2) LEGISLATIVE UPDATE – Joe Kohout and Brennen Miller, Kissel, Kohout, ES Associates LLC

Joe Kohout and Brennen Miller, Kissel, Kohout, ES Associates LLC, gave an update on the flood impact on the budget. The Military Department felt funds appropriated through the Governor's emergency fund should be sufficient through the fiscal year; however, they indicated the Appropriations Committee should expect deficit appropriations in the 2020-2021 and 2021-2022 budgets. Miller added the Department of Roads wants State-owned bridges repaired in months.

Kohout reviewed the weekly legislative report (Exhibit A).

Brinkman asked for a copy of Brad Johnson's, Corrections Director, testimony on LB455 (Change medical services payment provisions relating to jails).

When asked about the status of LB631 (Create the Medicaid Expansion Implementation Task Force), Kohout answered there is concern regarding the level of oversight.

Regarding the possibility of bonding for bridges, Kohout stated there are conversations on how to

make the bill more appealing to the committee. One option being considered would be to diversify the use of the bond proceeds.

Information on an amendment for LB304 (Exempt certain operations from the definition of a food establishment under the Nebraska Pure Food Act), legislative bills and bill hearing schedule were distributed (Exhibits B-D).

OTHER BUSINESS

Brinkman read an email from Commissioner Schorr stating Schorr is in Ogallala for the West Nebraska Association of County Officials (NACO) District meeting.

MOTION: Amundson moved and Flowerday seconded to move the claim as a regular claim to the next Tuesday meeting. Brinkman, Amundson, Vest and Flowerday voted yes. Schorr was absent. Motion carried 4-0.

DISCUSSION OF BOARD MEMBER MEETINGS ATTENDED

A. Lancaster County Fairgrounds JPA – Amundson/Vest

Amundson stated the last bill was paid.

When asked if a Joint Public Agency (JPA) is still needed, Eagan replied the JPA was designed to be kept as it is the Board's authority over bonds issued.

3) VISITORS PROMOTION COMMITTEE (VPC) RECOMMENDATIONS – Lynne Ireland, VPC Chair; and Jeff Maul, Lincoln Convention & Visitor's Bureau Executive Director

Lynne Ireland, VPC Chair, and Jeff Maul, Lincoln Convention & Visitor's Bureau Executive Director, reviewed the recommended grants (see agenda packet, Items A-F and Exhibit F). Applicants are encouraged to engage in private fundraising as these grants should be viewed as supplementary funds. Funds can be distributed over a period of time.

A Visitor Improvement Fund balance document was also distributed (Exhibit G).

A. BRANCHED OAK OBSERVATORY (\$64,747 requested for telescope; VPC Recommendation is \$20,000, contingent upon applicant raising the balance of the request).

Maul said the observatory was asked to track their marketing efforts more closely to be eligible for future grants.

B. HEARTLAND BIKE SHARE (BikeLNK requested \$49,640; full amount recommended by VPC for new station and five bikes).

C. LIED CENTER FOR PERFORMING ARTS (\$175,000 requested for stage rigging and light system; VPC recommendation is \$100,000, contingent upon applicant raising the balance of the request).

D. LINCOLN PARKS FOUNDATION (\$50,000 requested for four Pickleball Courts; VPC recommendation is \$50,000).

Maul stated this recommendation will allow Lincoln to bid for regional tournaments.

E. LINCOLN SPORTS FOUNDATION (\$100,000 requested for improvements to lobby, bathrooms, soccer fields and signage; VPC recommendation is \$0).

F. THE NEBRASKA COMMUNITIES PLAYHOUSE (\$295,863 requested for auditorium; VPC recommends \$239,313, contingent on applicant raising the balance of the request).

Maul clarified the portion excluded from the request was excavation and grading of the site.

Regarding grant expenditures, Maul said a listing of facilities is maintained in accordance with

community interests and needs.

Maul reviewed the grant process, as it is four times per year with two times focused on grants of \$10,000 or less and two times on grants of more than \$10,000. Funds are from the hotel 4% lodging tax, with 2% going to the Visitor's Improvement Fund and 2% to the Visitor's Promotion fund. Dennis Meyer, Budget and Fiscal Director, added funds are projected for future years. Larger grants tend to be funded in multiple year increments. The support for the projects over multiple years may give the projects leverage for other funding opportunities.

MOTION: Amundson moved and Flowerday seconded to move approval of the VPC grant recommendations. Brinkman, Amundson, Vest and Flowerday voted yes. Schorr was absent. Motion carried 4-0.

DISCUSSION OF BOARD MEMBER MEETINGS ATTENDED

D. Joint Budget Committee – Flowerday/Schorr

E. NACO District Meetings – Schorr

Schorr was absent.

4) BLOOD CHEMISTRY PROFILES FOR COUNTY EMPLOYEES – Sue Eckley, County Risk Manager

Sue Eckley, County Risk Manager, discussed the increase in the pricing of County-funded blood chemistry profiles for employees. Due to the limited number of companies who responded to the bid request, the cost for the profiles will cost the County \$6,198. If the participant level is the same as last year, the Wellness Committee will be approximately \$500 over budget.

Discussion ensued on exploring other options, including the enhanced wellness package from Aetna, Bryan Hospital Heart Aware program, and employee incentives.

MOTION: Vest moved and Amundson seconded to proceed with the blood chemistry profiles as in previous years and re-evaluate for next year. Brinkman, Amundson, Vest and Flowerday voted yes. Schorr was absent. Motion carried 4-0.

Vest exited the meeting at 9:57 a.m.

Cori Beattie, Chief Deputy County Clerk, reviewed the policies and procedures and stated the electronic recordings of each hearing will be discontinued (see agenda packet). Cody Gerdes, Great Plains Appraisal, added the recordings have not been pertinent at the Tax Equalization Review Commission (TERC).

Vest returned at 10:00 a.m.

When asked about policies of a constituent recording a hearing, Beattie answered the public is allowed to record their own hearing.

B. Resolution

Beattie recommended the Board adopt the resolution to extend the deadline for the Board of Equalization (BOE) at a future Tuesday meeting (see agenda packet).

C. Letters

Beattie reviewed the letters (see agenda packet). She recommended the Board not allow protestors to submit additional protest information after the referee recommendation, therefore eliminating the need for a referee recommended value letter and explained protestors can access recommended value information in multiple ways.

It was the consensus of the Board to not allow additional information to be submitted after the referee recommendation and to eliminate the referee recommended value letter.

Brinkman said the Assessor/Register of Deeds Office has agreed to have staff at the Lancaster Event Center during the hearings if there are questions from the referees.

It was the consensus of the Board to hold the final value Board of Equalization (BOE) hearing on August 8, 2019 at 1:00 p.m. pending Commissioner Schorr's schedule. The public may speak at the meeting during the public comment section.

D. Rental Space Agreement

The rental space agreement will be on a future Tuesday meeting agenda.

Next year, the protest hearings will need to be at a different location due to the National High School Rodeo Finals.

E. Timeline

Beattie reviewed the property protest process.

6) BREAK

The meeting was recessed at 10:37 a.m. and reconvened at 11:02 a.m.

Sara Hoyle, Human Services Director, reviewed the C-Care report which identifies a missing level of care in the community with a place for youth to stay while receiving crisis response and aftercare support services (see agenda packet). Additionally, she requested the Board's permission for a nationwide RFI for providers to address possible services to implement to address the gap.

Ryder stated beginning July 1, detaining a youth based on their risk to themselves will no longer be an option and echoed the need for additional alternative youth service options.

Dalrymple said parents need help finding the right services for their children and feels this is a great opportunity. Renee Dozier, Region V Director of Child and Family Services, added support is needed for the proper level and system of care for youth.

There was general discussion as to the gap size, location, timeline and initial funds for alternative service options.

MOTION: Amundson moved and Vest seconded to authorize Hoyle to move forward with the RFI.

Flowerday reported Commissioner Schorr is excited about the idea and is supportive. Hoyle added

Lori Griggs, Chief Probation Officer, is also supportive of the RFI.

When asked about the selection committee members, Hoyle answered members are Bernie Hascall, Nebraska Division of Behavioral Health Youth Service Administrator; Chris Turner, Chief Deputy County Attorney; Shelley Schindler, Youth Services Center Director; and Mark DeKraai, University of Nebraska- Lincoln (UNL) Public Policy Center Senior Research Director.

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners

FROM: Joseph D. Kohout
Brennen L. Miller

DATE: March 28, 2019

RE: Weekly Report

Good morning! Please accept this as your weekly report for the 2019 session of the Legislature for the date noted above.

One thing that we mentioned last week at the meeting was that NACO would be appearing last Thursday afternoon in support of the Military Department's budget and making a request that the committee support some amount of additional funding to assist with the required match for FEMA. Larry did a great job explaining how it works.

LANCASTER COUNTY PRIORITIES

Competency to Stand Trial. This concept was introduced as LB240 by Senator Matt Hansen. The bill has been referred to the Judiciary Committee for public hearing. The hearing was held on Wednesday, February 20, 2019 at 130pm. Commissioner Flowerday, Brad Johnson and Kim Etherton all testified in support on behalf of Lancaster County. Joe Nigro testified in support on behalf of his office and the Nebraska State Bar Association. There was no opposition and the County Attorneys appeared in neutral capacity. While the bill has not yet emerged from committee, we remain optimistic about the chances for the bill – in some form – to be considered part of a judiciary package to address correctional issues.

