hazards**, including without limitation, puncture, cut, impact break, stone drill, bruise, bulge, snag, etc.
  - B. **Improper use or operation**, including without limitation, improper inflation pressure, overloading, tire/wheel spinning, curbing, use of an improper rim/wheel, tire chain damage, misuse, misapplication, negligence, tire alteration, or for racing or competition purposes.
  - C. **Insufficient or improper maintenance**, including without limitation: wheel misalignment, worn suspension components, improper tire mounting or demounting, tire/wheel assembly imbalance, improper brake adjustment, or other vehicle conditions, defects, or characteristics.
  - D. **Contamination or degradation** by petroleum products or other chemicals, fire or other externally generated heat, or water or other material trapped inside the tire during mounting or inflation.
2. Irregular wear, rapid wear, or wear-out; no mileage warranty is expressed or implied.
3. Weather/ozone cracking after four years from date of tire manufacture.
4. Tires subjected to severe under-inflation or run-flat conditions.
5. Tires that have been improperly repaired.
6. Tires rendered unretreadable due to excessive tread wear or improper buffing.
7. Tires improperly retreaded, including without limitation, improper or inadequate inspection, preparation, equipment, material, repair, etc.
8. Ride disturbance or vibration after tread wear use beyond 10% of original usable tread depth.
9. Tires damaged by the use of internally applied additives for balance, sealing, cooling, or any other alleged tire performance enhancement.
10. Tires inflated with anything other than air or nitrogen.
11. Tires purchased or used outside of the United States.
12. The cost of applicable federal, state, and local taxes.
13. Failure to follow any of the safety and maintenance recommendations or warnings contained in this manual.

## 12 MONTH /10% WEAR- NO-CHARGE REPLACEMENT TIRE

Eligible Tires adjusted under this Limited Warranty during the first 10% of original usable tread depth or within 12 months from date of purchase (without proof of purchase date, then within 12 months from the date of tire manufacture), whichever

occurs first, will be replaced free of charge (Federal Excise Tax included). The cost of mounting and balancing and other service charges, disposal fees, or applicable taxes are payable by you.

**6 YEAR – WORN ORIGINAL TREAD TIRE PRO-RATED REPLACEMENT**

Eligible Tires adjusted under this Limited Warranty that are worn beyond the first 10% of original usable tread depth, or are over 12 months from the date of purchase (without proof of purchase date, then 12 months from the date of tire manufacture), will, at BATO's option, be repaired or replaced with an equivalent new Firestone brand truck tire on a pro rata basis. To determine the pro-rated replacement price, the percent of used tread wear is multiplied by the dealer's current selling price for the replacement tire(s). The cost of mounting, balancing, full Federal Excise Tax, and other service charges, disposal fees, or applicable taxes are payable by you.

**ENHANCED CASING CREDIT LIMITED WARRANTY**

For coverage under the Enhanced Casing Limited Warranty, the Eligible Tire must have been used only in long haul, regional, P&D highway service for the entire life of the casing and subsequent retread(s) must have been inspected and retreaded by an authorized Bandag dealer only. Subject to the terms and conditions stated herein, an Enhanced Casing Credit Limited Warranty is available for the tire sizes listed below if all the "Eligibility" requirements listed above are met and an eligible pattern, size and load range tire becomes unserviceable within 6.5 years (78 months) from the date of tire manufacture and with no more than three (3) retreads. Eligible Tires adjusted under the Enhanced Casing Credit Limited Warranty will receive a casing credit as follows:

Eligible Patterns: All

Eligible Sizes & Load Ranges: All

Original Tread or Retread Count	Dollar Values (22.5 and 24.5 rim Diameters)	Dollar Values (17.5 and 19.5 rim Diameters)
Original Tread	\$100	\$60
1st Retread	\$80	\$40
2nd Retread	\$50	\$20

**REPLACEMENT TIRE WARRANTY**

If you receive a replacement tire under this Limited Warranty, it will be covered by the manufacturer's warranty, if any, given on that tire at that time.

## **WHERE TO GO**

Tire adjustments under this Limited Warranty will only be made at an authorized Firestone brand truck tire retailer in the United States. Consult a phone directory (often listed in the Yellow Pages under "Tire Dealers"), the Internet at [www.firestonetrucktires.com](http://www.firestonetrucktires.com), or call 1-800-815-9793 for the location nearest you.

