The Chair noted the location of the Open Meetings Act and opened the meeting at 8:33 a.m.

1. APPROVAL OF STAFF MEETING MINUTES FOR APRIL 12, 2018

MOTION: Schorr moved and Amundson seconded approval of the April 12, 2018 Staff Meeting minutes. Amundson, Avery, Brinkman, Schorr and Wiltgen voted yes. Motion carried 5-0.

2. MEETING WITH LANCASTER COUNTY VILLAGES:

A. DESIGNATION OF HISTORIC PROPERTIES – Ed Zimmer, Planner II, Historic Preservation, Lincoln-Lancaster County Planning Department

B. COUNTY ENGINEER FACILITIES IN OR NEAR VILLAGES – Pam Dingman, Lancaster County Engineer

C. ACCESSORY DWELLING UNITS – Tom Cajka, Planner II, Lincoln-Lancaster County Planning Department

D. ROUNDTABLE DISCUSSION

Separate minutes.

3. BREAK

The meeting was recessed 10:00 a.m. and reconvened at 10:15 a.m.

4. LEGISLATIVE UPDATE – Joe Kohout, Brennen Miller and Gordon Kissel, Kissel, Kohout, ES Associates, LLC (Legislative Consultants)

Joe Kohout, Kissel, Kohout, ES Associates, LLC, gave a legislative update and presented legislative bill summaries (Exhibit A-C).

Kohout said yesterday was the sixtieth day of the term after a one-week recess; only two bills on Final Reading were debated in earnest: Legislative Bill (LB)873 (Change provisions relating to cities of particular classes and villages, correct and include references as prescribed, eliminate obsolete provisions and repeal definitions, provide for interlocal nuisance agreements, to determine population thresholds, redefine certain economic development programs, authorize creation of additional land banks, change comprehensive plans for an early childhood element, authorize short-term rentals, and change provisions relating to the official state slogan and symbol) and LB496 (Redefine development project under the Community Development Law).

Kohout noted that there was less than \$600,000 for the State to spend after the Nebraska Economic Forecasting Advisory Board revenue projections were made in February, which greatly limited the bills considered on General File. The cash reserve is down from \$680 million at the close of 2016-17 to \$296 million now. Wiltgen pointed out the State's cash reserves will be further impacted if ballot initiatives on minimum wage and property taxes are successful and there is a trade war, resulting in reduced revenue from agriculture.

Kohout informed the Board that the Governor did sign LB1098 (Change dollar threshold for certain purchasing requirements under the County Purchasing Act) and recommended initiating a conversation, now that the session is over, to get something done next year on the competency restoration issue.

Additional highlights of the session were provided by Kohout. LB841 (Change provisions relating to parole administration and correctional services) was signed by the Governor on April 17, 2018. LB870 (Provide for room confinement for juveniles as prescribed) will continue to be an issue next year. He said there is now a framework for the bill and recommended continued work with Senator Patty Pansing Brooks.

Interim study resolutions of interest to Lancaster County (Exhibit A, pages 7-9) will be monitored and the lobbyists will notify the Board as they are scheduled for public hearing. A couple studies of particular interest are Legislative Resolution (LR)370 (Interim study to conduct a review of issues arising from the lack of mental health treatment for those in the criminal justice system), LR437 (Interim study to analyze possible improvements and changes to the standing committee system of the Legislature), and LR455 (Interim study to identify evidence-based best practices for establishing an early warning system to identify and respond to fiscal distress among local political subdivisions).

Kohout also recommended monitoring of the property tax issue and the expansion of Medicaid petition in the interim. Issues anticipated for next year include competency restoration, implementation of changes in LB1112 (Change provisions relating to placement and detention of juveniles and permit an additional use of funds under the Community-based Juvenile Services Aid Program) into LB670 (Change provisions relating to the juvenile justice system, commonly referred to as the Juvenile Detention Alternatives Initiative (JDAI) bill, prison overcrowding, changes within LB841 (Change provisions relating to parole administration and correctional services), and road funding alternatives.

Schorr asked that Pansing Brooks' interim study related to school resource officers be added to the list of resolutions to monitor.

D. General Assistance (GA) Letter to Brown County

Eagan said the County Attorney has requested that this item be discussed in Executive Session.

DEPUTY CHIEF ADMINISTRATIVE OFFICER REPORT

A. Sequential Intercept Mapping Workshop

Kim Etherton, Community Corrections Director, felt it would be beneficial to have a Commissioner present at the workshop which will be held June 12-13, 2018. Wiltgen said he would be available to attend.

DISCUSSION OF BOARD MEMBER MEETINGS ATTENDED

A. Information Services Policy Committee (ISPC) – Brinkman

Brinkman said they are looking at standardization guidelines and eliminating outdated software within the departments. They are also working with the Purchasing Department to retain the services of a consultant to evaluate the best option for the Criminal Justice Information System (CJIS). The options are to overwrite the current system or purchase new software.

B. Parks and Recreation Advisory Board – Schorr

Schorr said 12-year-old Simon Brockmeier presented information regarding a fundraising project for Bishop Heights Park. She noted he has far exceeded his original amount and continues to raise money for additional projects.

5. PRESENTATION FROM CONCORDE MANAGEMENT AND DEVELOPMENT, INC. REGARDING TRABERT HALL – David Schmidt, President; Dana Schmidt, Vice President

David Schmidt and Dana Schmidt, Concorde Management and Development, Inc., introduced their company's credentials and presented concept plans for Trabert Place from Gill Peace, Peace Studio Architects (Exhibit D-E).

Concorde Management is proposing multi-family workforce units for the community utilizing historic tax credits for the project. The building would need to be listed on the national register and is already designated as a local landmark. The plans show highest density with row houses or townhomes, which are not finalized yet, that will match the existing neighborhood. These units will be for sale as opposed to the proposal for the existing Trabert Hall building, which will have 57 units (studio, as well as one, two, and three-bedroom apartments). The proposal includes the existing gym being split with space for a community room for public meetings, a green area in the existing courtyard that includes amenities for building tenants (i.e. barbeques) and possible community green areas.

The project would be brought onto the tax rolls. Concorde is not intending to ask for TIF (tax increment financing) dollars but wants to leave that option open in the event they have difficulty receiving historic tax credits. The units are projected to cost well over \$100,000 each so funding assistance will be necessary to make them affordable for workforce housing, which was defined as typical workers (nurses, fast food workers, construction workers, etc. employed in the neighborhood). They will not use low-income tax credits nor are they planning to accept Section 42 or Section 8 housing.

