COUNTY-CITY BUILDING

8:30 A.M.**

Commissioners Present: Todd Wiltgen, Chair; Jennifer Brinkman, Vice Chair; Deb Schorr; Roma Amundson; and Bill Avery

Others Present: Kerry Eagan, Chief Administrative Officer; Ann Ames, Deputy Chief Administrative Officer; Dan Nolte, County Clerk; and Ann Taylor, County Clerk's Office

Advance public notice of the Board of Commissioners Staff Meeting was posted on the County-City Building bulletin board and the Lancaster County, Nebraska web site and provided to the media on February 14, 2018.

The Chair noted the location of the Open Meetings Act and opened the meeting at 8:30 a.m.

1. APPROVAL OF STAFF MEETING MINUTES FOR FEBRUARY 8, 2018

MOTION: Amundson moved and Avery seconded approval of the February 8, 2018 Staff Meeting minutes. Amundson, Brinkman, Avery and Wiltgen voted yes. Schorr abstained from voting. Motion carried 4-0, with one abstention.

2. LEGISLATIVE MATTERS –

A. LEGISLATIVE UPDATE – Gordon Kissel and Brennen Miller, Kissel, Kohout, ES Associates, LLC (Legislative Consultants)

Brennen Miller, Kissel, Kohout, ES Associates, LLC, presented a legislative update, legislative bill summaries, and amendments to Legislative Bill (LB)885 (Change provisions relating to property tax protests) (Exhibits A-D).

Miller said he and Kerry Eagan, Chief Administrative Officer, will meet with Senator Matt Hansen later in the day to discuss language in LB1010 (Change procedures for determining competency to stand trial in counties containing a city of the primary class) which would require the County to pay for both evaluation and treatment. **NOTE:** Two documents related to the bill were provided to the Board prior to the meeting. The first document is language the Department of Health and Human Services (DHHS) has suggested and the second document contains changes recommended by the County (Exhibits E & F). Wiltgen suggested that Sheri Dawson, Director, Division of Behavioral Health, DHHS; and Linda Wittmuss, Deputy Director, Division of Behavioral Health, DHHS, be invited to attend the discussion with Senator Hansen.

Larry Dix, Nebraska Association of County Officials (NACO) Executive Director, appeared and said he met with Senator John McCollister and a representative of the American Civil Liberties Union (ACLU) last week to try to work through an amendment on LB776 (Provide requirements for inmate access to

telephone or videoconferencing systems in county and city jails). The bill contains a statement that a county operating a county jail shall not accept or receive revenue in excess of the reasonable operating costs for establishing and administering such telephone services system or videoconferencing system. There is a federal statute that says the Federal Communications Commission (FCC) has determined a reasonable cost of 25 cents for collect calls and 21 cents for debit calls for interstate calls and Dix said he believes Senator McCollister will allow the Jail Standards Board to look at that as a standard amount. He said they are also working on language that would allow counties to use anything above what is currently charged and below the FCC rate for non-statutorily required items. Terry Wagner, County Sheriff, appeared and said the Nebraska Sheriffs' Association initially opposed the bill but decided yesterday to support an amendment similar to what NACO and the County Board are proposing so inmate programs can be funded.

The Board took positions on the following legislation:

MOTION: Schorr moved and Amundson seconded to send a letter of support for Legislative Bill (LB)1112 (Change provisions relating to placement and detention of juveniles and permit an additional use of funds under the Community-based Juvenile Services Aid Program). Brinkman, Schorr, Avery, Amundson and Wiltgen voted yes. Motion carried 5-0.

MOTION: Amundson moved and Schorr seconded to send a letter of support for Legislative Resolution (LR)281CA (Constitutional amendment to state that affordable health care is a right and to expand eligibility under the medical assistance program). Schorr, Avery, Amundson and Brinkman voted yes. Wiltgen abstained due to a conflict of interest. Motion carried 4-0, with one abstention.

Candace Meredith, Chief Deputy Treasurer, appeared and said the Nebraska Association of County Treasurers and the Lancaster County Treasurer's Office oppose LB1095 (Change the information included in certain tax notices and receipts). She estimated the fiscal impact to Lancaster County at \$5,000.

Brad Johnson, Corrections Director, appeared and recommended support of LB977 (Make post-release supervision optional for Class IV felonies).

MOTION: Schorr moved and Amundson seconded to send a letter of support for Legislative Bill (LB)977. Avery, Amundson, Brinkman, Schorr and Wiltgen voted yes. Motion carried 5-0.