## **CONSUMER RIGHTS**

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## **CONDITIONS and EXCLUSIONS**

**THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHICH EXTEND BEYOND THIS WARRANTY. BATO specifically excludes any obligation for consequential damages or incidental expenses including claims for loss of use of the vehicle on which the tire was installed, loss of time, inconvenience, or commercial loss. This warranty gives you specific legal rights. You may also have other rights that may vary from state-to-state. Some states do not allow limitations on how long an implied warranty lasts or allow the exclusion or limitation of incidental or consequential damages. The above limitation or exclusion may not apply to you.**

This Limited Warranty applies only to consumers actually purchasing and using the tire in the United States.

Obligations under this policy may not be enlarged or altered by anyone.

In accordance with Federal Law, this Limited Warranty has been designated as a "Limited Warranty." Nothing in this Limited Warranty is intended to be a representation that tire failures cannot occur. This Limited Warranty is given in the United States by Bridgestone Americas Tire Operations, LLC, 535 Marriott Dr., Nashville, TN 37214.

## **OWNER'S OBLIGATIONS**

It is your obligation to maintain proper tire inflation pressures as specified by the vehicle manufacturer and to operate the vehicle within tire/vehicle load capacity and speed limitations. It is also your obligation to maintain proper wheel alignment and tire/wheel assembly balance.

To request an adjustment, you must present the tire to an authorized Firestone brand truck tire retailer. Your vehicle on which the tire was equipped must also be available for inspection. Complete and sign the customer section of the Bridgestone Americas Tire Operations, LLC Limited Warranty Form or an electronic version of the Limited Warranty Form and pay appropriate replacement price, taxes, disposal fees, and service charges, if any. Tires accepted for warranty compensation become the property of Bridgestone Americas Tire Operations, LLC.

## **ARBITRATION**

You and Bridgestone Americas Tire Operations, LLC agree that all claims, disputes, and controversies between you and it, including any of its agents, employees, successors, or assigns, arising out of or in connection with this Truck Tire Limited Warranty, or any other warranties, express or implied, including a failure of warranty and the validity of this arbitration clause, but excluding claims for personal injury or property damage, shall be resolved by binding arbitration between you and it, according to the formal dispute resolution procedures of the National Arbitration Forum, under the Code of Procedure then in effect. This arbitration will be conducted as a document hearing. If you request any procedures beyond a document hearing, you will be responsible for all fees, including filing and administrative fees, above and beyond the fees required for document hearings. The arbitration between you and Bridgestone Americas Tire Operations, LLC shall not include any other customers, be combined or consolidated in any fashion with arbitrations involving other customers, or proceed in any form of class action in which the claims of numerous customers are considered together. Any award of the arbitrator(s) may be entered as a judgment in any court of competent jurisdiction. The arbitrators will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute. Information may be obtained and claims may be filed at any office of the National Arbitration Forum or at P.O. Box 50191, Minneapolis, MN 55405.

## **IMPORTANT SAFETY INFORMATION**

Any tire, no matter how well constructed, may fail in use as a result of punctures, impact damage, improper inflation pressure, overloading, or other conditions resulting from use or misuse. Tire failure may create a risk of property damage, serious personal injury or death.

### ***SAFETY WARNING***

Serious personal injury or death may result from a tire failure. Many tire failures are preceded by vibration, bumps, bulges or irregular wear. If a vibration occurs while driving your vehicle or you notice a bump, bulge or irregular wear, have your tires and vehicle evaluated by a qualified tire service professional.

**To reduce the risk of tire failure, Bridgestone Americas Tire Operations, LLC strongly recommends you read and follow all safety information contained in this manual, tire industry publications such as those published by the Rubber Manufacturer's Association (RMA), and tire mounting procedures published by the Occupational Safety and Health Administration (OSHA) of the U. S. Department of Labor. In addition, we recommend periodic inspection and maintenance, if necessary, by a qualified tire service professional.**

### **TIRE INFLATION PRESSURE**

Tires need proper inflation pressure to operate effectively and perform as intended. Tires carry the vehicle, passenger, and cargo loads and transmit the braking, acceleration, and turning forces. The vehicle manufacturer recommends the inflation pressures for the tires mounted on your vehicle.

### ***SAFETY WARNING***

Driving on tires with improper inflation pressure is dangerous.

- Under-inflation causes excessive tire heat build-up and internal structural damage.
- Over-inflation makes it more likely for tires to be cut, punctured, or broken by sudden impact.

These situations can cause a tire failure, even at a later date, which could lead to serious personal injury or death. Consult the vehicle tire information placard and/or owner's manual for the recommended inflation pressures.