24/7 Sobriety. Introduced as LB335 by Senator Matt Hansen. The bill was referred to the Judiciary Committee and was heard on Wednesday, February 13, 2019 before the Judiciary Committee. Supporting testimony was offered by Kim Etherton, Joe Nigro and Pat Condon, the County Attorneys Association and the Nebraska Bar Association. Opposition testimony was offered by the Department of Motor Vehicles and MADD. The national coordinator for 24/7 and Douglas County appeared in the neutral capacity. Since the hearing, we have been contacted by the contractors who provide the testing for the program with suggested amendments. Too, we have obtained and forwarded the materials from Director Lahm. We have been working with Kim, Pat and the representatives of Vigilnet to get the appropriate information pulled together to address their concerns. A draft of revised language has been forwarded to DMV for their review and we are awaiting final sign-off by them before beginning conversations to potentially advance the bill.

Financing of County Bridge Repairs. Introduced as LB267 by Senator Kate Bolz. The bill was referred to the Government, Military & Veterans Affairs Committee. The hearing on this bill was held on Thursday, March 7, 2019. Those appearing in support included Chair Brinkman, Engineer Dingman, Lincoln Chamber of Commerce through Todd Wiltgen, NACO through Jon Cannon, Associated General Contractors through Bill Mueller, and the State Chamber through Ron Sedlacek. Appearing in opposition to the bill was LIBA. We remain optimistic about the bill. Pam Dingman has reached out to committee members at our request and we are hopeful that the bill may have the opportunity on one of several transportation related bills this session. We continue to visit directly with key committee members and work with Senator Bolz to craft language that would emerge from the committee with maximum level of support.

Licensure of Facilities Providing CPC. Introduced by Senator Anna Wishart as LB200, the bill was referred to the Health and Human Services Committee and the hearing was held on Thursday, January 24, 2019. Commissioner Flowerday testified on behalf of the Board. Other testifiers included Tammy Stevenson and Chief Blimeister. The Department of Health and Human Services appeared in a neutral capacity. The bill was advanced on a 7-0 by the Health and Human Services Committee on January 30, 2019. The bill was signed by the Governor on March 12, 2019.

County Real Property. Senator Myron Dorn has introduced this legislation as LB525 and the bill was referred to the Government, Military & Veterans Affairs Committee. The bill was heard on February 28, 2019 and there was testimony from Mr. Eagan on behalf of Lancaster County, Silas Clark on behalf of Hickman, the League of Nebraska Municipalities and NACO. There was no opposition. The bill was placed on General File with an 8-0 vote on March 13, 2019. We are hopeful that the bill will be considered for Consent Calendar.

Medical Care for Inmates Granted Medical Parole. Senator Lynn Walz introduced LB726 and the bill was referred to the Health and Human Services Committee. The hearing was held on February 20, 2019 at 130pm before that committee. Commissioner Vest and Sara Hoyle testified on behalf of the county. Their testimony was met with positive response from the committee, with limited questions. Senator Williams and Senator Murman both asked clarifying questions in order to ensure they understood the process that would be undertaken, and how the system is currently working. Sara Hoyle followed up briefly with Senator Murman after the hearing as well. The bill was placed on General File on February 28, 2019. Senator Walz is requesting Consent Calendar status on the bill. We are hopeful that the bill will be considered for Consent Calendar.

Rental car options for counties. Senator Andrew LaGrone introduced LB609 and the bill was referred to the Government, Military & Veterans Affairs Committee. The hearing for this bill will occur on February 21, 2019 before that committee. Commissioner Amundson testified in support. There was no opposition. We expect the bill to come out of committee. There was one question at the committee hearing that asked whether or not the gas that would be needed to fill the car would be allowed. The bill was placed on General File with an 8-0 vote on March 13, 2019. We are hopeful that the bill will be considered for Consent Calendar.

ISSUES ON WHICH THE BOARD HAS TAKEN ACTION

LB20 (Briese) Require voter approval of public building commission bonds. OPPOSED. LB20 would amend provisions with respect to public building commissions as they relate to Lancaster County / City of Lincoln and Douglas County / City of Omaha. The bill would

provide that no bonds are authorized to be issued by a related public building commission unless the question of a proposed bond issue has been presented to the voters of the affected county at an election called for consideration of such a proposal. The hearing saw support from Commissioner Jim Cavanaugh of Douglas County, Taxpayers for Freedom and other groups; opposition came from Commissioner Chris Rogers of Douglas County, Councilman Ben Gray of Omaha, and Commissioner Sean Flowerday. The bill does not appear to have the support to move from committee. The bill was not prioritized.

LB204 (Briese) Require approval of voters for bonds under the Interlocal Cooperation Act. OPPOSED. Prohibits bonds from being issued by any joint entity on or after the effective date of the act until the question has been submitted to the qualified electors of each public agency which is part of the joint entity. Senator Briese asked the committee to kill LB204.

LB103 (Linehan) Change provisions relating to property tax requests. OPPOSED. This bill appears to cap property tax requests at a rate of the previous year and only allows for an increase the rate of levy and property tax request above the amounts identified in the bill, a governing body can do it only following a public hearing. The bill also puts some significant requirements in place for the public hearing and notice. The bill saw support from Bruce Riecker on behalf of several ag groups, Colby Mach on behalf of the Lincoln Independent Business Association, Sarah Curry on behalf of the Platte Institute. Opposition came from Kyle McGallon on behalf of several education groups, Steve Curtis on behalf of the city of Omaha, Greg Adams on behalf of the Nebraska Community College Association, Lynn Rex on behalf of the League of Nebraska Municipalities, Mark Johnson on behalf of several SIDs. NACO appeared in a neutral capacity. The committee advanced the bill on a 7-0-1 vote by the Revenue Committee with a committee amendment attached. That amendment was forwarded to Chairwoman Brinkman and Mr. Eagan for their review.

The bill was debated on General File and there were a series of questions asked by Senators of Chairwoman Linehan. The amendment appeared to alleviate the concerns of many of the groups that were previously opposed as there was no organized opposition. The bill was sent to the Governor on March 7, 2019 and was signed by him on March 12, 2019.

LB158 (Brewer) Change provisions relating to the assessed value of real property. OPPOSED. The bill caps property taxes at the 2019 level for a period of four tax years, 2020-2023. The bill includes provisions that accommodate changes in valuation of property accounting for improvements or destruction that would affect the assessed value of the property. Absent these material changes that would alter the value of property, it shall remain at the 2019 level. The bill was supported by Colby Mach, Bruce Riecker. It was opposed by Connie Knoche on behalf of Open Sky, Steve Curtis, John Cannon on behalf of NACO, Rob Winter on behalf of the Greater Nebraska Schools Association. The committee has not advanced the bill. The bill was not prioritized.

LB11 (Blood) Provide for interlocal agreements regarding nuisances. SUPPORT. Intended to provide for interlocal agreements between any city or village and the county where it is located to abate, remove, or prevent nuisances. The governing body of such city or village and the county board of such county shall first approve such interlocal agreement by ordinance or resolution. High priority for Sarpy County. Those appearing in support included NACO and Joe Kohout on behalf of Lancaster County and MAPA. The bill was signed by the Governor on March 7, 2019.

LB373 (Brewer) Provide setback and zoning requirements for wind energy generation projects. OPPOSED. LB373 defines wind energy generation project. The bill requires zoning provisions prior to construction of wind energy projects as prescribed, including notices. It provides for fees, eliminates provisions relating to zoning regulations, limits agreements relating to school lands, repeals the original sections, and to declares an emergency. It is most notable because of opposition to the establishment of wind farms in Western Nebraska. The concern Lancaster County should have is the state usurping the county's ability to exercise local control of zoning rules and regulations. The bill was opposed by many, many groups with limited support mostly from the Sandhills. Several wind energy companies opposed the bill. We believe it will hard to move the bill from committee unless significant concessions are made. Senator Brewer filed an amendment to LB373 on March 5, 2019 and it was contained in your March 7, 2019 report. The bill was not prioritized.

BRAD JOHNSON – LB247 (Bolz) Adopt the Advance Mental Health Care Directives Act. SUPPORT. Brad believes that this bill could in some instances provide the correctional staff with the ability to treat individuals who find themselves in a crisis and cannot rationally make decisions for themselves. This bill saw a good amount of support and some opposition. Support came from a law student from UNL, NAMI, Jakob Dahlke from Nebraska Medicine, Deniece Rieder a police deputy from Omaha. Opposition came from Brad Muerrens. Neutral testimony was offered by the Nebraska State Bar Association, Methodist Hospital. The bill remains held in committee. The bill was not prioritized.

LB289 (Linehan) Change provisions relating to county assessor inspections of real property for property tax purposes. MONITOR. The county assessor shall determine the portion to be inspected and reviewed each year to assure that all parcels of real property in the county have been inspected and reviewed no less frequently than every 3 years amended from no less frequently than every 6 years. The bill was not supported or opposed by anyone; NACO appeared in a neutral capacity. Senator Linehan advised that this bill is merely a placeholder or shell bill. The bill was prioritized by the Revenue Committee and is likely to be their vehicle for any property tax changes.

BRAD JOHNSON – LB254 (McCollister) Adopt the Fair Chance Hiring Act. AMEND THE BILL TO INCLUDE CORRECTIONS WORKERS. Brad is concerned that the provisions in the bill do not include correctional workers as a position where criminal background checks can be considered. There was a considerable amount of opposition to the bill. We had language in our possession to utilize with Senator McCollister.

LB254 was advanced by the Business & Labor Committee on February 14, 2019 without amendment. The bill began to pick up immediate opposition. The bill was debated by the entire Legislature and an amendment was offered by Senator Ben Hansen of Blair which gutted the original proposal. The bill is on Final Reading, as amended.

