RE: Reporting Center Transfer of Ownership

Commissioners,

Please find attached, an inventory listing of items that the Nebraska Supreme Court, has purchased for the District 3A Probation/County Reporting Center. As part of the process for funding the startup costs of the Lancaster County's Reporting Center, the Nebraska Supreme Court asked that all of the equipment/supplies/furnishings be accepted by the County as County property. The attached list is the items that had not been received at the time of the previous orders in September 2016 and were not included on the original Transfer of Ownership documents.

Along with this additional inventory listing is a Statement of Acceptance of Possession and Future Responsibility Statement. Please sign the Statement acknowledging the understanding of these documents and I will return a copy to the Nebraska State Probation Administration office for their records. Thank you.

Respectfully,

Cindy Wohlers-Green  
Reporting Center Coordinator  
District 3A Probation  
State of Nebraska