In addition to tire damage, improper inflation pressure may also:

- Adversely affect vehicle ride and handling.
- Reduce tire tread wear.
- Affect fuel economy.

Therefore, follow these important recommendations for tire and vehicle safety, mileage, and economy:

- Always keep the vehicle manufacturer's recommended inflation pressure in all your tires, including inside duals.
- Check their pressure at preventative maintenance intervals and during pre-trip vehicle inspections.

Your vehicle's tire information placard and/or owner's manual will tell you the recommended cold inflation pressure for all your tires. For tractor/trailers, a placard is applied to each. For questions about locating or understanding the tire information placard(s), consult your vehicle owner's manual or ask a qualified tire service professional.

**Maximum Pressure Indicated on the Tire Sidewall:** This is the maximum permissible inflation pressure for the tire only. The vehicle manufacturer's recommended tire pressures may be lower than, or the same as, the maximum pressure indicated on the tire sidewall. The vehicle manufacturer's specification of tire pressure is limited to your particular vehicle and takes into account your vehicle's load, ride, and handling characteristics, among other criteria. Since there may be several possible vehicle applications for a given tire size, a vehicle manufacturer may choose a different inflation pressure specification for that same size tire on a different vehicle. Therefore, always refer to the inflation pressure specifications on the vehicle tire information placard and/or in your vehicle owner's manual.

**Pressure Loss:** Truck tires can lose 2 psi (14 kPa) per month under normal conditions and can lose 2 psi (14 kPa) for every 10°F (5.6°C) temperature drop. A puncture, leaking valve, or other damage could also cause inflation pressure loss. If a truck tire loses more than 4 psi (28 kPa) per month, have it checked by a qualified tire service professional.

## **TIPS FOR SAFE TIRE INFLATION**

### ***SAFETY WARNING***

Inflating an unsecured tire is dangerous. If it bursts, it could be hurled into the air with explosive force resulting in serious personal injury or death. Never adjust the inflation pressure of a truck tire unless it is placed in a safety cage or is secured to the vehicle or a tire mounting machine. Never stand or lean over the tire or in front of the valve when inflating.

### ***SAFETY WARNING***

Never re-inflate a truck tire that has been run at very low inflation pressure (i.e. 80% or less of normal operating pressure) without a complete inspection of the entire tire. Immediately have the tire demounted and inspected by a qualified tire service professional.

- The U.S. Department of Transportation requires a pre-trip vehicle inspection. Pre-trip vehicle inspections and preventative maintenance should include cold-tire inflation pressure checks. Don't forget to check the inflation pressure of inside duals.

- The only correct method for checking inflation pressure is to use an accurate tire inflation pressure gauge. Kicking or thumping a tire will only tell you when a tire is totally flat.
- Check inflation pressure when the tires are “cold.” Tires are considered “cold” when the vehicle has been parked for three hours or more, or if the vehicle has been driven less than a mile at moderate speed.
- Never release pressure from a hot tire in order to reach the recommended cold tire inflation pressure. Normal driving causes tires to run hotter and inflation pressure to increase. If you reduce inflation pressure when your tires are hot, you may dangerously under inflate your tires.
- If it is necessary to adjust inflation pressure when your tires are “hot,” set their inflation pressure to 10 psi (69 kPa) above the recommended cold inflation pressure. Recheck the inflation pressure when the tires are cold.
- If your tires lose more than 4 psi (28 kPa) per month, the tire, tube (if applicable), valve, or rim/wheel may be damaged. Consult a qualified tire service professional for an inspection.
- A difference of 5 psi (35 kPa) or more between duals is not recommended.
- Use valve caps to keep the valves clear of debris and to help guard against inflation pressure loss.

## **TIPS FOR SAFE LOADING**

### ***SAFETY WARNING***

Driving your vehicle in an overloaded condition is dangerous. Overloading causes excessive tire heat build-up and internal structural damage. This can cause a tire failure, even at a later date, which could lead to serious personal injury or death. Consult the vehicle tire information placard, certification label, and owner’s manual for the recommended vehicle load limits and loading recommendations.

- Always keep the vehicle manufacturer’s recommended inflation pressure in all your tires, including inside duals. Check their pressure at preventative maintenance intervals and during pre-trip vehicle inspections.
- Never exceed the maximum load rating stamped on the sidewall of your tire.
- Never exceed the gross vehicle weight rating (GVWR) or gross axle weight ratings (GAWR) of your vehicle.
- Never exceed the maximum load or inflation pressure capacity of the rim/wheel.
- Consult your vehicle owner’s manual for load recommendations and special instructions (such as for carrying unusually heavy loads).