Avery inquired about their bid amount. Concorde was one of the final two bidders at auction with a bid of \$775,000 against a closing bid of \$800,000. **NOTE:** On March 20, 2018, via County Resolution No. 18-0022, the Board formally rejected all bids received at auction. Kerin Peterson, Facilities and Properties Director, subsequently contacted bidders about increasing their original best offer.

Because the building is nearly 100 years old, it is assumed that it will need a lot of updating so Concorde Management does not want to increase their offer any further. The timeframe to get the building on the National Register is one to six months, during which time demolition can begin. Apartments will likely be available to the public in 18 months.

For the record, Schorr asked for confirmation of Concorde Management's revised final bid offer amount. Schmidt confirmed it is \$925,000.

Wiltgen indicated he was hoping for housing for the elderly or disabled because that is something the community desperately needs.

The decision to accept a bid will be made in a matter of weeks at a Tuesday meeting with all five members present.

6. PURCHASE OF TRUCK FOR COUNTY ENGINEER – Bob Walla, Purchasing Agent; Pam Dingman, Lancaster County Engineer

Pam Dingman, County Engineer, and Ron Bohaty, Road Maintenance Superintendent, requested that the Board act on the purchase of a new sign truck. Dingman explained the engine of the old truck was blown and bids were received yesterday for a new one. The bid from Woodhouse Ford is \$44,928, which is nearly \$11,000 under the sticker price. If approved, a new truck could be delivered tomorrow. The new four-wheel drive truck will be diesel and its larger size will better support the weight of the sign truck assembly. The sign truck assembly would be repurposed from the old truck onto the new truck. Dingman said she has money in the budget for the purchase, explaining she had budgeted \$250,000 for two motor graders and the final price came in at \$204,000.

MOTION: Schorr moved and Amundson seconded to authorize the purchase of a new sign installation truck for the County Engineer. Brinkman, Schorr, Avery, Amundson, and Wiltgen voted yes. Motion carried 5-0.

D. Lincoln Independent Business Association (LIBA) Elected Officials Meeting – Amundson

Amundson said Senator Suzanne Geist discussed tax proposals in the Legislature, the potential impact of Senator Steve Erdman's ballot initiative for property taxes, as well as various proposals and possible budget scenarios. Geist reported that Senator Tom Brewer has requested a special session on property tax relief. Lincoln City Councilman Jon Camp spoke about the City's biking lanes and his proposal to allow bikes to ride on downtown sidewalks.

E. District Energy Corporation (DEC) – Schorr/Avery

Avery reported they approved the audit. Schorr added there was an update of the Enterprise Risk Management System used by Lincoln Electric System (LES) which the DEC will copy.

F. Lancaster County Mental Health Crisis Center Advisory Board – Avery

This item was discussed at the April 12, 2018 Board of Commissioners Staff meeting.

SCHEDULE OF BOARD MEMBER MEETINGS

In reviewing the list of upcoming meetings, Brinkman noted the Board had sent a letter, in conjunction with the rural fire districts, to the Emergency Medical Services Oversight Authority (EMSOA) requesting funding for a radio upgrade for the nine rural fire districts within Lancaster County. However, Jim Davidsaver, Emergency Management Director, has since secured funding. Brinkman asked if there were any objections to asking EMSOA to remove discussion of the letter from their agenda. There were no objections.

Wiltgen asked if there were any issues to be discussed at the Lancaster County Board Chair and Vice Chair Meeting with the Planning Department. None were offered.

OTHER BUSINESS

Schorr reported that there are 400 to 500 collegiate bowlers in Lincoln for the National Collegiate Singles and Team Championships.

RETURNING TO ITEM 9D

MOTION: Schorr moved and Amundson seconded to go into Executive Session at 11:22 a.m. for the purpose of potential litigation and to protect the public's interest.

The Chair said it has been moved and seconded that the Board enter Executive Session.

ROLL CALL: Schorr, Avery, Amundson, Brinkman, and Wiltgen voted yes. Motion carried 5-0.

The Chair restated the purpose for the Board entering Executive Session.

MOTION: Amundson moved and Brinkman seconded to exit Executive Session at 11:39 a.m. Avery, Amundson, Brinkman, Schorr, and Wiltgen voted yes. Motion carried 5-0.

7. PRESENTATION FROM CENTERPOINTE, INC. REGARDING TRABERT HALL – Topher Hansen, President and Chief Executive Officer (CEO), CenterPointe, Inc.; CenterPointe, Inc. Representatives

Topher Hansen, President and Chief Executive Officer, CenterPointe, Inc., and Ben Harris, Chief Executive Officer, Hormel Harris Foundation, presented their bid for Trabert Hall to the Board. Harris said CenterPointe sees value with the structure and its location. The building would be gutted and the first and second floors converted into office and clinical spaces to expand physical and behavioral health services to CenterPointe's current clients and patients. The third and fourth floors would be converted into residential inpatient services. Their \$400,000 cash offer would allow CenterPointe to close and pay the County within 90 days. The timeframe to secure funding for the renovation would take approximately 24 months and the project is estimated to cost \$10 million. The project would involve the sale of CenterPointe's building at 13th and E Streets. The building would be sold to Hormel Harris Investments and be leased back to CenterPointe for a period of 24 months so it can avoid displacement during renovation of Trabert Hall. The transaction allows CenterPointe to have the equity to purchase Trabert Hall, and at that point the building would lose its tax-exemption status and be returned to the tax rolls. **NOTE:** The offer to the County for Trabert Hall is the difference between the sale price and CenterPointe's debt.

Harris recommended to the CenterPointe Board of Directors that the purchase price be increased by a \$100,000 post-closing payment to a total of \$500,000 and discussed the proposed tax credits outlined in the letter of support by consultant Advantage Capital (Exhibit F). There are four

important requirements of the Federal New Markets Tax Credits outlined in the letter that were explained.

Hansen walked through the highlights of the PowerPoint presentation entitled "Proposal" (Exhibit G). He supplemented the presentation by pointing out that Trabert Hall would allow CenterPointe to provide housing and physical medicine, as well as behavioral health medicine, in one spot which would, in turn, allow for a greater coordination of services.