Sheli Schindler, Youth Services Center (YSC) Director, appeared and gave an update on LB870 (Provide for room confinement for juveniles as prescribed). She also reported that she has been invited, along with other facility directors, to serve on the Nebraska Childrens' Commission Subcommittee panel.

B. LINCOLN-LANCASTER COUNTY HEALTH DEPARTMENT LEGISLATION –
Shavonna Lausterer, Lincoln-Lancaster County Health Department Director

Shavonna Lausterer, Lincoln-Lancaster County Health Department Director, provided a list of legislative bills that her department has reviewed and the positions that have been taken (Exhibit G). She noted it has been clarified that the Board of Health is an independent board and can take independent positions on legislation.

Wiltgen noted he and Brinkman met with the Mayor's Office and discussed how to communicate what positions the City and County are taking on legislation and how to handle conflicts when the two bodies take different positions.

CHIEF ADMINISTRATIVE OFFICER REPORT

A. Celebrating Women in Public Office Day Proclamation (March 13, 2018)

Schorr suggested that female leadership throughout the County be invited to attend the March 13, 2018 County Board of Commissioners Meeting when the Board will take action on the proclamation. There was no objection to the suggestion.

DISCUSSION OF BOARD MEMBER MEETINGS

A. Information Services Policy Committee (ISPC) – Brinkman

Brinkman said the ISPC received an update on the request for information (RFI) process for the Criminal Justice Information Services (CJIS). They also discussed culling the numerous versions of software programs that exist in City and County departments.

B. Parks and Recreation Advisory Board – Schorr

Schorr said they passed a resolution related to cost recovery goals for fee-based programs and facilities and discussed the Parks and Recreation Department's budget request.

C. Region V Meetings – Wiltgen

Wiltgen said the Region V Services Governing Board and Region V Systems Governing Board both held elections and he was elected Secretary for both bodies. He noted Region V Systems is facing a deficit of \$500,000 because some of the providers are over-utilized on their services. One of the reasons is that Region V Systems is being billed first for behavioral health services that are being provided to individuals on post-release supervision rather than utilizing the voucher system that is in place for problem-solving courts and re-entry programming. Wiltgen said C.J. Johnson, Region V Systems Administrator, will investigate the matter further.

D. Public Building Commission (PBC) Chair Meeting with Mayor – Amundson

Amundson said she met with Rick Hoppe, Administrative Assistant to the Mayor, and discussed increases in building rents and security surcharges.

E. Lancaster County Board Chair/Vice Chair Meeting with Mayor – Wiltgen/Brinkman

Wiltgen said they met with Hoppe and discussed legislative issues and how the County Board and Mayor's Office need to communicate better on issues involving joint departments.

Brinkman said she suggested the need for better coordination between the Planning Department and County Engineering.

F. Public Building Commission (PBC) – Amundson/Brinkman

Brinkman said there was consensus to reconfigure the Justice and Law Enforcement Center's security entrance and not increase security in the County/City Building.

G. Lincoln-Lancaster County Board of Health – Avery

Avery said they discussed legislation and received a briefing on the City and County Wellness Program.

The Chair exited the meeting at 9:31 a.m. and the Vice Chair assumed direction of the meeting.

3. FISCAL YEAR (FY) 2018-2019 FUNDING FOR THE LANCASTER COUNTY RURAL TRANSIT PROGRAM – Mitch Sump, Program Coordinator, Aging Partners

Mitch Sump, Program Coordinator, Aging Partners, said the Fiscal Year (FY) 2018-2019 Budget for the Lancaster County Rural Transit Program will increase by \$1,276.00. He said the job description for the dispatcher position has been revised, with more duties shifted to that position, and said the majority of the increase will be paid by federal and state funds.

Brinkman inquired about the drawdown of funds for the past year. Sump said the program was \$8,000 under budget through December, 2017.

The Chair returned to the meeting at 9:34 a.m. and resumed direction of the meeting.

Sump reported catalytic converters were stolen from two of the program's vehicles and said additional security measures will be taken. The Lincoln Police Department (LPD) is aware of the theft.

Brinkman inquired about ridership. Sump said it is up through December, 2017.

COMMISSIONERS' AWARD OF EXCELLENCE – Doug McDaniel, Human Resources Director

Doug McDaniel, Human Resources Director, said Human Resources has some vacancies and they are looking at ways to redeploy staff. He said Amy Sadler, Compensation Technician, Human Resources, has administered the County's Commissioners' Award of Excellence Program and asked the Board to consider moving it to Ann Ames, Deputy Chief Administrative Officer. He noted he has not discussed this matter with Ames. He also suggested that Human Resources retain the budget for the plaques that are given to recipients of the award until the City's and County's budgeting aligns so it can be transitioned.