## **TIRE DAMAGE AND INSPECTION**

Evaluation and maintenance of your tires is important to their performance and the service they provide to you. Over time and/or through use, the condition of a tire can change from exposure to everyday road conditions, the environment, damaging events such as punctures, and other external factors.

### ***SAFETY WARNING***

Driving on damaged tires is dangerous. A damaged tire can suddenly fail causing serious personal injury or death. Have your tires regularly inspected by a qualified tire service professional.

You should visually inspect your tires during pre-trip vehicle inspections and inflation pressure checks. In addition, have your tires periodically evaluated by a qualified tire service professional when your vehicle is serviced such as routine maintenance intervals, oil changes, and tire rotations. In particular, note the following tips for spotting tire damage:

- After striking anything unusual in the roadway, have a qualified tire service professional demount the tire and inspect it for damage. A tire may not have visible signs of damage on the tire surface. Yet, the tire may suddenly fail without warning, a day, a week, or even months later.
- Inspect your tires for cuts, cracks, splits or bruises in the tread and sidewall areas. Bumps or bulges may indicate a separation within the tire body. Have your tire inspected by a qualified tire service professional. It may be necessary to have it removed from the rim/wheel for a complete inspection. Do not delay performing any necessary repair(s).
- Inspect your tires for adequate tread depth. When the tire is worn to the built-in indicators at 2/32 inch (1.6 mm) or less tread groove depth, or the tire cord or fabric is exposed, the tire is dangerously worn and must be replaced immediately.
- Federal regulations require steer axle tires to have 4/32 inch (3.2 mm) or greater tread depth on vehicles over 10,000 lbs. (4536 kg) GVWR.
- Inspect your tires for uneven wear. Wear on one side of the tread or flat spots in the tread may indicate a problem with the tire or vehicle. Consult a qualified tire service professional.
- Inspect your rims/wheels also. If you have a bent, chipped, or cracked rim/wheel, it must be replaced.

## TIRE MANUFACTURE DATE

The tire manufacture date is determined by examining the DOT tire identification number, also known as the DOT serial number or code, which can be found on at least one sidewall near the rim/wheel. It may be necessary to look on both sides of the tire to find the entire serial code.

**Tires Produced Since 2000:** The last four (4) digits of the serial code identify the week and year of production. For example, a tire with a serial code ending in "2406" would have been produced in the 24th week of 2006.

**Tires Produced Prior to 2000:** The last three (3) digits of the serial code identify the week and year of production. For example, a tire with a code ending in "329" would likely have been produced in the 32nd week of 1999, but possibly produced in 1989. If in doubt, consult a qualified tire service professional.

## TIRE REPAIRS

### ***SAFETY WARNING***

Driving on an improperly repaired tire is dangerous. An improper repair can be unreliable or permit further damage to the tire. The tire may suddenly fail, causing serious personal injury or death. A complete inspection and repair of your tire in accordance with Rubber Manufacturers Association (RMA) procedures should be conducted by a qualified tire service professional.

The comprehensive procedures and recommendations for truck tire repair are beyond the scope of this manual; however, note the following:

- **The tire must be demounted from the rim/wheel for a complete inspection, inside and out.** Some damage to the tire may only be evident on the interior of the tire. Any tire repair done without removing the tire from the rim/wheel is improper.
- **A patch must be applied to the interior of the tire and the puncture hole filled with suitable plug/stem filler.** This helps ensure that the interior of the tire is adequately sealed to prevent inflation pressure loss and prevents contamination of the steel belts and other plies from the elements (such as water) in the outside world. Using only a plug/stem, or using only a patch, is not a safe or proper repair.
- **The truck/bus tire puncture repair injury limit to the tread area is 3/8 inch (10 mm).** Larger injuries, or damage in areas outside the tread, should be evaluated and

repaired, if possible, by qualified tire service professionals at a full-service repair facility using RMA-approved procedures.

- **Never substitute a tube for a proper repair or to remedy an improper repair.**
- **Not all punctured or damaged tires can be properly repaired;** consequently, they must be replaced.
- **Repair and retread, if possible, tires having a tread depth of 2/32 inch (1.6 mm) or less remaining in any tread groove.**
- **Tubes, like tires, should only be repaired by a qualified tire service professional.**
- **Any Improper repair voids the tire Limited Warranty.** See "Limited Warranty" in this manual.

