

Human Services Federation

HELPING NONPROFITS REACH THEIR FULL POTENTIAL

Mission

The Human Services Federation strengthens nonprofits to better serve the community through collaboration, education and advocacy.

When it comes to helping those in need and making Lincoln a better community, there is strength in numbers. The Human Services Federation is a nonprofit agency which strengthens over 100 other nonprofit agencies in Lincoln/Lancaster County.

Through collaborative meetings, educational events and advocacy we create a more efficient and effective community for our members and all of Lincoln's residents.

WE ARE HERE FOR YOU

HSF is not a 'one man show'. We are all here to support each other and learn from each other, so all of those we serve can have access to a better life. Our members believe by working together all our agencies become stronger, more efficient, and more effective.

WELCOME AND THANK YOU FOR BECOMING PART OF OUR COLLECTIVE!

WHAT OTHER MEMBERS ARE SAYING:

"Times can be trying with the daily news, but I am always hopeful and energized when leaving our HSF meetings. Everyone is working so hard for our community. What a fantastic group to be a part of! Thank you everyone, for all you do!"

Valerie Murphy, St. Monica's

"One of the member benefits provided by HSF is the radio show on KZUM. We have been guests several times and each time after the show we have had someone donate to our organization because they heard us on KZUM. Excellent PR for an agency that has no marketing budget!"

Rhonda Mattingly, Executive Director, Bridges to Hope

"The Leadership Training series, hosted by the Human Services Federation, gave me concrete information to apply in guiding our organization. It helped me to understand the importance of certain aspects of my role as a leader from a fresh perspective"

Ann Seacrest, Executive Director, MilkWorks

"I love the HSF newsletter, the Collaborator. It's well organized and provides great information on member activities and new services. A nice 'one-stop shop' newsletter to find out what's happening in our nonprofit community."

Robin Schmid, Region V Systems

These opportunities cover everything from current hot topics, running a nonprofit business and case manager's trainings, all leading to improved services. **Our trainings are heavily discounted for members.** We are here to help you grow!

ADVOCACY:

Spearheaded by HSF's advocacy committee, we organize and educate the membership to ensure there is a voice for nonprofits when needed with our elected officials and to impact legislation. It is up to us to advocate for our clients!

MEMBER SERVICES AND BENEFITS

ADVOCACY:

- **Advocacy Committee:** This committee helps to inform the membership of legislative activity as well as understand the importance of educating our elected officials. They also look for volunteers for our Speaker's Bureau which stands ready to positively affect legislation when necessary.
- **Lobbying and Advocacy Education:** HSF is also working to help the membership understand the rules of lobbying. Many staff of nonprofit are new to this and we can help them get all that mumbo jumbo faster, making it much easier to take that first leap.
- **Monthly Meeting Special Guest**

We have also have an elected official attend the monthly meetings, making that first introduction easier for members, so they can be more comfortable to reach out to them when needed. This also helps our elected officials understand the impact nonprofits are making in Lincoln.