Schorr asked how the City's Award of Excellence Program is administered. McDaniel said Human Resources has handled that as well through another staff member and does not plan to transfer that responsibility at this time.

Brinkman felt the Board should have a discussion with Ames about her current duties and how this would fit before making a final decision.

Amundson said she believes Ames should have a say in the matter.

Ames said she would like more information about the time commitment. She said the majority of her time is spent working on policy issues.

Schorr felt it may be appropriate to have the County Board's Office take the lead since it is a County program but said she is also concerned about the time commitment. She suggested Ames "shadow" Sadler for a month to see if it is something she could reasonably do.

It was noted the resolution, policy and bylaws that relate to the County's Commissioners' Award of Excellence Program would need to be revised. It was also suggested that the nomination process move to an electronic format.

4. UPDATE ON YOUTH SERVICES CENTER (YSC) DEPUTY DIRECTOR – Sheli Schindler, Youth Services Center (YSC) Director; Doug McDaniel, Human Resources Director; Nicole Gross, Compensation Manager

Doug McDaniel, Human Resources Director, said through discussions with Sheli Schindler, Youth Services Center (YSC) Director, and looking at the Lancaster County Adult Detention Facility's (LCADF's) and Douglas County's Youth Detention Facility's organizational structures, they have concluded that having two administrator positions would better meet the needs of YSC rather than a deputy director (see agenda packet for a draft class description). He said Schindler could hire one administrator and Melissa Hood, Administrative Services Officer (ASO), could potentially move into the other through an audit process. One position could incorporate Hood's current duties and expand that role and the other could take on more of the duties on the floor. McDaniel said the County would likely see an overall payroll savings because it would not be hiring at a deputy level. It would also allow for cross-training and would help with succession planning.

Amundson asked whether the ASO class description could be rewritten instead. McDaniel said it cannot be enhanced because it is shared with other departments.

Wiltgen expressed concern that the minimum qualifications are generic. McDaniel said that is intentional and explained the supplemental questionnaire can get more specific.

Amundson said she needs more convincing that this is the way to proceed and said she would like to discuss the matter further with Schindler.

There was general consensus to authorize Human Resources to schedule the class description before the Personnel Policy Board. If approved, it will be brought back to the Board for ratification.

5. BREAK

No break was taken.

6. DISCUSSION ON ENGINE BRAKING – Pam Dingman, County Engineer; Terry Wagner, County Sheriff

Pam Dingman, County Engineer, said she has received a number of phone calls and emails regarding this issue and has had discussions with two local trucking companies (Gana Trucking & Excavating and Salem Trucking Company) and individuals in the agricultural community who use trucks to haul grain. She said Gana Trucking informed her their fleet has mufflers on engine brakes and questioned whether the Board is seeking to prohibit engine brakes that exceed a certain sound decibel or all engine braking. Dingman pointed out that engine braking was developed as a safety protocol although some truck drivers misuse it. She said it can be an annoyance but said she has concerns regarding enforcement and additional signage.

Terry Wagner, County Sheriff, agreed that it will be difficult to enforce and said he believes the Board is limited in what it can regulate on the roads.

Jenifer Holloway, Deputy County Attorney, appeared and said the Board has statutory authority to adopt traffic regulations not prohibited by state law. **NOTE:** The Board adopted regulations regarding engine braking in 2003 (see County Resolution No. 03-0106) that weren't based on the proper authority. She said language will be included in a proposed resolution to amend County Resolution No. 03-0106 to make it clear that, pursuant to Nebraska Revised Statute § 60-678, any person who violates regulations adopted by a local authority shall be guilty of a Class III misdemeanor.

Eagan said it is up to the Board whether it wants the ability to regulate engine braking. If so, a new resolution is needed as the present resolution is likely unenforceable. Holloway added existing signage will need to be removed if the Board does not pass a resolution to amend or repeal that resolution.

Amundson said she has concerns regarding enforceability, noting this isn't a safety issue.

Wagner said his department has received complaints about engine braking from individuals who live near busy intersections but there hasn't been sufficient identifying information to cite anyone.

Brinkman asked if there is a disturbing the peace or noise ordinance that could be used to issue a citation instead. Wagner said it's possible.