Wiltgen asked for further explanation on CenterPointe's plan for the building. Eight diagrams were provided and discussed by Hansen (Exhibit H). Hansen explained that the fourth floor will be U.S. Department of Housing and Urban Development (HUD) housing (16 single-bedroom or studio apartments for the homeless receiving services). It is considered permanent housing. The third floor is for community transition housing with 16 beds providing training for independent living. Clients living here would participate in other CenterPointe services during the day. The first and second floors would be a mix of physical health and behavioral health. The daylight basement would tentatively be used for a CenterPoint program that is currently in off-site rented space, which would bring in revenue. It could easily be moved out in the future to expand the behavioral health services. Additional space in the basement would be used for training and meetings.

Amundson asked about tax implications. Harris explained that because CenterPointe is a non-profit it satisfies the "five-point test" for tax exemption. Their 13th and E Street property is currently tax exempt but will go back on the tax rolls if the building is sold to a for-profit entity. If the transaction occurs before the October 15th levy date, it will be taxable for the entire 2018 tax year. In regard to Trabert Hall, if they do a low-income housing tax credit project for the third and fourth floors the residential component would be owned by a newly formed Limited Liability Company (LLC) and would not qualify for the tax exemptions. Likewise, to qualify for new market tax credits for the lower level, first and second floors it would have to be owned by a qualified low-income community business so a new LLC would be required.

Schorr asked for clarification on the additional \$100,000 at closing. Harris explained that it would be his recommendation that CenterPointe increase their \$400,000 bid by \$100,000 payable upon the closing of construction financing (within 24 months) since they do not have the liquidity to pay \$500,000 at the sale closing. Based upon conversations with tax-credit investors, including the letter from Advantage Capital (see Exhibit F), funds from the New Market Tax Credit Program have to be placed in service by December 31, 2018 so the payment could be made sooner. Hansen and the CenterPointe Board Chairman supports the recommendation.

Wiltgen asked for additional clarification on the expansion of services. Hansen explained they have increased from 1700 to 3000 clients, and continue to increase every year, but lack the staffing to expand programs (see Exhibit G). He added they are currently in discussions with three different entities about four different programs that would expand services.

Amundson inquired about the impact on homelessness in the community. Hansen responded that it has been huge, noting approximately 75% of the people served by CenterPointe make less than \$5,000 a year. About 60% of those are homeless at the time of admission. Two staff members provide community outreach, one exclusively in downtown, and they also provide 260 housing units for the homeless on any given night. The current homeless count is in the 400's, while two years ago it was in the 700's and prior to that it was nearly 1,000.

Schorr asked what reimbursement services CenterPointe plans to use for their costs. Hansen responded that they want to get further into Medicaid. They have also been receiving money from Probation and are beginning a pilot program with them that focuses on transitional living.

Wiltgen reiterated that the Board will look at the budget impacts of the various offers and will make a decision on the sale of Trabert Hall within a few weeks.

Brinkman exited the meeting at 12:15 p.m.

8. DEPARTMENT BUDGET HEARINGS – Dennis Meyer, Budget and Fiscal Officer

Budget and Fiscal Office

Dennis Meyer, Budget and Fiscal Officer, indicated his department's budget reflects a 13.9% increase primarily because Liz Thanel, Accountant, plans to retire on or about January 31, 2019. The increase includes her benefits payout, the costs associated with hiring a new employee, a new laptop, and possible temp services as needed to help with the transition. Wiltgen asked about salary savings. Meyer indicated that will be reflected next fiscal year.

With regards to future projects and upgrades, the JD Edwards EnterpriseOne system (accounting software) will have to be upgraded at some point. There is also a consideration to purchase OpenGov software for budgets which the City of Lincoln will be using. It was noted that a future demonstration could be scheduled for the Board.

County Board

Meyer explained that the County Board's budget covers the Commissioners' salaries and benefits. It was noted one commissioner had a health insurance change and there may be additional ones after the election.

Veterans Services – Rick Ringlein, Lancaster County Veterans Service Officer

Rick Ringlein, Lancaster County Veterans Service Officer, said biggest increase to his department's budget is based on the increased cost of employee bonding. He said he also budgeted for four new computers. Ringlein and Meyer updated the Board on the status of the County Veteran's Aid Fund noting there was no need to transfer additional money into the fund. Ringlein also mentioned that the Department receives many private donations (i.e., gift cards) which are disbursed to veterans. Wiltgen asked Ringlein to extend the Board's appreciation to the donors for their generosity.

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners

FROM: Joseph D. Kohout
Brennen L. Miller
Gordon E. Kissel

DATE: April 19, 2018

RE: Final Weekly Report – 2018 Session

Please accept this as your final weekly report for the 2018 Legislative session. Yesterday was the 60th and final day of the 2018 session. After convening at 1pm, senators voted on several measures on Final Reading with only two bills – LB873 and LB496 - facing strong opposition on Final Reading. Following those votes, the departing Senators gave their farewell remarks to the Legislature – this included Senators Roy Baker, Lydia Brasch, Burke Harr, Bob Krist, John Kuehn, Tyson Larson, Paul Schumacher and Jim Smith. Six of these eight are being forced to vacate their seats due to term limits – the other two chose not to seek re-election.

In our opinion, this session was the session of the filibuster; very few bills that met with any opposition actually made it across the finish line. With the imposition of the split of the six hours of debate on General File at three hours, it became very difficult for any senator or group of senators to be offensive on legislation – meaning that those who took a defensive position were able to defeat legislation by merely holding onto roughly 20 votes.

Furthermore, with a budget which after the February forecasting board meeting left only and estimated \$600,000 for legislation that was advanced by individual committees, any legislation which had a financial impact in the current biennium were considered “dead on arrival” at General File. This caused senators who wished to pass large bills with fiscal impact saw effective dates on those bills pushed into the out-years or FY2019-20 and after. The cash reserve of the state will be drawn down at the end of the two-year period to \$296 Million – down from the reserve as it was at the close 2016-17 at \$680 Million.