## **REMOVING TIRE/WHEEL ASSEMBLY FROM VEHICLE**

### ***SAFETY WARNING***

Always follow the manufacturer's recommend procedure for securing and raising your vehicle prior to attempting to remove a tire.

### ***SAFETY WARNING***

If the tire has internal damage, it may burst with explosive force, causing serious personal injury or death. Always deflate a tire and wheel assembly completely before loosening any lug nut when removing a tire from a vehicle for service or demounting. On dual wheel assemblies, both tires should be deflated and removed before any work is started.

## **TIRE MOUNTING AND OTHER SERVICING**

### ***SAFETY WARNING***

Removing and replacing tires on wheels can be dangerous. Attempting to mount tires with improper tools or procedures may result in a tire explosion causing serious personal injury or death. This is only a job for a qualified tire service professional. Never perform tire service procedures without proper training, tools, and equipment.

**This manual is not intended to provide proper training or service procedures for tire mounting, demounting, balancing, rotation, or repair. Please leave these tasks to qualified tire service professionals.**

Only specially trained persons should mount tires. For proper mounting procedures, consult the requirements of the Occupational Safety and Health Administration (OSHA) of the U S Department of Labor and procedures published by the Rubber Manufacturers Association, 1400 K Street, NW Washington, D. C. 20005 ([www.rma.org](http://www.rma.org)).

### ***SAFETY WARNING***

Inflating an unsecured tire is dangerous. If it bursts, it could be hurled into the air with explosive force resulting in serious personal injury or death.

- Always stand well clear of any tire mounting operation. This is especially important when the service operator inflates the tire.
- When inflating a tire after mounting on a rim/wheel, always use a safety cage and an extension hose with pressure gauge and clip-on chuck.
- Never adjust the inflation pressure of a truck tire unless it is placed in a safety cage or is secured to the vehicle or a tire mounting machine.
- Never stand or lean over the tire or in front of the valve when inflating.

### ***SAFETY WARNING***

Never pour or spray any flammable substance into or onto a tire or rim/wheel for any purpose whatsoever. The residue left by the substance could result in a fire or explosion which may cause severe injury or death.

### ***SAFETY WARNING***

Never put flammable substances such as gasoline or ethyl ether into a tire and light with a match/flame so that the resulting explosion seats the beads of a tubeless tire. This practice is extremely dangerous and may result in a severe explosion or undetected damage to the tire or rim/wheel which may cause a failure resulting in severe injury or death.

- **Tires must match the width and diameter requirements of the wheels.** For example, 22.5 inch diameter tires must only be mounted to 22.5 inch diameter rims/wheels. Radial tires must only be mounted to wheels approved for radial tires.
- **Inspect the tire and rim/wheel.** Rims/wheels must be free of cracks, dents, chips, and rust. Tires must be free of bead damage, cuts, punctures, foreign material, and moisture.
- **For a tubeless truck tire, always install a new valve, or new valve core and cap,** each time a new or retreaded tire is installed.
- **For a tube-type truck tire, always use a new, proper size tube and flap** each time a new or re-treaded tire is installed.
- **Use only vegetable oil-based lubricants in mounting or demounting.**
- **Always ensure rim components fit properly before inflating.**
  - Never tap component parts with a tool/hammer/mallet while tire is inflated.
  - Never attempt to disassemble multi-piece rims while inflated.

- **Never inflate a tire beyond 40 psi (275 kPa) to seat the beads.** Be absolutely certain beads are fully seated before adjusting inflation pressure to the level recommended for vehicle operation.
- **Use valve caps** to keep the valves clear of debris and to help guard against inflation pressure loss.
- **Always stand well away from the work area** when tires are being spin-balanced either on or off the vehicle.

## **TIRE MIXING**

### ***SAFETY WARNING***

Driving your vehicle with an improper mix of tires is dangerous. Your vehicle's handling characteristics can be seriously affected. You could have an accident resulting in serious personal injury or death. Consult your vehicle owner's manual and a qualified tire service professional for proper tire replacement.

## **DUAL MATCHING**

Tires paired in a dual assembly should be matched in tire construction and dimension. Improperly matched tires may result in irregular wear, rapid wear, and premature tire failure. Failure to match tires in a dual assembly may result in sudden tire destruction.

For radial tires, properly paired dimension tolerances are as follows:

- Diameter: within 1/4 inch (6.4 mm) of each other
- Circumference: within 3/4 inch (19 mm) of each other

## **HIGH SPEED DRIVING**

### ***SAFETY WARNING***

Driving at high speed is dangerous and can cause a vehicle accident, including serious personal injury or death.