MOTION: Schorr moved and Wiltgen seconded to move forward with a resolution with language to give the County Engineer authority to determine whether to bring a request for signage to prohibit engine braking forward to the County Board for approval or denial.

Dingman said she would have to bring every request for this type of signage forward as she would have no basis for denying a request.

ROLL CALL: Brinkman, Schorr, Avery and Wiltgen voted yes. Brinkman voted no. Motion carried 4-1.

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners
FROM: Brennen L. Miller
Joseph D. Kohout
DATE: February 15, 2018
RE: Weekly Update

Good morning. Today is day 28 of the 2018 Legislature. The Legislature continues its process of conducting morning debate with committee hearings in the afternoon.

LANCASTER COUNTY LEGISLATIVE PRIORITIES

Purchasing Thresholds. Senator Mike Hilgers introduced LB1098 at the County's request. The hearing on this bill occurred Friday February 2nd and Bob Walla testified on behalf of Lancaster County. In addition NACO testified in support, as did Commissioner Brian Zuger of Sarpy County. He did offer testimony that indicated Douglas County supported the bill as well but Sean Kelley was sick and unable to testify. We expect an executive session of the committee to discuss the bill following the Speaker's release of information on how he plans to deal with consent calendar. Senator Hilger's also submitted a letter requesting the Speaker consider LB1098 as a Speaker Priority designation.

Competency Restoration. Senator Matt Hansen introduced LB1010 at the County's request. As noted in last week's report, we received some feedback from the Department of Health and Human Services, Division of Behavioral Health which was reviewed by Mr. Eagan and Commissioners Wiltgen and Schorr. Mr. Eagan and I will be sitting down with Senator Hansen later today to discuss the current language that requires the county to pay for both the evaluation and treatment.

LANCASTER COUNTY ELECTED OFFICIALS/DEPARTMENT HEADS PRIORITIES

LB93 (Hansen) Adopt the Automatic License Plate Reader Privacy Act. **SHERIFF WAGNER OPPOSE.** LB93 adopts the Automatic License Plate Reader Privacy Act. The act provides that an automatic license plate reader system may only be used by a law enforcement agency as an alert for the purpose of identification, by a parking enforcement entity for regulating the use of a parking facility, for the purposes of controlling access to a secured area, for the purpose of electronic toll collection, and to assist weighing stations in performing their duties. The data captured from an automatic license plate reader system may not be retained except for situations specified in section 4 of the act. Any government entity that does use an automatic

license plate reader must adopt a use policy and display that policy on their website, adopt a privacy policy to ensure that the captured information is not shared in violation of this act, and report annually to the Nebraska Commission on Law Enforcement and Criminal Justice on its automatic license plate reader practices and usage. The report should follow the specifications outlined in subsection (3)(a) of section 6 of this act. Plate data that is capture and evidence derived therefrom ay not be received into evidence in any trial, hearing, or other proceeding, and any person who violates this act will be subject to damages.

The bill was passed on final reading on February 8th, and was presented to the Governor where it awaits his signature or veto.

LB672 (Krist) Provide for medical release for committed offenders. NEUTRAL. LB672 allows for an offender who has been committed because of a medial or physical condition to be considered for medial release if they are determined to be terminally ill or permanently incapacitated. Prior to granting release, the department must review the medial, institutional, and criminal records of the offender and any additional medial evidence. To qualify for medial release, the offender must agree to placement for medical treatment. If, during medial release, the offender's condition improves such that they are no longer eligible for release, the department may direct that they be returned to custody pending a hearing. The offender will receive credit for time served on medial release toward the balance of their sentence.

There is a potential cost that could be incurred if the recently released go onto the County's General Assistance program. The hearing on this bill was held on January 17, 2018 before the Judiciary Committee. Sara Hoyle testified in a neutral capacity on behalf of Lancaster County.

The bill remains held in committee.

LB677 (Krist) Change appropriations for certain health and human services programs. **SUPPORT** LB677 increases the funding for behavioral health aid programs from 96,447,841 to 97,634,504. The additional funding is to be taken from the General Fund. LB677 also increased the funding for medical assistance programs to 2,034,850,498 for FY2017-18 and 2,085,328,775 for FY2018-19. The additional funding is to be taken from the General Fund. The funding for Child Welfare Aid is increased to 198,794,731 in both FY2017-18 and FY2018-19. The additional funding is to be taken from the general fund. The funding for Developmental Disability Aid is increased to 158,764,372 in FY2017-18 and 157,627,794 in FY2018-19. The additional funding is to be taken from the general fund

This bill was heard before the Appropriations Committee on February 12, 2018 and remains in committee.