If we look at the session as a close on a two-act play, I think we could safely say that this was the most contentious legislature in modern history. The frustrations started on the first day of the 2017 session and continued up and through to this week. That first day saw the removal of several standing committee chairs who happened to be Democrats in favor of more conservative Republicans. This effort never sat well with the 20 or so members that were left in the minority – these included Democrats and moderate Republicans. The anger by these members led to opposition to rules changes and a near 50-day rules debate in 2017. Thankfully, the members did adopt a rules change this week that made the rules applicable, once adopted, to both years of

the biennial session. This will hopefully offset future debates on the rules like the one we saw last year.

LANCASTER COUNTY LEGISLATIVE PRIORITIES

Purchasing Thresholds. Senator Mike Hilgers introduced LB1098 at the County's request. The hearing on this bill occurred Friday February 2nd and Bob Walla testified on behalf of Lancaster County. In addition NACO testified in support, as did Commissioner Brian Zuger of Sarpy County. He did offer testimony that indicated Douglas County supported the bill as well but Sean Kelley was sick and unable to testify.

LB1098 was advanced to General File on a 5-1-1 vote with Senators Murante, Lowe, Thibodeau, Hilgers, Brewer and Briese voting yes. Senator Wayne voted no and Senator Blood abstained.

The bill was advanced on Thursday, March 15, 2018 with no debate at General File. On Wednesday, March 28, 2018, the bill was advanced off of Select File and has been placed on Final Reading. The bill passed on Final Reading on Wednesday, April 10, 2018 and was sent to the Governor for his signature or veto. The bill was signed by the Governor and sent to the Secretary of State. The bill will become effective on July 18, 2018.

Competency Restoration. Senator Matt Hansen introduced LB1010 at the County's request. Last week, Mr. Eagan and Brennen Miller met with Senator Hansen, his Legislative Aide, and Linda Wittmuss of the Division of Behavioral Health regarding the bill's requirement that the costs of the program fall to the county. This meeting did not result in a change to that language, with Senator Hansen indicating the hearing would be held on the introduced language, with more conversations to take place in the future. These meetings will work towards a new bill being introduced next year. The hearing took place on Wednesday, February 21st, with Mr. Eagan and County Defender Mr. Nigro testifying in support. The Division of Behavioral Health sent a letter in opposition, based on the introduced copy, however they did indicate they are willing to continue work on this topic. Support from the committee was strong, with the majority of those Senators present voicing their interest in assisting in future conversations, and any bill introduced next year.

As a result of a strong desire to get something done next year, Senator Matt Hansen introduced LR370 which calls for a study of the issues arising from the lack of mental health treatment for those in the criminal justice system.

Furthermore, in private conversations we have had with Sheri Dawson, Director of the Division of Behavioral Health, there is a strong desire on their part to continue to work towards a solution to address the concerns raised at the hearing. This legislation will be important to work on in the coming months to prepare it for introduction and passage in 2019.

Tax Reform. As discussed in previous reports, there has been movement on the tax package. In particular, the Governor's bill, introduced by Senator Smith, was advanced by the Revenue Committee on Tuesday, March 20, 2018. The bill appeared on the Legislative Agenda on Tuesday and Wednesday of last week.

The bill was debated on Tuesday, April 3, 2018 and removed following three hours of debate. It did not return this year.

On Monday, March 26, 2018 the Education Committee advanced LB1103 to General File. The bill in its advanced form would provide for a base-line level of funding for schools throughout the state. There has been a one-pager floated of a possible amendment that would replace the provisions of LB1103. Included in this is a cigarette tax increase of \$1.50. However, concerns about the germaneness of an amendment of this kind have been raised. The bill was debated on Friday, April 6, 2018 and was pulled from the agenda after 3 hours of debate.

We discuss the impact of the continued efforts on property tax relief in the “Interim Activities of Interest” section below. It will be important to continue to keep a keen eye on the issues raised by petition drive in the coming months.

LANCASTER COUNTY ELECTED OFFICIALS/DEPARTMENT HEADS PRIORITIES

LB93 (Hansen) Adopt the Automatic License Plate Reader Privacy Act. SHERIFF WAGNER OPPOSE. The bill was signed by the Governor on February 14, 2018. Please note that an amendment was adopted that addressed Sheriff Wagner’s concerns.

LB672 (Krist) Provide for medical release for committed offenders. NEUTRAL. The bill did not advance from the Judiciary Committee, however a similar piece of Legislation was included in LB841 – the Corrections “clean-up bill”. We discuss further below.

LB677 (Krist) Change appropriations for certain health and human services programs. SUPPORT. This increase was not included in LB944 advanced from the Appropriations Committee, passed by the Legislature and signed by the Governor.

LB715 (Howard) State intent relating to appropriations to local public health departments. SUPPORT This increase was not included in LB944 advanced from the Appropriations Committee, passed by the Legislature and signed by the Governor.

LB776 (McCollister) Provide requirements for inmate access to telephone or videoconferencing systems in county and city jails. OPPOSE IN PRESENT FORM/PREFER FCC GUIDELINES. This bill was the subject of much debate and negotiations during this session. McCollister compromise amendment was adopted and the bill was advanced to Select File. On Friday, April 6, 2018 the bill was advanced to Final Reading and passed on Wednesday, April 11, 2018. It was sent to the Governor for his signature or veto. The Governor signed the bill on April 17, 2018.

LB831 (Wayne) Provide annual salary limitations for elected officials of political subdivisions. OPPOSE. The hearing on this bill occurred on January 25, 2018 before the Government, Military & Veterans Affairs Committee, where it remains in committee. **It was killed on a procedural motion yesterday.**

LB841 (Pansing-Brooks) Provide duties relating to correctional overcrowding emergencies. OPPOSE AM2092, SEC. 20. **On April 4, 2018, the bill was advanced from Select File to Final Reading. On Wednesday, April 11, 2018, the bill passed and was sent to the Governor for his signature or veto.** The Governor signed the bill on April 17, 2018.

The bill was advanced by the Judiciary Committee with provisions which would have negatively impacted Lancaster County. Working with NACO, Douglas County, Senator Ebke, Senator Krist and the Governor’s office, we were able to successfully negotiate a provision to remove the provisions that most concerned Brad Johnson. Other provisions similar to the provisions

introduced as part of LB672 noted above remained in the bill but were amended to mirror current policies at the Board of Parole. While concerns remain from Sara Hoyle about the potential cost of the individuals paroled, it is the opinion of the administration that many of these folks are already being paroled.

