Dear Sara:

I am pleased to inform you that the application for funding from the Nebraska Planning Council on Developmental Disabilities for the Lancaster County Human Services Administration has been tentatively approved in the amount of \$30,000.00 for the period January 1, 2019 to December 31, 2019. This award is contingent upon the receipt and appropriation of federal funds. Your agency is responsible for providing \$7,500.00 in matching funds. For reference, your subaward has been assigned the number DD-19-03.

Council members had no recommendations or contingencies on the application. The state is implementing the requirement that all subaward signatures be made through DocuSign. The subaward will be emailed to Todd Wiltgren, Lancaster County Board Chair, for his signature prior to the start of the subaward. Once he and the DHHS representative have signed the subaward, a copy will be sent to you for your records.

The Nebraska Planning Council on Developmental Disabilities looks forward to supporting the School Resource Officer program and Lincoln Public Schools administrators and students. We look forward to working with you on this important project.

Sincerely,

A handwritten signature in blue ink that reads "Joni Dulaney".