LB715 (Howard) State intent relating to appropriations to local public health departments. **SUPPORT** LB715 states the intent to appropriate to the Department of Health and Human Services \$900,000 from the General Fund for FY2018-19. The Department shall distribute \$50,000 to each of the local public health departments for the purpose of improving preventative health and promoting worksite wellness.

This bill has been referred to the Appropriations had a public hearing on February 12, 2018. It remains in committee

*LB776 (McCollister) Provide requirements for inmate access to telephone or videoconferencing systems in county and city jails. **OPPOSE IN PRESENT FORM/PREFER FCC GUIDELINES.*** LB776 requires each county and city jail to make available either a prepaid telephone call system or collect telephone calls system for telephone services for inmates. The Jail Standards Board is required to ensure that county and city jails are providing inmates with affordable and meaningful means to communicate by telephone or videoconferencing with inmates' families, loved ones, and counsel.

There is some concern about what the term "reasonable" means in this legislation. The hearing on this measure was on Thursday, January 18, 2018. Kerry Eagan testified on behalf of Lancaster County in opposition to this measure.

The bill was advanced to General File by the Judiciary Committee with an amendment attached which clarifies that calls may be made to attorney or attorneys. The bill has reached General File debate agenda beginning yesterday, but was not reached due to extended debate by Senator Chambers yesterday.

Work has continues on this bill, with an amendment being drafted by Larry Dix of NACO. Mr. Dix will be present at today's presentation to walk you all through the proposed amendment, and involved party reaction.

*LB831 (Wayne) Provide annual salary limitations for elected officials of political subdivisions. **OPPOSE.*** LB831 prohibits political subdivisions from paying any elected member of their legislative body an annual salary that is more than two times the annual salary of the member of the Legislature. The hearing on this bill occurred on January 25, 2018 before the Government, Military & Veterans Affairs Committee, where it remains in committee.

*LB861 (Watermeier) Require that certain prosecution costs be paid by the state. **SUPPORT*** LB861 requires the costs of prosecution in excess of the threshold amount be paid by the State if the county's costs of prosecution relating to a single correctional institution incident exceed the threshold amount

This bill was referred to the Judiciary Committee and had a public hearing on February 13, 2018.

*LB870 (Pansing-Brooks) Provide for room confinement for juveniles as prescribed. **MONITOR.*** LB870 requires documentation of room confinement of a juvenile for longer than one hour over a twenty-four-hour period. LB870 prohibits room confinement of a juvenile as punishment, due to a staffing shortage, or for the purpose of retaliation by staff. LB870 also prohibits room confinement of a juvenile unless all other less-restrictive alternatives have been exhausted, and the juvenile poses an immediate and substantial risk of harm to self or others.

LB870 prohibits holding a juvenile in room confinement longer than necessary to eliminate the substantial and immediate risk of harm to self or others, and requires that room confinement only be done for a period that does not compromise or harm the mental or physical health of the juvenile. LB870 outlines various other requirements of room confinement of juveniles.

Commissioner Schorr, Commissioner Brinkman, Kerry Eagan and Joe Kohout met with Senator Pansing-Brooks and her legislative aid Chris Tribsch on Tuesday. The meeting was very fruitful with good, open conversation. Senator Pansing-Brooks is preparing an amendment that will address our key concerns.

As noted above, the Judiciary Committee held its hearing on LB870. The hearing brought numerous proponent testifiers, many of whom had at one point been youth subject to confinement in a facility. Their testimony, while very emotional, brought forward the issue of time youth can spend in solitary, which in the stories presented could be several hours, to several days.

Opponent testimony was presented by staff from Lancaster, Douglas, Sarpy, and Kearney facilities, as well as the Director of Facilities for the Department of Health and Human Services. These positions consistently addressed the proposed three-hour limit to confinement, noting that centers are using this as a last resort when needed to protect other youth, or staff. Given the mental health and behavioral needs of some youth, there are times that the three-hour limit is not enough. Senator Pansing-Brooks noted that everyone has agreed that there should be a time limit, due to that limit being crucial on the overall effects it has on those in confinement.

Senator Pansing-Brooks, in both her opening and closing statements on the hearing praised Lancaster County for coming forward with suggestions to address concerns presented by county staff members. The suggestions will be addressed in a future amendment to the bill. We will work to have these changes presented in a committee amendment before the bill moves to the floor, if it is advanced. The bill remains held in committee.