We note it below, but suggest that begin an active dialogue with the administration to work with them to stop the efforts to put these individuals on the county's general assistance rolls.

LB861 (Watermeier) Require that certain prosecution costs be paid by the state. SUPPORT. The was taken up on Select File on April 9, 2018 and all amendments thereto were stricken from the bill and language requested by the State's Risk Manager was attached. The amendments that concerned the county – the Harr amendments - were withdrawn and the bill moved to Final Reading. The bill passed on Final Reading on Wednesday, April 11, 2018 and was sent to the Governor for his signature or veto. The Governor signed the bill on April 17, 2018.

LB870 (Pansing-Brooks) Provide for room confinement for juveniles as prescribed. MONITOR. Commissioner Schorr, Commissioner Brinkman, Kerry Eagan and Joe Kohout met with Senator Pansing-Brooks and her legislative aid Chris Tribsch early in the session to work through concerns identified to commissioners. The meeting was very fruitful with good, open conversation. The hearing on the bill brought numerous proponent testifiers, many of whom had at one point been youth subject to confinement in a facility. Their testimony, while very emotional, brought forward the issue of time youth can spend in solitary, which in the stories presented could be several hours, to several days. Senator Pansing-Brooks, in both her opening and closing statements on the hearing praised Lancaster County for coming forward with suggestions to address concerns presented by county staff members.

The Judiciary Committee did advance its omnibus juvenile justice legislation in LB670. The bill did not contain LB870. The Judiciary Committee, and in particular Senator Laura Ebke, felt that the bill was too controversial and indicated that the committee would not advance the bill.

We do expect the bill to be the subject of legislation next year and as such suggest meeting with Senator Pansing-Brooks early in the interim to discuss the provisions therein.

LB884 (Harr) Change and eliminate provisions relating to county sales and use taxes. MONITOR. LB884 allows for the imposed sales and use taxes to be used for economic development or manufacturing/industrial site development. The hearing on this measure was January 18, 2018 before Revenue Committee and Commissioner Schorr testified on behalf of NACO. The hearing was very balance d and committee members asked good questions. The bill did not advance from Committee and was killed on a procedural motion yesterday.

LB885 (Harr) Change provisions relating to property tax protests. OPPOSE. The bill was advanced to General File with AM1626 attached. The bill was placed on the Consent Calendar and passed on April 10, 2018. It was signed by the Governor on April 11, 2018.

LB899 (Erdman) Provide for an adjustment to the assessed value of destroyed real property. MONITOR. LB899 defines destroyed real property as real property that is destroyed by fire or other natural disaster after January 1 and before October 1 or any year. LANCASTER COUNTY INTERIM ACTIVITIES OF INTEREST

Following the breakdown of negotiations between Senators with competing tax packages, Senator Tom Brewer produced a letter containing 13 signatures by his peers calling for an official poll to be taken on a call for a special session of the Legislature. This session, if gaining the required 33 ‘aye’ votes by the members would be tasked with reducing property taxes. The poll requires the Secretary of State to send a certified letter to all Senators, who return the letter with their vote for a session, or do not return if they are opposed. These letters were mailed over the past weekend to members. Speaker Scheer, in an address to the members, stated that he would not be submitting his vote in favor. It is unlikely that 33 members will return aye votes.

Beginning last Summer Senator Steve Erdman started floating the idea of a ballot initiative that would force the hand of state government to reduce property taxes by providing substantial tax relief via a property tax credit. These credits, if enough signatures are gathered and voters pass the initiative in November, are estimated to create over a one billion dollar hole in the state budget. Closing this gap would be an enormous undertaking, likely to cause the shuttering of many programs and agencies that people across the state rely on. Officials would be forced into these drastic cuts, or finding additional revenue. The additional revenue could include increasing taxes in areas like sales and income taxes. Over the summer petition circulators will be across

the state working to gather the proper number of signatures from each county. During this time we also expect a heavy opposition campaign.

While the petition drive on property tax reductions gathers signatures, another drive is underway to bring Medicaid expansion to a vote of the people. ‘Insure the Good Life’, brought by backers of past attempts to pass a bill on expansion and those who successfully put the measure to a successful vote of the people in Maine last year. We expect a heavy campaign both in support, and opposed to the measure.

As we prepare to enter into the 2019-2020 Legislature, there are some issues that believe necessary to address:

1. **Competency Restoration:** This bill was one that was a priority for the County but ran into concerns on the part of the Division of Behavioral Health. We recommend work on this issue in the coming months to get the bill into shape for consideration by the next Legislature. It is important to recall that there will likely be a large “ask” in behavioral and mental health due to the presentation of a rates study that is due to be released in June 2018.
2. **Implementation of the changes in LB1112 as amended into LB670:** These changes, while supported by the County Board, adopt changes which are more in line with those contemplated by JDAI, it will be important to work through these in the coming months to ensure that there are not any unforeseen consequences.
3. **Prison overcrowding and the changes held within LB841:** We believe that the coming months could present an opportunity to meet with and work the administration on the importance of adopting policies to ensure that individuals released from state correctional facilities are not being encouraged to take advantage of county safety net. Rather, to begin a dialogue to ensure that these individuals are placed on more cost effective programs.

Furthermore, we will need to monitor these developments to ensure there is no attempt to move certain prisoners to the local, county level.

4. **Road funding alternatives:** As we look forward to a Legislature that may be facing fewer opportunities to fund roads programs through General Fund dollars, it may become essential to look at county abilities to maximize their use of current “tools in the toolbox” and suggest potential changes on that front.

CLOSING

We have thoroughly enjoyed working with and for you during the last two sessions and we look forward to doing so over the next few months as we prepare for the 2019-2020 session. This concludes our final report on the 2018 session.

