The labels are being used to correct the Provisional Ballot Envelopes by updating the punishment for a Class IV Felony.

I would appreciate it if you would approve the reimbursement of \$175.10

Kerry:

The attached letter regarding a claim we submitted is for the purchase of a special size of label we needed.

Language of the required oath on Provisional Ballot Envelopes changed with a change in state law. We had two options. We could have reprinted the entire batch of provisional ballot envelopes (at a cost of over \$3,000) or we could find a label that could be placed on the portion of the language that needed to be changed.

We could not find the exact size of label we needed through our normal sources (office depot, etc.). Becky was able to find the exact size needed through an independent source that specializes in labels. Unfortunately, we do not have an account for this vendor. Therefore, we chose to go that route and Becky used her personal credit card to purchase. We needed to move on this because we are in a down time and my staff has the time at this point to replace the language on the envelopes using the labels.

If I need to appear before the Board, please let me know.

Thanks!

Dave