LB148 (Groene) Change requirements for public hearings on proposed budget statements and notices of meetings of public bodies. MONITOR. Under LB148, and for the purposes of the Nebraska Budget Act, "governing body" shall now also include any joint entity created pursuant to the Interlocal Cooperation Act that receives tax funds generated under section 2-3226.05. (That is: River-flow enhancement bonds; costs and expenses of qualified projects; occupation tax authorized; exemption; collection; accounting; lien; foreclosure.)

Each governing body shall each year or biennial period conduct a public hearing on its proposed budget statement. Such hearing shall be held separately from any regularly scheduled meeting of the governing body and shall not be limited by time. At such hearing, the governing body shall make a detailed presentation of the proposed budget statement and shall make at least three copies of the proposed budget statement available to the public. Any member of the public desiring to speak on the proposed budget statement shall be allowed to address the governing body and shall be given a reasonable amount of time to do so.

Notice shall be given by publishing in a newspaper of the general circulation within the public bodies jurisdiction and, if available, in a digital advertisement on such newspapers website. In addition to search required methods of notice, such notice may also be provided by any other appropriate method designated by such a public body or advisory committee.

A few supporters showed up for the bill which were mostly citizens. Opposition was raised by NRDs, the League, City of Omaha. NACO came in a neutral capacity agreeing with amendments suggested by the League. Dan Nolte has sent us an email indicating that he believes this bill could have a financial impact on Lancaster County. Early this week, we received a series of amendments from Senator Carol Blood which were to be presented at the Government Committee executive session. One of them was on LB148. After talking to several folks including NACO, it became clear to us that the opposition to this bill had evaporated.

The bill was not prioritized. Senator Justin Wayne, responding to Senator Groene's efforts to derail LR14CA (constitutional amendment to allow for 20 year TIF in cases of "extreme" blight), filed an amendment that would apply the provisions of that bill only to a city located in a county with a population between 35,000 and 40,000.

LB239 (Dorn) Change requirements for notices of hearings on county budgets.

SUPPORT. Change requirements for notice of hearing on county budget. A summary of the budget, in the form required by section 23-905, showing for each fund (1) the requirements, (2) the outstanding warrants, (3) the operating reserve to be maintained, (4) the cash on hand at the close of the preceding fiscal year, (5) the revenue from sources other than taxation, (6) the amount to be raised by taxation, and (7) the amount raised by taxation in the preceding fiscal year, together with a notice of a public hearing to be had with respect to the budget before the county board, shall be published once at least four calendar days prior to the date of hearing in some legal newspaper published and of general circulation in the county or, if no such legal newspaper is published, in some legal newspaper of general circulation in the county. For purposes of such notice, the four calendar days shall include the day of publication but not the day of hearing - amended from 5 days before the hearing. On or before August 1, the budget-making authority shall prepare a county budget document, in the form required by sections 23-904 and 23-905, for the fiscal year and transmit the document to the county. The bill took 2 minutes yesterday. There were no opponents. The bill has been advanced to General File. The provisions of LB239 are also part of the committee amendment to LB212 which is on General File today.

BRAD JOHNSON - LB376 (Friesen) Provide for safekeeping of prisoners.

SUPPORT. This is a bill that would correct language from LB 605 as it pertains to county jails housing inmate with the Nebraska Department of Corrections as "safe keeping". Lancaster County Department of Corrections has only done this one time that Brad can remember and that was for a medical issue. The hearing on this measure was yesterday. Support was offered by Platte County and others. Our letter was read into the record. Director Frakes appeared in opposition. The bill remains held in committee.

LB443 (McCollister) Require the Department of Correctional Services to allow committed offenders reasonable access to their attorneys. MONITOR. The department shall allow each committed offender reasonable access to his or her attorney or attorneys. If a committed offender communicates with his or her attorney or attorneys by telephone or videoconferencing, such communication shall be provided without charge to the committed offender and without monitoring or recording by the department or law enforcement. The bill was passed by the Legislature on a 32-9-8 vote and was signed by the Governor on March 27, 2019.

LB412 (Geist) Require an election regarding creation of a joint public agency. OPPOSITION. Beginning on the effective date of this act, before any agreement is entered into regarding the creation of a joint public agency which involves a political subdivision of this state that has authority to levy a tax or issue bonds, the question of the creation of the joint public agency shall be submitted to the registered voters of each such political subdivision which intends to be a party to the agreement at an election held in conjunction with the statewide primary election or statewide general election. No agreement shall be entered into until the question has been submitted to the registered voters of each such political subdivision and a majority of all the voters voting on the question have voted in favor of creating the joint public agency, at an election called for the purpose, upon notice given by the governing body of each political subdivision at least twenty days prior to such election. The same measure, either in form or in essential substance, shall not be submitted to the people, either affirmatively or negatively, for a period of six months from and after the date of such election. Certain procedural requirements are mandated by the bill in the event a related question is submitted to voters.

The City of Lincoln opposed the bill at the hearing through testimony by Mayor Beutler. Our letter of opposition was submitted. The bill remains held in committee. The bill was not prioritized and will not likely emerge from committee.

LB490 (Wayne) Consolidate offices of clerk of the district court and clerk magistrates. NEUTRAL. The position of appointed clerk of the district court shall be consolidated with the position of clerk magistrate into the position of clerk of the courts; and the clerk of the courts and any transferred employees shall become state employees. The clerk of the courts shall have all the duties, obligations, and powers of the clerk of the district court and clerk magistrate.

Consolidation under this section shall occur: (a) On July 1, 2021, for district court judicial district numbers 8, 10, 11, and 12; (b) On July 1, 2022, for district court judicial district numbers 1, 3, 5, 6, 7, and 9; and (c) On July 1, 2023, for district court judicial district numbers 2 and 4.

A consolidation plan shall be submitted to the State Court Administrator in a format prescribed by the administrator within 120 days after the request by the Supreme Court. A majority of the judges affected by the consolidation shall approve the plan prior to submission to the State Court Administrator. A consolidation plan shall not become effective unless approved and adopted by the Supreme Court. If a plan is not submitted within such 120 days, the Supreme Court shall develop a substitute consolidation plan.

At the request of the Supreme Court, the judges of the district court, county courts, and separate juvenile court of a district court judicial district, in conjunction with any remaining clerk of the district court or clerk magistrate and any representative of a vacated office, shall develop a plan

to consolidate the positions of clerk of the district court and clerk of the county court into the position of clerk of the courts for the county.

Each consolidation plan shall address, but not be limited to, the facilities, assignment of magistrate duties to a clerk or to an existing court employee who will become part of the consolidated office under the plan, selection of an administrative judge from within the district for the purposes of administration of the consolidated office of the clerk of the courts, and personnel structure. Each plan shall also identify other employees who are not employed by the clerk of the district court or clerk magistrate at the time of the consolidation but who are integral to the operation of the court, and employees so identified shall remain county employees. In developing the consolidation plan, interests and comments from the public and attorneys who regularly practice in the county shall be considered.

The hearing on this bill was on Friday, February 8, 2019 before the Judiciary Committee. Senator Wayne asked the committee to hold the bill.

LB616 (Hilgers) Provide for build-finance projects under the Build Nebraska Act and the Transportation Innovation Act. The hearing on this bill occurred on Tuesday, February 12, 2019 before the Transportation & Telecommunications Committee. The Committee was offered an amendment during the hearing that would merely allow for the payment of the costs for the south beltway over an 8 year period, but could be constructed over a 3 year period. The bill was advanced by the Transportation and Telecommunications Committee with AM442 attached. We attached that amendment for your review to our February 28, 2019 report. Senator Hilgers has declared LB616 to be his priority bill.

PAM DINGMAN – LB612 (Erdman) Authorize the display of roadside memorials. RECOMMEND: SUPPORT. LB612 directs the Nebraska Department of Transportation to erect blue triangular road signs memorializing those who have died on Nebraska's roadways. Signs may contain the name and a photographic image of the deceased. Signs shall also contain one of four safety messages. Signs shall not be posted for drunk drivers who died on Nebraska's roadways. Signs shall be posted for ten years, but can be renewed by way of an application and fee for an additional ten years. The hearing on this measure was on Tuesday, February 12, 2019. Testimony in a supportive neutral capacity was offered by Engineer Dingman. The bill remains held in committee. The bill was not prioritized.

BRAD JOHNSON – LB282 (Hansen, M) Change provisions relating to bail. RECOMMEND: NEUTRAL/MONITOR. Brad does not see this bill as having any serious impact with regard to the courts' bail decision behaviors. This bill does require anybody in custody who has been arraigned to be assigned an attorney if they are indigent.

As before, any bailable defendant shall be ordered released from custody pending judgment on his or her personal recognizance unless the judge determines in the exercise of his or her discretion that such a release will not reasonably assure the appearance of the defendant as required or that such a release could jeopardize the safety and maintenance of evidence or the safety of victims, witnesses, or other persons in the community however, under LB282, this rule would get increased specificity as it relates to what defendants fall under it.

To wit: the rule would apply to any bailable defendant who is charged with a Class IIIA, IV, or V misdemeanor OR a violation of a city ordinance. (Except when the victim is an intimate partner as defined in section 28-323)

Any bailable defendant described in this subsection shall be ordered released from custody pending judgment on his or her personal recognizance unless: i. The defendant has previously failed to appear in the instant case; AND ii. The judge determines in the exercise of his or her discretion that such a release will not reasonably assure the appearance of the defendant as required or that such a release could jeopardize the safety and maintenance of evidence or the safety of victims, witnesses, or other persons in the community.

If the court requires a defendant to execute an appearance or bail bond, the court shall appoint counsel for the defendant if the court finds the defendant to be indigent. The bill remains held in committee. The bill was not prioritized.