"Public use" means the provision of services directly to members of the public and the transportation of a commodity with direct benefits to members of the public. LB1017 also limits a provision that expired rights if condemnation procedures have not been commenced within two years after the Governor's approval is granted or receipt of an order approving an application under the Major Oil Pipeline Siting Act. LB1084	Briese		Revenue 02/08/2018	In Committee 01/22/2018 Briese Priority Bill	Adopt the Property Tax Request Limitation Act, provide sunset dates for certain tax exemptions and incentives, and change other revenue and taxation provisions
					<p><i>LB1084 adopts the Property Tax Request Limitation Act. The Act prohibits, with exceptions, a school district's property tax request for any year from exceeding the school district's property tax request authority, except for requests that are needed to pay the principle and interest on approved bonds. LB1084 provides the method that each school board of each school district must use to calculate the district's property tax request authority each year. This determined amount must be reported to the State Department of Education. If the department determines that such amount was correctly calculated, it must approve and certify the amount. This certified amount will then be the district's property tax request authority.</i></p> <p><i>The district may exceed its property tax request authority by an amount approved by a majority of the legal voters voting on the issue at a special election called for such purpose. The property tax request amount may also exceed its authority by a percentage approved by an affirmative vote of at least 75% of the school board, with specified limitations.</i></p> <p><i>School districts are not required to increase its property tax request by the full amount allowed in a particular year. If the district elects to not increase to the full amount, they may carry over to future years the amount of unused property tax request authority.</i></p> <p><i>LB1084 provides sunset dates of January 1, 2019 for certain tax exemptions and incentives.</i></p> <p><i>LB1084 imposes a surtax after January 1, 2019 upon an individual who is subject to state income tax under the Nebraska Revenue Act of 1967 and who has federal adjusted gross income for the taxable year of five hundred thousand dollars or more. This surtax will be in addition to any other taxes owed and will be equal to the individual's state income tax liability multiplied by a rate of either: (1) 2.5% if the individual's federal adjusted gross income is at least \$500,000 but less than one million; or (2) five percent if the individual's federal adjusted gross income is at least one million.</i></p> <p><i>LB1084 sets the state tax levied pursuant to section 77-2703 at six percent starting October 1, 2018. LB1084 also includes more services under the definition for "gross receipts for services."</i></p> <p><i>LB1084 requires persons who lack physical presence in the state and who make retail sales of property to purchasers in the state to have the duties and responsibilities of a seller for the purpose of sales and use taxes if such person either: (1) made retail sales of property totaling one hundred thousand dollars or more; or (2) make retail sales of property in two hundred or more separate transactions.</i></p> <p><i>LB1084 eliminates an exception against sales and use taxes for prepared food and food ingredients serviced by schools, admissions fees charged for political events charged by ballot question committees, admissions fees charged by schools, admissions fees charged for participants in any activity provided by a nonprofit sporting event, and admissions fees charged for participation in an activity provided by a nonprofit youth development and healthy living event.</i></p> <p><i>LB1084 provides a new way to calculate individual income tax for taxable years beginning after January 1, 2019. The tax will be a percentage of each individual's federal adjusted gross income as modified, plus a percentage of the federal alternative minimum tax and the federal tax on premature or lump-sum distributions for qualified retirement plans. The additional taxes will be recomputed by (i) substituting Nebraska taxable income for federal taxable income, (ii) calculating what the federal alternative minimum tax would be on Nebraska taxable income and adjusting such calculations for any items which are reflected differently in the determination of federal taxable income, and (iii) applying Nebraska rates to the result. The federal credit for prior year minimum tax, after the recomputations required by the act, shall be allowed as a reduction in the income tax due. LB1084 also provides a new way to compute the taxes imposed on all resident estates and trusts for taxable years beginning or deemed to begin on or after January 1, 2019. The tax will be a percentage of the federal taxable income of such estates and trusts as modified in section 77-2716, plus a percentage of the federal alternative minimum tax and the federal tax on premature or lump-sum distributions from qualified retirement plans.</i></p> <p><i>These additional taxes will be recomputed by (A) substituting Nebraska taxable income for federal taxable income, (B) calculating what the federal alternative minimum tax would be on Nebraska taxable income and adjusting such calculations for any items which are reflected differently in the determination of federal taxable income, and (C) applying Nebraska rates to the result.</i></p> <p><i>LB1084 requires residents of Nebraska who are shareholders of a small business corporation to included in their Nebraska taxable income, to the extent includable in federal gross income, their proportionate share of such corporation's or LLC's federal income without any adjustments.</i></p> <p><i>LB1084 requires the tax commissioner to credit to the Property Tax Credit Cash fund an amount equal to the net increase in state sales and use tax revenue and state income tax revenue as a result of the changes made by LB1084m minus the increase in funds paid to school districts under the Tax Equity and Educational Opportunities Support Act and two hundred thousand dollars to account for money spend on an education study.</i></p> <p><i>LB1084 calculates each local school system's allocated income tax funds by multiplying the local system's income tax liability by twenty percent.</i></p> <p><i>LB1084 requires the State Department of Education to oversee and in-depth review of the financing of the public elementary and secondary schools.</i></p>

Re: CenterPointe Proposed Trabert Hall Renovation Project

Dear Mr. Hansen:

Thank you for the opportunity to discuss your plans to renovate the Trabert Hall building in Lincoln, Nebraska to be a new multi-use center to include integrated care, housing and behavioral health.

Based on the project location, organizations involved, proposed use and community impacts, we feel the project would qualify for both Nebraska New Markets Job Growth Investment Tax Credits (NNMC) and Federal New Markets Tax Credits (NMTC), which could result in anywhere from \$1.5 million to \$4 million in additional funding to the project. Advantage Capital acts as advisor to a number of Community Development Entities (CDEs) with awards of NNMCs and NMTCs. From our preliminary assessment, we see that the project fits well with the goals of both programs, including providing critical community services, as well as creating and retaining quality jobs accessible to the local community. The ultimate decision to award NMTC allocation rests with each CDE, but we believe your project matches well with what we know to be their priorities, and has a strong chance to be funded.

As we discussed, any commitment of funding would be conditioned on further due diligence review, underwriting and approval. We look forward to continuing to explore this opportunity with you.

Sincerely,

PROPOSAL

The Need is Real

25% of inmates in Nebraska Corrections are affected by mental illness; 80% have substance use problems

- Each year, there are an estimated 2 million people with serious mental illnesses admitted to jails across the nation.
- Research shows that individuals with mental illnesses tend to stay longer in jail and upon release are at a higher risk of returning to incarceration.
- Jails spend two to three times more money on adult inmates with mental illnesses that require intervention than on inmates without special needs.
- 80% of all inmates have substance use problems.

Prison Is Not The Solution

If we can treat people BEFORE they are imprisoned or re-offend, not only can human tragedy be avoided, but **significant** tax dollars can be saved.

CenterPointe follow up survey: 72% had past or current legal problems at admission; 93% had no current legal problems at 45 day follow up.

