Joe Kohout, Kissel, Kohout, ES Associates LLC, reviewed the weekly legislative report (Exhibit A).

Brennen Miller, Kissel, Kohout, ES Associates LLC, stated there was outdated language in LB200 (Change provisions relating to licensure under the Health Care Facility Licensure Act of alcoholism centers providing civil protective custody of intoxicated persons) which was amended, and has been moved out of the committee by a 7-0 vote. More information on the bill will be available next week.

Flowerday testified in opposition of LB20 (Require voter approval of public building commission bonds) on Thursday, January 24.

There was general discussion on LB327 (State intent to appropriate funds for an increase in rates paid to behavioral health service providers) and the possibility of a presentation for the Commissioners. Flowerday said he is in support of LB327.

It was the consensus of the Board for an appropriations package to be compiled.

Regarding LB373 (Provide setback and zoning requirements for wind energy generation projects), it was the consensus of the Board for David Cary, Director, Lincoln-Lancaster County Planning

Department, to testify on behalf of the County.

**MOTION:** Vest moved and Amundson seconded to oppose LB373. Amundson, Schorr, Brinkman, Vest and Flowerday voted yes. Motion carried 5-0.

**MOTION:** Schorr moved and Flowerday seconded to support LB247 (Adopt the Advance Mental Health Care Directives Act) via letter.

The letter will be completed by 5:00 p.m. on January 31, 2019 for admittance into the record.

**ROLL CALL:** Amundson, Schorr, Brinkman, Vest and Flowerday voted yes. Motion carried 5-0.

Schorr stated the Nebraska Association of County Officials (NACO) is watching LB289 (Change provisions relating to county assessor inspections of real property for property tax purposes). Scott Gaines, Chief Administrative Deputy County Assessor/Register of Deeds, stated the bill changes how often the inspections must occur (not the revaluations) and could have a \$650,000 fiscal impact on the County. Rob Ogden, County Assessor/Register of Deeds, felt testimony at this time is not necessary. It was the consensus of the Board to monitor the bill.

**MOTION:** Flowerday moved and Amundson seconded to authorize Kohout to speak to Senator McCollister recommending an amendment to include corrections workers to LB254 (Adopt the Fair Chance Hiring Act). Amundson, Schorr, Brinkman, Vest and Flowerday voted yes. Motion carried 5-0.

It was the consensus of the Board that there was not a strong feeling on LB148 (Change requirements for public hearings on proposed budget statements and notices of meetings of public bodies). Dennis Meyer, Budget and Fiscal Director, stated he did not find the bill concerning.

**MOTION:** Schorr moved and Amundson seconded to support LB239 (Change requirements for notice of hearing on county budget). Amundson, Schorr, Brinkman, Vest and Flowerday voted yes. Motion carried 5-0.

**MOTION:** Amundson moved and Flowerday seconded to support LB376 (Provide for safekeeping of prisoners) via letter. Amundson, Schorr, Brinkman, Vest and Flowerday voted yes. Motion carried 5-0.

Regarding LB412 (Require an election regarding creation of a joint public agency), Brinkman felt NACO and the City of Lincoln should testify and not the County.

**MOTION:** Schorr moved and Amundson seconded to oppose LB412 via letter.

It was the consensus of the Board for Kerry Eagan, Chief Administrative Officer, to draft the letter.

**ROLL CALL:** Amundson, Schorr, Vest and Flowerday voted yes. Brinkman voted no. Motion carried 4-1.

Kohout felt LB490 (Consolidate offices of clerk of the district court and clerk magistrates) would have

a positive fiscal impact for the County. Eagan stated the Nebraska District Court Clerk's Association is opposing the bill. Schorr said there is the option for counties with consolidated positions to move that function to the State.

**MOTION:** Schorr moved to authorize Troy Hawk, Clerk of the District Court, to send a letter opposing LB490.

After further discussion, Schorr withdrew the motion.

Information on the legislative bills and client update were distributed (Exhibits B-D).

