Re: Microfilm Services

Since January, 2010 the Register of Deeds Office has utilized Lancaster County Records Management Department for scanning and microfilm services. The current Interlocal Cooperation Agreement can be renewed with expressed written consent and therefore attached is an amendment to extend the agreement. Per the agreement, Sarpy agrees to pay Lancaster a rate of \$0.023 per image plus actual shipping costs. This rate has remained stable for the length of the contract and is very reasonable. Sarpy typically pays Lancaster around \$4,000 per year, which is far less than the salary and benefits for the one staff person that was reduced when the contract was implemented. This agreement has worked well and is recommended for approval.