LB646 (Chambers) Eliminate cash bail bonds, appearance bonds, and related provisions. Eliminates subsection (c) from section 29-901 and related provisions elsewhere relying on appearance bonds. A fiscal note has been submitted by the county estimating a cost savings of over \$600,000 per year. The bill remains held in committee. I would note that the Douglas County Board of Commissioners passed a resolution supporting this bill on February 26, 2019.

LB230 (Pansing-Brooks) Provide for room confinement of juveniles as prescribed. NEUTRAL. For LB230, additional rules are mandated to juvenile facilities regarding placement in room confinement of a juvenile in a juvenile facility specifically, room confinement of a juvenile for longer than one hour during a twenty-four-hour period shall be documented and approved in writing by a supervisor in the juvenile facility. The intent and purpose of this rule shall not be avoided by the use of consecutive periods of room confinement. Rules relating to confinement are outlined in the bill also, for example, notice to the juvenile's parent or guardian, rooms having adequate lighting, etc.

Per the board's request, we did visit with Senator Pansing-Brooks and she indicated that she is willing to clarify the record on the continuous monitoring language of the bill to mean electronic or every 15 minutes.

The Judiciary Committee did advance LB230 with a committee amendment attached. We attached that amendment to the February 28, 2019 report. The bill was not prioritized.

LB651 (Wayne) Change funding provisions for the Community-based Juvenile Services Aid Program. Beginning on the effective date of the act, funding under this program shall only be available for service provided directly juveniles or services provided to carry out express statutorily authorized functions. Any government entity applying for funds from the program shall develop policies governing the distribution of the funds that are adopted by the governing board of the entity after a public hearing. This bill remains held in the Judiciary Committee. The bill was not prioritized.

LB631 (Morfeld) Create the Medicaid Expansion Implementation Task Force. SUPPORT. The task force shall consist of six voting members: The chairperson of the Health and Human Services Committee of the Legislature or his or her designee, the chairperson of the Appropriations Committee of the Legislature or his or her designee, the chairperson of the Judiciary Committee of the Legislature or his or her designee, and three members of the Legislature chosen by the Executive Board of the Legislative Council.

The task force shall also include seven nonvoting members chosen by the Executive Board of the Legislative Council, as follows: a health care provider licensed under the Uniform Credentialing

Act, a behavioral health care provider licensed under the Uniform Credentialing Act, a health care consumer or consumer advocate, a hospital representative, a business representative, a representative from a political subdivision likely to have its constituency impacted by Medicaid expansion, and a rural health care provider.

The task force will report annually by December 1 (beginning 2019). The task force terminates on December 31, 2020, unless reauthorized by the Legislature.

The hearing on this bill was held on February 22, 2019 and several letters of support were read into the record. The only opposition came from the Director of the Department of Medicaid and Long Term Care. The bill was not prioritized.

LB710 (Cavanaugh) Change provisions relating to tobacco including sales, crimes, a tax increase, and distribution of funds. SUPPORT. The bill proposes a significant increase in the tobacco tax from \$.64 per pack to \$2.14 per pack and distributes the additional \$1.50 in a manner of ways that could benefit county operations. Included in this are the following county operational issues:

- Medicaid Expansion – 25% (est. \$63 Million)
- Public Health Departments – 4% (est. \$4 Million)
- Smoking cessation – 5% (est. \$12.6 Million)
- EPC – 1% (est. \$2.5 Million)
- Behavioral Health Rebasing – 2% (\$5 Million)
- Health Services in County Corrections – 2% (\$5 Million)

The Director of the Department of Health, Shavonna M. Lausterer, sent an email recommending support for this bill as well. The hearing has been set for February 28, 2019 before the Revenue Committee.

The bill was heard before the Revenue Committee on Thursday February 28th. During her opening, Senator Cavanaugh noted that she will be bringing an amendment to clarify where the funds generated from the bill go. This topic was left vague in the introduced copy.. Proponents included mostly those with health care backgrounds, while opponents consisted of the Department of Health and Human Services Medicaid Division, who spoke regarding lack of clarity noted above, and the Platte Institute who discussed the dollars produced being an unstable revenue source for ongoing spending. The Attorney General's Tobacco Enforcement officer appeared in neutral with suggested language changes to not jeopardize tobacco settlement dollars, specifically how the bill defines cigarettes. We expect this change to be included with Senator Cavanaugh's coming amendment. The bill was not prioritized.

LB736 (Murman) Provide restrictions on occupation taxes, license fees, and regulation by counties and municipalities. OPPOSE. Under current law, counties and cities of the metropolitan, primary, first, second and villages shall have power to tax for revenue, license, and regulate any person within the limits of the city by ordinance except as otherwise provided in this section. Such tax may include both a tax for revenue and license. Under LB726, beginning January 1, 2020, (i) no occupation tax or license fee imposed under the above paragraph shall be greater than \$25 annually; (ii) No occupation tax or license fee shall be imposed by a city or county on a profession or business that provides goods or services unless the profession or business was subject to an occupation tax or license fee under this subsection on January 1, 2020; and (iii) No licensing requirements shall be imposed by a city of the metropolitan class on any profession or business which is subject to state licensing

requirements. The bill saw support only from the Platte Institute and Americans for Prosperity. Opposition came from multiple groups include the League of Municipalities, NACO and multiple other groups. The bill was not prioritized.

PAM DINGMAN – LB39 (Hilkemann) Change provisions relating to occupant protection system enforcement and change certain violations from secondary to primary enforcement. Designed to change passenger restraint system enforcement from a secondary offense to a primary offense, as well as to require the use of occupant protection systems for each vehicle occupant. Hearing was held on March 4, 2019. Several groups and individuals appeared in support; opposition was limited. We believe the bill will have a hard time advancing from committee.

PAM DINGMAN – LB40 (Hilkemann) Change provisions related to provisional operator's permits, LPD and LPE learner's permits, and interactive wireless communication devices. Designed to change certain uses of interactive wireless communication devices from secondary offenses to primary offenses regarding provisional operator's permits, and LPD/LPE learner's permits. Hearing was held on March 4, 2019. Several groups and individuals appeared in support; opposition was limited. We believe the bill will have a hard time advancing from committee. The bill was not prioritized.

SHAVONNA LAUSTERER - LB304 (Crawford) Change provisions relating to the Nebraska Pure Food Act to exempt certain operations from the definition of a food establishment as prescribed. OPPOSITION THROUGH LETTER. This bill would allow foods to be prepared and sold from a private home without a food safety permit. We believe this could lead to an increase in foodborne illnesses. Licensed businesses would also be impacted if people are allowed to purchase foods from unlicensed vendors. The bill was prioritized by Senator Ben Hansen. The Agriculture Committee advanced LB304 to General File with AM990 attached. I would recommend that Lincoln/Lancaster Department of Health review this amendment to advise on whether these changes meet their concerns. I would note that the bill, as amended, would require that they meet any food safety and handling guidelines adopted by the county, city or village where it is sold.

BRAD JOHNSON - LB 690 (Cavanaugh) Adopt the Healthy Pregnancies for Incarcerated Women Act. RECOMMEND: AMENDMENTS. This bill pertains to the transporting and restraining of pregnant inmates. The restraining of pregnant women has been discouraged for many years. Lancaster County has been in compliance with that practice for at least five years and our current procedures prohibit it unless authorized by the jail administrator. Quoting Brad: “I want to emphasize that we are not opposed to this bill in spirit. As I have mentioned, we have not, for at least five years, had a reason to restrain any of our pregnant women and we have established written procedures prohibiting it without appropriate authorization. My request is that the statute not take away all of our discretion for very rare but potentially dangerous cases.” In other words, please seek an amendment to the bill that allows for some discretion.

On Tuesday, Brad Johnson met in the rotunda of the Capitol with Senator Cavanaugh to discuss the concerns with LB690. Senator Cavanaugh was open to amending the bill, and asked for language suggestions to be submitted to her following the hearing. At the hearing she noted in her opening that she is working with parties to develop language that will ensure the safety of correctional staff and healthcare workers. The hearing had proponent testimony from the ACLU and the Nebraska Catholic Conference and was kept very brief. Senator Cavanaugh has asked Brad to discuss potential changes to the bill with Spike Eickholt from the ACLU.

There has been a series of conversations between Brad, Spike, myself, Senator Cavanaugh and Brandon, her aide. The latest version of the amendment offered by the Senator's office following discussions would include 90% of the suggestions made by us and would still allow for a medical facility to request that correctional staff to remain in the room or allow for correctional staff to ask if they can remain. The bill was prioritized by Speaker Scheer. Based on continued conversations with Brad, he believes we can live with the amendment as provided by Senator Cavanaugh that would become the committee amendment.

BRAD JOHNSON / DOUGLAS COUNTY – LB446 (McDonnell) State intent relating to appropriations for the County Justice Reinvestment Grant

Program. SUPPORT. Bill states that it is the intent of the Legislature to appropriate one million dollars to the County Justice Reinvestment Grant Program within the Nebraska Crime Commission on Law Enforcement and Criminal Justice for FY2018-19 and FY2019-20 to alleviate county jail populations through programming and services. The programming and services shall include, but not be limited to, the inmates who are diagnosed as mentally ill. This is the reimbursement portion of LB 605 that allows counties who can show that LB 605 increased their population. As you may remember we took advantage of this grant in 2017 and received nearly \$75,000. The money has to be used for programming. In this bill the total funding is double, from \$500,000 to \$1 million. We could receive around \$150,000 if passed.

Commissioner Schorr, and Kim Etherton testified in support of the legislation on behalf of Lancaster County. Also appearing in support were NACO, Region 6 Behavioral Health, and Sarpy County. The bill further appropriates justice reinvestment funds by \$1,000,000 to counties in response to increased costs from LB605. With lowered revenue forecast bills seeking additional funding face a more difficult path in being included in the budget that will emerge later this session.

