Dear Colleagues –

With this letter, I tender my resignation from the Lancaster County Board of Commissioners, representing District 2, effective Monday, May 20th. It has been my honor to serve the citizens of Lancaster County these past 28 months.

I am grateful to my colleagues, the other County elected officials, Department Directors, Board staff and the employees of Lancaster County for the positive working relationships we developed over the past two years. I have appreciated our collaboration and the incremental progress we have made together to improve the lives of citizens throughout the County.

Sincerely,

Jennifer Brinkman