**3) POLITICAL ACCOUNTABILITY AND DISCLOSURE ACT – Frank Daley, Accountability and Disclosure Commission Executive Director**

Frank Daley, Accountability and Disclosure Commission Executive Director, reviewed the Political Accountability and Disclosure Act and conflict of interest laws pertaining to County Boards (see agenda packet). He stated, due to public perception, it is not uncommon for elected officials to file a conflict of interest even if there is no known conflict. He elaborated typically the Commission staff issues conflict of interest opinions as they can be returned quickly. A formal Commission advisory opinion provides a legal defense against accountability and disclosure violation allegations.

Regarding committees that review grant applications, Brinkman asked if a Commissioner serves on a non-profit board that applies for a County grant, how does the Commissioner serve in their role on the non-profit and as a Commissioner. Daley felt the official must consider if there is a financial impact to their position as Commissioner.

When asked about reporting gifts, Daley answered gifts valued at more than \$100 must be reported. Meals for immediate consumption do not constitute a gift.

**4) TRABERT HALL – David Derbin, Deputy County Attorney; and Sue Eckley, County Risk Manager**

**A. TRABERT HALL CLOSING STATEMENTS**

David Derbin, Deputy County Attorney, distributed and discussed a copy of the Seller Settlement Statement with an amended settlement date of February 5, 2019 (Exhibit E).

**MOTION:** Amundson moved and Vest seconded to approve the revised Seller Settlement Statement and authorize the Chair to sign it. Amundson, Brinkman, Vest and Flowerday voted yes. Schorr voted no. Motion carried 4-1.

**B. TRABERT HALL PROPERTY INSURANCE**

Sue Eckley, County Risk Manager, reviewed the insurance quote (Exhibit F) and the terrorism insurance coverage (see agenda packet). She recommended to the Board to reject the terrorism insurance coverage. A cancellation request will be available at the next Tuesday meeting to be signed by the Board to cancel the insurance policy for Trabert Hall. Derbin said CenterPointe is

responsible for the deductible.

**MOTION:** Flowerday moved and Amundson seconded to approve the insurance disclosure, reject the terrorism insurance and authorize the Chair to sign. Amundson, Schorr, Brinkman, Vest and Flowerday voted yes. Motion carried 5-0.

### **5) LANCASTER COUNTY MENTAL HEALTH CRISIS CENTER UPDATE AND CONFERENCE DISCUSSION – Scott Etherton, Lancaster County Mental Health Crisis Center Director**

Scott Etherton, Lancaster County Mental Health Crisis Center (MHCC) Director, stated nine post-commitment individuals are at the MHCC leaving seven beds for new admissions. Individuals have been sent to Bryan Hospital and Mary Lanning Hospital for further treatment. Four inpatient commitments have been changed to outpatient.

Schorr asked if the recidivism rate due to individuals being released based on MHCC staff recommendation is being tracked separately from the overall recidivism rate. Etherton said these rates are not tracked separately but individuals who are committed to inpatient treatment and then committed to outpatient treatment are tracked separately.

Etherton reported the Credible software company has offered to compensate the registration and hotel costs for the upcoming Credible conference for Anita Leonard, Nursing Supervisor, MHCC. The

cost to the County would be airfare at approximately \$350. While Etherton and Leonard are at the conference, the Senior Supervisor would be in charge. It was the consensus of the Board for Leonard to attend the Credible conference.

## **OTHER BUSINESS**

Flowerday stated the copy of the Commission on Accreditation of Rehabilitation Facilities (CARF) report the Board received was not the dynamic file; therefore, information was lost. Brinkman will forward the dynamic file to the Board.

Etherton has not heard further information regarding a resurvey date. There was general discussion for Brinkman and Flowerday to meet the resurvey team.

The City would prefer the County to facilitate the meetings. He responded with a letter indicating Tom Casady, Public Safety Director, will be the Mayor's representative on the task group. It was the consensus of the Board for Eagan to serve as Board's representative.

Schorr will forward the draft agenda for the Stepping Up Summit to the Board.