SARA HOYLE – LB703 (Vargas) Appropriate funds to the Nebraska Commission on Law Enforcement and Criminal Justice. SUPPORT. The bill would appropriate \$2.5 Million to the aforementioned fund. If the Appropriations Committee agrees with the bill, the provisions would be included in the mainline budget recommendation. However, with lowered revenue forecast bills seeking additional funding face a more difficult path in being included in the budget that will emerge later this session.

SARA HOYLE – LB174 (Bolz) State intent relating to appropriations for the Office of Violence Prevention. SUPPORT. The bill seeks to appropriate \$1.525 Million each fiscal year beginning with FY2019-20 from the General Fund to the Nebraska Commission on Law Enforcement and Criminal Justice for the Office of Violence Prevention. The office shall use such appropriation to increase total grant awards, develop an annual statewide strategic plan, increase administrative capacity, and develop a technical assistance partnership with the University of Nebraska through the University of Nebraska Medical Center College of Public Health. The bill was heard Wednesday by the Appropriations Committee. The letter of support from Chair Brinkman was read into the record by Chairman Stinner. Additionally, Officer Jeff Sorensen of the Lincoln Police Department's Gang Prevention unit, and members of the Omaha community testified as proponents. Conversation included the impact of grants, and included questions from Senators if these funds were being strategically spent; these comments included Senator Wishart inquiring if it is better to put these funds towards the development of mental health courts. The bill increases the appropriation to the Office of Violence Prevention from \$427,616 to \$1,525,000. If the Appropriations Committee agrees with the bill, the provisions would be included in the mainline budget recommendation. However, with lowered revenue

forecast bills seeking additional funding face a more difficult path in being included in the budget that will emerge later this session.

DAVE SHIVELY – SECRETARY OF STATE’S BUDGET: Funding for New Vote Tabulating Machines. SUPPORT THROUGH LETTER. The funding for new vote tabulating machines has been included in the Governor’s proposed budget. The funding is dependent on a 10 percent match from each county. Mr. Shively has estimated this cost to be between \$60,000 and \$70,000. Our letter was submitted to the committee. We hope that it will remain a part of the Secretary’s budget.

LB718 (Hunt) Require additional polling places prior to elections in certain counties. SUPPORT THROUGH LETTER. The election commissioner in a county with a population of more than one hundred thousand inhabitants shall provide additional office hours during which ballots for early voting may be picked up or returned pursuant to section 32-941 or registered voters of the county may vote or pick up or return a ballot for early voting pursuant to section 32-942. The additional hours shall be provided for any primary or general election, but not for special elections, beginning at least two weeks prior to the day of the election and shall include at least four hours on each of the two Saturdays preceding the day of the election and at least five hours during each week of such two-week period in addition to normal business hours on business days. Our letter was submitted to the committee. The hearing on this bill consisted of Nebraskans for Civic Reform testifying in support with the election commissioners from the three largest counties appearing in opposition. The bill was not prioritized and is not likely to emerge from committee.

LB712 (Friesen) Prohibit joint entities and joint public agencies from taking action against representative for their speech. FIND OUT MORE INFORMATION. First, under the Interlocal Cooperation Act, Sections 13-801 to 13-827, a joint entity shall not prohibit a representative of its members or of any joint board from, or censure such representative for, expressing his or her opinion or speaking on any matter related to the joint entity or joint board if such speech is otherwise lawful. And under the Joint Public Agency Act, Sections 13-2501 to 13-2550, a joint public agency shall not prohibit a representative of its member public agencies or of any board from, or censure such representative for, expressing his or her opinion or speaking on any matter related to the joint public agency or board if such speech is otherwise lawful.

At the hearing on this bill, Sen Friesen indicated that LB712 prohibits a joint entity formed under the Interlocal Cooperation Act and joint public agency formed under the Joint Public Agency Act from restricting the members of their boards from expressing their opinions or speaking on matters related to the entity or the agency. Senator Chambers indicated that the bill seemed strange to him and asked where the bill came from and Senator Friesen explained where it came from. There were no proponents or opponents. Two folks appeared in a neutral capacity. The bill was not prioritized and likely will not advance from committee.

BRENT MEYER – DEPARTMENT OF AGRICULTURE: Funding for Riparian Management Task Force. SUPPORT. The hearing on the budget made no mention of the Riparian Management Task Force; however, Brennen did confirm through the fiscal analyst for the Department that the \$456,000 appropriation is unchanged and remains in the budget.

LB472 (Dorn) Adopt the Qualified Judgment Payment Act and authorize a sales and use tax. For purposes of the Qualified Judgment Payment Act, qualified judgment means a judgment that is rendered against a county by a federal court for a violation of federal law.

Any county that has a qualified judgment rendered against it may, upon adoption of a resolution by at least a two-thirds vote of the county board, impose a sales and use tax of one-half of one percent on transactions that are subject to the state sales and use tax under the Nebraska Revenue Act of 1967, as amended from time to time, and that are sourced as provided in sections 77-2703.01 to 77-2703.04 within the county. Any sales and use tax imposed pursuant to this section shall be used to pay the qualified judgment. The bill was advanced on a 7-0-1 vote by the Revenue Committee and was prioritized by Senator Dorn. The bill is on today's agenda.

BRAD JOHNSON – LB90 (Wayne) Make post-release supervision optional for Class IV felonies. RECOMMEND: SUPPORT. Currently, individuals sentenced to a Felony IV offense must do 12 months of post release supervision. This has had a significant impact on population numbers because many of these individuals violate the terms of their supervision and are sentenced to additional jail time as a result. Over the past two years this has involved thousands of jail days. By giving judges an option the Department may see some relief. The hearing on bill has been set for March 20, 2019. The hearing on this bill was on March 20, 2019 and received support from the Criminal Defense Attorneys Association, the County Attorney's Association. No opposition was registered.

BRAD JOHNSON - LB 684 (Lathrop) Change provisions relating to post-release supervision for Class IV felonies. RECOMMEND: OPPOSE. This bill pertains to F4 sentencing and post release supervision. His concern with this bill is that in Section 2, paragraph 2, line 11 it changes the length of term for revocation of post-release supervision from remaining period to original period. This means if a person is sentenced to 12 months post-release supervision and 6 months into the supervision period the courts revoke it the individual could now be sentenced to the jail for the entire 12 month period, rather than the 6 months that was left. I would encourage opposing this bill as written. The hearing on this bill has been set for March 20, 2019. The hearing on this bill was on March 20, 2019 and received support from the Criminal Defense Attorneys Association, the County Attorney's Association. The Department of Probation appeared in a neutral capacity. No opposition was registered.

We did discuss a concern Brad had with a provision in LB684 with both Senator Lathrop's LA and the Legal Counsel handling LB684 and expressed the potential concern. We were told that our concern was Senator Lathrop's as well and it would not likely be in an advanced version of LB684 (if it in fact came out).

SHAVONNA LAUSTERER - LB480 (Quick) State intent relating to appropriations to local public health departments. RECOMMEND: SUPPORT. Appropriates \$900,000 to local public health departments established by LB 692 for preventative health programs to reduce chronic disease and associated health care costs. Each Department would get \$50,000. The preventive health programs that will benefit from the funds will be selected to: Increase physical activity; prevent complications from diabetes, cardiovascular disease, and other chronic diseases; improve access to medical homes and dental homes to offer prevention and wellness services; increase worksite wellness initiatives to prevent disease and disability; assure preventive services for children and adults; and promote preventive health and wellness in additional ways. Programs will be selected based on needs identified by the community and based on Evidence Based Practices. NACO supported this bill last year. Several individuals and agencies appeared in support. If the Appropriations Committee agrees with the bill, the provisions would be included in the mainline budget recommendation.

LB327 (Bolz) State intent to appropriate funds for an increase in rates paid to behavioral health service providers. SUPPORT. The Legislature finds that the initial

report from the cost model study project (ten years in the making) shows rates paid to behavioral health providers from seven percent below the actual cost of providing services to thirty-five percent below the actual cost of providing services and that the average rate paid is eighteen and one-tenth percent below the actual cost of providing services. Therefore, this bill earmarks for related appropriations. The hearing on this measure was on Tuesday of this week and Commissioner Schorr, Chief Blimeister, representatives of NABHO, representatives of the Supreme Court and others testified in support. If the Appropriations Committee agrees with the bill, the provisions would be included in the mainline budget recommendation.

LB455 (Arch) Change medical services payment provisions relating to jails. For purposes of sections 47-701 to 47-705, which governs responsibility for payment of the costs of medical services for any person ill, wounded, injured, or otherwise in need of such services at the time such person is arrested, detained, taken into custody, or incarcerated. Here, medical services include: medical and surgical care and treatment, hospitalization, transportation, medications and prescriptions, examinations to determine fitness for confinement, and other associated items. Associated references are to be amended elsewhere, namely, 47-703. The hearing on this bill was on Wednesday, March 27, 2019. Senator Arch asked that the committee hold the bill during his opening. Brad, a representative of Sarpy County and NACO testified in support. The League and a lawyer for Ogallala testified in opposition. The bill will not emerge from committee.