LB884 (Harr) Change and eliminate provisions relating to county sales and use taxes.
MONITOR. LB884 allows for the imposed sales and use taxes to be used for economic development or manufacturing/industrial site development. LB884 also eliminates applicability to municipalities in certain sections. The hearing on this measure was January 18, 2018 before Revenue Committee. Commissioner Schorr testified on behalf of NACO. The hearing was very balanced and committee members asked good questions. We do not expect the measure to advance from committee. The bill remains held in committee.

LB885 (Harr) Change provisions relating to property tax protests. **OPPOSE.** LB885 requires property tax protests to indicate whether the person signing the protest is the owner of the property. If the person signing the protest is not the owner of the property, the county clerk must mail a copy of the protest to the owner.

This legislation was introduced by Senator Harr at the request of NACO. Dan Nolte sent a letter with the permission of the Board. There was support from NACO and others at the hearing.

The bill was advanced to General File with AM1626 attached. A copy of that amendment is attached with this report.

LB899 (Erdman) Provide for an adjustment to the assessed value of destroyed real property.
MONITOR. LB899 defines destroyed real property as real property that is destroyed by fire or other natural disaster after January 1 and before October 1 or any year. LB898 also makes it the duty of the county assessor to report to the county board of equalization all real property in their county that becomes destroyed real property during any year. After receipt of this report, the county board of equalization must adjust the assessed value of the destroyed real property as prescribed in LB899. The hearing on this bill was on January 25, 2018 before the Revenue Committee. Several testifiers appeared in support and several in opposition. Most indicated that a provision in LB1089, a bill by Senator Jim Smith, represented a better way to address this issue.

The hearing on LB1089 was January 25th. Only one person appeared in opposition – the Nebraska Assessors. It is likely LB1089 will move, but currently remains in committee.

LB905 (Kuehn) Change the burden of proof for certain protests of real property valuations. **OPPOSE.** LB905 places the burden of proof on the county assessor to show that their assessed value is equitable and in accordance with the law at any hearing on a protest regarding real property. The hearing on this bill occurred on January 19, 2018 before Revenue Committee. The bill had no proponents and several opponents. We do not expect the measure to advance from the Revenue Committee.

The bill remains held in committee.

LB943 (Wishart) Redefine a term relating to budget limitations. **SUPPORT.** LB943 changes the definition of allowable growth to mean, for governmental units other than community colleges, the percentage increase in taxable valuation. For community colleges, allowable growth is the percentage increase in excess of the base limitation established in section 77-3446. The hearing on this bill was on January 31, 2018 before the Government, Military & Veterans Affairs Committee.

Proponents of the bill included Lancaster County, the City of Lincoln through the Finance Director and Chief of Police, the League of Nebraska Municipalities, Four Lanes for Nebraska, and the City of Norfolk. Opposition came only from LIBA.

The bill remains held in committee.

LB963 (Smith) Change how often real property is inspected and reviewed for property tax purposes. **OPPOSE.** LB963 requires that real property be inspected and reviewed for property tax purposes no less frequently than every three years.

The hearing on this bill occurred on February 7, 2018 before the Revenue Committee. It was taken with LB961 and LB962. At the hearing, no one appeared in support of any of the bills and no one appeared in opposition; only letters of opposition were read into the record. The bill remains held in committee.

LB964 (McDonnell) Authorize mental health professionals to take a person into emergency protective custody under the Nebraska Mental Health Commitment Act. **OPPOSE IN CURRENT FORM.** LB964 allows for mental health professionals, who have probable cause to believe that a person is mentally ill and dangerous or a danger sex offender, to take such person into emergency protective custody.

Since last week, we have had a series of conversations. What we have been able to determine is that the intent of the bill was to include the definition of “mental health professional” that is located at 71-906 which defines a mental health professional as “a person licensed to practice medicine and surgery or psychology in this state under the Uniform Credentialing Act or an advanced practice registered nurse licensed under the Advanced Practice Registered Nurse Practice Act who has proof of current certification in a psychiatric or mental health specialty.” While the language is more limiting, however, both Kim and Scott Etherton continue to have concerns with the language. To be fair, they remain nervous about practitioners not understanding imminent dangerousness, which is required to take someone’s civil rights from them. The concerns remain that emergency room doctors could be loading up the crisis center. The question is whether the system is broken and what is trying to be fixed.

In further conversations, it appears that this may be a solution for the Omaha metropolitan area with police needing to be called to emergency rooms to conduct an EPC.

The hearing was yesterday February 14, 2018 before the Judiciary Committee.