Brinkman stated she and Flowerday met with Craig Gifford, Information Services Technical Support/Operations Coordinator, who will bring solutions for a shared folder for staff meeting items and a cloud drive to an upcoming staff meeting.

**ISSUES ON WHICH THE BOARD HAS TAKEN ACTION**

**LB20 (Briese) Require voter approval of public building commission bonds. OPPOSED.** LB20 would amend provisions with respect to public building commissions as they relate to Lancaster County / City of Lincoln and Douglas County / City of Omaha. The bill would provide that no bonds are authorized to be issued by a related public building commission unless the question of a proposed bond issue has been presented to the voters of the affected county at an election called for consideration of such a proposal. The hearing saw support from Commissioner Jim Cavanaugh of Douglas County, Taxpayers for Freedom and other groups; opposition came from Commissioner Chris Rogers of Douglas County, Councilman Ben Gray of Omaha, and Commissioner Sean Flowerday. The bill does not appear to have the support to move from committee.

**LB204 (Briese) Require approval of voters for bonds under the Interlocal Cooperation Act. OPPOSED.** Prohibits bonds from being issued by any joint entity on or after the effective date of the act until the question has been submitted to the qualified electors of each public agency which is part of the joint entity. Senator Briese asked the committee to kill LB204.

**LB103 (Linehan) Change provisions relating to property tax requests. OPPOSED.** This bill appears to cap property tax requests at a rate of the previous year and only allows for an increase the rate of levy and property tax request above the amounts identified in the bill, a governing body can do it only following a public hearing. The bill also puts some significant requirements in place for the public hearing and notice. The bill saw support from Bruce Riecker on behalf of several ag groups, Colby Mach on behalf of the Lincoln Independent Business Association, Sarah Curry on behalf of the Platte Institute. Opposition came from Kyle McGallon on behalf of several education groups, Steve Curtis on behalf of the city of Omaha, Greg Adams on behalf of the Nebraska Community College Association, Lynn Rex on behalf of the League of Nebraska Municipalities, Mark Johnson on behalf of several SIDs. NACO appeared in a neutral capacity. The committee has not advanced the bill.

**LB158 (Brewer) Change provisions relating to the assessed value of real property. OPPOSED.** The bill caps property taxes at the 2019 level for a period of four tax years, 2020-2023. The bill includes provisions that accommodate changes in valuation of property accounting for improvements or destruction that would affect the assessed value of the property. Absent these material changes that would alter the value of property, it shall remain at the 2019 level. The bill was supported by Colby Mach, Bruce Riecker. It was opposed by Connie Knoche on behalf of Open Sky, Steve Curtis, John Cannon on behalf of NACO, Rob Winter on behalf of the Greater Nebraska Schools Association. The committee has not advanced the bill.

**LB11 (Blood) Provide for interlocal agreements regarding nuisances. RECOMMEND: SUPPORT.** Intended to provide for interlocal agreements between any city or village and the county where it is located to abate, remove, or prevent nuisances. The governing body of such city or village and the county board of such county shall first approve such interlocal agreement by ordinance or resolution. High priority for Sarpy County. Those appearing in support included NACO and Joe Kohout on behalf of Lancaster County and MAPA. The bill was advanced by the Committee.

## ISSUES FOR LONG TERM CONSIDERATION

**LB327 (Bolz) State intent to appropriate funds for an increase in rates paid to behavioral health service providers. RECOMMENDATION: SUPPORT.** The Legislature finds that the initial report from the cost model study project (ten years in the making) shows rates paid to behavioral health providers from seven percent below the actual cost of providing services to thirty-five percent below the actual cost of providing services and that the average rate paid is eighteen and one-tenth percent below the actual cost of providing services. Therefore, this bill earmarks for related appropriations. Hearing is likely on March 25 or 26, 2019 to coincide with the Department's Budget hearing.