Place Matters

South Downtown has the highest concentration of Mental Health Crisis Calls to LPD in Lincoln.

The same area has the highest percentage of Lincoln residents living in poverty, and is simultaneously one of the most medically underserved areas.

Accessible services are mission critical to success. Crisis management and meaningful recovery are at the heart of CenterPointe's mission.

There Is No Plan B

While CenterPointe is experiencing a consistently growing need, there is no other affordable and/or viable location in the city for CenterPointe to expand at this time.

All other locations are either more expensive than Trabert, and/or located far away from the population they need to serve.

Trabert is THE location that CenterPointe has been able to identify.

A Partnership That Makes Sense

The County needs trusted partners to combat these community-wide problems.

The **County's and CenterPointe's interests are aligned.** By partnering with CenterPointe, a well-respected organization with an established track record of success, the County is uniquely positioned to deliver savings and positive outcomes for the County in general and Corrections in particular.

Correction Costs Are Staggering

It costs \$100/day to house an inmate, or \$36,500 per year.

By selling Trabert Hall to the highest bidder, the County may stand to collect an additional \$525K in One-Time Proceeds:

- **\$525K covers the funding of 14 prisoners for ONE year.**

Investing in Mental Health is the Answer

In contrast, a \$525,000 investment in CenterPointe's Trabert proposal results in:

- **Likely savings to corrections spending in excess of \$2mm per year.**
- **Property tax revenue that is greater than projected property tax receipts from any other potential project or buyer.**

