Grant Award Period: July 1, 2019 – June 30, 2020

Subgrantee: Lancaster County	Grant Number: 19-VP-5007
Project Title: Operation Tipping Point	

This contract is subject to the standard conditions agreed to in the original application and the signed certified assurances. The Nebraska Commission on Law Enforcement and Criminal Justice (Crime Commission) will disburse funds to the subgrantee provided funds are available from the Legislature. In addition, the subgrantee must comply with the Crime Commission guidelines and the following special conditions:

1. **Records Retention**

The Crime Commission shall have access to all project related materials for the purposes of audit and examinations. All records shall be retained for five (5) years from the date of the final fiscal report, unless an audit is in progress or the findings of a completed audit have not been resolved satisfactorily.

2. **Audits**

- a) All audits will comply with the Single Audit Act of 1984, as amended. Audits for private non-profit agencies shall comply with Circular A-133.
- b) Agencies and organizations receiving federal funds from various sources totaling \$750,000 or more during the subgrantee's fiscal year are required to have an annual audit. Total cost of the audit must be prorated among funding sources. Agencies and organizations receiving federal funds from various sources totaling less than \$750,000 during the subgrantee's fiscal year are not required to have an annual audit. However, a complete agency audit complying with the Single Audit Act of 1984, as amended, is highly recommended once every three years for private non-profit agencies receiving funding from the Crime Commission.
- c) One (1) copy of the audit that includes a letter of findings is required to be submitted to the Crime Commission, if it is not part of the audit.

3. **Accounting Procedures**

- a) Subgrantees shall implement and maintain an accounting system which accurately reflects income received expenditures and documentation of expenditures. Each source of income must be accounted for separately and a clear audit trail for each source of funding must be maintained.
- b) Match funds need not be applied at the exact time or in the required proportion to the obligation of state funds. However, the full match share must be obligated by the end of the project period. Accounting records are to be available for monitors and audits.
- c) A private non-profit agency awarded funds shall have two (2) members of the Board of Directors review, on a quarterly basis, all expenditures for the agency. This review shall include, but is not limited to, checks written for the period, deposits, assurance of a balanced checkbook, review of the entries in the agency's ledgers, and review of the income received from funding agencies and donations.
- d) If at any time an impropriety is found in the accounting or use of any funds received by the subgrantee, the Crime Commission must be notified immediately and informed about how the agency will address the problem.
- e) The subgrantee will maintain time records that comply with the Office of Management and Budget (OMB) A-87 Circular to clearly document the hourly activity of each grant funded or match funded position to show the actual percentage of time charged to the funding source. Records will be maintained by the subgrantee to document any differences between budgeted and actual state and match personnel grant costs. Timesheets for grant funded positions should include the signature of the employee and their supervisor. Refer to OMB circulars: <http://www.whitehouse.gov/omb/circulars/>. If there are additional requirements from the Department of Administrative Services, the Crime Commission will notify subgrantees accordingly.

- f) State, county, and tribal guidelines must be followed for the purchase of equipment or services, and for the property management or disposal of equipment purchased with state funds. Property records for equipment purchased must be maintained which include a description, serial number, source, title holder, acquisition date, cost, percentage of state dollars funded, location, and use and condition of the equipment. Subgrantees must adhere to written procurement procedures. All contracts that are written must go through a procurement process. Counties must adhere to Nebraska Revised Statute 23-3108. State agencies must follow the procurement process that is governed by DAS: http://das.nebraska.gov/materiel/purchase_bureau/agency-info.html. All other entities must follow their written procurement process and if a procurement process is not in place, then the entity must use Nebraska's procurement process governed by DAS.

4. **Acceptance of Grant Award and Special Conditions**

- a) **Grant Award** must be accepted; signed by the subgrantee's authorized official, project director, and fiscal officer; and returned to the Crime Commission within thirty (30) days from the date the grant award is mailed to the subgrantee.

- c) **Contingencies** must be met within thirty (30) days of the date of the memorandum letter that provides final approval from the Crime Commission. Contingencies are located within the summary comment sheet provided to the applicant. The process for completing contingencies is outlined within the memorandum letter to each subgrantee that provides final approval from the Crime Commission. Grant funds will not be released until all contingencies are addressed, submitted to the Crime Commission, and approved by the Director of the office of violence prevention.

- a) **Data Reports** are required **quarterly**. Reports are due by the 15th of the month following the end of each quarter during the grant period.

Reports are due by the 15th of the month following the end of each quarter during the grant period, as well as the final cash report reflecting the total grant expenditures at the end of the grant period. 6. **Mandatory Training**

The subgrantee's project director, project coordinator, and fiscal officer must attend Grant Management Training hosted by the Crime Commission at least once every three (3) years.

7. **Publications**