**LB710 (Cavanaugh) Change provisions relating to tobacco including sales, crimes, a tax increase, and distribution of funds. RECOMMENDATION: SUPPORT.** The bill proposes a significant increase in the tobacco tax from \$.64 per pack to \$2.14 per pack and distributes the additional \$1.50 in a manner of ways that could benefit county operations. Included in this are the following county operational issues:

- Medicaid Expansion – 25% (est. \$63 Million)
- Public Health Departments – 4% (est. \$4 Million)
- Smoking cessation – 5% (est. \$12.6 Million)
- EPC – 1% (est. \$2.5 Million)
- Behavioral Health Rebased – 2% (\$5 Million)
- Health Services in County Corrections – 2% (\$5 Million)

The Director of the Department of Health, Shavonna M. Lausterer, sent an email recommending support for this bill as well.

## ISSUES COMING UP IN THE NEXT WEEK

We have attached our hearing schedule with this report, but in addition, we would highlight these recommendations:

### THURSDAY, JANUARY 31, 2019.

**LB373 (Brewer) Provide setback and zoning requirements for wind energy generation projects. RECOMMEND: OPPOSITION.** LB373 defines wind energy generation project. The bill requires zoning provisions prior to construction of wind energy projects as prescribed, including notices. It provides for fees, eliminates provisions relating to zoning regulations, limits agreements relating to school lands, repeals the original sections, and to declares an emergency. It is most notable because of opposition to the establishment of wind farms in Western Nebraska. The concern Lancaster County should have is the state usurping the county's ability to exercise local control of zoning rules and regulations.

### FRIDAY, FEBRUARY 1, 2019.

**BRAD JOHNSON – LB247 (Bolz) Adopt the Advance Mental Health Care Directives Act. RECOMMEND: SUPPORT.** Brad believes that this bill could in some instances provide the correctional staff with the ability to treat individuals who find themselves in a crisis and cannot rationally make decisions for themselves.

**LB289 (Linehan) Change provisions relating to county assessor inspections of real property for property tax purposes. RECOMMENDATION: OPPOSITION.** The county assessor shall determine the portion to be inspected and reviewed each year to assure that all parcels of real property in the county have been inspected and reviewed no less frequently than every 3 years amended from no less frequently than every 6 years.

**MONDAY, FEBRUARY 4, 2019**

**BRAD JOHNSON – LB254 (McCollister) Adopt the Fair Chance Hiring Act. RECOMMEND: AMEND THE BILL TO INCLUDE CORRECTIONS WORKERS.** Brad is concerned that the provisions in the bill do not include correctional workers as a position where criminal background checks can be considered.

**WEDNESDAY, FEBRUARY 6, 2019.**

**LB148 (Groene) Change requirements for public hearings on proposed budget statements and notices of meetings of public bodies. RECOMMEND: OPPOSE.** Under LB148, and for the purposes of the Nebraska Budget Act, “governing body” shall now also include any joint entity created pursuant to the Interlocal Cooperation Act that receives tax funds generated under section 2-3226.05. (That is: River-flow enhancement bonds; costs and expenses of qualified projects; occupation tax authorized; exemption; collection; accounting; lien; foreclosure.)

Each governing body shall each year or biennial period conduct a public hearing on its proposed budget statement. Such hearing shall be held separately from any regularly scheduled meeting of the governing body and shall not be limited by time. At such hearing, the governing body shall make a detailed presentation of the proposed budget statement and shall make at least three copies of the proposed budget statement available to the public. Any member of the public desiring to speak on the proposed budget statement shall be allowed to address the governing body and shall be given a reasonable amount of time to do so.

Notice shall be given by publishing in a newspaper of the general circulation within the public bodies jurisdiction and, if available, in a digital advertisement on such newspapers website. In addition to search required methods of notice, such notice may also be provided by any other appropriate method designated by such a public body or advisory committee.