ISSUES COMING UP IN THE NEXT WEEK

This is the last day for committee hearings. As such, there is no hearing schedule with this report, but in addition, we would highlight these recommendations:

THURSDAY, MARCH 28, 2019

LB369 (Vargas) Require jails, law enforcement agencies, and the Nebraska State Patrol to provide public notice before entering into agreements to enforce federal immigration law and to allow audits of noncomplying entities. Beginning September 15, 2019, a law enforcement agency or jail shall, before becoming a party to an agreement with any other public agency to enforce immigration law or to investigate, interrogate, detain, detect, or arrest persons for immigration enforcement purposes pursuant to such agreement, notify the governing body of any political subdivision overseeing such law enforcement agency or jail, in writing, at least thirty days prior to entering into such agreement. The notice shall be filed with the governing body and the governing body shall include the notice in the agenda of subjects of the next regularly scheduled public meeting of the governing body. If such an agreement existed prior to September 15, 2019, such law enforcement agency or jail shall notify the governing body of any political subdivision overseeing such law enforcement agency or jail, in writing, on or before October 15, 2019. The notice shall be filed with the governing body and the governing body shall include the notice in the agenda of subjects of the next regularly scheduled public meeting of the governing body.

LB592 (Hunt) Adopt the Limited Immigration Inquiry Act. The purpose of the Limited Immigration Inquiry Act is to promote the health and safety of all residents of Nebraska by encouraging immigrants to cooperate with the government, especially in reporting violations of the law. Unless required by court order or federal law or required or permitted by state law, no peace officer or government employee or official shall inquire into the immigration status of any person who interacts with such peace officer, employee, or official or with a government agency or law enforcement agency or ask for such person's social security number or other information

that would disclose such person's immigration status. Each law enforcement agency and each government agency to which residents regularly walk in to report violations of the law or to complain about government operations shall post prominent signs describing the policy under the Limited Immigration Inquiry Act of not asking about residents' immigration status. Nothing in the Limited Immigration Inquiry Act is intended to prevent peace officers or government employees or officials from knowing a person's immigration status or viewing a document that might provide evidence of a person's immigration status, so long as the person has volunteered the information or document to the peace officer, employee, or official.

Unless required by court order or federal law or required or permitted by state law, if a peace officer or government employee or official learns of a person's immigration status, the peace officer, employee, or official shall keep such status confidential and not disclose it to third parties, including other peace officers, law enforcement agencies, government employees or officials, or government agencies. A peace officer may inquire into a person's immigration status if required by state or federal law. The Nebraska Commission on Law Enforcement and Criminal Justice shall develop training to assist law enforcement agencies and other government agencies in understanding and complying with the Limited Immigration Inquiry Act.

OTHER ISSUES

LB550 (Vargas) Require voter approval of fees and taxes on wireless services and eliminate the Prepaid Wireless Surcharge Act. REVIEW REQUESTED BY CITY OF LINCOLN. LB550 states that no municipality shall impose any tax or fee related to wireless and prepaid wireless services after the effective date of this act unless and until the question of whether to impose such tax has been submitted at a primary, general, or special election held within the municipality and in which all registered voters shall be entitled to vote on such question. The officials of the municipality shall order the submission of the question by submitting a certified copy of the resolution proposing the tax to the election commissioner or county clerk by March 1 for a primary election, by September 1 for a general election, or at least fifty days before a special election. The election shall be conducted in accordance with the Election Act. If a majority of the votes cast upon such question are in favor of such tax, then the governing body of such municipality shall be empowered to impose such tax. If a majority of those voting on the question are opposed to such tax, then the governing body of the municipality shall not impose such tax.

A concern was raised by the City of Lincoln and I have forwarded to Dennis Meyer for his review.

This concludes our report for this week. We would be happy to answer any questions you might have.

Absent: Amy Dickerson and Jeff Cunningham

Staff attending: Jeff Maul, Derek Feyerherm, Ron Kalkwarf, Todd Wiltgen, Chris Whitney and Diane Pryor

Guests attending: Michael Sibbersen, Matthew Anderson, Brett Boller, Jamie Granquist, Bill Stephan, Maggie Stuckey, JJ Yost, Gale Breed, Dan Lesoing, Robert Wamsley, Michael Corner, Violet Kirk, Matt (LJS) and Alyssa Thege

Call to Order and Introductions:

Lynne Ireland called the meeting to order at 1:32 p.m. and introductions were made.

Approval of November Minutes:

Ireland asked for approval of the November minutes. Stitt made a motion to approve them. Morgan seconded the motion. There being no discussion or corrections, Ireland called for a vote. Morgan, Perrett, Stitt and Ireland voted yes. Cunningham, Dickerson, and Madsen were absent. Motion carried.

Approval of January Financials:

Ron Kalkwarf presented the financials with the Profit and Loss statement covering July 2018 through January 2019. Total Income was \$1,331,465 which was over budget by \$21,228 due to grant income offset by grant expense. Total Expenses totaled \$1,337,180 and Kalkwarf pointed out Net Income showed a loss of (\$5,715). Kalkwarf stated that the loss was more of a timing issue and that it will be recovered in future months. Perrett moved to accept the financials as presented. The motion was seconded by Morgan. With no further discussion, Ireland called for a vote. Morgan, Perrett, Stitt and Ireland voted yes. Cunningham, Dickerson and Madsen were absent. Motion carried.

Prior to hearing the grant requests, Kerry Eagan gave an update of the Improvement Fund balance and said there are funds to support all the grants requested. He did mention that if everything came due at once, there would be insufficient funds but since they are spread out over time, it would be fine. Jeff Maul said there was just over \$735,000 being requested today and the grants should be considered on their merit. Ireland said there are six grants to consider and the VPC needs to watch the time but be thorough. Todd Wiltgen reminded VPC the need to be conscientious with the funds because of the upcoming proposed ballfield project. Maul said there would be enough if everything didn't come due at the same time and it didn't look like that would be the case.

Being no further questions or comments, Ireland welcomed the first presenters.

Branched Oak Observatory Grant Request:

Michael Sibbersen, Matthew Anderson and Brett Boller spoke to the committee telling them the observatory is located near Branched Oak lake. The location keeps them just a short drive from Lincoln,

near another tourist attraction and in a location away from city lights giving them a chance to view the dark skies. They have four main attractions; the Boller-Sivill Observatory, the La Rue Coffee Astronomy Education Center, the Constructive Enterprises Visitor Center and the Prairie Astronomy Club Launch Pad where they are planning to install and incorporate the Planewave CDK500 Telescope as part of their newly built Everts S. Sibbern Memorial Observatory. The Observatory requested \$64,747 of grant money for the purchase and installation of the telescope. They provided the group with data showing they have an estimated annual visitor count of about 2,500 people a year. 1,000 of those are from outside of Lincoln. They also said they do all marketing on Facebook. They opened the floor to questions. Perrett asked whether they offered education events. The reply was yes, school groups, science groups and open events. In the summer, they are open 16 times per month. They also offer white light telescopes during the daytime, too. Aaron Stitt questioned the hotel room prices they used for their estimated economic impact, stating he thought the figures seemed high. Maul clarified that the figures used in the grant document is based on a study done by the Nebraska Tourism Commission and factors both direct and indirect spending, not just hotel rates. Maul asked how this would this grant request would affect their growth. They said it would double or even triple the hotel nights, so maybe up from 200 to 400-600. Anderson told the committee admission into the observatory is free. Last year they had 5,000 come through their gates, mostly people in the 20-30-year age group. Nicole Fleck-Tooze asked if people were paid to work there; they are all volunteers. Derek Feyerherm wondered about the life of the telescope. They said it would easily last over 20-30 years. Wiltgen brought up the projected growth in attendance and questioned how this was going to double it. The gentlemen said through Facebook advertising and word of mouth. They have about 2,500 likes on Facebook now. Morgan asked how they track hotel room nights, and do they have a calendar of events. They said they currently do not have a system in place to track overnights and that the information is collected second-hand. Wiltgen suggested they keep a log to track visitors and they thought they may start doing that. Their events are on their website, they said. Stitt asked how many people the facility can hold. Sibbern said that the current facility can hold 30 people seated and more if standing. The Boller Observatory can hold between 15-20 and Sibbern can seat around 30. Being no further questions, the presenters left the room.

Perrett began by saying they were a small group, but got things done. Morgan said he is looking at the hotel room nights produced by this project and felt the return was low compared to the amount of funds requested. Stitt wondered how many observatories are in the area and Wiltgen said there are two in Lincoln. Ireland thought the Branched Oak location was better because it is outside of town and offered less light pollution. Ireland said the Observatory has been successful in finding ways to financially underwrite other parts of the project. Morgan suggested giving a smaller amount; maybe \$10,000 and they raise the rest. Perrett suggested giving 50% of their request. Stitt suggested giving \$20,000. Ireland said she would like them the group to find a better way to track visitors and have firmer metrics. Morgan stated he was torn on whether they should be required to give more data before a decision is made. Madsen said he had NASA staying at her hotel during the 2017 solar eclipse and things the Observatory could bring more people in. Morgan asked Maul and Feyerherm if this project would help the CVB recruit events. Feyerherm said it would not specifically help with this unless the event is in partnership with an organization such as UNL's astronomy department. Madsen made a motion to grant \$20,000 to the Branched Oak Observatory for the purchase of the telescope, contingent on them raising the remaining amount needed. Perrett seconded the motion. With no further discussion, Ireland called for a vote. Morgan, Madsen, Perrett, Stitt and Ireland voted yes. Cunningham and Dickerson were absent. Motion carried.

