Supplier Notes

County initially said they were going to come and pick-up the unit. I adjusted my bid to reflect delivery to the Lincoln address.

To: Sharon R. Mulder
Subject: RE: Shipping

I just saw Argo Adventure is in South Dakota so we better have them deliver it. For some reason I thought they were in Omaha.

Not sure it needs to come to Lincoln but we can figure out a destination. I'm assuming they will want to pick up the trade in and it is usually in Hooper, NE.

I talked with Mike and he agreed to award the bid to Argo Adventure with the machine being delivered.

You will let them know for sure? I don't need to do anything else today, right?

Thank you for all the help,

Brent

To: Brent D. Meyer <BMeyer@lancaaster.ne.gov>
Subject: Shipping

Brent,
They will subtract \$250.00 from their bid price for us to pick it up instead.
Sharon

REQUEST A QUOTE

2018 ARGO AVENGER 8X8 ST

MSRP Starts at \$24,799.00 USD*

+ \$800 factory to dealer freight

For 2018 the hard working Avenger 8x8 ST returns as Argos best selling liquid-cooled model. This is the ultimate off-road amphibious atv for those who don't like a compromise when you're 40 miles from the nearest person. The Avenger 8x8 ST has it all, from its powerful 30hp liquid cooled gas engine which provides excellent power in the deepest mud or snow, to the efficient Admiral triple differential transmission in 6.2 or high torque 8.1 gear ratios that allow the vehicle to turn effortlessly even with tracks installed. Argo designed 25x12-9 (635 mm) mud and swim tires mounted on new offset steel rims combine to give this machine great traction and best in class payload all while providing a water speed of 3.0 mph. Standard equipment includes a Warn Provantage 3500 cable winch, bilge pump, full-length skid plate, front and rear bearing extensions and entry step. The Avenger 8x8 ST is equally well suited for hard work as it is for play providing many commercial and government customers a workhorse in their fleet, yet it's refined and comfortable for all of your recreational needs. Color choices are Black, Tundra Green, Break-Up or Shadow Grass Camo options.

Durable 1.375" extreme duty steel forged axles mounted on off-set steel rims allow for a quick and reliable conversion to running tracks. Gone are the days of adding wheel spacers and lug extenders. All you need to do is turn the rim around, reinstall the lug nuts and slide the tracks on. This new design greatly

SPECIFICATIONS

8-WHEEL DRIVE AMPHIBIOUS ALL-TERRAIN VEHICLE

1. SUPPLEMENTAL INSTRUCTIONS

- 1.1. The vehicle furnished under these specifications shall be a new 2018 8-wheel drive amphibious all-terrain model, standard production unit, offered to the general trade, equal in every respect to the construction and performance characteristics shown in the manufacturer's specifications and descriptive literature for this type of vehicle as manufactured and advertised for delivery in the continental United States and including all equipment normally offered and installed at the factory.
- 1.2. Vehicle offered by Vendor shall meet or exceed the minimum specifications listed in this document.