**LB239 (Dorn) Change requirements for notices of hearings on county budgets. RECOMMEND: SUPPORT.** Change requirements for notice of hearing on county budget. A summary of the budget, in the form required by section 23-905, showing for each fund (1) the requirements, (2) the outstanding warrants, (3) the operating reserve to be maintained, (4) the cash on hand at the close of the preceding fiscal year, (5) the revenue from sources other than taxation, (6) the amount to be raised by taxation, and (7) the amount raised by taxation in the preceding fiscal year, together with a notice of a public hearing to be had with respect to the budget before the county board, shall be published once at least four calendar days prior to the date of hearing in some legal newspaper published and of general circulation in the county or, if no such legal newspaper is published, in some legal newspaper of general circulation in the county. For purposes of such notice, the four calendar days shall include the day of publication but not the day of hearing - amended from 5 days before the hearing. On or before August 1, the budget-making authority shall prepare a county budget document, in the form required by sections 23-904 and 23-905, for the fiscal year and transmit the document to the county.

**LB108 (Bolz) Change provisions relating to placement of Department of Correctional Services inmates in county jails.** LB108 creates annual limits on placements in county jails such that in any year the department of corrections may contract with county jail facilities to house no more than 150 committed offenders. This limit shall apply to the entire state. Committed offenders eligible for placement in the county jails shall only include those within one year of parole or release eligibility or those requiring only community-based or minimum-security supervision.

The department shall only place a committed offender for housing in a county jail if the county jail facility has the capacity and agrees to offer services to meet one or more of the offenders' prerelease programming requirements when such programming is needed for the offender to become eligible for parole or release. The department may place a committed offender who does not have prerelease programming requirements in a county jail facility in which such programming is not offered.

The department may not withhold good time or in any other way sanction a committed offender solely based upon his or her with usual to participate in placement in a county jail related hereto.

**LB216 (Kolterman) Prohibit releasing a person in custody to avoid medical costs.** A law enforcement officer having custody of a person shall not release such person from custody merely to avoid the cost of necessary medical services while the person is receiving such medical services from a health care provider unless the health care provider consents to such release or unless the release is ordered by a court of competent jurisdiction. If the law enforcement officer is satisfied that probable cause no longer exists to believe such person committed a crime based upon an ongoing investigation or if the prosecuting attorney gives notice that no charges will be filed at the time such person is in custody, the law enforcement officer may release such person from custody.

Upon the date of notification to the health care provider that the person is being released from custody because the ongoing investigation indicates that probable cause no longer exists or because of a decision by the prosecuting attorney that no charges will be filed, the law enforcement agency shall no longer be responsible for the cost of such person's medical services.

**BRAD JOHNSON - LB376 (Friesen) Provide for safekeeping of prisoners.**  
**RECOMMEND: SUPPORT.** This is a bill that would correct language from LB 605 as it pertains to county jails housing inmate with the Nebraska Department of Corrections as "safe keeping". Lancaster County Department of Corrections has only done this one time that Brad can remember and that was for a medical issue.

**LB443 (McCollister) Require the Department of Correctional Services to allow committed offenders reasonable access to their attorneys.** **RECOMMEDATION: MONITOR.** The department shall allow each committed offender reasonable access to his or her attorney or attorneys. If a committed offender communicates with his or her attorney or attorneys by telephone or videoconferencing, such communication shall be provided without charge to the committed offender and without monitoring or recording by the department or law enforcement.

**THURSDAY, FEBRUARY 7, 2019.**

**LB412 (Geist) Require an election regarding creation of a joint public agency.**

**RECOMMENDATION: OPPOSITION.** Beginning on the effective date of this act, before any agreement is entered into regarding the creation of a joint public agency which involves a political subdivision of this state that has authority to levy a tax or issue bonds, the question of the creation of the joint public agency shall be submitted to the registered voters of each such political subdivision which intends to be a party to the agreement at an election held in conjunction with the statewide primary election or statewide general election. No agreement shall be entered into until the question has been submitted to the registered voters of each such political subdivision and a majority of all the voters voting on the question have voted in favor of creating the joint public agency, at an election called for the purpose, upon notice given by the governing body of each political subdivision at least twenty days prior to such election. The same measure, either in form or in essential substance, shall not be submitted to the people, either affirmatively or negatively, for a period of six months from and after the date of such election. Certain procedural requirements are mandated by the bill in the event a related question is submitted to voters.

The City of Lincoln is opposing.