LB997 (Murante) Provide limits on salaries of administrative employees of political subdivisions. **OPPOSE.** LB997 prohibits political subdivisions from spending more than five percent of its budgets for salaries and benefits for administrative employees whose primary responsibilities are supervisory or supportive in nature. The hearing on this bill was on January 25, 2018 before the Government, Military & Veterans Affairs Committee. No one appeared in support of the measure and many, many organizations appeared in opposition. The bill remains in committee.

LB1102 (Friesen) Change provisions relating to distribution of taxes collected, license renewals and fees, and the tax on gross proceeds for county and city lotteries. **OPPOSE** LB1102 allows for lottery licenses to be renewed annually. LB1102 requires counties, cities, and villages who conduct a lottery to submit to the department on a quarterly basis a tax of four percent of the gross proceeds. Such tax will be remitted by the Department to the State Treasurer for credit as follows: (1) two percent to the Charitable Gaming Operations fund; and (2) Two percent to the Property Tax Credit Cash Fund.

This bill was referred to the General Affairs Committee and had a public hearing on February 12th. The bill had no supporters testify, and had 4 opponents. We do not expect it to be prioritized or advanced, but continued monitoring will take place

LB1104 (Friesen) Change provisions relating to the special valuation of agricultural or horticultural land. LB1104 adds a new qualification in order for agricultural or horticultural land to receive a special valuation. For land that is located in a county with a population of 100,000 inhabitants or more and that consists of no more than five contiguous acres, the owner or lessee of the land must prove that either: (1) they derived at least 15% of their gross income from agricultural or horticultural activities in the preceding year; or (2) they land produced at least one thousand dollars of gross revenue from agricultural or horticultural activities in the preceding year.

The hearing on this bill has been referred to the Revenue Committee, and will take place on Friday February 23rd.

LB1112 (Vargas) Change provisions relating to placement and detention of juveniles and permit an additional use of funds under the Community-based Juvenile Services Aid Program. **SUPPORT.** LB1112 prohibits juveniles from being placed at a youth rehabilitation and treatment center unless such placement is a matter of immediate and urgent necessity. LB1112 also prohibits juveniles under the age of fourteen from being placed in such centers. LB1112 also prohibits juveniles from being detained unless the physical safety of persons in the community would be seriously threated or detention is necessary to secure the presence of the juvenile at the next hearing. Children twelve years or younger may not be placed in detention under any circumstances. Juveniles may not be placed into detention: (1) to allow a parent or guardian to avoid legal responsibility; (2) to punish, treat, or rehabilitate; (3) to permit more convenient administrative access; (4) to facilitate further interrogation or investigation; or (5) due to lack of more appropriate facilities.

It strikes language for political subdivisions to publicize meeting designated by each political body and requires them to publish such notice in a newspaper of general circulation in each county within the public entities jurisdiction as well as any other method designated by the public body. The newspaper notice does not have to be published in every county but must have a general circulation within the county. This proposal is also not intended to apply to state agencies but just political subdivision.</p> |

| LB1100 | Erdman | | Revenue 02/23/2018 | In Committee | Change the valuation of agricultural land and horticultural land <i>For tax years 2019 and after, the actual value of agricultural and horticultural land will be determined based upon the land's capitalized net earning capacity. Capitalized net earning capacity will be determined by using an agricultural land valuation manual developed and updated by the Agricultural Land Valuation Board. Except for wastelands, the actual value of agricultural and horticultural land will be determined by: (1) dividing agricultural and horticultural land into the major use categories and dividing such categories into subclasses based on soil productivity classifications; (2) computing a gross revenue based on a three-year average of annual gross incomes; and dividing the gross revenue by a discount rate determined by the Agricultural Land Valuation Board. The actual value for wasteland will be computed based on five percent of the assessed value of all agricultural and horticultural land in the crop reporting district.</i> <i>Agricultural land and horticultural land will be separated into five major categories: (1) sprinkler irrigated cropland; (2) gravity irrigated cropland; (3) dryland cropland; (4) grassland; and (5) wasteland. Intensive agricultural uses such as nurseries, feedlots, and orchards will be categorized as sprinkler irrigated cropland, gravity irrigated cropland, or dryland cropland. LB1100 also creates the Agricultural Land Valuation Board. The membership and responsibilities of the Board are outlined in LB1100.</i> |

LB1112 also prohibits juveniles under the age of fourteen from being placed in such centers. AMENDMENTS TO LB885

Introduced by Revenue.

