**Subject:** Enterprise Email

Hi, Kerry –

I know your schedule is perpetually busy, but I'd greatly appreciate your review and approval of a request I believe Sandy Ries sent to you in the last day or two to send an enterprise email to county employees...we (Information Services) want to distribute a customer satisfaction survey and obviously want to include county employees in the process.

As you can find a moment, please let me know what you think. And thanks in advance for your help.

Steve