**FRIDAY, FEBRUARY 8, 2019.**

**LB118 (Arch) Provide a procedure to withhold residential address of physicians in county records.**

Unless requested by a member of the public in writing, the county assessor and register of deeds shall withhold from the public the residential address of a physician or an osteopathic physician licensed under the Medicine and Surgery Practice Act who applies to the county assessor in the county of his or her residence to have such address withheld. The application shall be on a form prescribed by the county assessor and shall include the name, address, and medical license number of the physician or osteopathic physician and the parcel identification number for his or her residential address. The county assessor shall notify the register of deeds regarding the receipt of a complete application. The county assessor and the register of deeds shall withhold the address of a physician or an osteopathic physician who complies with this section for five years after receipt of a complete application. The physician or osteopathic physician may renew his or her application every five years upon submission of an updated application. A change of address requires a new application.

**LB150 (Brewer) Change provisions relating to access to public records and provide for fees.**

Under LB 150, the persons interested in the examination of public records are divided into residents and nonresidents. "Resident" means a person domiciled in this state and includes news media without regard to domicile. **LB463 (Williams) Change provisions relating to treasurer's tax deeds and tax sale certificates.**

**LB490 (Wayne) Consolidate offices of clerk of the district court and clerk magistrates.**

The position of appointed clerk of the district court shall be consolidated with the position of clerk magistrate into the position of clerk of the courts; and the clerk of the courts

and any transferred employees shall become state employees. The clerk of the courts shall have all the duties, obligations, and powers of the clerk of the district court and clerk magistrate.

Consolidation under this section shall occur: (a) On July 1, 2021, for district court judicial district numbers 8, 10, 11, and 12; (b) On July 1, 2022, for district court judicial district numbers 1, 3, 5, 6, 7, and 9; and (c) On July 1, 2023, for district court judicial district numbers 2 and 4.

A consolidation plan shall be submitted to the State Court Administrator in a format prescribed by the administrator within 120 days after the request by the Supreme Court. A majority of the judges affected by the consolidation shall approve the plan prior to submission to the State Court Administrator. A consolidation plan shall not become effective unless approved and adopted by the Supreme Court. If a plan is not submitted within such 120 days, the Supreme Court shall develop a substitute consolidation plan.

At the request of the Supreme Court, the judges of the district court, county courts, and separate juvenile court of a district court judicial district, in conjunction with any remaining clerk of the district court or clerk magistrate and any representative of a vacated office, shall develop a plan to consolidate the positions of clerk of the district court and clerk of the county court into the position of clerk of the courts for the county.

Each consolidation plan shall address, but not be limited to, the facilities, assignment of magistrate duties to a clerk or to an existing court employee who will become part of the consolidated office under the plan, selection of an administrative judge from within the district for the purposes of administration of the consolidated office of the clerk of the courts, and personnel structure. Each plan shall also identify other employees who are not employed by the clerk of the district court or clerk magistrate at the time of the consolidation but who are integral to the operation of the court, and employees so identified shall remain county employees. In developing the consolidation plan, interests and comments from the public and attorneys who regularly practice in the county shall be considered.

#### **ADDITIONAL REQUESTS BY DEPARTMENT HEADS**

**BRENT MEYER – Funding for Riparian Management Task Force. SUPPORT.** No new developments on this budget request.

**SHELI SCHINDLER – LB330 (Bolz) Change the administration, duties, membership, purpose, and reports of the Nebraska Children's Commission. RECOMMEND: SUPPORT.** The bill makes positive changes to the structure and role of the Nebraska Children's Commission.

**BRAD JOHNSON – LB282 (Hansen, M) Change provisions relating to bail. RECOMMEND: NEUTRAL/MONITOR.** Brad does not see this bill as having any serious impact with regard to the courts' bail decision behaviors. This bill does require anybody in custody who has been arraigned to be assigned an attorney if they are indigent.

