Subject: 2020 Ford Interceptor Utilities

Hi Bobby,

Wanted to update you on our 2020 fleet order. We're hoping to pull the purchasing trigger as soon as our County Board adopts our budget in mid-August. While we're waiting for that, I had a few features that are not on the state contract as far as I could tell, but wanted to inquire about pricing:

- 1) Option 68B – Police Perimeter Alert
- 2) Option 47A – Police Engine Idle Feature
- 3) Option 19V – Rear camera on-demand

Could you let me know if these are still available and how much each might be if we were to add to our requisition please?

Also, I believe we ordered a replacement cruiser in June. Any word on how soon they're starting production on these?

Thanks,

John

Subject: Hopefully my last lighting option question

I think we have it narrowed down Bobby...

I'm needing the prices and descriptions for the following:

Option 66C "Rear Lighting Solution" and

Option 66B "Taillamp Lighting Solution"

We'll make our selection from there and hopefully be ready to send paperwork over. Thanks!

John