Heartland Bike Share (BikeLNK)) Grant Request:

Jamie Granquist made a grant request of \$49,640 to purchase a 10-bike dock station along with five new

bikes. Granquist told the group they have 19 kiosks throughout downtown Lincoln and UNL campuses along with 100 bikes in the current system. They have had over 4,000 riders and have sold over 7,000 passes. The bikes are in many other cities and the passes are good in all of them. Also, research is showing Lincoln is ahead of other cities in usage. Maul asked if the program was meeting expectations. Granquist stated they had 28,000 trips in nine months compared to Omaha's 16,000 trips. She said Lincoln is winning awards, has a great infrastructure for their system and the community has been great. Morgan asked if there are apps you can sign up through. Granquist said yes, you can buy trips three ways; through the app, which shows all the Lincoln bike trails, at one of their kiosks and nationwide on their fobs. Stitt asked if this would be the 20th station in Lincoln. Granquist said it will be the 21st as another one is getting installed at the F Street Rec Center. Maul asked if that station is funded already to which she said it was. Wiltgen stated that according to the grant document the project is not a hotel room night generator so asked what impacted this would have as an attraction. Granquist said the bikers check out a bike in the Haymarket to get from one place to another or just to enjoy the sights, but in the meantime they see what's for sale in the shops' windows as they ride by, smell the foods at different restaurants, maybe see someone they know eating out on a patio so they may stop for a sale at the boutique, share a bite or to say hi to a friend. The bikes keep people closer to the activities and atmosphere because they are not speeding by in a car or bus. Ireland asked if Granquist felt that the bikes help people make a decision on where to travel. Her answer was yes and people factor in what can make a trip better and more complete. Madsen said \$10,000 per bike seems high and asked if it would be better to extend existing stations instead of creating new ones. Granquist said that extending current stations requires infrastructure based on how they are setup. There could be options to do this but it is not easy due to public works issues. Ireland asked if the cost of the new bikes and dock are consistent with original start-up and Granquist said yes but steel tariffs have caused the price to increase slightly over the original cost. Another question from Madsen came up – any theft or damage? Granquist replied very low damage and they still have them all accounted for; however, one bike was ridden to York by an intoxicated customer. They had to go get that one. Wiltgen commented that he frequently sees people riding them over the lunch hour. Maul gave an example of when a gentleman from Thailand was in Lincoln for four weeks, he utilized the Bike Share each day. Perrett asked what her five-year goals are for the program. Granquist told them to possibly move to other college campuses in Lincoln and to help people have a magical experience. Eskridge asked what the next phase will be. Granquist said the next phase is the expansion in to neighborhoods. University Place, SouthPointe and Homes Lake neighborhoods have inquired about having stations.

With no further questions, Granquist left the room. Morgan questioned where the funding for the F Street Rec station is coming from. Wiltgen said it was through a grant according to Granquist. Stitt said he knows a lot of guests use the bikes and it helps guests see the city from another angle. Susan pointed out there were a lot of good letters of recommendation about the bikes. Morgan thought \$50,000 was a big ask based on the projected return. Maul stated that he sees this as an enhancement to an overnight experience. Stitt asked if there is any competition to these. The committee discussed potential scooters and Segway tours that already occur. Madsen said she had used the scooters in Houston, and they are just dropped everywhere and a big mess. Morgan wanted the cost broke down more and suggested maybe paying for the physical bikes but the rest needs to be raised outside of the grant. Eskridge noted that organizations such as Spreetail, DLA, and UNL provided the initial funds for the project. Wiltgen reminded the committee to focus on how this grant requests attracts visitors as that is how the county board will look at it. Stitt asked if there would be signage on the station to recognize a VPC grant. Maul stated that this signage is part of the grant paperwork. Madsen said she and her staff promote the Bike Share station outside of her hotel when speaking to potential guests coming to Lincoln. Stitt made a motion to fund the project and grant the full \$49,640. Perrett seconded the motion. With no further discussion, Ireland called for a vote. Morgan

voted no. Madsen, Perrett, Stitt and Ireland voted yes. Cunningham and Dickerson were absent. Motion carried.

Lied Center for Performing Arts Grant Request:

Bill Stephan made a grant request to the committee asking for \$175,000 to make improvements to its current state rigging and lighting system. Stephan believes these improvements will allow for larger, extravagant shows to come to the Lied Center; those needing more height. He said they've got many exciting shows coming to town; some of the top 100 in the world. Phantom of the Opera, for example. They have the approximately \$93,000 to remove the old equipment but need the money to install the new. Bill thought these bigger, grander shows would increase hotel nights by 10%. The floor was opened to questions. Madsen asked if he had considered selling the old equipment. He said it was in too bad of shape as well as each theatre's system is custom made and difficult to retrofit in another space. Stitt asked if shows including Lion King or Phantom of the Opera have been at the Lied Center previously. Stephan said no due to the limitations the theatre has with the current rigging system. Morgan asked if it is a situation of if you built it, they will come. Stephan said yes, that Phantom of the Opera is coming now that the Lied Center is updating its system. Ireland asked what he will do if he doesn't get the grant. Stephan said they will do fundraising in the community. Stitt asked if artists or comedians need this, but Bill said no, it's just for theatrical performances. Madsen asked if the Lied Center looks to book shows when there is downtime in Lincoln. Stephan stated he could look to see if events can be programed when hotels have down periods but that most fall within their September to May schedule. Feyerherm asked if this new rigging system will increase the rental costs for outside groups as rent is already high. Stephan said that it would not increase base rental as the rigging would have already been paid for when it is installed.

Stephan was excused and the group began discussion. Morgan asked if the Lied Center has been paid in full for their last VPC grant. Wiltgen said yes. Maul said that the Lied Center has received approximately \$400,000 in grant funds over the years. Ireland said there is a history of the Lied Center coming to the VPC for infrastructure related requests and questioned whether they need to find a way to pay for these items themselves. Wiltgen referenced Feyerherm's question and said that the Lied Center told the county board they would work with the CVB to make rental more affordable. Feyerherm said he asked the question because outside groups still find the rental of the Lied Center cost prohibitive. Madsen asked Feyerherm why the rental is so high, and he went over several factors. Eskridge brought up the point that these caliber of shows Stephan is talking about bringing in are big deals and would likely sell out for multiple shows. Perrett said it would be a way for us to compete with Omaha but may be a few years before we see the results. Madsen said this is important to Lincoln. Stitt said he supports the projects but said \$175,000 is too much to give. Madsen noted that Stephan sounded confident the Lied Center could raise additional outside venues. Morgan asked if more grants will be coming this year. Maul said yes, major grant requests will be heard again in August. Wiltgen reminded the committee though that a past grant recipient is ineligible to come back for more until their previous grant has been completed and paid in full. Perrett made a motion to grant the Lied Center \$100,000, contingent on them raising the rest themselves. Stitt seconded the motion. With no further discussion, Ireland called for a vote. Morgan, Perrett, Stitt and Ireland voted yes. Madsen abstained. Cunningham and Dickerson were absent. Motion carried.

Lincoln Parks Foundation/Lincoln Pickleball Grant Request:

Maggie Stuckey, JJ Yost and Gale Breed addressed the committee requesting a grant of \$50,000 for four new pickleball courts at Peterson Park. They are estimating the project will cost \$230,000 but are just

asking for \$50,000. They are fundraising for the rest because they partner with many others that are contributing. The group said it would be a one-time investment that would bring a 5-fold return in the economy back to the city. These extra courts would be in addition to the six they have there now. Those courts are always busy as pickleball has become extremely popular. Indoor courts are made out of the basketball courts at Speedway Village, but with the four more at Peterson Park, Lincoln could host more sanctioned 3-day tournaments bringing people in for more hotel nights and more city revenue. They will host five tournaments each year (one each nice weather month) with revenue of over \$500,000. The floor opened to questions. Morgan asked if they would max out at five tournaments. Breed said there is the potential for more but would likely only have one regionally sanctioned tournament per month. These bring people in early and then have two days of competition. Madsen asked if there were spectators for this sport and would the courts ever be covered to which they said yes, usually 1.5 spectators per player and maybe they would cover them eventually. There are bleachers next to the courts but most bring lawn chairs to watch. Madsen asked if there are plans for indoor courts. Breed said not at this time but noted that the national tournament has 70 courts, of which 20 are covered. This accommodates 3,500 players. Madsen asked a follow-up question on whether the courts are the same as tennis courts. Breed said no, they are dedicated courts. Maul stated there is big growth in pickleball, noting the increase in participants at the Cornhusker State Games. Maul wondered if this would be a one-time ask or if they would come back for more when the courts are needed at 84th and Yankee Hill Road where they have room for 32 courts. Yost said maybe they would ask for funds for Jensen Park but that this is project is their priority. Breed see this as a great investment and said it is a healthy, active and social activity that people of all ages can enjoy and excel at, so it is a big draw. Morgan asked if the \$50,000 included a maintenance endowment. They said that would be part of the \$230,000 but the \$50,000 being requested is strictly for construction. The group told the committee the project would start in the fall of 2019 and be completed in 2020. Perrett asked if there is competition in other cities such as Kearney. They said one tournament a year is held there but it is not sanctioned like the Lincoln tournaments would be.

The group was excused, and the committee began discussion. Wiltgen asked if the CVB has looked at the economic impact of these tournaments. Feyerherm stated that the numbers the group gave coincide with what national organizers have said to the CVB at national tradeshow. Maul said this project is a good starting point with more courts that can be constructed later. Ireland said they had a very good proposal and she liked that they were asking others for help, too, saying if the VPC gives \$50,000, they will raise the additional. Perrett made a motion to grant the \$50,000 requested. Morgan seconded the motion. With no further discussion, Ireland called for a vote. Morgan, Madsen, Perrett, Stitt and Ireland voted yes. Cunningham and Dickerson were absent. Motion carried.