**BRAD JOHNSON – LB90 (Wayne) Make post-release supervision optional for Class IV felonies. RECOMMEND: SUPPORT.** Currently, individuals sentenced to a Felony 4 offense must do 12 months of post release supervision. This has had a significant impact on population numbers because many of these individuals violate the terms of their supervision and are sentenced to additional jail time as a result. Over the past two years this has involved thousands of jail days. By giving judges an option the Department may see some relief.

**BRAD JOHNSON - LB 684 (Lathrop) Change provisions relating to post-release supervision for Class IV felonies. RECOMMEND: OPPOSE.** This bill pertains to F4 sentencing and post release supervision. His concern with this bill is that in Section 2, paragraph 2, line 11 it changes the length of term for revocation of post-release supervision from remaining period to original period. This means if a person is sentenced to 12 months post-release supervision and 6 months into the supervision period the courts revoke it the individual could now be sentenced to the jail for the entire 12 month period, rather than the 6 months that was left. I would encourage opposing this bill as written.

**BRAD JOHNSON - LB 690 (Cavanaugh) Adopt the Healthy Pregnancies for Incarcerated Women Act. RECOMMEND: AMENDMENTS.** This bill pertains to the transporting and restraining of pregnant inmates. The restraining of pregnant women has been discouraged for many years. Lancaster County has been in compliance with that practice for at least five years and our current procedures prohibit it unless authorized by the jail administrator. Quoting Brad: "I want to emphasize that we are not opposed to this bill in spirit. As I have mentioned, we have not, for at least five years, had a reason to restrain any of our pregnant women and we have established written procedures prohibiting it without appropriate authorization. My request is that the statute not take away all of our discretion for very rare but potentially dangerous cases." In other words, please seek an amendment to the bill that allows for some discretion.

**BRAD JOHNSON – LB446 (McDonnell) State intent relating to appropriations for the County Justice Reinvestment Grant Program. RECOMMEND: SUPPORT.** Bill states that it is the intent of the Legislature to appropriate one million dollars to the County Justice Reinvestment Grant Program within the Nebraska Crime Commission on Law Enforcement and Criminal Justice for FY2018-19 and FY2019-20 to alleviate county jail populations through programming and services. The programming and services shall include, but not be limited to, the inmates who are diagnosed as mentally ill. This is the reimbursement portion of LB 605 that allows counties who can show that LB 605 increased their population. As you may remember we took advantage of this grant in 2017 and received nearly \$75,000. The money has to be used for programming. In this bill the total funding is double, from \$500,000 to \$1 million. We could receive around \$150,000 if passed.

**SHAVONNA LAUSTERER - LB480 (Quick) State intent relating to appropriations to local public health departments. RECOMMEND: SUPPORT.** Appropriates \$900,000 to local public health departments established by LB 692 for preventative health programs to reduce chronic disease and associated health care costs. Each Department would get \$50,000. The preventive health programs that will benefit from the funds will be selected to: Increase physical activity; prevent complications from diabetes, cardiovascular disease, and other chronic diseases; improve access to medical homes and dental homes to offer prevention and wellness services; increase worksite wellness initiatives to prevent disease and disability; assure preventive services for children and adults; and promote preventive health and wellness in additional ways. Programs will be selected based on needs identified by the community and based on Evidence Based Practices. NACO supported this bill last year.

**SHAVONNA LAUSTERER - LB 304 (Crawford) Change provisions relating to the Nebraska Pure Food Act to exempt certain operations from the definition of a food establishment as prescribed. RECOMMEND: OPPOSITION.** This bill would allow foods to be prepared and sold from a private home without a food safety permit. We believe this

could lead to an increase in foodborne illnesses. Licensed businesses would also be impacted if people are allowed to purchase foods from unlicensed vendors.

**PAM DINGMAN – LB39 (Hilkemann) Change provisions relating to occupant protection system enforcement and change certain violations from secondary to primary enforcement.** Designed to change passenger restraint system enforcement from a secondary offense to a primary offense, as well as to require the use of occupant protection systems for each vehicle occupant. Hearing scheduled for March 4, 2019.

