City of Lincoln -Purchasing

September 18, 2019

I wanted to personally thank the departments for the battery business over the last year and giving us the opportunity to service the City of Lincoln/Lancaster county departments. We are renewing the battery contract for 2019-2020 . As most of you are aware the tariffs are effecting a lot of products across the board and unfortunately Rayovac, Energizer and Duracell are no exception.

Below is the pricing increase on the batteries for 2019-2020. We should be able to absorb any additional tariffs that may be implemented during this time . We appreciate the business, please have the departments and contacts visit us on facebook.com @avassociatesneb and let us know how we are doing .

Sincerely ,

Timothy McPherson – Owner