Lincoln Sports Foundation Grant Request:

Dan Lesoing spoke next to the group requesting a grant of \$100,000 to restore the outdoor fields at Abbott Sports Complex and replace all the signage. He began his presentation by sharing a statement that he said would be released to the press following the meeting. The statement said Lincoln Sports Foundation, The Ethel S. Abbott Charitable Foundation and Del Linemann, Jr. had resolved all claims against each other. This would allow Lincoln Sports Foundation to own and operate Abbott Sports Complex going forward. They will be required to change the name and have all signage replaced by June. Lincoln Sports Foundation is not obligated to make any payments to the Abbott Foundation, Lesoing told the committee, therefore there will be no mortgage on the property. Therefore, Lesoing went on to say, Abbott will stay, but is in dire need of repair and updates. A lot of improvements need to be made before they can get tournaments and youth sports programs back out there. He talked about improving the lobby, restrooms, lights, signs, courts and fields. He is hoping to get most of it completed by June 1, 2019 to get the summer

games out there and have revenue coming in as soon as possible. His hope is to get it all done and host up to four soccer tournaments this year. There is room to accommodate 11 fields, including soccer, softball and baseball. His initial ask for this grant would be to upgrade the soccer fields and upgrade all the signage. He already has \$50,000 to use on the lobby, lights and parking lots. He is hoping to partner with Lincoln Public Schools again. Ireland opened the floor to questions. Morgan asked if the \$100,000 ask was just for Phase I. Lesoing said, yes, they need to get that done first to get things up to par. Morgan also asked if it was turf or grass – grass was Lesoing’s reply. Madsen asked who the main competition was taking tournaments from Lincoln. Lesoing replied, Overland Park which has lit fields that have turn which allows them to do tournaments into November. Maul asked for clarification on the grant request –would the \$100,000 mentioned in the grant be the matching part to the other \$50,000 grant he noted? Lesoing said the request is for \$100,000 from the VPC to fix the fields and signs and Lincoln Sports Foundation would put up an additional \$50,000 to get the lobby and restrooms updated. Stitt had the question who previously managed Abbott. Lesoing said legally Lincoln Sports Foundation has since 2004 and before that Capital Sports did. He said he could not discuss why certain operational decisions were made over the years. Maul asked if the legal opinion/statement would happen whether he received the grant or not and Lesoing said yes. Lesoing said he does not expect the VPC to fund all stages of their plan and will not be coming back year after year. He said he understands the need for corporate sponsors to make the facility succeed.

Lesoing was excused and discussion ensued. Morgan said Overland Park is much better than this complex has ever been so wondered how realistic this was. Wiltgen said that Abbott Sports Complex is not in competition with Overland Park. Maul agreed saying this project is daunting and unsure. Perrett pointed out that the Special Olympics had to move because the complex was so run down as did John Cook’s camps. Runza was previously a sponsor out there but has not been asked to renew their agreements and is not surprised they have lost tournaments due to the condition of the facility. Wiltgen and Stitt both agreed there were still management deficiencies that needs to be addressed and that Lincoln Sports Foundation was part of the previous management. Ireland suggested delaying a decision until the paperwork finalizing the ownership is completed. Madsen asked if it is possible to bring tournaments there for 2019 if the grant was awarded. Feyerherm said unlikely due to most tournaments having their 2019 schedules in place. Wiltgen also said Lancaster County gave grant money for the motocross tracks out there but that the management is separate. Madsen asked if anyone knows if Lincoln Sports Foundation manages any other complexes to which the answer was no. Madsen said there is a need for youth sports complexes and perhaps the VPC should support this. Maul brought up the other developments in Lincoln including Speedway Village and the new Manzitto project. The need is there but there has to be comfort in the project. Todd did not feel a comfort level, he said, and Stitt added that any approvals would have too many contingencies attached. Perrett agreed that it would be better to wait and see what changes are made at the facility and ensure that the final ownership agreement is executed before approving a grant. Stitt made a motion to deny the grant request until the organization and management gets under control. Morgan questioned what ‘under control’ means. Madsen said they could prove they can raise funds in the community and pay for the signage piece themselves. Morgan aside if the motion meant a change in personnel. Stitt said he meant that the ownership agreement is finalized, along with other improvements at the facility including the change in signage. Madsen seconded the motion on the table. With no further discussion, Ireland called for a vote. Morgan, Madsen, Perrett, Stitt and Ireland voted yes. Cunningham and Dickerson were absent. Motion carried. Grant denied.

The Nebraska Communities Playhouse Grant Request:

Robert Wamsley, Michael Corner and Violet Kirk spoke to the committee requesting a grant of \$295,863

to use for a new 17,000 sf building to house another theater with over 400 seats. They have raised some money already at Give to Lincoln Day but want to maintain and grow. They have Davis Design helping them create a plan and it looks like they'll need about \$997,000, they said. Currently they are located in Hickman, Nebraska. It was established to serve the larger Norris area and southern Lancaster county. Since opening in 2013, the playhouse has completed 29 major live community theater productions, among other activities, and sold over 34,000 tickets to its over 350 performances. The playhouse has received high ratings and is promoted through social media, Facebook (with over 2,700 likes and a five-star rating), newspaper ads, word of mouth and from season ticket holders. They talked about a motorcoach that has brought a group from Wisconsin on a mystery tour that went over really well. Maul let them know the CVB had set that up. The three talked of tour groups coming from other counties and outer/greater Nebraska and even youth groups attending events. They've impacted over 200 youths, they said. Their goal is to expand and improve the existing attraction and establish a newly constructed facility – hopefully by no later than December 2020. They feel they are bringing in people from far enough away that they are needing hotel stays. Hickman has no hotel, so the guests are staying in Lincoln, they said. Ireland opened the floor for questions. Morgan asked about their current seating capacity and there are now just 122. Madsen wondered if there was a demand for more seats and they said, yes, they feel there is and often have to add a third weekend for popular shows. Perrett asked how they would use both facilities and they said they would double the productions and as a result, the revenue; possibly at times using the smaller one for youths and the larger for productions. Wiltgen asked where the out-of-town guests stay, and the group said Lincoln. There was talk about the Mystery Tours again bringing in guests. Stitt asked them for some statistics on their growth and to elaborate on what new events they hope to bring in to which they replied they are the fastest growing playhouse in the state and are looking for shows bringing crowds of 400-500 in size. Walmsley said that according to ICM, there is a shortage of 400-500 seat intimate theatres. They have six shows lined up including comedians and smaller bands.

After the three left, the committee began discussion. Madsen noted they have raised money to buy the existing building which is good progress. Wiltgen said that they do sell out three weeks at a time but worried about maintain that support with a larger venue. Feyerherm said it has been difficult to include their shows in group tour itineraries as they often are sold out. Maul thought we should review what they are asking for including their flood plan remediation. Madsen hasn't seen the facility and asked if it was in a flood plain. Wiltgen said yes, that it sits next to Salt Creek. Aaron said last time the VPC gave them grant money it went towards their website and sound system. It was around \$10,000 so somewhat small. Stitt asked if the town of Hickman has given any funds to the theatre. Wiltgen said that they have and helped subsidize the demolition of the building where the empty lot is currently. Stitt asked where the other money is coming from for the project. Perrett said it appears from their grant documents that the remaining funds will be through grants and a bank loan. Madsen suggest supporting part one of their project for \$56,550. Stitt said he would like to see the VPC do more on this large of a project. Stitt made the recommendation and a motion to grant them \$239,313, contingent they come up with the other \$56,550. Perrett seconded the motion. With no further discussion, Ireland called for a vote. Morgan voted no. Madsen, Perrett, Stitt and Ireland voted yes. Cunningham and Dickerson were absent. Motion carried.

Directors Report:

Maul stated that the 2019 Visitors Guide is in print with 70,000 copies being distributed and that the local hotels have them. He said they were considering a different format for them next year. Maul said Lincoln has won the proposal for FIVB Volleyball Nations League to be back in Lincoln this June 4-6. Also, he was happy to announce that Lancaster Event Center will host the National High School Finals Rodeo again in 2026 and 2027 along with the already awarded years of 2020 and 2021. Maul talked briefly about LB57

and the attempt to add lodging tax to short-term rentals in Lincoln. He also talked about LB187, the turnback tax bill that can be used as a funding mechanism for new ballfield complexes. Maul reported on the 2018 city accolades. He said the REIMAGINE LINCOLN campaign continues and now includes billboards. Also, there are some new attractions bringing excitement; the Lincoln Telephone Museum collection will be on display thanks to Speedway Motors and a gentleman from North Dakota is interested in opening the Nebraska Museum of Aviation in the Airpark area. Both of those are in the beginning phases and Maul looks forward to them and their success. Maul was also pleased to report girls and boys state basketball will be going on around the city next week and the week after. Feyerherm gave a sales report and said there were 177 sales leads for 130,441 room nights bid out in 2018 and there were 112,401 hotel rooms booked, which is a record year. We were nervous for 2019, he said, but we have done well and are hopeful about that. There was a 57% decrease in room nights lost. Feyerherm went on to give a 2019 update. He said to date there has been 44 sales leads for close to 25,000 room nights bid out. There are already 24 events booked for 17,147 room nights. He told everyone Rachel Martin left to go the Graduate Lincoln hotel and they have already interviewed four potential candidates that were recommended by those in industry. Feyerherm went on to say the CVB is planning upcoming sales missions to Colorado Springs, Chicago, and D.C. sometime between April and June. The three downtown full-service hotels have been invited to send staff with if they would like. Feyerherm asked if there were questions for himself or Maul. There were none.

New Business:

Ireland asked if there was any new business. There was none.

Adjourn:

Being no further business, Ireland made a motion to adjourn the meeting. Madsen seconded the motion. Being no further discussion, Ireland called for a vote. Morgan, Madsen, Perrett, Stitt and Ireland voted yes. Cunningham and Dickerson were absent. Motion carried. The meeting was adjourned at 5:04 p.m.