**PAM DINGMAN – LB40 (Hilkemann) Change provisions related to provisional operator's permits, LPD and LPE learner's permits, and interactive wireless communication devices.** Designed to change certain uses of interactive wireless communication devices from secondary offenses to primary offenses regarding provisional operator's permits, and LPD/LPE learner's permits. Hearing scheduled for March 4, 2019.

This concludes our report for this week. We would be happy to answer any questions you might have.

Re: Lancaster County

### DISCLOSURE NOTICE OF TERRORISM INSURANCE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, that you have the right to purchase insurance coverage for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act.

#### Certified Act of Terrorism

As defined in Section 102(1) of the Act, the term "act of terrorism" means any act that is certified by the Secretary of the Treasury - in concurrence with the Secretary of State, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

#### Disclosure of Federal Participation in Payment of Terrorism Losses

You should know that where coverage is provided for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

#### Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for acts of terrorism certified under that Act.

The portion of your premium attributable to coverage for acts of terrorism certified under the Act is Excluded plus applicable taxes and fees. This amount does not include any charges for the portion of losses covered by the United States government.

### REJECTION OF TERRORISM INSURANCE COVERAGE

You may choose to reject this offer of coverage for losses resulting from acts of terrorism as defined in the Act by signing the statement below and returning it to your insurance producer.

**Coverage Rejection** - I hereby reject the offer to purchase coverage for certified acts of terrorism as defined in the Act. I understand that I will have no coverage for losses resulting from such acts of terrorism.

Re: SEND D EPA Brownfields Assessment Coalition Application

Dear Mr. Bliss:

On behalf of Lancaster County, Nebraska and each of its communities, please accept this letter of support for SEND D's competitive Brownfield grant application for an EPA Brownfields Assessment Coalition grant. This project is in partnership with the Nebraska Department of Environmental Quality (NDEQ), and focuses on the southeast counties in Nebraska, which includes Lancaster County and the City of Lincoln.

We understand that SEND D has requested funds for assessing hazardous substances and/or petroleum product in this area. We applaud SEND D's efforts in support of the revitalization and redevelopment efforts in Lancaster County and greater southeast Nebraska and hope that you will give every possible consideration to SEND D's application for an EPA Assessment Coalition grant.

Lancaster County is a strong believer in the value of Brownfield programs due to the successes we have experienced in redevelopment projects across the county, including the Lincoln's Historic Haymarket District and "O" and 48<sup>th</sup> street activities. Accordingly, Lancaster County will serve as a targeted community, and will work to inform residents on program availability. Further, Scott Holmes, Lincoln-Lancaster County Health Department's Environmental Public Health Manager has agreed to participate on the Assessment Coalition committee.

We look forward to working in partnership with SEND D on this vitally important project.

Sincerely,

Jennifer Brinkman, Chair

Re: SEND D EPA Brownfields Assessment Coalition Application

Dear Mr. Bliss:

On behalf of Lancaster County, Nebraska and each of its communities, please accept this letter of support for SEND D's competitive Brownfield grant application for an EPA Brownfields Assessment Coalition grant. This project is in partnership with the Nebraska Department of Environmental Quality (NDEQ), and focuses on the southeast counties in Nebraska, which includes Lancaster County and the City of Lincoln.

We understand that SEND D has requested funds for assessing hazardous substances and/or petroleum product in this area. We applaud SEND D's efforts in support of the revitalization and redevelopment efforts in Lancaster County and greater southeast Nebraska and hope that you will give every possible consideration to SEND D's application for an EPA Assessment Coalition grant.

Lancaster County is a strong believer in the value of Brownfield programs due to the successes we have experienced in redevelopment projects across the county, including the Lincoln's Historic Haymarket District and "O" and 48<sup>th</sup> street activities. Accordingly, Lancaster County will serve as a targeted community, and will work to inform residents on program availability. Further, Scott Holmes, Lincoln-Lancaster County Health Department's Environmental Public Health Manager has agreed to participate on the Assessment Coalition committee.

We look forward to working in partnership with SEND D on this vitally important project.

Sincerely,

Jennifer Brinkman, Chair  
Lancaster County Board of Commissioners