1 1. Strike the original sections and insert the following new
2 sections:

3 Section 1. Section 77-1502, Revised Statutes Cumulative Supplement,
4 2016, is amended to read:

5 77-1502 (1) The county board of equalization shall meet for the
6 purpose of reviewing and deciding written protests filed pursuant to this
7 section beginning on or after June 1 and ending on or before July 25 of
8 each year. Protests regarding real property shall be signed and filed
9 after the county assessor's completion of the real property assessment
10 roll required by section 77-1315 and on or before June 30. For protests
11 of real property, a protest shall be filed for each parcel. Protests
12 regarding taxable tangible personal property returns filed pursuant to
13 section 77-1229 from January 1 through May 1 shall be signed and filed on
14 or before June 30. The county board in a county with a population of more
15 than one hundred thousand inhabitants based upon the most recent federal
16 decennial census may adopt a resolution to extend the deadline for
17 hearing protests from July 25 to August 10. The resolution must be
18 adopted before July 25 and it will affect the time for hearing protests
19 for that year only. By adopting such resolution, such county waives any
20 right to petition the Tax Equalization and Review Commission for
21 adjustment of a class or subclass of real property under section
22 77-1504.01 for that year.

23 (2) Each protest shall be signed and filed with the county clerk of
24 the county where the property is assessed. The protest shall contain or
25 have attached a statement of the reason or reasons why the requested
26 change should be made and a description of the property to which the
27 protest applies. If the property is real property, a description adequate

1 to identify each parcel shall be provided. If the property is tangible
2 personal property, a physical description of the property under protest
3 shall be provided. If the protest does not contain or have attached the
4 statement of the reason or reasons for the protest or the applicable
5 description of the property, the protest shall be dismissed by the county
6 board of equalization. The protest shall also indicate whether the person
7 signing the protest is an owner of the property or a person authorized to
8 protest on behalf of the owner. If the person signing the protest is a
9 person authorized to protest on behalf of the owner, such person shall
10 provide the authorization with the protest. If the person signing the
11 protest is not an owner of the property or a person authorized to protest
12 on behalf of the owner, the county clerk shall mail a copy of the protest
13 to the owner of the property at the address to which the property tax
14 statements are mailed.

15 (3) Beginning January 1, 2014, in counties with a population of at
16 least one hundred fifty thousand inhabitants according to the most recent
17 federal decennial census, for a protest regarding real property, each
18 protester shall be afforded the opportunity to meet in person with the
19 county board of equalization or a referee appointed under section
20 77-1502.01 to provide information relevant to the protested property
21 value.

22 (4) No hearing of the county board of equalization on a protest
23 filed under this section shall be held before a single commissioner or
24 supervisor.

25 (5) The county clerk or county assessor shall prepare a separate
26 report on each protest. The report shall include (a) a description
27 adequate to identify the real property or a physical description of the
28 tangible personal property to which the protest applies, (b) any
29 recommendation of the county assessor for action on the protest, (c) if a
30 referee is used, the recommendation of the referee, (d) the date the
31 county board of equalization heard the protest, (e) the decision made by

1 the county board of equalization, (f) the date of the decision, and (g)
2 the date notice of the decision was mailed to the protester. The report
3 shall contain, or have attached to it, a statement, signed by the
4 chairperson of the county board of equalization, describing the basis
5 upon which the board's decision was made. The report shall have attached
6 to it a copy of that portion of the property record file which
7 substantiates calculation of the protested value unless the county
8 assessor certifies to the county board of equalization that a copy is
9 maintained in either electronic or paper form in his or her office. One
10 copy of the report, if prepared by the county clerk, shall be given to
11 the county assessor on or before August 2. The county assessor shall have
12 no authority to make a change in the assessment rolls until there is in
13 his or her possession a report which has been completed in the manner
14 specified in this section. If the county assessor deems a report
15 submitted by the county clerk incomplete, the county assessor shall
16 return the same to the county clerk for proper preparation.

17 (6) On or before August 2, or on or before August 18 in a county
18 that has adopted a resolution to extend the deadline for hearing
19 protests, the county clerk shall mail to the protester written notice of
20 the board's decision. The notice shall contain a statement advising the
21 protester that a report of the board's decision is available at the
22 county clerk's or county assessor's office, whichever is appropriate. If
23 the protester is not an owner of the property involved in the protest or
24 a person authorized to protest on behalf of the owner, the county clerk
25 shall also mail written notice of the board's decision to the owner of
26 such property at the address to which the property tax statements are
27 mailed.
