1. Unless agreed to in writing in advance by the owner, the depth of installed facilities shall be at a minimum as follows:

 - F. All paved road and paved driveway crossings will be dry-bored.
 - G. All areas disturbed by construction will be restored to their pre-construction condition. This includes: all open-cut crossings to be backfilled with material excavated from trench; no sand or crushed rock backfill will be allowed; and compaction of backfills to a density equal to or greater than the surrounding soil in and around trenches, bore pits, pull boxes, and other utility appurtenances. It also includes replacing roadway and driveway surfacing lost or damaged by construction, and re-seeding of all areas disturbed by the work.
 - H. Trees within the right-of-way will be preserved by the contractor when possible. All trees, bushes, brush, debris piles, resulting from clearing or grubbing operations will become the property of the contractor and will be removed from county property at the contractor’s expense.

5. Contractor performing the work to submit insurance certificate naming Lancaster County as additional insured prior to any activities in the right-of-way. Contractor shall also provide Lancaster County a 30 day notice of cancellation, non-renewal or any material reduction of insurance coverage.

7. Future road construction work could necessitate relocation of utilities. Those utility relocation costs shall be borne by the utility owner.
8. All trenches shall be backfilled the same day trench was excavated except for the portion where the work is to be continued the next day. The portion left open for work continuation shall be protected by barricades with flashing lights at night. No open trenches in the roadway will be allowed overnight. (Except when such road is closed for construction or except with prior conditional approval to be noted on page #6)
9. Roads may be closed for a maximum of 12 hours, with prior review and approval from this office. (See #11 for signage layout)

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**GENERAL LIABILITY PREMIER SUPPLEMENT
(CONTRACTORS)**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following supplemental coverages apply only to contractor classifications covered by this policy:

SECTION II – WHO IS AN INSURED

The following paragraph is added:

8. Any person or organization whom you have agreed in writing in a contract or agreement, prior to a loss, that such person or organization be added as an additional insured, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" for the additional insured and included in the "products-completed operations hazard".

With respect to the insurance afforded to these additional insureds, the insurance provided is primary insurance and we will not seek contribution from any other insurance available to the additional insured as long as you and the additional insured have agreed in writing in a contract or agreement executed prior to a loss that such person or organization be added as an additional insured on a primary non-contributory basis.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BUSINESS AUTO PREMIER ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

A. COVERED AUTOS

SECTION I – COVERED AUTOS, Paragraph C. Certain Trailers, Mobile Equipment And Temporary Substitute Autos is amended by adding the following:

If Physical Damage Coverage is provided under this Coverage form for an "auto" you own, the Physical Damage coverages provided for that owned "auto" are extended to any "auto" you do not own while used with the permission of its owner as a temporary substitute for the covered "auto" you own that is out of service because of its breakdown, repair, servicing, "loss", or destruction.

B. LIABILITY COVERAGES

SECTION II – LIABILITY COVERAGE in Paragraph **A. Coverage, 1. Who Is An Insured** is amended to include the following:

- d. Any legally incorporated subsidiary in which you own more than 50% of the voting stock on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
- e. Any organization that is acquired or formed by you, during the term of this policy and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
 - (1) That is a joint venture or partnership,
 - (2) That is an "insured" under any other policy,
 - (3) That has exhausted its Limit of Insurance under any other policy, or
 - (4) 180 days or more after its acquisition or formation by you, unless you have given us notice of the acquisition or formation.

Coverage does not apply to "bodily injury" or "property damage" that results from an accident that occurred before you formed or acquired the organization.

- f. Any employee of yours while acting in the course of your business or your personal affairs while using a covered "auto" you do not own, hire or borrow.

pounds or less.

- (b) For "medium trucks", we will pay up to \$150 per disablement. "Medium trucks" have a gross vehicle weight (GVW) of 10,001 lbs. to 20,000 pounds.

However, the labor must be performed at the place of disablement.

Paragraph 4. **Coverage Extensions, a. Transportation Expenses** under **A. Coverage** is amended to provide the following limits:

We will pay up to \$50 per day to a maximum of \$1,500. All other terms and provisions of this section remain applicable.

The following is added to **4. Coverage Extensions**:

c. Theft Recovery Expense

If you have purchased Comprehensive Coverage on an "auto" that is stolen, we will pay the expense of returning that stolen auto to you. The limit for this coverage extension is \$5,000.

d. Rental Reimbursement

We will provide Rental Reimbursement and Additional Expense coverage only for those Physical Damage coverages for which a premium is shown in the Declarations or schedule pages. Coverage applies only to a covered "auto" of the private passenger or light truck (10,000 lbs. or less gross vehicle weight) type for which Physical Damage coverages apply.

- (1) We will pay for auto rental expense and the expense incurred by you because of "loss" to remove and transfer your materials and equipment from a covered "auto" to a covered "auto". Payment applies in addition to the otherwise applicable coverage you have on a covered "auto". No deductible applies to this coverage.
- (2) We will pay only for expenses incurred during the policy period and beginning 24 hours after the "loss" and ending, regardless of the policy's expiration, with the lesser of the following number of days:
 - (a) The number of days reasonably required to repair or replace the covered "auto". If "loss" is caused by theft, this number of days is added to the number of days it takes to locate the covered "auto" and return it to you, or
 - (b) 30 days.
- (3) Our payment is limited to the lesser of the following amounts:
 - (a) Necessary and actual expenses incurred; or
 - (b) \$35 per day.
 - (c) This coverage does not apply while there are spare or reserve "autos" available to you for your operations.

- (b) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality; or \$1,000;

minus a deductible of \$100.

An adjustment for depreciation and physical condition will be made in determining actual cash value at the time of loss. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

If there is other coverage provided for audio, visual and data electronic equipment, the coverage provided herein is excess over any other collectible insurance.

Paragraph 3. under **B. Exclusions** is amended by adding the following language:

Subject: Utility permit 1636a for LWWS Cardwell Sewer - tree removal permit along Old Cheney Road
Date: Friday, March 9, 2018 1:36:31 PM

Jim,

#1636a

I talked with Pam about the above Utility Permit. She informed me with the time sensitive nature of tree removal we are to approve utility permit with emergency status. We do not have the correct Insurance info, but I have attached the insurance that has been provided to the City of Lincoln.

Please move forward so they can get started with tree removal completed by the April 1st deadline.

Thanks,
