RE: 2019-2020 Annual Increase to the Agreement for Inmate Health Care Services

Dear Mr. Johnson:

As the proud provider of medical care for the Lancaster County Department of Corrections, Wellpath LLC (fka Correct Care Solutions, LLC) looks forward to renewing our commitment for the upcoming year.

Pursuant to Section 9.0.1, we request an increase to the Management fee, in accordance to the Consumer Price Index ("CPI") for Midwest urban consumers, which stands at 1.7% for the month of March. Application of this increase revises the annual Management fee from **\$169,728.00** to **\$172,613.40**, effective April 1, 2019 through March 31, 2020.

Based on the operating costs from last year, we recommend that you budget a 2.4% increase, consistent with the Consumer Price Index ("CPI") for Midwest urban consumers medical care services. This will revise the annual Operating cost from **\$2,029,390.00** to **\$2,078,095.32**.

Additionally, we wish to amend our contract to allow the current H.S.A. position to be filled by either an LPN (must have a Bachelor of Science Health Care Administration degree), or a Registered Nurse.

We will await your response to our request, or if you prefer for Wellpath to draft an amendment, please acknowledge your acceptance by returning a signed copy to Stephanie Parkinson, Partner Services Specialist, at sdparkinson@wellpath.us. All terms of the current Agreement, including any changes detailed above, shall remain in full force and effect through end of contract period.

Thank you for the opportunity to present this proposal. Should you have any questions or concerns, please do not hesitate to contact Kim Gerdes, Regional Director of Operations at 402-297-9714.

Warm regards,

Andrew Walter
Regional Vice President