- Regardless of the speed and handling capabilities of your vehicle and its tires, a loss of vehicle control can result from exceeding the maximum speed allowed by law or warranted by traffic, weather, vehicle, or road conditions.
- High-speed driving should be left to trained professionals operating under controlled conditions.
- No tire, regardless of its design or speed rating, has unlimited capacity for speed, and a sudden tire failure can occur if its limits are exceeded. See "Tire Speed Restrictions," the next section in this manual.

**Refer to your vehicle owner's manual for any tire pressure recommendations for high speed driving.**

## **TIRE SPEED RESTRICTIONS**

Firestone brand truck tires have maximum recommended speeds. When replacing your tires, check your vehicle owner's manual and tire information placard and consult with a Firestone brand truck tire retailer for recommendations and information about tire speed capability.

The speed capabilities of truck tires are based on standardized laboratory tests under specific, controlled conditions. While these tests may relate to performance on the road, real-world driving is rarely identical to any test conditions. Your tire's actual speed capability may be less since it is affected by factors such as inflation pressure, load, tire condition (including damage), wear, vehicle condition (including alignment), driving conditions, and duration at which the speed is sustained.

## **TIRE SPINNING**

### ***SAFETY WARNING***

Spinning a tire to remove a vehicle stuck in mud, ice, snow, or wet grass can be dangerous. A tire spinning at a speedometer reading above 35 mph (55 km/h) can in a matter of seconds reach a speed capable of disintegrating a tire with explosive force. Under some conditions, a tire may be spinning at a speed twice that shown on the speedometer. This could cause serious personal injury or death to a bystander or passenger. Never spin a tire above a speedometer reading of 35 mph (55 km/h).

## **TIRE STORAGE**

Tires should be stored indoors in a cool, dry place where water cannot collect inside them. Tires should be placed away from electric generators/motors and sources of heat such as hot pipes. Storage surfaces should be clean and free of grease, gasoline, diesel fuel, or other substances which can deteriorate the rubber.

### ***SAFETY WARNING***

Improper storage can damage your tires in ways that may not be visible and can lead to a failure resulting in serious personal injury or death.

The spare tire in your vehicle is intended to be used as a spare when needed. The spare tire carrier is not intended to be used for long term storage.

## **TIRE SERVICE CUSTOMER SATISFACTION**

Normal tire maintenance and Limited Warranty services are available at locations across the U.S.A. Visit us at [www.firestonetrucktires.com](http://www.firestonetrucktires.com), or call 1-800-815-9793 to find an authorized Firestone brand truck tire retailer nearest you.

Additional information on the care and service of truck tires is available from the following organizations:

Rubber Manufacturers Association  
1400 K Street, N.W.  
Washington, DC 20005-2403  
[www.rma.org](http://www.rma.org)

Rubber Association of Canada  
2000 Argentia Road, Plaza 4, Suite 250  
Mississauga, Ontario L5N 1W1  
[www.rubberassociation.ca](http://www.rubberassociation.ca)

## **TIRE REGISTRATION**

Registration of your tires is an important safety precaution since it enables the manufacturer to notify you in the event of a recall. When you purchase replacement tires, the retailer will provide a registration card on which the tire identification numbers have been recorded; fill in your name and address on the card and mail it promptly. Some retailers may submit the registration for you. You do not need to register original equipment tires on new vehicles as the vehicle manufacturer handles that for you.

### **For Assistance or Information**

1. First contact the nearest Firestone truck tire Dealer by consulting the yellow pages of your local telephone book.
2. If additional assistance is required, call or write the nearest Firestone Technical Service Center listed below.

### **FIRESTONE TOLL FREE NUMBER**

# CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)  
7/18/2017

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

<b>PRODUCER</b> UNICO Group, Inc. 1128 Lincoln Mall Suite 200 Lincoln NE 68508	<b>CONTACT NAME:</b> Megan Unvert <b>PHONE (A/C, No, Ext):</b> (402) 434-7200 <b>E-MAIL ADDRESS:</b> munvert@unicogroup.com	<b>FAX (A/C, No):</b> (402) 434-7272

**COMMENTS/REMARKS**

City of Lincoln and Lancaster County are listed as additional insured with regards to General Liability if required by written contract.

