Your contract price for flat tire repairs is for up to three (3) repairs. What are your additional charges for over the three (3) repairs for flat tires?  
\$22.00 flat repair (up to 3 patches) / \$1.50 per patch over 3

Do you have a set rate for the number of repairs over three (3) and what would that be?  
No set limit on number of patches – The limit to number of patches based will the tire be safe and/or will it continue to run after it is repaired.
