Attachments: 2018 Specs Rock Haul.doc; Copy of 18-273 Crushed Rock Tabulation by Line Item Spreadsheet (1).xlsx

Sharon,

Please see the award recommendation and attachments for the Lancaster County Rock haul bid# 18-273. Please review and let me know if this will make it on the December 4th board meeting.

AWARD RECOMMENDATION *(Multiple Vendors)*

Lancaster County Engineering has reviewed the bid responses for Bid # 18-273 and made the following determination:

Award Line Items (14 & 18) to R L Tiemann Construction for a total of \$128,200.00, as they are the lowest responsible, responsive Bidder meeting all requirements as outlined in the bid documents and Ebid for these Line Items.

Award Line Items (1, 3, 5, 7, 9, 11, and 15) to Buel Trucking, Inc. for a total of \$698,200.00, as they are the lowest responsible, responsive Bidder meeting all requirements as outlined in the bid documents and Ebid for these Line Items.

Total Award Amount for All Vendors: \$826,400.00

All bids were awarded using the lowest responsible bid for each location. Lines (2, 4, 6, 8, 10, 12, 13, 16, and 17) were not awarded based off comparative pricing of product type for each location. Please see the attached spreadsheet showing the calculations used to determine the cost for a ton of rock based off the Nebraska Department of Roads Standard Specifications for Highway Construction. The cost of type A rock is minus the 3.5% of clay lumps, shale or soft particles, type B rock is minus the 5.5% of clay lumps, shale or soft particles. This table and referenced documentation is listed in section 4 of the specifications attached to this bid.

Thank You,

Ron L Bohaty