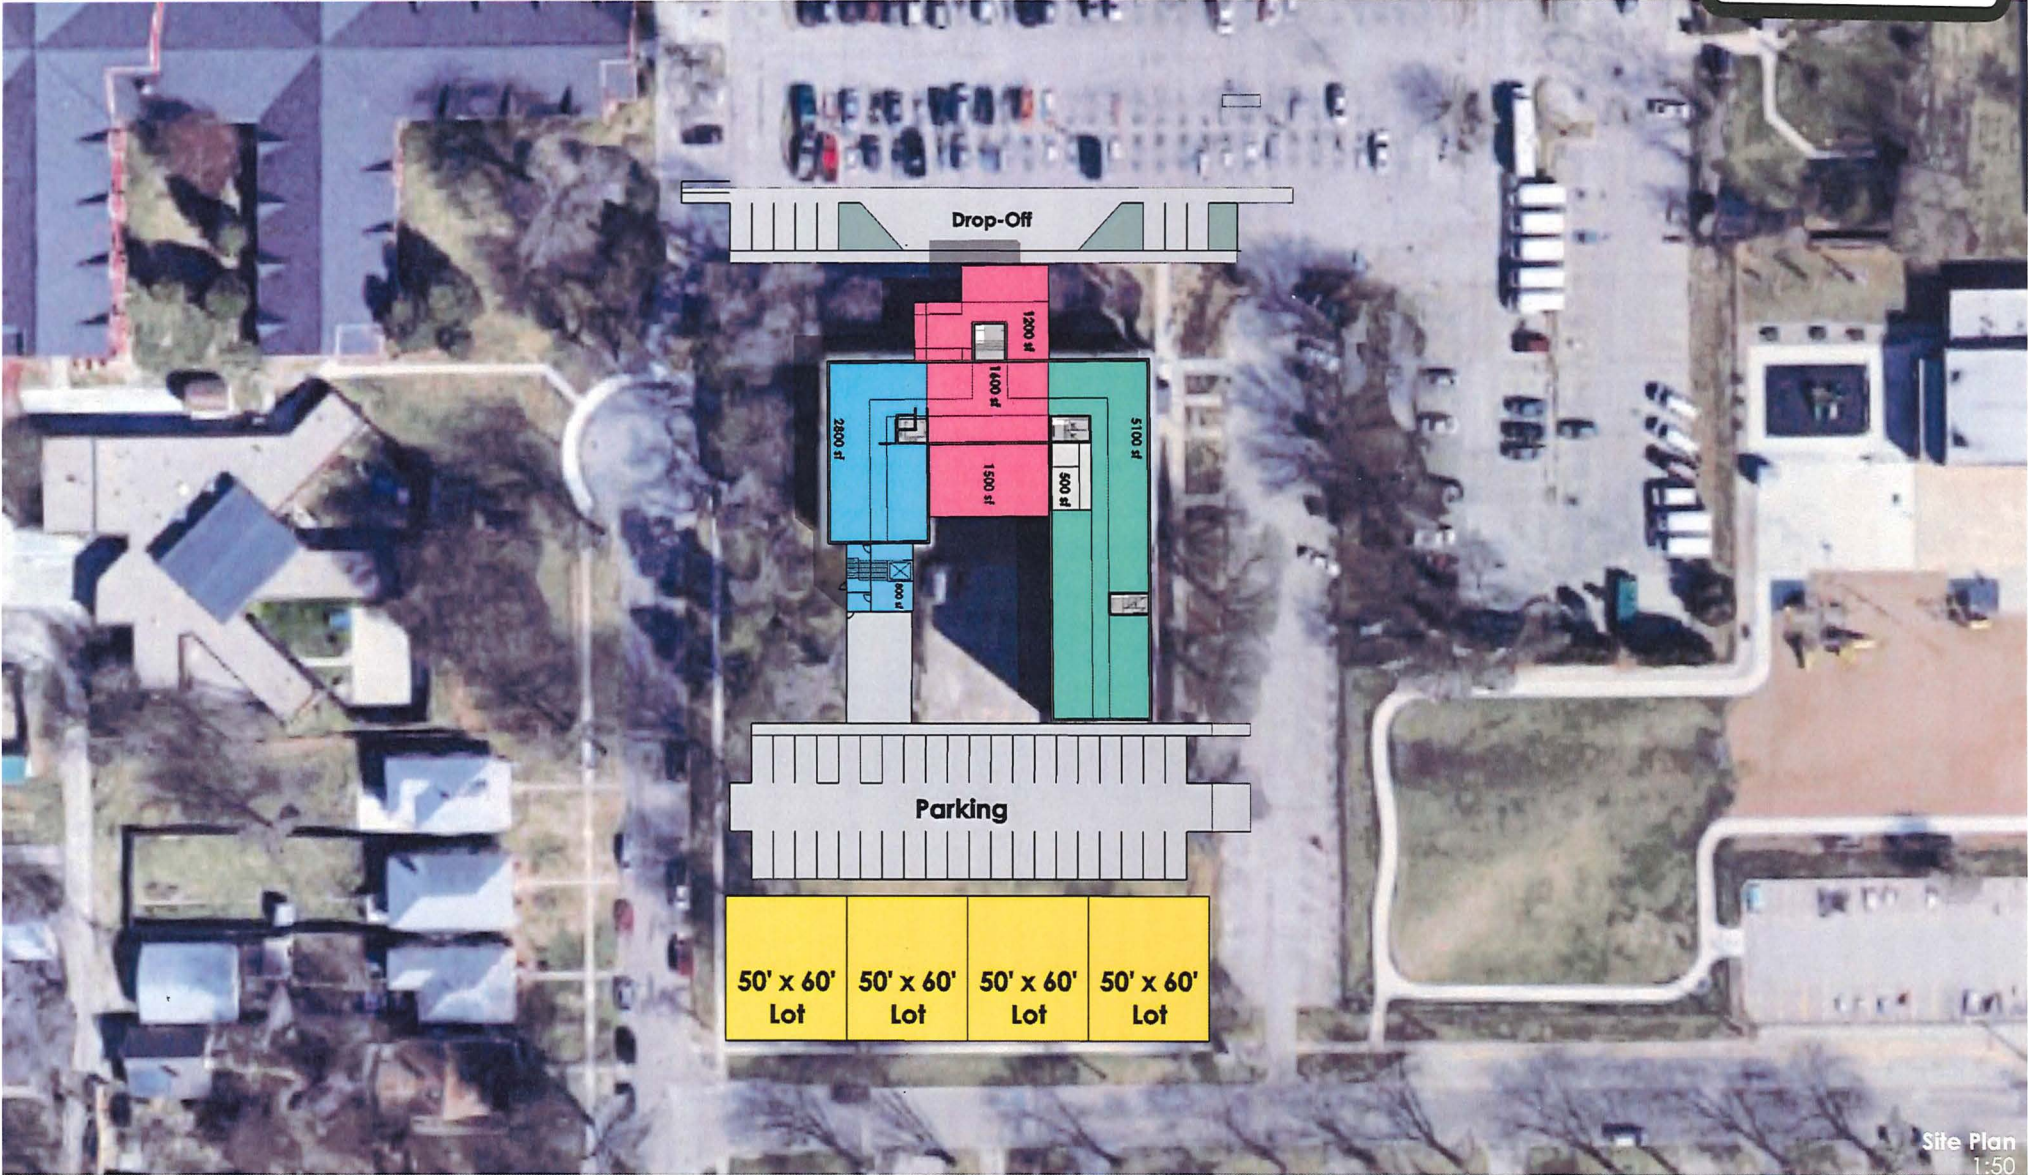

From 2012 to 2018 CenterPointe has expanded services from 1,700 to 3,000 clients. With the development of Trabert Hall into a treatment center, CenterpPointe will be able to continue to expand services to 4,600 clients per year. Credible research shows that \$1 invested in mental health yields \$4-7 in savings to the criminal justice system.

THE CHOICE

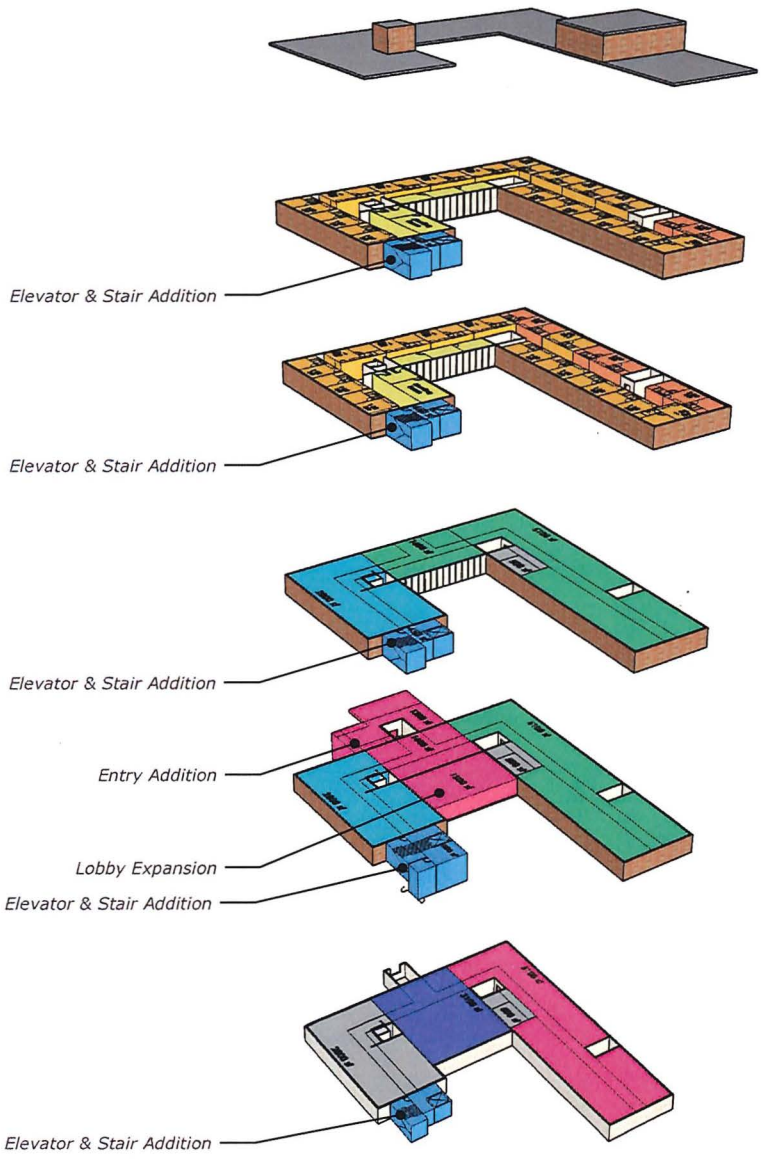

This is a choice between:

- One time funding of 14 inmates for one year; OR
- A multi-year benefit that would save funds in excess \$2mm each year for the foreseeable future.

The numbers speak for themselves.
