1. Requirements of the Award:

This award is subject to the standard conditions outlined in the applicable solicitation, grant application and the signed Certified Assurances. The subrecipient and any subawards agree to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 CFR Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 CFR Part 2800 (together, the Part 200 Uniform Requirements), and the current edition of the DOJ Grants Financial Guides as posted on the OVW website to include any amendments made throughout the course of the grant period in addition to the Commission on Law Enforcement and Criminal Justice (Crime Commission) Guidelines and the following special conditions:

The subrecipient agrees to follow the applicable set of general terms and conditions which are available to <http://www.justice.gov/ovw/grantees>. These do not supersede any specific conditions in this award document.

Subrecipient agrees to comply with any additional requirements that may be imposed as a result of grant performance and that the misuse of award funds may result in a range of penalties, including suspension of current and future funds, recoupment of money provided under an award, and civil and/or criminal penalties.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

2. **Audits:** All audits will comply with the Single Audit Act of 1984, as amended. Audits for private non-profit agencies shall comply with 2 CFR Part 200 or the OMB Circular A-133.

Agencies and organizations receiving federal funds from various sources totaling \$750,000 or more during their Fiscal Year are required to have an annual audit. Total cost of the audit must be prorated among funding sources. Agencies and organizations receiving federal funds from various sources totaling less than \$750,000 during their Fiscal Year are not required to have an annual audit. However, a complete agency audit complying with the Single Audit Act of 1984, as amended, is highly recommended once every three years for private non-profit agencies receiving funding from the Crime Commission.

ONE Copy of the audit that includes a **Letter of Findings** is **required** to be submitted to the Crime Commission, if they are not part of the audit.

Authorized representatives of the Crime Commission and the federal agencies associated with the federal funding source shall have access to and the right to examine all records, books, papers or documents related to this grant for the purpose of audit and examinations. All records shall be retained for five (5) years from the date of the final fiscal report unless an audit is in progress or the findings of a completed audit have not been resolved satisfactorily.

- b. **Special Conditions** must be accepted, signed by the subrecipient's Authorized Official, the Agency Director, the Project Point of Contact (Agency Director and Project Point of Contact are often the same individual), and the Fiscal Point of Contact, and returned to the Crime Commission within thirty (30) days from the date the Special Conditions are mailed to the subgrantee.
- c. The subrecipient agrees that they and all subawards under this award have a DUNS number and are registered with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OVW).
- d. Subrecipients receiving payments from the Crime Commission are required to receive payments via the Automated Clearing House (ACH) payment. New subrecipients must complete paperwork to sign up for ACH payment and can find the form at http://das.nebraska.gov/accounting/forms_new.html

4. Accounting Procedures/Practices:

- a. Subrecipients must adhere to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted by the DOJ and supplemented in 2 C.F.R. Part 2800. See: http://www.ecfr.gov/cgi-bin/text-idx?pi=ecfrbrowse/Title02/2cfr200_main_02.tpl for further information regarding the standards of these requirements.
- b. Subrecipient shall implement and maintain an accounting system which accurately reflects income received expenditures, and documentation of expenditures. Each source of income must be accounted for separately and a clear audit trail for each source of funding must be maintained.
- c. Any award with matching funds, both cash or in-kind, must document match in the agency's accounting system. Match need not be applied at the exact time or in the required proportion to the obligation of Federal funds. However, the full matching share must be obligated by the end of the project period.
- d. A private non-profit agency awarded funds shall have two (2) members of the Board of Directors review, on a quarterly basis, all expenditures for the agency. Board minutes shall reflect this review.
- e. If at any time an impropriety is found in the accounting or use of any funds received by the subrecipient, the Crime Commission must be notified immediately and informed about how the agency will address the problem.
- f. Subrecipients will maintain time records that comply with the Office of Management and Budget (OMB) A-87 Circular to clearly document the hourly activity of each grant funded or match funded position to show the actual percentage of time charged to the funding source. Records will be maintained by the subrecipient to document any differences between budgeted and actual federal and match personnel grant costs. Timesheets for grant funded positions should include the signature of the employee and their supervisor. Volunteer positions used as match are to be documented and, to the extent feasible, supported by the same methods used for employees. Refer to the following website for further details on the guidelines on accounting for personnel and other cost principles: <https://ojp.gov/funding/Explore/LegalOverview/MandatoryTermsConditions.htm>
- g. Office of Justice Program Financial Guidelines and Federal and/or State guidelines must be followed for the purchase of equipment and or services and for the property management or disposal of equipment purchased with Federal funds. In order to add program income to an award, subrecipient must seek approval from the Crime Commission prior to generating any program income. Any program income added to an award must be used to support activities that were approved in the budget and follow the conditions of the award agreement. Any approved program income must be reported to the Crime Commission so that the income can be reflected on the Crime Commission's Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must receive approval prior to the end of the project period in order to avoid possible audit findings for both the Crime Commission and the subrecipient.
- i. Subrecipient agrees that if they receive any funding that is duplicative of funding received under this award, they will notify the Crime Commission immediately to eliminate any duplication. Further, the subrecipient agrees and understands that any duplicative funding that cannot be re-programmed to support non-duplicative activities within the program's statutory scope must be deobligated and returned to the Crime Commission.

The agency's personnel cannot decrease as a result of this grant project.
- c. No State/Federal grant funds shall be used for costs existing prior to or after the grant period.
- d. Federal and matching funds are to be used for the purpose stated in the approved grant application. Any changes must be approved by the Crime Commission prior to the change taking place.
- e. Federal funds cannot be used for lobbying. If matching funds are used for lobbying, a disclosure report shall be submitted to the Crime Commission.

Restrictions on "lobbying" and policy development:

In general, as a matter of federal law, federal funds may not be used by any subrecipient or subawardee, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. 1913. violence, dating violence, sexual assault, and stalking when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by subrecipients or subawardees to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress with respect to awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a subrecipient would or might fall within the scope of these prohibitions, OVW is to be contacted for guidance, and no action taken without the expressed prior written approval from OVW.

If sex segregation or sex-specific programming is necessary to the essential operation of a program, nothing in this paragraph shall prevent any such program or activity from consideration of an individual's sex. In such circumstances, grantees may meet the requirements of this paragraph by providing comparable services to individuals who cannot be provided with the sex-segregated or sex-specific programming.

- b. Applicable nondiscrimination statutes Executive Order 13,559, amending Executive Order 13,279; Title II of the Americans with Disabilities Act (ADA) of 1990, as amended; and the Violence Against Women's Act of 1994, as amended.

- e. Subrecipient agrees to notify employees and clients, customers, and program participants of prohibited discrimination and the procedures for filing a complaint of discrimination. The subrecipient agrees to have a procedure in place for responding to discrimination complaints that employees and clients, customers, and program participants file directly with the subrecipient.

- l. Partnerships with Faith-Based and Other Neighborhood Organizations: Subrecipient and any subawardees must comply with all applicable requirements of 28 CFR Part 38, specially including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016. Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to subrecipients that are faith-based or religious organizations.

m. Subrecipients should consult local counsel in reviewing employment practices and if warranted, an analysis of the use of arrest and conviction records should be incorporated into the subrecipient's Equal Employment Opportunity Plan. More information on Arrest and Conviction Records in Employment Decisions under Title VII of the Civil Rights Act of 1964 (June 2013), is available at http://ojp.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf.

The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

o. The subrecipient and any subawardees must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