**Additional Named Insureds**

Other Named Insureds

Cross-Dillon Tire Inc

Doing Business As

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**ADDITIONAL INSURED - OWNERS, LESSEES OR  
CONTRACTORS - AUTOMATIC STATUS WHEN  
REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU -  
OPERATIONS AND COMPLETED OPERATIONS**

This endorsement modifies Insurance provided under the following:

**COMMERCIAL GENERAL LIABILITY COVERAGE PART**

**A. SECTION II - WHO IS AN INSURED** is amended to include as an additional insured any person or organization when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy, but only with respect to "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions in the performance of your ongoing operations for the additional insured;
2. The acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured; or
3. "Your work" performed for the additional insured and included in the "products-completed operations hazard".

If not specified otherwise in the written contract or agreement, a person's or organization's status as an additional insured under this endorsement ends one year after your operations for that additional insured are completed. The written contract or agreement must be currently in effect or become effective during the term of this Coverage Part. The contract or agreement must be executed prior to the "bodily injury", "property damage" or "personal and advertising injury" to which this endorsement pertains.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law, and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

**B.** With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
  - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - b. Supervisory, inspection, architectural or engineering activities.
2. "Bodily injury" or "property damage" arising out of "your work" for which a consolidated (wrap-up) insurance program has been provided by the prime contractor/project manager or owner of the construction project in which you are involved.
3. "Bodily injury", "property damage" or "personal and advertising injury" to any employee of you or to any obligation of the additional insured to indemnify another because of damages arising out of such injury.

4. "Bodily injury", "property damage" or "personal and advertising injury" for which the Named Insured is afforded no coverage under this policy of insurance.

- C. With respect to the insurance afforded to these additional insureds, **SECTION III - LIMITS OF INSURANCE** is amended to include:

The limits applicable to the additional insured are those specified in the written contract or agreement or in the Declarations of this Coverage Part, whichever is less. If no limits are specified in the written contract or agreement, the limits applicable to the additional insured are those specified in the Declarations of this Coverage Part. The limits of insurance are inclusive of and not in addition to the limits of insurance shown in the Declarations.

- D. With respect to the insurance afforded to these additional insureds, **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS, 4. Other Insurance** is amended to include:

Any coverage provided herein will be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis unless you have agreed in a written contract or written agreement executed prior to any loss that this insurance will be primary. This insurance will be noncontributory only if you have so agreed in a written contract or written agreement executed prior to any loss and this coverage is determined to be primary.

## Commercial General Liability Classification and Premium Schedule

POLICY NUMBER: CSU0097067

POLICY EFFECTIVE DATE: 04/01/2017

**If we cancel or nonrenew this policy for any statutorily permitted reason other than nonpayment of premium we will mail notice to the person or organization shown in the Schedule above. We will mail such notice at least the number of days shown in the Schedule before the effective date of the cancellation or nonrenewal.**

**If we cancel this policy for nonpayment of premium, we will mail notice to the person or organization shown in the schedule above. We will mail such notice for nonpayment of premium at least 10 days before the effective date of cancellation.**

**When notice is mailed, proof of mailing to the mailing address shown in the Schedule will be sufficient proof of notice.**

**In no event will coverage extend beyond the actual expiration, termination or cancellation of the policy.**

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## GARAGEKEEPERS COVERAGE – LEGAL LIABILITY ONLY

This endorsement modifies insurance provided under the following:

### COMMERCIAL GENERAL LIABILITY COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement. Coverage provided by this endorsement applies ONLY for those sums the "insured" is legally obligated to pay as damages as described in paragraph B. Coverage.

#### SCHEDULE

Location Number	Address Where You Conduct Garage Operations (Main Location)		
01	4101 West O Street, Lincoln, NE 68528		
08	10863 140 <sup>th</sup> Street, Davenport, IA 52804		
09	3541 NW 15 <sup>th</sup> Street, Lincoln, NE 68521		
10	2250 Delaware Avenue, Des Moines, IA 50317		
Coverages	Limit of Insurance and Deductible		Premium
<b>Specified Causes of Loss</b>	\$	Minus	
	\$	Deductible for Each Customer's Auto.	\$
<b>Comprehensive</b>	\$ 150,000	Minus	\$ INCL
	\$ 1,000	Deductible for All Perils Subject to	
	\$ 2,500	Maximum Deductible for All Such	
		Loss In Any One Event.	
<b>Collision</b>	\$ 150,000	Minus	\$ INCL
	\$ 1,000	Deductible for Each Customer's	
		Auto.	

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. This endorsement provides only those coverages:

1. Where a Limit of Insurance and a premium are shown for that coverage in the Schedule; and
2. For the location shown in the Schedule.

B. Coverage

1. We will pay all sums the "insured" legally must pay as damages for "loss" to a "customer's auto" or "customer's auto" equipment left in the "insured's" care while the "insured" is attending, servicing,

repairing, parking or storing it in your "garage operations" under:

- a. Comprehensive Coverage. From any cause except:
  - (1) The "customer's auto's" collision with another object; or
  - (2) The "customer's auto's" overturn.
- b. Specified Causes of Loss Coverage. Caused by:
  - (1) Fire, lightning or explosion;
  - (2) Theft; or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

- (3) Mischief or vandalism.
- c. Collision Coverage. Caused by:
  - (1) The "customer's auto's" collision with another object; or
  - (2) The "customer's auto's" overturn.
- 2. We will have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "loss" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends for a coverage when the Limit of Insurance for that coverage has been exhausted by payment of judgments or settlements.

**3. Who is an Insured**

The following are "insureds" for "loss" to "customer's autos" and "customer's auto" equipment:

- a. You.
- b. Your partners (if you are a partnership), or members (if you are a limited liability company), employees, directors or shareholders while acting within the scope of their duties as such.

**4. Coverage Extensions**

The following applies as Supplementary Payments we will pay for the "insured":

- a. All expenses we incur.
- b. The cost of bonds to release attachments in any "suit" against an "insured" we defend, but only for bond amounts within our Limit of Insurance.
- c. All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- d. All costs taxed against the "insured" in any "suit" against an "insured" we defend.
- e. All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against an "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay, or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

**C. For the purposes of coverage provided by this endorsement, the following Exclusions apply.**

- 1. This insurance does not apply to any of the following:

- a. **Contractual Obligations**

Liability resulting from any contract or agreement by which the "insured" accepts responsibility for "loss". But this exclusion does not apply to liability for "loss" that the "insured" would have in the absence of the contract or agreement.

- b. **Theft**

"Loss" due to theft or conversion caused in any way by you, your "employees" or by your shareholders.

- c. **Defective Parts**

Defective parts or materials.

- d. **Faulty Work**

Faulty "work you performed".

- 2. We will not pay for "loss" to any of the following:

- a. Tape decks or other sound reproducing equipment unless permanently installed in a "customer's auto".

- b. Tapes, records or other sound reproducing devices designed for use with sound reproducing equipment.

- c. Sound receiving equipment designed for use as a citizens' band radio, two-way mobile radio or telephone or scanning monitor receiver, including its antennas and other accessories, unless permanently installed in the dash or console opening normally used by the "customer's auto" manufacturer for the installation of a radio.

- d. Any device designed or used to detect speed measurement equipment such as radar or laser detectors and any jamming apparatus intended to elude or disrupt speed measurement equipment.

- 3. We will not pay for "loss" caused by or resulting from the following. Such "loss" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the "loss":

- a. War, including undeclared or civil war;
- b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government,

- sovereign or other authority using military personnel or other agents; or
- c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.
- D. For the purposes of coverage provided by this endorsement, the limit of insurance stated on the declarations and any policy deductible are replaced and **Limit of Insurance and Deductible** are stated as follows:
1. Regardless of the number of "customer's autos", "insureds", premiums paid, claims made or "suits" brought, the most we will pay for each "loss" at each location is the Garagekeepers Coverage Limit of Insurance shown in the Schedule for that location minus the applicable deductibles for "loss" caused by:
    - a. Collision; or
    - b. With respect to Garagekeepers Coverage Comprehensive or Specified Causes of Loss coverage:
      - (1) Theft or mischief or vandalism; or
      - (2) All perils.
  2. The maximum deductible stated in the Schedule for Garagekeepers Coverage Comprehensive or Specified Causes of Loss Coverage is the most that will be deducted for all "loss" in any one event caused by:
    - a. Theft or mischief or vandalism; or
    - b. All perils.
- E. For the purposes of coverage provided by this endorsement, the following **Additional Definitions** apply:
1. "Customer's auto" means a customer's land motor vehicle or trailer or semitrailer. This definition also includes any customer's auto while left with you for service, repair, storage or safekeeping. Customers include your "employees", and members of their households who pay for services performed.
  2. "Loss" means direct and accidental loss or damage and includes any resulting loss of use.
  3. "Garage operations" means the ownership, maintenance or use of locations for the purpose of a business of selling, servicing, repairing, parking or storing "customer's autos" and that portion of the roads or other accesses that adjoin these locations. "Garage operations" also includes all operations necessary or incidental to the performance of garage operations.
  4. "Work you performed" includes work that someone performed for you.
